**1. APPROVAL OF MINUTES**

The minutes of May 12, 2020 were approved via email by the College Curriculum Committee (CCC) on May 19, 2020.

**2. CHAIR'S REPORT:** College Curriculum Committee Chair – J. Young

Chair Young thanked the CCC for approving the minutes for the May 12 meeting, M. Lipe for serving as the Standard Review representative for today's meeting, and M. Anderson for agreeing to serve as the Standard Review representative for our final meeting in June.

Chair Young noted that she sent an email to classified staff during staff appreciation week on behalf of the CCC in appreciation of their dedication and work behind the scenes with curriculum. She asked the CCC to be sure to express their gratitude to them as well.

Chair Young explained that Phase 1 of the DE Addendum project is complete. Courses scheduled to be offered in the summer, that faculty have deemed appropriate for online and/or hybrid delivery, are listed on the Consent Agenda for approval at today's meeting. Phase 2, which includes courses scheduled for fall, that have been deemed appropriate for online and/or hybrid delivery, will be reviewed at the June 9 meeting. All remaining courses will be placed on an emergency addendum so they may be offered in fall in a distance education format.

Chair Young noted that, per S. Kushigemachi, English A and English 84 will be inactivated soon. Therefore, prerequisites and recommended preparations should use English 1. A memo with suggested wording is listed on the CCC website at [www.elcamino.edu/academics/cc](http://www.elcamino.edu/academics/cc).

M. Chaban inquired when the template for the Division Plans and the list of courses in need of review would be forwarded to the divisions. L. Plum stated that they will be forwarded at the end of the week.

Chair Young began curriculum review by thanking the committee for the comments they forwarded to her prior to the meeting and she reviewed some of the major concerns with the committee. Chair Young also explained that Spanish 52A and 52B were being tabled for today's meeting because the faculty need more time to research and address the unit/hour calculations in order to comply with the Chancellor's Office formula. The foreign language courses will be reviewed in early fall.
