FEES / REGISTRATION INFORMATION

Financial Aid Programs

Federal School Code 001197

El Camino College offers financial assistance to students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Cal Grants B & C, Student Success Completion Grant, Federal Work Study, Chaffee Grant, and the California College Promise Grant (formerly known as the BOG Fee Waiver), and other state grants.

Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at <u>www.fafsa.gov</u>. If you are a California Dream Act Student (AB540), complete the California Dream Act Application (CADA), in lieu of the FAFSA, at https://dream.csac.ca.gov.

Best times to apply - October 1 to March 2; however, you may apply anytime. Follow the application process listed on our site to apply for financial aid.

Apply for the California College Promise Grant by completing the FAFSA or CADA. Please note that the California College Promise Grant only covers enrollment fees; students may be responsible for paying other fees including the student health center fees, student representation fees, and the ASO sticker fee.

Ensure that you are also meeting the Satisfactory Academic Progress (SAP) policy. (SAP is determined at the end of each semester for the subsequent semester.)

To maintain eligibility for the California College Promise Grant, students must meet academic and progress standards by maintaining a cumulative grade-point average (GPA) of 2.0 and must complete more than 50% of units attempted.

For assistance and additional information contact the Financial Aid Office.

Student Health Fee

Students pay \$20 per fall semester to cover the operation, supervision, programs and services of the Student Health Center. Students must be enrolled and attending classes to utilize the Student Health Center.

There are exceptions under these conditions:

- 1. Low-income students who meet the California College Promise Grant (Method A) criteria as demonstrated by appropriate support documentation of eligibility; SSI eligibility; or GA eligibility; Veterans Affairs Dependent Fee Waiver Certification or income tax forms as they relate to qualifying income levels:
 - CalWORKs;
 - TANF;
 - General Assistance;
 - SSI; or
 - SSP
- 2. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Students who qualify for this exception may obtain a Health Services Fee Waiver form in SSVC 200. All fee waiver requests must be submitted by the second week of the term.

Students will not be required to pay this fee if they are enrolled only in classes held off campus, only in distance education classes, or only in noncredit classes or work site classes. High school students or students enrolled in contract classes only are also exempt.

Student health services are provided for students 18 years of age or older who pay the mandatory health fee. High school students permitted to attend the college on a concurrent enrollment basis are not eligible for student health services. College students under 18 years of age subject to other admissions criteria must pay the student health fee and submit a parental or guardian consent form to receive health services.

Children, including children of students, are not permitted in the Student Health Center.

Admission Requirements

Any person over the age of 18 or possessing a high school diploma or its equivalent from the USA or other nation shall be admitted unless prohibited by law. If under the age of 18, students will qualify if they have 1) graduated from high school or 2) passed the California High School Proficiency Examination. El Camino College may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the college president, may benefit from instruction. Concurrently enrolled 11th- and 12th-grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

Attendance

Students who enroll in a class and do not attend the first scheduled meeting of the class <u>may</u> be dropped from the roster and their place may be given to a waitlisted student. During the course of the term, students may be dropped by the instructor for excessive absences. It is ultimately the student's responsibility to drop a course.

REGISTRATION INFORMATION

California Residency

California State Assembly Bill 540 (AB540) allows any student who meets all of the following requirements to be exempt from paying nonresident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).

1. The student must have attended a high school (public or private) in California for three or more years or have attained credits equivalent to three or more years of high school coursework and a combination of three or more years at a California elementary or secondary school; **and**

2. The student must have graduated from a California high school (public or private) or attained the equivalent (e.g., General Educational Development - GED or California High School Proficiency Exam) prior to the start of the term at El Camino College.

A student who meets the above requirements must file an affidavit with the Admissions & Records Office at El Camino College stating that he/she has an application to legalize his/her immigration status or will file an application as soon as he/she is eligible to do so. In addition to the affidavit, the student must also provide an official high school transcript that clearly shows attendance in all semesters and the date of high school graduation. If the student attended more than one California high school, then official transcripts from all high schools must be provided. If the student graduated through equivalency as mentioned above, then proof must be provided.

Student information obtained in this process is strictly confidential unless disclosure is required under law. Students who meet the criteria will be exempted from the payment of nonresident tuition but will not be classified as "California Residents." Students will continue to be classified as "Nonresidents." Students who are in the United States under a student or visitor visa are not eligible.

Registration Procedure

Each student is required to have a registration appointment before being permitted to register. Registration appointments are issued by the Admissions & Records Office and indicate the day and hour after which students may register. Students who complete the admission requirements may check their appointment time on **MyECC**.

Students must enroll on the date and time indicated or any time thereafter in accordance with the published registration schedule.

