I) Announcements

- Cheryl Kroll – BSS Counseling announcements
- Student worker requests – There is an early deadline in the division because several programs need to move quickly on hiring. The Load Committee is meeting next week. Requests will continue to be accepted after the first deadline.
- Faculty Evaluations – Trakstar sent out erroneous messages to faculty who are not being evaluated. Chris has requested all messaging from Trakstar for the Division be turned off because it is frequently inaccurate.
- Second 8 week sections are currently being added.
- Enrollment – Fill rates are strong and are almost as high in on campus as online classes.

II) Full-time Faculty Position Requests

- The BSS Division Council reviewed the position request forms for four positions proposed for full-time faculty hiring in Spring 2024.
- [Following the meeting, the committee voted to prioritize the positions in the following order: Psychology, Human Development, Anthropology, and History.]
