El Camino College

Where you belong. Where you succeed.

Welcome to Community Education!

ABOUT COMMUNITY EDUCATION

El Camino College

We are El Camino College's Community Education department! We provide award-winning classes, in various formats, to meet the needs of our community. Register now for a variety of classes offered in-person, live-online, self-paced online, or hybrid. The Community Education department provides short-term, not-for-credit classes, workshops, career-training programs and events designed for professional and/or personal development with an emphasis on inspiring a sense of wonder and imagination for life-long learning. College credit is not given for classes conducted by the Community Education department. Community Education is a self-supporting entity of the college and is not funded by taxpayer dollars. We are here to help! If you have a special interest or particular need for a class, please send us your requests to commmed@elcamino.edu or text (424) 279-4430.

The district and the college further reserve the right to add, amend, or repeal any of their rules, regulations, policies and procedures.

ENRICHMENT

Beginner American Mah Jongg #730087

Come learn this historic game of strategy, logic, and luck–MahJongg! You'll learn gameplay basics, history, and how to play defense. This is an in-person course, be prepared to enjoy learning collaboratively by playing the game with other students. The course begins with the history of MahJongg, then you'll learn how to understand the tiles and by the second class, you'll begin playing the game while learning gameplay structure. During the third through fifth classes, you'll learn game variations, how to understand the MahJongg card, and how to play defense. This course involves collaborative learning in which students practice among themselves. Lectures are very engaging and interactive! \$10 materials fee is paid directly to the instructor to cover the cost of the National MahJongg card you will receive upon successful completion of the course.

#52114 Fri 4:30 PM - 6:00 PM; 5 sessions; starting February 24, 2023, ending March 24, 2023

#52115 Fri 4:30 PM - 6:00 PM; 5 sessions; starting April 7, 2023, ending May 5, 2023

Tuition: **\$25**
Instructor: **Dr. Marlow Lemons**
Location: **El Camino College, Library/Distance Education Room# 166**
Materials Cost: **\$10**

SOAP & CANDLE MAKING

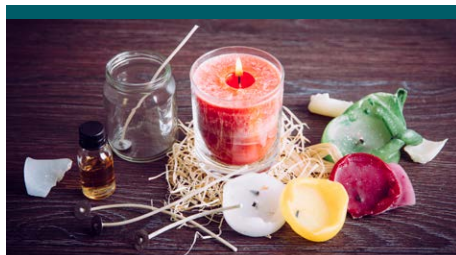

Bath Products (shampoo, shower gel & bubble bath) #119697

In this fun, hands-on class, students will discover simple techniques for making one-of-a-kind bath products (shampoo, shower gel, bubble bath, bath salt & exfoliate). Topics include: Ingredients and equipment, Where to obtain supplies, Tips for making bath gels, Adding herbs or glycerin extracts, and aroma therapeutic effects of oils. Why purchase expensive commercial bath products when you can delight in making your own? Class is hands-on so please dress accordingly. \$35 materials fee to be paid to the instructor in class includes supplies and informational handouts.

#52152 Saturday, March 25, 2023
10:00 AM - 1:00 PM

Tuition: **\$69**
Instructor: **Quayum Abdul**
Location: **El Camino College, Chemistry 103**
Materials Cost: **\$35**

Candle Making #119681

Light your fire! Have you ever wondered how beautiful candles are made? Have you ever wanted to make fragrant-multicolored candles for yourself or friends? In this dynamic workshop, you'll learn how to create unique candles to enjoy and share for far less than what they cost in stores. By the end of this class, you will create several candles and learn skills enabling you to continue making more at home. Topics include: Getting started, types of candles, candle molds, materials supply sources, and how to add fragrance and color. Class is hands on so please dress accordingly. \$25 materials fee covers the cost of the project materials needed to get started in class and is payable directly to the instructor in class.

