

**Division of Natural Science
Physics/Astronomy Dept Meeting**

October 14, 2021 1:15-2:05pm Zoom Meeting

AGENDA

Present: J. Coroneus, Z. Murdock, S. Stolovy, S. Kadakia, J. Rodriguez

- A. SLOs: None for this semester.
- B. Planning: November 1st deadline. Some items were purchased by technicians in the last round of planning. For items less than \$5K, you may include those, or order additional items to reach \$5K.
 - A. Grant will ask for J. Rodriguez to get permission to view astronomy on TracDat.
- C. Winter/Spring, no social distancing
- D. Ventilation upgrade—in engineering/bidding process.
- E. Division Load Committee—apply for reduction in class size
- F. Astronomy Public Event: Possibly for the Lunar Eclipse, Thu, Nov 18th
- G. Lights in Phys 108, lights going off randomly. Zeke will report it to Dan. The motion sensor is not working properly.
- H. Stadium lights interfering with astronomy class. A. Grant will ask Russell Serr.