Limitations

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and corequisites and for other reasons outlined in El Camino College Administrative Procedure 5055.

Schedule of Classes

Before the registration period for each semester or term, the college publishes a Schedule of Classes listing the courses offered and general registration procedures. Schedules are available online at <u>www.elcamino.edu/admissions/schedule.asp</u> and may also be obtained at the Bookstore for a nominal fee. A searchable class schedule showing open and available classes is also available online.

Priority Registration

In compliance with Section 58108 of Title 5, California Administrative Code, priority registration will be implemented as follows:

Registration Time Allowance

A. All students may register on or after their scheduled registration appointment time, but not before.

B. All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a student fails to meet these deadlines or to follow the District's policies and/or procedures, the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc.), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or corequisites, an unapproved course overload, a K-12 form or process not properly executed, an admissions hold (residency, AB540, missing data, etc.) not resolved by the student in the manner and timeframe prescribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration, please see Board Policy 5055 and Administrative Procedure 5055.

Registration Priorities

During registration periods, the following registration priority shall be followed:

Priority Level 1:

Eligible students in veterans, foster youth, homeless youth, DSPS/SRC, EOPS, and CalWORKs groups

Priority Level 2:

Eligible students in Title 5-sanctioned groups (none at this time)

Priority Level 3:

Eligible students in District-designated groups

Priority Level 4:

Eligible in-District new students

Priority Level 5:

Eligible continuing students

Priority Level 6:

Eligible non-District new or returning students

Priority Level 7:

Other new or returning students

Priority Level 8:

K-12 concurrently enrolled students

Priority Level 9:

Continuing students on probation for two consecutive terms and/or continuing students with 100 or more earned units

Priority Level 10:

Reinstated dismissed students

Students within a continuing student priority level will be prioritized by units earned, at or through El Camino College. The more units earned, the higher the priority up to an earned unit limit of 100. Continuing students with the same earned unit value will be prioritized randomly.

Students within a new/returning student priority level will be prioritized by the submission date of their application for admissions. New/returning students who applied on the same day will be prioritized randomly.

Eligible new students in Priority Levels 1, 2, 3, 4, and 6 must have completed orientation, assessment, and developed an educational plan. Students should contact Veteran Services, foster youth, DSPS/SRC, EOPS, Cal-WORKs or one of the District-designated groups to receive information on qualifications for those programs and eligibility for priority registration.

Continuous Enrollment for Priority Registration

Continuous enrollment at El Camino College constitutes enrollment in the most recent previous semester per academic year, excluding summer and winter terms. A student must remain enrolled in at least one course for sufficient time to receive a grade of "W" or a letter grade.

REGISTRATION INFORMATION

For the complete El Camino College Administrative Procedure 5055, Enrollment Priorities, please go to <u>www.elcamino.edu/</u> <u>administration/board/boarddocs/AP%20</u> 5055%20-%20Enrollment%20Priorities.pdf.

Unit Limitations

A student's program of study will vary according to individual needs and objectives. There is no minimum, but the maximum program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study for the winter term is seven units. The maximum program of study for summer session is 10 units if at least one unit is in physical education. The minimum fulltime student program is 12 units per semester. A student wishing to take more than the maximum units may file a petition through the Counseling and Student Success Division. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade-point average and an overall grade-point average of 2.5 or higher to be eligible for an overload.

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend two hours per week in study and preparation for each class hour per week in lecture courses. Students who work in business or industry should reduce their total study programs in proportion to the demands of their employment and personal activities. If employment requires 40 hours or more per week, students should limit their study program to seven units or less each semester.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

Student Records

Congress has provided in the Family Educational Rights and Privacy Act (FERPA) that students have certain rights of access to their education records. Please contact the Admissions & Records Office for any information regarding your rights under the Act.

High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. <u>District policy</u> restricts concurrent enrollment to students who have completed the 10th grade.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - When you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and purchasing a college catalog from the ECC Bookstore. Both are available online.

Eleventh and 12th grade students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in Admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or term. Failure to meet the admissions deadline will preclude the student from registering in any classes for that term. Late admissions and late registration will not be considered for concurrently enrolled high school students.

Parents - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system.

As per FERPA (Family Educational Rights and Privacy Act), any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf. Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then concurrently enrolled high school students. These students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

Equivalent Courses

www.elcamino.edu/admissions/catalog.asp

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the college catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in the Counseling and Student Success Office or the appropriate academic division office.

Transcripts

Students who plan to attend under veterans or Social Security benefits, receive academic advisement to become matriculated, or need to have coursework at other colleges reviewed for prerequisite clearance, must request college transcripts from all schools attended be sent to the El Camino College Admissions & Records Office.