#52150 Saturday, February 11, 2023
10:00 AM - 1:00 PM

Tuition: **\$69**
Instructor: **Quayum Abdul**
Location: **El Camino College, Chemistry 103**
Materials Cost: **\$25**

Fizzy Bath Bombs #119723

Settle in for a good soak with the ultimate fizzy bath time treat! Let your imagination go wild while experimenting with different oils, colors, flowers, and even glitter, for tons of fizzy fun. \$25 material fee to be paid directly to the instructor in class.

#52155 Saturday, April 15, 2023
3:00 PM - 6:00 PM

Tuition: **\$69**
Instructor: **Quayum Abdul**
Location: **El Camino College, Chemistry 103**
Materials Cost: **\$25**

Soap Making #110029

Do you love luxurious bath products? Then this is the perfect workshop for you. Fun for adults and kids! You'll learn how to make bar soaps, cleansing gels, and bubble bath. Create soaps for the ultimate home-spa experience or for gift giving. Various techniques, recipes, and information about creating specialized products for individuals with sensitive skin are taught in this fun and addictive class. You'll want to make more and more soaps at home! \$25 material fee to be paid directly to the instructor in class.

#52151 Saturday, February 11, 2023
3:00 PM - 6:00 PM

Tuition: **\$69**
Instructor: **Quayum Abdul**
Location: **El Camino College, Chemistry 103**
Materials Cost: **\$25**

Soap Making--Cold Process Method #119718

Want to know how to use the cold process soap making method to create soap completely from scratch? Well, this class will explain to you A to Z cold process soap making so that you can create beautiful handmade soaps right in your kitchen. Oh, and don't worry about your experience level, it really doesn't matter. This class ranges from beginner to advanced. Whether you are a complete novice or a soap making pro you'll have fun and learn something new about making soap at home. Class is hands-on; please dress accordingly. \$35 materials fee covers the cost of the materials to get you started with project in class and is to be paid directly to the instructor.

#52153 Saturday, March 25, 2023
3:00 PM - 6:00 PM

Tuition: **\$69**
Instructor: **Quayum Abdul**
Location: **El Camino College, Chemistry 103**
Materials Cost: **\$35**

Body Butters #119724

If your skin feels dry or uncomfortable, body butters will keep you soft, smooth, and hydrated. Perfect for your roughest skin areas such as elbows, cracked heels, and hard-working hands. In this hand-on workshop, you will learn how to make your own luxurious body butter lotions, with your choice of scent or therapeutic ingredients. \$25 material fee to be paid directly to the instructor in class.

#52154 Saturday, April 15, 2023
10:00 AM - 1:00 PM

Tuition: **\$69**
Instructor: **Quayum Abdul**
Location: **El Camino College, Chemistry 103**
Materials Cost: **\$25**

HEALTH & FITNESS

Pickleball #7820003

Pickleball is one of the fastest growing sports in the country. And here's why: The rules are simple. And while it's easy for beginners to learn, it can quickly develop into a fast-paced, competitive game as players become more skilled. Combining elements of tennis, badminton, and ping-pong, pickleball is played with paddles and a plastic ball on a tennis court with a slightly modified net. Once you play a game or two, you'll be hooked! In this class you'll be introduced to the history and rules of

Pickleball while learning basic Pickleball skills such as forehand and backhand groundstrokes, serves, dinks, overhead, and volley shots. You'll also learn game strategy for singles and doubles through class play. This will be a fun and collaborative learning experience with hands-on instruction! Must Bring Your Own Paddle & Ball: Students must come to class with their own Pickleball paddle and ball (appropriate for outdoor play).

#52111 Mon 6:00 PM - 8:00 PM; 9 sessions; starting January 16, 2023, ending March 13, 2023

#52112 Mon 6:00 PM - 8:00 PM; 9 sessions; starting March 20, 2023, ending May 15, 2023

Tuition: **\$69**
Instructor: **Tom Hazell**
Location: **El Camino College, Tennis Courts**

YOGA

Yoga for Health & Relaxation--Beginning (On-Campus or Via Zoom) #9230001

Yoga focuses on uniting the body, mind and spirit through movement, breathing and relaxation. Suitable for all ages and abilities, students report increased strength, flexibility, concentration, awareness and overall well-being. The beginning class teaches breathing techniques and introduces major yoga postures.

