I) Spring Schedule and Enrollment

- Community College student enrollment is down across the country, across the state, at El Camino, and the in the history department.
- We have some very low enrolled classes but were able to squeak through with only canceling 3 sections.
- We had planned some a couple extra sections of 101 and 102 and a few of those needed to be canceled. 1 section of 101 was canceled and 1 section of 102 was canceled. 9 sections were moved to the second 8 weeks to give them more time to enroll. The second 8-week sections are mostly enrolling well.

II) Fall Schedule

- We have planned a modest fall schedule in response to the enrollment declines this semester. It is better for faculty and students to add classes if the others fill, than to cancel classes.
- The history department will still be fully online.
- If classes fill quickly and well, we will add second 8-week sections.

III) Counselor's Report – Cheryl Kroll

- Please see PP Slide #5 for the counselor's announcements for the Transfer Fair, University Virtual Tours and workshops regarding the Career Center, LinkedIn, the Transfer Center, options for transfer, and Transfer Admission Guarantee workshops.

IV) Ethnic Studies CSU Requirement

- Beginning in Fall 2021, all incoming CSU freshman must complete a 3-unit Ethnic Studies course that covers Asian Americans, African Americans, LatinX Americans, and/or Native Americans.
- Our ESTU department is preparing for this and looking at some courses that may possibly be cross listed. History seems to have the courses with the best possible fit. Faculty who teach these Ethnic Studies courses must meet the Ethnic Studies minimum qualifications.

V) Curriculum

- No curriculum due this spring.
- In Fall 2021, History 154 (Mexico) and History 112 (Chicano) are due.

VI) SLO/PLO Assessment – Orion Teal

- For Fall 2020, History 110, 140, 152, 154 SLOs are overdue.
- For Spring 2021, the following SLOs are due:
 - ASTU 7 SLO#1
 - ESTU 1 SLO #1
 - HIST 102 SLO #1
 - HIST 106 SLO #1
 - HIST 111 SLO #1
 - HIST 122 SLO #1
 - HIST 128 SLO #1
 - HIST 141 SLO #1

VII) Equity – How the Dean can help.

- Faculty are on the front lines of equity work in the classroom.
- Ways the Dean can support you:
 - Make sure you have the information/data you need: we did this in the fall.
 - Help make it possible to do what you want to do
 - get the money you need, connect you with people, and help you make your ideas come to fruition.
 - Respond to Maria's request for instructional supply purchases. We will see if we are able to purchase items that can support your equity work.

- Make sure you are aware of all the tools at your disposal, like ECC Connect
- Scheduling. If you think that certain populations of students are not having their scheduling needs met, talk to the Dean.
- Provide a venue for conversation about equity at department meetings.

VIII) Announcements

- Faculty are encouraged to attend Women's History events that feature our History faculty, Sandra Uribe and Hong Herrera Thomas.

Ethnic Studies CSU Requirement

Date Published: 08/17/2020 09:00 PM

Assembly Bill No. 1460

CHAPTER 32

An act to add Section 89032 to the Education Code, relating to the California State University.

[Approved by Governor August 17, 2020. Filed with Secretary of State August 17, 2020.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1460, Weber. California State University: graduation requirement: ethnic studies.

Existing law establishes the California State University and its various campuses under the administration of the Board of Trustees of the California State University. Existing law requires the trustees to adopt rules and regulations not inconsistent with the laws of this state for the governance of the trustees, their appointees and employees, and the California State University. Existing regulations require students of the California State University to complete courses in American history and American government or pass comprehensive examinations in those fields in order to graduate, with specified requirements and exceptions.

This bill, commencing with the 2021–22 academic year, would require the California State University to provide for courses in ethnic studies at each of its campuses. The bill, commencing with students graduating in the 2024–25 academic year, would require the California State University to require, as an undergraduate graduation requirement, the completion of, at minimum, one 3-unit course in ethnic studies, as specified.

Vote: majority Appropriation: no Fiscal Committee: yes Local Program: no

THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1. The Legislature finds and declares all of the following:

- (a) Ethnic studies programs have come about from students of color demanding them. On November 6, 1968, a coalition of student groups at San Francisco State University demanded that the university institute an ethnic studies program.
- (b) Ethnic studies are an interdisciplinary and comparative study of race and ethnicity with special focus on four historically defined racialized core groups: Native Americans, African Americans, Asian Americans, and Latina and Latino Americans.
- (c) Studies have found that both students of color and white students benefit academically as well as socially from taking ethnic studies courses. Ethnic studies courses play an important role in building an inclusive multicultural democracy.
- (d) A report of the California State University Task Force on the Advancement of Ethnic Studies, commissioned by the Chancellor's office, recommended that ethnic studies become a general education requirement throughout the California State University system.