Students who plan to graduate from El Camino College with a degree or certificate and wish to have coursework taken at other colleges considered for graduation must request official transcripts to be mailed from the other colleges to the El Camino College Admissions & Records Office.

Ordering transcripts is easy. Go online 24/7 to <u>www.elcamino.edu/admissions/transcripts.</u> asp and follow the instructions.

The first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and are payable at the time of the transcript request. Transcripts are processed on a first-in, firstout basis.

Cross Enrollment at CSU Dominguez Hills

El Camino College students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition, in a maximum of one baccalaureate-level course per semester on a space-available basis for \$10. Such enrollment would be at the discretion of the appropriate campus authorities on each of the campuses.

A student must meet the requirements of cross enrollment to be eligible. Additional information on requirements and procedures may be obtained at the El Camino College Admissions & Records Office.

Academic Dishonesty

Academic Dishonesty violates El Camino College's Administrative Procedure 5500, Standards of Student Conduct

El Camino College is dedicated to maintaining an optimal learning environment and insists upon academic honesty. To uphold the academic integrity of the institution, all members of the academic community, faculty, staff and students alike, must assume responsibility for providing an educational environment of the highest standards characterized by a spirit of academic honesty.

Examples of academic dishonesty include but are not limited to:

- Representing the words, ideas, or work of another as one's own in any academic exercise including the use of commercial term paper companies or online sources for essays, term papers, or research papers, whether free or paid.
- Copying from another student or former student or allowing another student to copy from one's work.
- Allowing another individual to assume one's identity or assuming the identity of another individual.
- Changing answers on a previously scored test, assignment, or experiment with the intent to defraud.
- Inventing data for the purpose of completing an assignment, a laboratory experiment, or case study analysis with the intent to defraud.
- Obtaining or copying exams or test questions when prohibited by the instructor.
- Giving or receiving information during an examination or test by any means such as sign language, hand signals or secret codes, or through the use of any electronic device.
- Using aids such as notes, calculators, or electronic devices unless specifically authorized by the instructor.

- Handing in the same paper or other assignment in more than one class when prohibited by the instructor.
- Any other action that is not an honest reflection of a student's own academic work.
- Other forms of dishonesty, including, but not limited to, forgery or attempted forgery of any academic record; alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the District.
- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner that encourages learning and promotes honesty, and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any other kind of academic activity.

Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.

2. The instructor may dismiss the student from the class or activity for the present and/or following class session(s) as stipulated in AP 5520.

3. The instructor completes the online Incident Report and Referral Form (IRRF). The form may be accessed at the following web link:

<u>https://cm.maxient.com/reportingform.</u> <u>php?ElCaminoCollege&layout_id=5</u>. The instructor will copy the division office when submitting the IRRF.

4. The student may need to meet with the instructor and/or the division administrator. 5. The student may also need to meet with the Director of Student Development or designee to investigate the allegations of academic dishonesty. Sanctions for academic dishonesty and/or other violations of the Standards of Student Conduct, AP 5500, may include suspension and/or expulsion.

Photo ID Card

All students are encouraged to obtain a free El Camino College identification card. These cards are available in the Student Activities Center. These cards serve as photo identification, and are required for library services, campus activities, computer labs, and to verify attendance in certain classes/ workshops.

ASO Student Discounts & Student Activities Fee

All students who pay the Student Activities Fee will receive the **Associated Students Organization (ASO)** sticker for their photo ID cards at the Cashier's Office.

The ASO sticker offers a variety of benefits, including discount movie theater and amusement park tickets. Movie theater and amusement park discount tickets can be purchased at the Marsee Auditorium Ticket Office during its regular operating hours. On-campus benefits include access to Student Activities Center events, free admission to all campus athletic events and a discount on tickets at District-sponsored Center for the Arts events.

Funds from the Student Activities Fee help support cocurricular activities of the college. Such activities include, but are not limited to, student government, clubs, the Union newspaper, plays, athletic teams and the debate team.

The \$15 Student Activities Fee will be collected during primary terms (fall and spring). A student may decline the Student Activities Fee when enrolling for classes. If the student does not decline during enrollment, the Student Activities Fee will be assessed and collected. The Student Activities Fee is nonrefundable after the second week of the semester.

Bookstore

Hours

Monday - Thursday: 7:30 a.m. to 6 p.m. Friday: 7:30 a.m. to 4 p.m.

Contact us at 310-660-3380

Refund Policy

Merchandise must be in new condition, in sealed package, clean and free of all markings and bearing all original tags. A 10% restocking fee may be assessed on all refunds.

Textbooks can be returned for a full refund within the first week of the fall and spring semesters. Textbooks purchased for summer and winter terms have three days from the start of classes to return for a full refund. Textbooks must be in the same condition as purchased and must be accompanied with a register receipt for a full refund. See the <u>Bookstore webpage</u> for further refund information.