CODING BOOTCAMPS

It is estimated that by 2021 there will be a shortage of 1.4 million software developers in the United States.

Why wait? Start achieving your technology career goals!

Front End Software Developer

Introduction to JavaScript - Weeks 1-6

- JavaScript
- Algorithms
- OOP
- Design Patterns
- Unit Testing

Front End Technologies - Weeks 7-13

- HTML
- CSS
- JQuery
- Bootstrap
- AJAX

Web App Design with React - Weeks 13-18

- ReactJS
- JSX
- AWS
- REST
- NPM

Back End Software Developer

Introduction to Java - Weeks 1-6

- Java
- Algorithms
- OOP
- Design Patterns
- Unit Testing

Relational Databases with MySQL - Weeks 7-13

- SQL
- JDBC
- DDL
- Database Concepts
- DML

Web API Design with Spring Boot - Weeks 13-18

- Spring Boot
- AWS
- JWT
- REST
- JPA

Schedule
Class meets online on a weekday evening. Each student will also participate in a weekly 30 minute, one-on-one session with a mentor. Students start each academic week on Sunday and are required to watch all videos and start working on assignments/projects before their online class meeting. Course consists of 13-18 hours of weekly homework and content, including career service assignments utilizing LinkedIn.

Prerequisites
Students must be 18 or over and have a high school diploma or equivalent. Basic computer literacy and the ability to navigate one's own computer is strongly preferred. Students will complete an aptitude test prior to the first class session.

Technical Requirements
Students must have access to a computer with a minimum of 8GB RAM and i5 processor. Class utilizes both Zoom and Slack for meetings and communication. Although not required, students may find a second monitor extremely helpful.

Job Outlook

- Average wage in California is \$64.60 hourly, \$134,370 annually.
- Average wage nationally is \$53.66 hourly, \$111,620 annually.
- Jobs for software developers are expected to grow 25.6% by 2028.

Data provided by the U.S. Bureau of Labor Statistics

Become A Software Developer

18-Week Online Coding Boot Camps

Back End Software Developer Boot Camp #210190

Back End Software Developers are in charge of building applications that do the behind-the-scenes work. This typically involves receiving requests from a Front End application, processing the request, reading and writing to a database, and responding back to requests from other applications.

In this 18-week, Back End Software Development program, students take three courses to learn the skills and technologies necessary to enter the industry as a Back End Software Developer: Introduction to Java, Relational Databases with MySQL, and Web API Design with Spring Boot. Skills and technologies learned include Java 1.8, Algorithms, OOP, Design Patterns, Unit Testing, SQL, DDL, DML, Database Concepts, JDBC, Spring Boot, Spring Data, REST, JPA, JWT, AWS, and more.

Class Start Dates:

#52441 Tuesdays, February 28 - June 27, 2023
#52442 Wednesdays, April 26 - August 23, 2023

Tuition: **\$3,745**

Instructor: **Promineo Tech**, a group of IT professionals and leaders who prepare participants for high-growth careers in software development.

Location: **Online**

Front End Software Development Boot Camp #210191

Front End Software Developers build the pieces of applications and websites that users see and interact with. This involves creating components that look good and provide functionality when a user interacts with them. It also involves interacting with Back End applications and displaying data in an aesthetically pleasing manner.

In the 18-week, Front End Software Development program, students take three courses to learn the skills and technologies necessary to enter the industry as a Front End Software Developer: Introduction to JavaScript, Front End Technologies, and Web App Design with React. Skills and technologies learned include JavaScript, Algorithms, OOP, Design Patterns, Unit Testing, HTML, CSS, JQuery, Bootstrap, AJAX, React, JSX, REST, NPM, AWS, and more.

Class Start Dates:

#52438 Wednesdays, January 25 - May 24, 2023
#52439 Thursdays, March 30 - July 27, 2023
#52440 Tuesdays, May 30 - October 3, 2023 (no class week of July 4th)

Tuition: **\$3,745**

Instructor: **Promineo Tech**, a group of IT professionals and leaders who prepare participants for high-growth careers in software development.

