

[Checklist & Instructions for Filing an Application for the Radiologic Technology Program](#)

**APPLICATION FILING PERIOD IS ONLINE**

**December 6-13, 2022** for students who have completed all of the required courses to apply and  
**January 3-11, 2023** for students who have completed courses in Fall 2022 and are waiting for grades to post on their transcript.

Please Review ALL of this INFORMATION BELOW - **PRIOR to filing an application.** This document will help you to see what documents you will need to upload and what you can do to earn the additional points on the application.

1. Be sure that you have submitted all of the required documents with the application. Missing information will cause a loss in points and incomplete applications will not be considered for review.
2. Please save & upload all documents in **a PDF format\***. You can use apps like *AdobeScan* or *MsofficeLens* to create a PDF file from your phone. **\*ALL uploaded documents MUST be saved as PDF – not in WORD, ZIP or any other file – or Points will be deducted.**
3. Note that the last task after submitting your application, requires you to **send an email to the Program Director**, Mrs. Charman at [RadTechDirector@elcamino.edu](mailto:RadTechDirector@elcamino.edu) (within 48 hrs of filing your application) from your El Camino Email address. The email should include your personal email address and your cell phone number. In the subject line put: **2022 Application Submission**
4. You will be notified of your application ranking via your El Camino email address by Mrs. Charman on or before **January 23, 2023\***.
5. If you are accepted into the SPRING 2023 class – There will be a mandatory orientation you must attend This will be held either via online (Zoom) or in person, depending on the campus policy and limitations at the time of the orientation in **January 2022**, prior to the beginning of the Spring semester – Date at time TBA at this time. **Spring Semester begins Feb. 12, 2023.** You will be notified as to the type of meeting with the acceptance email.
6. You will be required to have a laptop or tablet with a camera, microphone and internet access. With the continuing changes in course delivery due, some lectures and exams will be presented remotely/on-line. ECC has a limited number of computers to loan to students, you will also need access to a working internet service off campus to be successful.

**Regarding IMMUNIZATIONS** These are required for your CLINICAL placement and CAMPUS attendance. If you choose not to get vaccinated, then there is no assurances that you can be placed at a clinical site for your clinical training.

- A. **FLU VACCINE:** If you are accepted into the Program – you WILL be REQUIRED by both the college campus and the clinical sites to have the FLU shot. Therefore, be sure to get your flu vaccination when offered in the fall and keep copies of the documentation, as you will have to provide the proof of vaccination when you begin the program.
  
- B. **COVID 19 VACCINE:** El Camino College students **must be vaccinated by January 3, 2022** to enter the college campus, as well as attend the clinical sites for clinical training. *Per LA County Health Department – NO Exemptions are being considered for new students entering L A County Clinical facilities – all students must be vaccinated.* Both the campus and the clinical sites will require proof of vaccination that you must provide along with the other required program health documentation the first week you begin the program. If you desire a career in Health Care, it is better to protect yourself, your family and everyone else around you by getting vaccinated.

**TO FILE APPLICATION:**

**To file an Application to the 2022 Radiologic Technology Program – you must complete the following requirements:**

- A. Register as a student at El Camino College. - You may register on line  
 Follow the steps to enrollment for El Camino College. <http://www.elcamino.edu/docs/ECC-One-Stop-Guide.pdf>
  
- B. Obtain an ECC student ID # and ECC email account (if you cannot get an ECC ID – you must provide an explanation in your application)
  - You have a clear & current ECC ID available by the time you begin your clinical rotation
  - You MUST include your include your **ECC email address** on page 1 of the application or it is considered incomplete.
  
- C. Official transcripts for all college courses that are required for entrance into the Radiologic Technology Program must be on file with the El Camino Records Office before an application can be filed. Have all official college transcripts from regionally accredited institutions sent by mail - directly to El Camino College Admissions and Records - you will be asked to **UPLOAD ALL TRANSCRIPTS** into the **APPLICATION ON LINE** – so have a copy sent to yourself as well. This includes ALL courses taken at El Camino College.
  