Book Buyback

The Bookstore provides daily book buyback. Students who buy and sell back used books realize the best value for their money.

The best time to sell books is during finals. The Bookstore will pay up to 50% back on textbooks if:

- A. The book has been requested for an upcoming semester.
- B. The Bookstore needs additional stock.
- C. There is absolutely no moisture damage on the book.
- D. The only markings on the book are from a highlighter.
- E. No pages have been removed.
- F. There are no new editions pending.

Any student purchasing a used book understands that the life of a used book is limited and that the Bookstore may determine that a book purchased at the beginning of the semester in used condition may not be in condition to be resold by the end of that semester.

Online Bookstore

The Bookstore now has textbook information available online. Look up title and prices for the textbooks. In addition, textbooks may be purchased online at: <u>www.elcamino.edu</u>. Just click on the Bookstore and order textbooks for home delivery or in-store pick up. Shop 24/7 at the El Camino College Bookstore online!

Career & Transfer Center

Career and transfer services are offered on the second floor of the new Student Services Building.

The **Career Center** offers opportunities for extensive career planning and evaluation of interests, personality, strengths and skills. Value assessments are also available. In addition, career exploration and workshops are offered as they are related to vocational and preprofessional planning and job success.

Appointments for career exploration, assessments and counseling are available to current students and alumni. Career fairs, tours, workshops, and career orientations are scheduled throughout the year.

The Career Center has reference books, internet career resources, career pamphlets, occupational files, and online career information that describes jobs and provides information on regional, state, and national job markets.

Career and job search booklets are also available in the Career Center. For more information, please call 310-660-3593, ext. 6137.

The **Transfer Center** offers a wide range of activities designed to assist students in transferring successfully to the four-year college or university of their choice.

Among the transfer services offered are professional transfer counseling and advisement, regularly scheduled visits by recruiting and admissions officers from four-year colleges and universities, and workshops on major steps in the transfer process. Other services offered include university fairs at El Camino College and frequent field trips to an array of major universities.

Visit online at <u>www.elcamino.edu/student/</u> <u>studentservices/</u> and click on Transfer Center to find the latest information on fairs, tours and workshops. In addition, find the latest information about the benefits of earning an Associate of Arts/Associate of Science for Transfer degree (AA-T/AS-T) and Transfer Admission Guarantee Programs (TAG).

STUDENT SUPPORT SERVICES

Counseling/Advisement

Counseling services are available to students through scheduled appointments, virtual appointments or drop-in counseling. Appointments are scheduled online one week in advance through links on the El Camino College website counseling page. Appointments for some special support programs are not available to schedule online.

A student who has selected a major field of study is strongly encouraged to see one of the counselors assigned to that major. Undeclared and undecided students may schedule an appointment with any counselor.

Counseling services assist students in clarifying career and life goals and in developing an appropriate course of study based on goals, aptitudes and interests.

Fall / Spring

Monday -Thursday: 8 a.m. – 9 p.m. Friday: 8 a.m. - 4:30 p.m. Saturday: 9:30 a.m. - 2:30 p.m. **Winter & Summer hours may vary.**

Schauerman Library is a hub for research, study space, and learning that supports student success with a wealth of resources. The Library contains both quiet study spaces and collaborative work areas, with group study rooms available for checkout.

At the **Reference Desk** on the main floor, librarians will work with students on research skills and citations while also providing guidance in navigating a college library environment. Ask a librarian where to locate any one of thousands of books, periodicals, newspapers, or online databases that the Library provides for the ECC community. Teaching computers are located at the Reference Desk so that students and librarians may work together on research.

The **Circulation and Reserves Desk**, located in the Main Lobby, is where students can check out textbooks, books from the general collection, and access back issues of periodicals. The library does not have every textbook for all ECC courses and relies on faculty donations to provide them for student use. Textbooks may be borrowed for two hours at a time, and copy machines are located nearby so that students may replicate portions of text for homework purposes. Make sure to bring your ECC ID to check out materials and for making copies. You may get your student ID card activated here.

The **Learning Resources Center** provides students with two computer labs, learning materials, and free tutoring services.

The **Open Computer Lab**, located in the east wing basement level, contains 125 computers, black/white and color printing, scanning, and internet access. Students may print hard copies for 10 cents per page for black and white, 50 cents per page for color.

The **Basic Skills Study Center**, located on the second floor of the Library, is an open computer lab with 138 computers for students to use if they have an El Camino College student ID card with a current term sticker. Student athletes should come to this area for the Athletic Academic Achievement program.