Location: **Online**

For More Information:

Call 310-660-6460 or text 424-279-4430 to schedule an individualized information session with a coding program counselor.

Also check out this video for an overview of the program and to meet former coding students:

WONDERING HOW TO BECOME A DATA ENGINEER IN 26 WEEKS?

Big Data Engineering- 26 Weeks

Intro to Python for Data Engineering- Weeks 1-4

- Python
- Data Structures
- Error Handling
- Logic

Intro to the Cloud with Amazon Web Services- 5-9

- AWS
- RDS
- SageMaker
- AWS Glue and Athena
- EMR Clusters

Intro to Hadoop and Distributed Computing- Weeks 10-12

- Hadoop
- Hue
- Hive
- Spark

Intro to Big Data Ingestion in AWS- Weeks 13-15

- Amazon Aurora
- Ingestion in AWS
- Amazon Kinesis

Building a Data Lake in AWS- Weeks 16-17

- Storage Concepts
- Data Lake
- Amazon Redshift

Modeling the Derived Layer of a Data Lake- Week 18

- Normalization
- Data Modeling
- OLTP vs OLAP

Building a Data Science Platform- Weeks 19-22

- Notebooks
- Jupyter
- AWS SageMaker
- Elastic MapReduce
- Visualization

Capstone: Data Engineering Big Data Project- Weeks 22-26

- Capstone Project

Big Data Engineering

#210194

The Big Data Engineering Program is designed to introduce the technically inclined student to the technologies and methodologies requested by hiring companies and used by real world data engineers. This program is fast paced and will cover a breadth of technologies, including Python programming, Hadoop and cloud-based services in Amazon Web Services (AWS). The student will also be introduced to such methods as data wrangling, munging, ingesting and modeling for analytics.

By the end of the program the successful student will be prepared for an entry level position as a data engineer, Python programmer, or business intelligence developer.

Pre Requisites for Big Data Engineering:

- Technical aptitude
- Logical thinker
- Comfortable with OS file system concepts
- Experienced downloading and installing software
- Experience working with data connections in Excel or other applications
- Experience creating macros and functions in Excel or other application
- Some exposure to programming is helpful but not required

#52443 Tuesdays, February 28 - August 29, 2023 (no class week of July 4th)

#52444 Tuesdays, May 30 - December 5, 2023 (no class week of July 4th)

Tuition: **\$4,745**

Instructor: **Promineo Tech**

Location: **Live Online**

Digital Marketing Program #210195

The Digital Marketing program is designed to help students with an interest in marketing create a portfolio and begin an entry level position in the digital marketing field. The curriculum is a project-based course that blends marketing theory, critical thinking skills, and practical experience to prepare students for an entry-level position in a growth industry. Students will become proficient in advertising platforms such as Facebook, Google, Instagram, Twitter, and LinkedIn. Our program provides a fast-paced, detailed curriculum with a full-breadth of digital marketing knowledge in order to be a competitive applicant in an ever-growing job market. Digital Marketing jobs are growing 112% faster than the U.S. national average job growth (Bureau of Labor Statistics). Upon completion of the program students will be equipped with the tools to be successful at jobs such as marketing coordinator, social media advertising coordinator, branding coordinator, junior UX designer, and more.

In this 16-week program, students are taught foundational basics such as:

- Branding
- Market Research
- Digital Advertising
- Competitor Analysis
- Organic and Paid Media
- Google Analytics
- SEO
- Advertising Strategy
- Customer Personas
- Website Analytics, and more

Class Format: 16 week/320 hour Flipped Classroom. 1.5 hours micro-tailored lecture from Instructor, Mentor Sessions, Office Hours, Career Services, and all students will complete a Capstone project in the last month of class.

