

**Natural Sciences
Division Council Meeting
Minutes**

October 17, 2023

Present: K. Villatoro, J. Coroneus, J. Rodriguez, R. Shiba, M. Dobbs, A. Rodriguez, J. Gard, E. Thames, A. Grant

1. **Planning:** There has been no direction from Institutional Research yet on the planning process for '23-'24. Please hold. Planetarium computers will be ordered.
2. **Hiring:** The final results of the prioritization process is Physics #1, Chemistry #2, Geography #3.
3. **AB-1111:** This Assembly Bill has passed into law. There will be common course numbering across community colleges in CA. The physics majors series will be impacted because Phys-1B does not fit the C-ID descriptors for a specific course. Azul will send a PowerPoint to the physicists. Colleges are still awaiting final instructions and deadlines from the Chancellor's Office.