Tutoring, located on the second floor of the Library, is offered for a multitude of disciplines including English, ESL, mathematics, chemistry, business, biology, music, and foreign languages. Tutoring is free and no appointment is necessary. The current tutoring schedule is posted on the Library & Learning Resources webpage. Free online tutoring is also available for students enrolled in online classes. To register for this service, call 310-660-3511.

For additional information regarding the Learning Resources Center's services, call 310-660-3511 or visit <u>www.elcamino.edu/library/lrc</u>.

The Music Library is located in MU-126 in the Music Building. This special library is focused on providing resources in music performance and technique, music literature, and music history. In addition to serving the hundreds of music students who make up the Music Department's unique learning community, the Music Library's services and resources are available for all ECC students, faculty, and staff. The Music Library houses a small computer lab with copy/printing services, and music practice rooms each equipped with a piano, music stand, and listening station. During the fall and spring semesters, the Music Library is open the same hours as the Schauerman Library; and from 9 a.m. to 1 p.m. on Saturday. Summer and winter term hours vary. The Music Library is closed when classes are not in session.

Orientation

All students are required to participate in orientation to become familiar with the college and its resources. Orientation is offered in different locations and online at <u>www.elcamino.edu</u> via **MyECC**. Special orientation sessions are arranged for high school students through their high schools. Specialized orientations are also arranged for students who participate in the various academic resources and support programs. For more details visit the Counseling webpage, and click on New Student Orientation.

STUDENT SUPPORT SERVICES

Reading Success Center

Special Resource Center

www.elcamino.edu/student/ studentservices/src/

The mission of the Special Resource Center (SRC) is to facilitate academic success for verified students with disabilities by providing equal access to educational opportunities in an integrated campus setting. The SRC provides support services, adaptive equipment, computer technology, and specialized instruction designed to meet the educational needs of students with disabilities.

In order to be eligible for support services or accommodations, a student must provide documentation of his/her disability. Eligibility is determined by specially trained, highly skilled professional staff. Specific educational needs are identified on an individual basis and a plan is developed with each student. Examples of services or accommodations include but are not limited to American Sign Language interpreters, testing accommodations, access technologies, or printed materials made available in alternate formats.

Students with verifiable disabilities who do not wish to avail themselves of the services of the SRC may still be eligible for reasonable accommodation(s) and service(s) by contacting the Dean of Student Support Services at 310-660-3484 located in the Student Services Center.

El Camino College recognizes its responsibility to provide an equal opportunity for education for all students. It is the policy (Board Policy 1600) of the El Camino Community College District to encourage full inclusion in all programs and services. Accommodations and alternate formats are available upon request. The Special Resource Center is located in the Student Services Center. Please visit or contact us by phone 310-660-3295 or 310-660-3445 (TDD). The Reading Success Center (RSC) is designed to support all ECC students with the reading load in all their classes. The Center aims to provide an atmosphere that is academic, professional, secure, and confidential. The RSC offers free one-on-one tutoring in all subjects, a computer center, topic-specific workshops, and a warm and welcoming environment for students to study and work on their assignments.

Our trained specialists will work with students individually to instill reading strategies and comprehension techniques that will benefit them throughout their academic career. No appointment is needed to use the services; simply drop in and remember to bring your student ID.

For more information about the Reading Success Center, visit the Schauerman Library, East Basement E-36, or call 310-660-3593, ext. 6729.

Veterans Services

The U.S. Department of Veterans Affairs (VA) pays education benefits to veterans, service persons, those in the National Guard or active reserves, and eligible dependents and survivors of totally disabled or deceased veterans under a number of benefit programs. Students eligible for these benefits must apply for them each semester through the El Camino College Veterans Center, located in the Student Services Center; the telephone number is 310-660-3486. With a counselor-approved educational plan, the El Camino College Veterans Center certifies courses required for a certificate program, the associate degree, and for transferable four-year degrees on behalf of VA.

Students collecting VA educational benefits must achieve satisfactory progress. If the student falls below graduation standards (2.0 GPA) or is on progress probation for two consecutive semesters, El Camino College is required to notify the VA. The VA will terminate benefits unless it can be shown that the student is pursuing an appropriate objective and has a reasonable chance for success in the chosen program.

Veterans with service-related disabilities may be eligible for a special vocational rehabilitation program offered by Veterans Affairs. Contact the local VA office for more information at 1-800-827-1000.

The California Department of Veterans Affairs (CalVet) provides a tuition-waiver program to eligible dependents and survivors of disabled and deceased veterans. Applications are available in the El Camino College Veterans Office, by calling 213-744-4825, or at www.calvet.ca.gov/.

Writing Center

The Writing Center, located in Humanities 122, serves all El Camino College students who need assistance with writing. The Writing Center offers one-on-one conferences or computer-assisted instruction. In addition, the Writing Center offers tutorials on grammar, documentation, and specialized writing tasks such as cover letters and personal statements.