Schedule:

#52445 Wednesdays, January 25 - May 10

#52446 Tuesdays, February 28 - June 13

#52447 Thursdays, March 30 - July 13

#52448 Wednesdays, April 26 - August 9

#52449 Tuesdays, May 30 - September 6

Tuition: **\$3,745**

Instructor: **Promineo Promineo Tech**

Location: **Online**

Commercial Drone Pilot sUAS (small Unmanned Aerial Systems) RPIC (Remote Pilot in Command) Training Program

Whether they are called UAVs, drones, unmanned aerial systems (UAS), or quadcopters, unmanned aerial technology is quickly becoming commonplace to our skies. An estimated 1.1 million UAVs are in the United States alone. The demand for commercial drone pilots is soaring as industries are relying on drones now more than ever before. According to experts, the demand for drone pilots is expected to grow by 51.1 percent over the next five years, with sales projected to reach over \$16 billion by 2030. And according to the latest numbers from Glassdoor, the median salary for a drone pilot in the United States is \$85,159, with an average salary of \$54,128, so get your RPIC certification to become employed in this industry that is taking off!

This 3-part Commercial Drone Pilot job training course prepares you to pass the FAA part 107 Remote Pilot in Command (RPIC) exam and receive their RPIC certification. The course work covers: Regulations, National Airspace, Aircraft Performance, Operations, and Weather. Additionally, students will be given physical flight training with various types of sUAS (drones).

Prerequisites: 16+ years of age. Parental/ Guardian Release form required for Students under 18 years of age. High school Senior/High School Diploma or GED

Course Work Requirements: Attending 21 hours in-class and completing homework, quizzes and exams, successful complete 16 hours of sUAS flight training and successful completion of 120 hour externship. To pass this program students must: Score a minimum of 70 percent on the final exam (FAA Part 107 Exam).

1. Regular internet and email access.
2. Regular attendance required.

Part 1 is a LIVE REMOTE ONLINE (Zoom) 21-hour lecture and "real-life" FAA Part 107 RPIC Exam course. **Part 2** is a 16 hour in-person/ on-campus "hands-on" sUAS Pilot Training. **Part 3** is a 120-hour in-person/off-campus externship.

Commercial Drone Pilot--Free Information Session - LIVE REMOTE ONLINE #210186

#52129 Saturday, February 11, 2023; 1:00 - 2:00 PM

Instructor: **Barry Brennan & Steven Katz**

#3240001

Train to become a licensed pharmacy technician in as little as 7 months!

In this 260-hour program, you will learn what it takes to become a successful pharmacy technician. Topics covered include:

pharmacology for technicians, pharmacy law and regulations, sterile and non-sterile compounding, quality assurance, and medication safety. Learn what it takes to assist the pharmacist in preparing and mixing prescriptions, maintaining patient records, purchasing and inventory management, billing and reimbursement, and more. Program includes a 120-hour externship where you will receive hands-on training in a pharmacy under the direction of a pharmacist. Upon successful completion of the Pharmacy Technician program, you will be eligible to apply for your California Pharmacy Technician License. Your tuition includes affidavit for licensure, background check/drug screen required for externship, liability insurance, and certificate of completion. This program fulfills the education requirements of the California Board of Pharmacy

Medical Billing and Coding Certification Training Course

Pay-as-you-go-along, enrolling and purchasing each module as you progress through the course or purchase all 6 modules at the \$2,525 discounted bundle rate--a savings of \$350.

Upcoming Start Dates:

Friday or Saturday class options.

Fridays, 9am – 3pm

#51854 January 6, 2023 (register by December 14, 2022) #51856 February 10, 2023

Saturdays, 8:30am – 2:30pm

#51855 January 7, 2023 (register by December 14, 2022) #51857 February 11, 2023

The demand for health services such as Medical Billers is expected to continue to increase as the population ages.

In this comprehensive 132-hour job training program, you will gain the tools and knowledge necessary to become a medical billing professional. This series provides students with basic knowledge of the national diagnostic and procedural coding systems as well as introduces the process of filing claim forms. During the coming decades, demand for highly-skilled medical biller professionals will continue to exceed the supply. Complete all six learning modules to earn a certificate of completion from El Camino College Community Education—modules may be taken out of sequence. The course also prepares you to take the National HealthCareer Association (NHA) Certified Billing Coding Specialist (CBCS) exam and includes the NHA exam preparation materials, the CBCS exam itself, and the proctoring service fee. The Medical Terminology and

Medical Insurance Handbook textbooks are included with the course and will be provided in PDF formats. Students are required to purchase the coding books. Students may further seek advanced professional coding certification with other national medical coding exam organizations such as the American Academy of Professional Coders (AAPC) or the Certified Professional Coder (CPC) exam. Practical coding experience of six months to two years is recommended prior to taking one of the advanced coding certification exams.

