

**Natural Sciences
Division Council Meeting
Minutes**

October 19, 2021

Present: K. Villatoro, J. Coroneus, J. Rodriguez, R. Shibao, M. Dobbs, A. Rodriguez, J. Gard, E. Thames, A. Grant

- 1. Planning:** There has been no direction from Institutional Research yet on the planning process for '23-'24. Please hold. Planetarium computers will be ordered.
- 2. Hiring:** The final results of the prioritization process is Physics #1, Chemistry #2, Geography #3.
- 3. AB-1111:** This Assembly Bill has passed into law. There will be common course numbering across community colleges in CA. The physics majors series will be impacted because Phys-1B does not fit the C-ID descriptors for a specific course. Azul will send a PowerPoint to they physicists. Colleges are still awaiting final instructions and deadlines from the Chancellor's Office.
