1. **APPROVAL OF MINUTES**

   The minutes of May 26, 2020 were approved via email by the College Curriculum Committee (CCC) on June 1, 2020.

2. **CHAIR'S REPORT:** College Curriculum Committee Chair – J. Young

   Chair Young thanked the committee for approving the May 26 minutes, M. Anderson for serving as the Standard Review representative for today's meeting, and C. Escutia for compiling the numbers and developing the chart of approved proposals for 2019-2020.

   Chair Young shared the following chart with the CCC and thanked them for their extraordinary work this past year. She noted that this information was shared at today's Academic Senate meeting.

Semester	Degrees & Certs New and Revised Combined	Course Review	New Courses	Inactivations	DE Addenda
Fall 2019	23	136	13	3	37
Spring 2020	28	259	13	34	932
Total	**51**	**395**	**26**	**37**	**969**
Grand Total: 1,478 Proposals					

Chair Young noted that the Senate has requested that the CCC submit goals for 2020-2021 and provided the following ideas to be considered: Curriculum's role in social justice, assessing CCC practices and procedures, formalized training for DCC members, prerequisite, corequisite, and recommended preparation training, and Curriculog training. These are merely suggestions and the CCC is encouraged to provide suggestions as well. These goals will be discussed at the September 22 CCC meeting. Once finalized, Chair Young will report back to the Senate.

Chair Young asked for volunteers for the Standard Review Committee for fall with the following results:

September 22	Monica Chaban
October 13	Jon Minei
October 27	Mark Lipe
November 10	Chris Glover
November 24	Claudia Striepe
December 10	Edwin Ambrosio

Chair Young reminded the CCC that Division Plans are due today. These plans are especially important as courses for input into Curriculog will be prioritized based on this list.

A Curriculog update was presented. Input into the new system is continuing and all courses approved in Fall 2018 have been entered in the system. As stated, the next step is to input courses from Division Plans for Fall 2020 review. Virtual trainings will be scheduled and training materials will be distributed in the summer along with a training scheduled for Professional Development Day.

Chair Young explained that some courses have been under review to meet the Chancellor's Office unit/hour calculations but did not meet the spring submission deadline. To avoid duplication of effort, these courses will be reviewed by the "paper process." Therefore, it is likely that the CCC will receive two sets of proposals (some for paper review and some for Curriculog review) for the September 22 meeting.

Chair Young explained that Welding 1B was tabled because of unit/hour calculation issues and that the recommended preparation of basic computer skills has been removed from Fashion 4 and Fashion 31, per faculty request, and the matching skills have been revised.