Medical Billing 1: Billing Introduction \$475

Medical Billing 2: Coding Introduction \$475

Medical Billing 3: Managed care, Government Plans & Coding \$475

Medical Billing 4: Misc. Plans, Claims, & Coding \$475

Medical Billing 5: Revenue Cycle Management & Coding \$475

Medical Billing 6: Case Studies – Billing Cycle + NHA CBCS Exam and Online Prep Package \$500

Certified Phlebotomy Technician Course (CPT1) #234033

Employment of phlebotomists is projected to grow 25 percent from 2014 to 2024, much faster than the average for all occupations. In the state of CA, the average hourly mean wage for phlebotomists is \$19.89. --Bureau of Labor Statistics

Phlebotomy Technicians are in demand as one of the fastest growing occupations in healthcare. Launch your career as a Phlebotomy Technician, collecting blood samples from patients in a hospital, clinical laboratory, medical office, or clinic. Through lectures and hands-on training, learn what you need to know about the circulatory system, venipuncture technique and specimen collection, risk factors and complications, and quality assurance. This course provides a complete learning experience—with 48-hour classroom instruction and a 40-hour hands-on externship. It also prepares you to take the National Certification exam to become a Certified Phlebotomy Technician 1 (CPT1). A certificate of completion is awarded upon successful completion of the course.

Veterinary Assistant Training Program + Externship #8300001

With more than 85 million households owning at least one pet, the veterinary field is a growing field! Veterinary Assistants are valued team members in veterinary practices, clinics, and hospitals. They work with veterinarians and veterinary technicians to provide quality care for healthy, sick, and injured animals. In this program, students will receive hands-on training on the correct handling and care of pets, learn proper examination procedures, and discover how to check for signs of

illness and injury. Additional topics covered include anatomy and physiology, medical terminology and acronyms, nutrition, legal, ethical, and professional standards, and maintenance and management of a veterinary practice. This class is entry level and specifically NOT a Veterinary Technician class, which requires a two-year degree program. Textbook purchased separately. Class consists of 75 hours of online live instruction, 25 hours of independent online learning and a 40 hour externship. Students will need access to internet, PC, laptop, or tablet, and access to a printer to participate. Must be 18+ years.

Truck Driver Training Program #210193

Help wanted! There is a critical workforce shortage of truck drivers at our heavily-congested ports. According to the Bureau of Labor Statistics (May 2020), the Los Angeles/Long Beach/Anaheim and Riverside/San Bernardino/Ontario metropolitan areas rank amongst the highest in national employment demand for heavy and tractor-trailer truck drivers. With a median-average-hourly wage of \$28.40 and even higher-average-hourly wages of \$42.55, now is the time to start a lucrative and exciting career in transportation. In California, you may be hired to drive a commercial motor vehicle (CMV) carrying cargo that originates and terminates within state lines if you are at least 18 years old, and to drive for interstate commerce or transport hazardous materials/waste if you're 21 or older. In either scenario, you need to hold a Commercial Driver's License (CDL) in order to drive a CMV. In this 3-part comprehensive 10 1/2-week or 21-week 168-hour course, you will obtain the knowledge and skills necessary to pass the California commercial truck class "A" driver's license written exams and driving test.