- D. **Complete ALL required program** pre-requisites and other courses as specified on the **Course Evaluation Worksheet-** available on line. This includes RTEC-A and all other courses listed.

- E. For any course in which a grade of “C” or better was earned, the last course grade will be utilized. All required course work must be completed with a “C” or better to be eligible for credit on the application, but at least 2 courses should be completed with a grade of “B” or better, to meet the minimum requirement of **GPA of 2.25** to file an application.

**F. REPEATING COURSES:**

- 1) If you received a **C grade** in **any of the courses listed on the of the Rad Tech Course Evaluation Worksheet** (at the end of this documents) and want to improve your GPA for the application - you may retake up to 3 of these courses - **1 time** each for a better grade. (RTEC A is included as 1 of the 3 courses) (Example: If you received a C in Anatomy 32, or Physiology 31, you could take an equivalent course at another college. **1)** To repeat the same course at ECC with a “C” grade requires you to file a “Petition to Repeat” which is only allowed after 36 months has passed since the course was taken. (The petition may or may not be approved by ECC admissions office.)
- 2) If you received a substandard grade (**D or F**) in **Anat/Physio/Math/RTEC A** - you may retake the course again, but only ONE time for a better grade to be eligible to file an application. If you had to re-take any course listed then **a) you must include a statement of explanation on the application** as to why you had to take the course twice and; **b) for each of these courses that were repeated there will be a 0.5 point deduction against your overall points.** For any course you took more than 2 times please list and provide an explanation.

RTEC A - may only be repeated one time and by approval of the Radiologic Technology Program Director.

- 1) To repeat **RTEC-A** when you have received a passing “C” grade requires you to file a “**Petition to Repeat**” which is only allowed after 36 months has passed since the course was taken. (The petition may or may not be approved by ECC admissions office.)
- 2) If it has been less than 3 years, then you may contact the Program Director for a “**Petition to Audit**” form and instructions to retake the class and improve your grade. **Your AUDIT grade and your Original Grade will be AVERAGED together for the recorded grade for the class.**
- 3) If you received, a substandard grade (**D or F**) in **RTEC-A** - you may retake the class again – only ONE time for a better grade to be eligible to file an application. (While the college may allow you to repeat the course for a 3rd time, with 2 substandard grades, the Rad Tech application requirements only allow ONE repeat attempt for a substandard grade (D,F) in RTEC-A).

If you took RTEC-A a second time (for a grade or Audit) then you must:

- a) Include a statement of explanation with your application explaining the circumstances as to why you had to take the course twice **AND**
- b) Acknowledge that each course that is taken twice will count as a 0.5 point deduction against your overall points.

|---|
| <p><b>G.</b> It is Recommended that Anatomy, Physiology &amp; RTEC-A <u>should be completed within 5 years</u> of the application filing date. You are eligible to file an application if the course is over the 5 years, but it is strongly recommended that these courses or their equivalent should be repeated to improve the student’s success in the RT Program. A similar “refresher” course can be taken (Ex. Anatomy 30). A “Petition to Repeat” form is required in order to enroll to repeat the same course. These are available on the admissions website. (The petition may or may not be approved by ECC admissions office.)</p> |
| <p><b>H.</b> Review the R T Application for the areas where additional points can be awarded for the application. Collect all supporting documentation necessary to provide evidence for eligibility for the additional points on the application. See the <a href="#">Application Evaluation Criteria below</a> for explanation of the points system for each area on the application.</p>   |

**7. Filling out the Application:** The Application is available on-line on the ECC RT Program website. The first application window will be **open on December 7 and closed at 5 pm December 13th**. The second application window will be **open January 3 and closed at 5pm January 13, 2023**. **No late applications will be accepted for either window.**

- A.** The application is a fillable form created in Formstack
- B.** The first part of the application will ask for your Name, Address, Home Phone # (list if you have one) and your Cell phone #
- C.** List both your Personal Email account and your El Camino Email account information.