To receive services, students must bring their El Camino College identification card, a flash drive to save their work, and a writing assignment from class if they intend to request a writing conference.

All services are drop-in; no appointment is necessary. The Writing Center phone number is 310-660-3873. Please visit: <u>www.elcamino.</u> <u>edu/academics/humanities/writingcenter/</u>.

EL CAMINO COLLEGE POLICE DEPARTMENT/STUDENT RIGHT TO KNOW

Campus Police Department

www.elcamino.edu/police/

Parking, Traffic and Safety

The El Camino College Police Department is in charge of the personal safety and security of all students, employees, and visitors of El Camino College.

The vehicle code laws of the state of California, the ordinances of Los Angeles County and the traffic and parking regulations of the El Camino Community College District are in effect 24 hours per day, seven days per week and are enforced by the El Camino College Police Department pursuant to section 21113 (a) (c) (f) of the California Vehicle Code.

Anyone parking in District parking lots, including staff parking areas, is required to display a valid El Camino College parking permit in his/her vehicle. Semester parking permits are available for purchase from the Cashier's Office located in the Bookstore Building. Daily parking permits are available for \$3 from parking permit machines located in the parking lots. Daily motorcycle permits are available at Campus Police.

Parking regulations are enforced seven days per week, 24 hours a day throughout the year, including weekends and holidays, unless otherwise specified. Students/visitors and the general public may park in staff parking areas after the posted times and on weekends and holidays with a valid El Camino College student semester permit or daily parking permit. Parking availability is subject to change and lots may be closed or restricted for special events. Red and white marked stalls are made available to El Camino Community College District directors, deans and other management personnel for a fee through the Business Manager's Office. Although located in general staff lots, they are for the exclusive use of the individual paying the fee. All others occupying these stalls are subject to a citation.

Electric vehicle charging stations are available in Parking Lot C to anyone with a valid El Camino College parking permit.

Traffic and parking regulations are posted throughout campus. Campus Police will issue citations to violators of these regulations. Parking violations are a minimum of \$40.

The El Camino Community College District shall not be liable for the loss or damage caused to any vehicle parked in a District parking lot. Parking regulations can be viewed at www.elcamino.edu/about/depts/police/ ParkingSvc.

The basic campus speed limit is 15 mph in all posted areas. All provisions of the California Vehicle Code and the traffic rules of the El Camino Community College District are strictly enforced. Police officers may issue superior court citations to violators of these regulations.

If you have lost property on campus, please stop by the Police Department Parking Services Office Monday through Friday from 8 a.m. to 4:30 p.m. Lost property not claimed within 90 days is disposed of in accordance with District policy.

The El Camino College Police Department operates a courtesy shuttle that runs between the campus buildings and parking lots, Monday through Friday from 7 a.m. to 10:30 p.m. upon availability. Officers and cadets are also available 24/7 to walk with students, faculty, staff or visitors. Both services are free of charge and are available by calling the Police Department at 310-660-3100 or by using one of the blue "POLICE" poles located throughout campus. You may reach the Police Department in an emergency situation by dialing 911 from any telephone, sending a text to 911 from a cellular telephone or by pushing the RED button on any campus blue "POLICE" pole.

First aid, as well as help in all emergency situations, is provided through the Police Department.

The use of skateboards, scooters, roller skates and bicycles is not permitted on campus. It is a violation of California Vehicle Code section 21113(F) to operate those items (motorized or non-motorized) on campus. Also see El Camino College Board Policy 5500(II.e.).

Disabled Persons Parking

Students/visitors with disabilities who have been issued a DMV Disabled Person (DP) placard may park in any designated disabled person stall. Disabled persons may park in faculty/staff/student spaces and MUST DISPLAY the DMV disabled person placard/plates AND a valid El Camino College semester or daily parking permit when parked. Failure to display the DP placard and a valid El Camino College permit (when parked in faculty/staff/student space) will result in the issuance of a citation. See California Code of Regulations – Title 5, Section 54100; Ed Code 67301(a).

EL CAMINO COLLEGE PARKING PERMITS ONLY VALID AT EL CAMINO COLLEGE

Student Right to Know Information

The El Camino College Police Department provides professional law enforcement services to the El Camino College community as well as first aid services in emergency situations. The Police Department is located at the corner of Redondo Beach and Crenshaw boulevards in Parking Lot K and may be reached by calling 310-660-3100, 24 hours per day.

