MINUTES

I) Spring 2021 Enrollment

Enrollment is down across the country, state, and El Camino. This is less true in Economics. One section of Econ 1 was canceled, and another was moved to second 8 weeks. But, we added a section of Econ 2.

II) Fall 2021 Schedule

We will have a modest schedule for BSS in fall 2021. If classes fill, we will add section, including 2nd 8 weeks. Most adjuncts have 2 sections so we do have some space to add.

III) Curriculum – Course Renumbering

The new course numbers will be in effect starting fall 2021.

Econ 1 – 101 (& 101H)

Econ 2 – 102

Econ 5 - 100

IV) SLO/PLO Assessment

V) Equity – How the Dean can help.

- Faculty are on the front lines of equity work in the classroom.
- Ways the Dean can support you:
 - Make sure you have the information/data you need: we did this in the fall. We'll review some of the highlights today
 - Help make it possible to do what you want to do
 - get the money you need, connect you with people, and help you make your ideas come to fruition.
 - Right now there isn't much hope for increased funding as we are budgeting at a 30% reduction.
 - Make sure you are aware of all the tools at your disposal – ECC Connect
 - Scheduling. If you think that certain populations of students are not having their scheduling needs met, talk to me.
 - Tutoring
- The department reviewed and discussed its equity data highlights.
- Tools – ECC Connect
 - Counseling is using this more and more as a way to support students. If you tag a student, counselors or success coaches will reach out to them