Truck Driver Class A Commercial License: Part 1 Knowledge Tests & Learner's Permit Preparation (Classroom)

**Become a Supervised
Visitation Provider #210177**

Are you looking to make extra money, and be of service to children in need? Consider being a part of the growing field of Professional Supervised Visitation Providers. The role of the Professional Supervised Visitation Provider is to be a neutral party, who observes and monitors behavior. This comprehensive 12-hour in-person class instruction and 12-hour online assignments, satisfies the the total 24-hour required training which fulfills the standards of the Uniform Standards of Practice

for Providers of Supervised Visitation as set forth in Standard 5.20 of the California Standards of Judicial Administration: In 1998, the Judicial Council adopted standards for supervised visitation providers. Family Code section 3200 defines the term "provider" as including any individual or supervised visitation center that monitors visitation. Supervised visitation contact is contact between a noncustodial party and one or more children in the presence of a neutral third person. Upon successful completion of the course, you will receive a Certificate of Completion. Prerequisites: Must be 21 years of age, and able to obtain background-check clearance and fingerprinting. The \$75 materials fee covers the cost of your training course manual. The fee is payable by cashier check or by Venmo directly to the instructor on or by the first day of class.

#51844 Saturdays 10:00 AM - 4:30 PM; 2 sessions; February 4 and February 11, 2023

Tuition: **\$325**

Location: **El Camino College, ITEC bldg.,**

Room #111

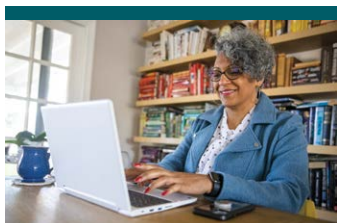

Materials Cost: **\$75**

In its commitment to lifelong learning, the El Camino College Community Education Department offers classes that target the needs and interests of adults of all ages. The following selection of classes highlight some of the classes recommended for plus 50 adults.

Yoga for Health & Relaxation pg. 5
Beginner American Mah Jongg pg. 4
Pickleball pg. 5

Computer Basics #500093

Make friends, not enemies with your computer devices! In this fun, engaging, and remarkably eye-opening class taught by a real-life IT guy, you'll learn all the things about computers you've always wanted to learn. With each lesson you'll master "real-world" practical computer skills that will help make your computers more useful to you—and less scary. You'll learn through hands-on exercises how to use Windows pcs, smart phones, printers, e-mail, the cloud, hard drives, and several different key web browsers. Topics covered will include the fundamentals of computer usage such as how to save files to a hard drive or the cloud, how to set up and use an email account, and how to make your data or information accessible from anywhere, using your smartphone. Ask your friendly instructor anything you want to know about computers a fun and encouraging class environment.

Discover some of the southland's finest chocolate candy makers and the basics of bean-to-bar chocolate making in a relaxed, daylong journey. All the while, you will be able to indulge your own chocolate obsessions and make gift purchases for family and friends. Led by choc-holic John Powers, you will begin your day at the long-standing Edelweiss Chocolate, a cornucopia of chocolate candies and other sweet delights and the inspiration for the memorable "I Love Lucy" candy episode. Next, explore chocolate-covered fudge at John Kelly Chocolates, which specializes in contrasting chocolate with gourmet salts. Afterwards, find out about the contemporary chocolate candy making at nearby and Sons Chocolatiers. Here, the candies are like jewels. And don't overlook the ceiling mural that tells tale of cacao!

Next, there will be an exploration of the Swiss tradition at Teuscher Chocolates, a global brand that ensures consistency by regular air delivery from Europe. Here also you will be amazed at the décor and the hand-crafted gift boxes. Taking time out for lunch on your own at the comfortable La Scala Restaurant (and an espresso or a glass of red wine if you are so inclined), engage in conversation with your excursion companions to discover what has brought them to this unique journey. After lunch, the exploration will continue at Letterpress Chocolate, a bean-to-bar factory, where you will discover and taste the intricacies of fine cacao from around the globe's chocolate belt. These chocolatiers who process their own cacao

beans will take you into their factory and show you how every step of the chocolate-making process is done on site. Itinerary subject to change: The factory tours require attendees to wear closed-toe shoes; and not to wear perfume, colognes, or heavy-scented lotions/oils, or you may be refused admission. *Excursion fee includes factory tours and tasting fees.*

Depart: El Camino College lot J (in front of the Marsee auditorium) @ 9:00 AM, **Return:** 5:00 PM.