In accordance with the Federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Campus Police has posted the Annual Security Report, and all required statistical data on the Police Department webpage: <u>www.elcamino.edu/police/</u>. This information is also available in printed form in the lobby of the Police Department, Library, Student Services Center, Student Activities Center and can be mailed upon request. The Police Department webpage also offers a wide variety of information about services and programs provided by the Police Department.

FIRST YEAR EXPERIENCE/LEARNING COMMUNITIES PROGRAM – FALL 2019 (310) 660-6936 or (310) 660-3593, ext. 3075 (Student Services Center)

A learning community is an exciting way to take classes that are linked with a common theme. The term "learning communities" refers to classes in which the subject matter and ways of investigating questions in two or more courses are integrated. Learning community instructors coordinate curriculum, activities and services to help ensure student success.

Distance Education

www.elcamino.edu/DistanceEd/

El Camino College offers a wide variety of fully online and hybrid Distance Education courses. The course content, course credit, cost per unit and enrollment process is the same as equivalent courses offered on campus. We strongly recommend that you review the <u>Distance Education webpage</u> for information on requirements, procedures, and other program materials. If this is your first time taking an online course, we strongly urge you to take the <u>Online Student Readiness Tutorials</u> on the <u>Distance Education webpage</u> to help determine if you are ready to successfully take college-level courses online.

Distance Education

www.elcamino.edu/Library/DistanceEd (310-660-6453)

The following courses are Distance Education (DE) courses. A DE course may be online or hybrid. Online courses meet completely online (via the internet using Canvas) and no face-to-face meetings. Hybrid courses have regular on-campus class meetings and a mandatory on-campus orientation with mandatory online participation. Specific class meeting and/or orientation requirements for each DE course are listed below. Do not miss the orientation or you may be dropped from the class. If you enroll in a DE course, you must have proficient computer skills, online communications and time management. You must have at a minimum: a computer with internet connection, the latest Windows or Mac operating system, Internet Explorer, Firefox, or Chrome browsers, Adobe Free Reader and El Camino College email. Additional software and plug-ins may be required by the instructor (such as Word, Publisher codes, or PowerPoint). You may also use computer labs on campus to work on DE courses.

English Placement Chart

After filling out the placement survey at MyECC, you will be directed toward a particular English course. This chart is designed to help you understand your English placement.

HS GPA of 2.6 and above: ENGL 1A

This is a college-level English course that is designed to teach academic reading and writing skills. In this 4-hour/week class, you will read challenging books and articles, and you will write multiple academic essays. The biggest assignment is an essay that is at least 2,000-words long, where you do your own research and find a minimum of 5 sources. This is a challenging course, but you can succeed if you commit your time and effort, and if you seek out the support of others.

HS GPA of 2.59 and below: ENGL 1A + ENGL 1AS

If your high school GPA is 2.59 and below, you will be required to take ENGL 1AS with ENGL 1A. This is a great deal because you will spend an extra 2 hours a week with your instructor, and you will have a tutor and a counselor dedicated to your class. The work you do in ENGL 1AS is tailored to help you succeed in ENGL 1A. Even if you have a 2.6 or higher, you can still choose to enroll in ENGL 1A + ENGL 1AS.

Optional but Recommended for HS GPA of 1.89 and below:

ENGL1

This is an optional course for students who would like an extra semester of preparation before starting ENGL 1A or ENGL 1A + ENGL 1AS. It is especially recommended for students with GPAs of 1.89 or lower. However, it is open to any student. Consider this course a "bridge" into college-level English, where you will be able to brush up on your reading and writing skills before starting ENGL 1A or ENGL 1A + 1AS. ENGL 1 is a more low-stakes class where students can adjust to the expectations of college and boost their confidence and skills.

High School Metrics for Placement into Transfer-Level Mathematics Courses

Effective: Fall 2019 Semester

The appropriate mathematics course to take depends on your future goals, including major preparatory requirements by transfer institutions. It is always best to verify with a counselor which mathematics course is most appropriate for you.

Liberal Arts, Education, and other majors				
$\text{GPA}_{\text{HS}} \ge 3.00$	(no corequisite required) MATH 110- Structures and Concepts in Mathematics MATH 115- Probability and Statistics for Teachers MATH 120- Nature of Mathematics MATH 140- Finite Mathematics or MATH 150- Elementary Statistics with Probability			
$GPA_{HS} < 3.00$	MATH 110, 115, 120, or 140 or MATH 150 + 150S (corequisite required)			

