Review Minutes

All in favor to approve the minutes from April 27, 2025.

Upcoming SLO Workshops

- SLO workshops are available.
- An email has been sent out to faculty with the workshop details.
- G. Manikandan has provided a link with pre-recorded training video.
- M. Lemons will include workshop details on the end of week announcements to faculty.

Curriculum Updates/Non-credit courses

- There will be a name change for Math 150, Math 150S and Math 150H courses.
- C. Schult-Roman or Kevin will let inform us once the curriculum approves the name changes for Math 150, Math 150S and Math 150H courses.
- Non-credit courses:
 - Once curriculum approves the SLOs they will send the approved SLOs to C. Schult-Roman or Kevin and they will be able to enter it into Nuventive.

New Math 190S course update

- The form that was submitted to G. Manikandan for new course Math 190s needs to have the curriculum approval date, all the dates need to be completed.
- R. Martinez will complete it and return back to G. Manikandan.

Summer 2025 Math 60 SLO.

- All 4 SLOs will be assessed within the 4 year cycle.
- Dr. Lemons explained that 2 SLOs will be completed this summer and then SLO 3 and 4 next summer, then rotate back to 1 and 2 and then 3 and 4.

Dean's Remarks

Dr. Lemons thanked everyone for their hard work and for all of the time they have dedicated to this committee. He also thanked everyone for completing the SLOs for the students to be assessed upon. This is the last DLOACC meeting of the semester.
