1. APPROVAL OF MINUTES

The minutes of November 10, 2020 were approved via email by the CCC on November 19, 2020.

2. CHAIR'S REPORT: College Curriculum Committee Chair – J. Young

Chair Young thanked the CCC for approving the minutes from the November 10 meeting via email, C. Striepe for serving as the Standard Review representative for today's meeting, and E. Ambrosio for serving as the representative for the December 8 meeting.

It was reported that the final set of DE addenda were being presented at today's meeting, bringing the total to 1,210 courses with an approved course delivery method. Chair Young noted that DE approval does not require that a course be offered as such, but it does allow them to be offered for online or hybrid delivery. If necessary, the DE delivery method can be removed with the submission of the required form, a justification, and DCC and CCC approval.

All courses will be reviewed in Curriculog in spring 2021. Chair Young reminded the CCC to contact her to set up department or DCC trainings in January and early February.

The CCC was reminded to keep their DCC, faculty, Deans, and Associate Deans apprised of curriculum matters and recommends that a brief email and the agenda be sent out after the meeting.

In preparation for the final meeting in December, the CCC was reminded that they were emailed paper proposals and a list of courses to review in Curriculog. They are due back on Monday, November 30.

Chair Young noted that the CDEV courses that were reviewed in Curriculog were inadvertently left off the November 10 agenda and need to be formally voted on at today's meeting. In addition, the High School Articulation Agreements were moved to the December meeting.