Business and STEM majors - no corequisite required

$GPA_{HS} \ge 3.40$ AND Algebra II (or equivalent)	MATH 130- College Algebra or MATH 170- Trigonometry [†]
$GPA_{HS} \ge 2.60$ AND Trigonometry or $GPA_{HS} \ge 2.30$ AND Pre-Calculus	MATH 130- College Algebra or MATH 180- Pre-Calculus ^{††}
$\begin{array}{l} \text{GPA}_{\text{HS}} \geq 3.50 \text{ AND Trigonometry} \\ \text{or } \text{GPA}_{\text{HS}} \geq 3.10 \text{ AND Pre-Calculus} \\ \text{or } \text{GPA}_{\text{HS}} \geq 2.60 \text{ AND Calculus} \end{array}$	MATH 165- Business Calculus I or MATH 190- Calculus I ^{†††}

Business and STEM majors - corequi	site required
$GPA_{HS} < 3.40$ AND Algebra II (or equivalent)	MATH 130 + 130S or MATH 170 + 170S
$\begin{array}{l} GPA_{HS} < 2.60 \ \textbf{AND} \ Trigonometry \\ \\ \text{or} GPA_{HS} < 2.30 \ \textbf{AND} \ Pre-Calculus \\ \\ \text{or} GPA_{HS} < 1.90 \ \textbf{AND} \ Calculus \end{array}$	MATH 130 + 130S or MATH 180 + 180S

Students who have not completed Algebra II (or equivalent) in high school are strongly recommended to enroll in MATH 80 (Intermediate Algebra for STEM) or MATH 80 + 80S.

Note: MATH 12, 23, 37, 40, 60, 67, and 73 courses will be offered in the Fall 2019 semester.

Students must show:

[†]completion of Geometry in high school or MATH 60 (minimum grade of C) to enroll into MATH 170; ^{††}completion of Trigonometry in high school or MATH 170 (minimum grade of C) to enroll into MATH 180; and ^{††}completion of Pre-Calculus in high school or MATH 180 (minimum grade of C) to enroll into MATH 190.

Sexual and Gender-Based Misconduct

Including Sexual Assault, Sexual Harassment, and Dating Violence

It is the policy of the El Camino Community College District to provide an education, employment, and business environment free of sexual and gender-based misconduct, including sexual assault, domestic and dating violence, stalking, and sexual harassment such as unwelcome sexual advances, requests for sexual favors, as well as any other unlawful sexual or gender-based verbal or physical conduct or communications as defined and otherwise prohibited by state and federal law.

Sexual and gender-based misconduct violates the policy of the District and provisions of the California Fair Employment Act, Education Code and federal rules, regulations and laws prohibiting sexual and gender-based misconduct, including sexual assault, sexual harassment, domestic and dating violence, and stalking. Sexual and gender-based misconduct shall be immediately reported to the District's Title IX coordinator, or designee, or to any dean, director, or manager for immediate reporting to the Title IX coordinator.

Detailed information, including resources and Title IX procedures, is available online at <u>www.elcamino.edu/about/depts/diversity/</u><u>misconduct.aspx</u> and in the Office of Staff and Student Diversity, Communications Building, Room 201-D.

Unlawful Discrimination Complaints

The College affirms its policy to provide an educational and employment environment in which no person shall be unlawfully denied admission, access or benefit to, nor employment in any program or activity that is administered, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges on the basis of race, color, national origin, sex and gender (including sexual harassment, sexual orientation, and gender identity), disability, and age as required by Title VI, Title IX, Section 504, the Age Discrimination Act. Students or employees with questions, concerns or complaints of unlawful discrimination may contact and/or file a complaint with these offices.

SEXUAL HARASSMENT POLICY

Quejas con carácter de discriminación ilegal

El Colegio reafirma su póliza de ofrecer una educación en un entorno laboral seguro, en el que ninguna persona podrá ser negada al acceso de beneficios, de empleo o cualquier otra actividad o programas como ayuda financiera del estado o la junta de gobernadores de California de los colegios comunitarios. La ley prohíbe la discriminación basada en raza, color, origen nacionalidad y género (como el acoso sexual, orientación sexual, y la identidad de género), la discapacidad, o por edad, de acuerdo al Título VI Título IX, Sección 504, el acto de discriminatión por edad. Estudiantes o empleados que tengas preguntas sobre este tema o alguna queja de discriminación puede comunicarse con las oficinas citadas.

El Camino College is a two-year public community college, officially and fully accredited by the Western Association of Schools and Colleges. The UC and CSU systems, as well as independent colleges and universities, give full credit for appropriate courses completed at El Camino College. We are approved for veterans by the Office of Postsecondary Education, California Department of Education.

The El Camino Community College District is committed to providing an educational and employment environment in which no person is subjected to discrimination on the basis of actual or perceived race, color, ancestry, national origin, religion, creed, age (over 40), disability (mental or physical), sex, gender (including pregnancy and childbirth), sexual orientation, gender identity, gender expression, medical condition, genetic information, marital status, military and veteran status, or retaliation; or on any other basis as required by state and federal law.
