1. CHAIR'S REPORT: College Curriculum Committee Chair – J. Young

Chair Young explained that this Special Meeting was called to approve the courses that are currently being offered but need to be moved to online delivery by March 18, 2020 as directed by the Chancellor. She explained that the Chancellor is allowing us to waive the formal process and approve the courses en masse for the spring semester. She explained that we will bring the courses through the CCC approval process via another Distance Education Expansion Project.

Based on this information, Chair Young asked that the CCC consider approving these courses for online and hybrid delivery through the spring.

Chair Young directed the CCC to the agenda and the list of the courses presented for approval at today's meeting. She asked for a motion.

2. MOTION TO TEMPORARILY APPROVE DISTANCE EDUCATION DELIVERY FOR ANY COURSE NOT PREVIOUSLY APPROVED

M. Anderson moved and J. Minei seconded the motion that the CCC approve the courses on the list for online and hybrid delivery effective March 18, 2020 through June 12, 2020.
