1. APPROVAL OF MINUTES

The minutes of May 7, 2019, were approved via email by the College Curriculum Committee (CCC) on May 16, 2019.

2. CHAIR'S REPORT: College Curriculum Committee Chair – J. Young

Chair Young thanked C. Striepe for serving as the Standard Review Representative for this meeting and the CCC for reviewing the full review proposals for this meeting. She also thanked C. Escutia for her exemplary work in developing today's 10-page agenda, her patience, attention to detail, and excellence in everything she does.

Chair Young reported that Curriculog development is going extremely well. It is expected that, in Fall 2019, all curriculum will be reviewed in Curriculog. Training for administrative assistants and interested faculty will begin in the summer with additional trainings continuing in fall. The two areas in which Curriculog will be different from the current system are: 1) Curriculog does not currently have the capacity to automatically calculate the lecture/lab hours; and 2) we will have to forgo adding the assessment method for each objective, which incidentally, is not required in Title 5 or the Program and Course Approval Handbook (PCAH). This requirement is covered later in the course outline as a checklist under *Instructional Methods*. More information about Curriculog will be presented at the June 4 meeting.

Chair Young directed the CCC to the agenda and noted that the end dates for CCC member's terms are now listed on the agenda. The term is three years, and Divisions should stay apprised as to when elections for CCC reps should take place. Chair Young also noted that J. Minei and C. Striepe will remain on the committee as the representatives for Fine Arts and Library Learning Resources respectively. If your term is up this semester, please have your

Division hold elections immediately and let us know if you are remaining on the CCC or forward us the name of the new representative.

Per CCC Bylaws, DCC members are required to attend one mandatory training session per year. Chair Young and Advisor L. Plum will host DCC training sessions on Flex Day in fall.

3. NEW COURSE - COMS 180 - Data Storytelling Faculty Presentation – C. Wells

Chair Young introduced C. Wells to present the new course, Data Driven Persuasion, which is being proposed as a Communication Studies course that can be taught in various divisions and may qualify for critical thinking and quantitative reasoning designation for CSU transfer.

J. Shankweiler asked that the course author present it to the CCC to explain the purpose of the course and answer questions. The CCC asked questions and offered recommendations to the course author. The suggestions will be integrated into a revised outline and sent to the CCC to be voted on at the June 4 meeting.
