Sample Text for Personal Success Plan Email

Dear Faculty—We would like to encourage you to inform you students about the “Personal Success Plan” in ECC Connect! By filling out a “Personal Success Plan,” students will be connected with a success coach who can help them “stay on the path” as they work to achieve their educational goals. A success coach can help them:

- Clarify their goals;

- Track their progress;
- Connect them with support when they need it;
- Inform them about events and experiences that are relevant to their major or career goals;
- Be a go-to person when they are confused or don't know where to go for help;
- And much more!

Students can access the “Personal Success Plan” form using the “Intake” link in the left-hand menu in ECC Connect. The form is available to fill out during the first three weeks of the semester.

Help your students become more connected and engaged at the college, and let them know about the “Personal Success Plan” in ECC Connect! Thank you!
