It is now optional on how PLO's will be completed by the committees. The PLO's will no longer be added to the timeline and the completion rates will no longer be monitored at the campus level.
- If PLO's will be removed from Nuventive, C. Schult-Roman will try to have the ALC keep it.

**Timeline Updates:**

- Expect to get the timelines in a month and will be due in May 2024.
- SLO's will continue to be assessed every 4 years.
- G. Manikandan will provide the worksheets.
- V.P. Lopez would like all the courses to be on CANVAS outcomes, not just the high impact courses.

- C. Schult-Roman encourages all the DLOACC members to encourage their committees and course coordinators to complete the follow-ups for the actions, that way the data can be used for the ACC and JC midterm report.

**Dean's Remarks**

- Dr. Lemons thanked C. Schult-Roman for her service for many years that she contributed to coordinating DLOACC.
- Dr. Lemons thanked C. Schult-Roman for attending today's meeting to explain the process to the new chair, Gayathri Manikandan.
