

Division of Natural Science
Chemistry Department Meeting
October 27, 2022, 1:15pm Chem 134

MINUTES

Present: R. Turner, L. Saldarriaga, A. Tontcheva, T. Moore, M. Jimenez, S. Potter, M. Abbani, P. Doucette, R. Shibao, A. Grant

- A. SLO Progress: M. Abbani reports that all classes have participated in the first round of the goggles SLO. He will soon send a reminder for the second round. SLOs are on track.
- B. Planning: A. Grant will send out a reminder about Planning. Materials need to be sent to the Division Office in time for the Division Council to vote on priorities.
- C. Hiring: Chemistry was voted the #2 priority for FT hiring. The PT chemistry hiring is underway. P. Doucette will participate.
- D. Evaluations: A reminder went out to evaluators, reminding them of the impending deadline to complete observations.
- E. Curriculum--DE Addendum: M. Jimenez presented the Distance Education Addendum Action Request form to the department. All Chemistry Department members supported the removal of hybrid/online designation from Chem-1A/B, Chem-7A/B. The following classes will allow the hybrid, but not the online modality: Chem-4/4H, Chem-20, Chem-21A/B.
