Financial Aid Programs

Federal School Code 001197

El Camino College offers financial assistance to students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Cal Grants B and C, Student Success Completion Grant (SSCG), Federal Work-Study, Chafee Grant, and the California College Promise Grant (formerly known as the BOG Fee Waiver), and other state grants.

Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. If you are a California Dream Act student (AB 540), complete the California Dream Act Application (CADA), in lieu of the FAFSA at https://dream.csac.ca.gov.

The best times to apply are October 1 to March 2; however, you may apply anytime. Follow the application process listed at www.elcamino.edu/financialaid to apply for financial aid.

Apply for the California College Promise Grant by completing the FAFSA or CADA. Please note that the California College Promise Grant only covers enrollment fees; students may be responsible for paying other fees, including the student health fee, student representation fee, and the ASO sticker fee.

Ensure that you are also meeting the Satisfactory Academic Progress (SAP) policy. (SAP is determined at the end of each semester for the subsequent semester.)

To maintain eligibility for the California College Promise Grant, students must meet academic and progress standards by maintaining a cumulative grade-point average (GPA) of 2.0 and completing more than 50% of units attempted.

For assistance and additional information, contact the Financial Aid Office.

Student Health Fee

Students pay $18 per summer term to cover the operation, supervision, programs and services of the Student Health Center. Students must be enrolled and currently attending at least one for-credit course to access the services provided by Student Health Services.

There are exceptions under these conditions:
1. Low-income students who meet the California College Promise Grant (Method A) criteria as demonstrated by appropriate support documentation of eligibility or income tax forms as they relate to qualifying income levels:
   • CalWORKs;
   • Temporary Assistance for Needy Families (TANF);
   • College Tuition Fee Waiver for the Dependents of Veterans (Cal Vet Fee Waiver);
   • General Assistance;
   • Supplemental Security Income (SSI); or
   • State Supplementary Payment (SSP)
2. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Students who qualify for this exception may obtain a Health Services Fee Waiver form in the Student Support Services Division Office. All fee-waiver requests must be submitted by the second week of the term.

Students will not be required to pay the student health fee if they are enrolled only in noncredit classes or work site classes. High school students or students enrolled in contract classes only are also exempt.

Student health services are provided for students 18 years of age or older who pay the mandatory fee. High school students permitted to attend the college on a concurrent enrollment basis are not eligible for student health services.

College students under 18 years of age who are subject to other admissions criteria must pay the student health fee and submit a parental or guardian consent form to receive health services.

Children, including children of students, are not permitted in the Student Health Center.

Admission Requirements

Any person over the age of 18 or possessing a high school diploma or its equivalent from the USA or other nation shall be admitted unless prohibited by law. If under the age of 18, students will qualify if they have 1) graduated from high school or 2) passed the California High School Proficiency Examination (CHSPE). El Camino College may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the college president, may benefit from instruction. Concurrently enrolled 11th- and 12th-grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

Attendance

Students who enroll in a class and do not attend the first scheduled meeting of the class may be dropped from the roster and their place may be given to a waitlisted student. During the course of the term, students may be dropped by the instructor for excessive absences. It is ultimately the student’s responsibility to drop a course.

California Nonresident Tuition Exemption Request
(Formerly AB 540 Affidavit)

California State Assembly Bills 540 and 2000 (AB 540 and AB 2000) and California Senate Bill 68 (SB 68) allow any student who meets all of the following requirements to be exempt from paying nonresident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).
1. Attendance at California schools. This requirement may be met in either of the following two ways:
   • Total attendance (or attainment of credits earned) in a California high school or equivalent to three or more years of full-time attendance at California high schools, California high schools established by the State Board of Education, California adult schools (established by a county office of education, a unified school district or high school, or the Department of Corrections and Rehabilitation), campuses of the California Community Colleges or a combination of these; or
   • Three or more years of full-time California high school coursework, and a total of three or more years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools.

If you are eligible for and receiving a Cal Grant award, keep in mind that you need to take at least 15 semester units per fall/spring semester or 30 semester units per academic year (fall, winter, spring, summer) in order to complete an associate degree within two years at El Camino College and/or to complete your bachelor’s degree within four years. Cal Grant awards are limited to four academic years, except for students enrolled in an institutionally required five-year undergraduate program or for students with bachelor’s degrees admitted to and enrolled in a professional teacher-preparation program.
2. Completion of a course of study. This requirement may be met in any of the following ways:
- Graduation from a California high school or equivalent;
- Attainment of an associate degree from a California Community College;
- Fulfillment of the minimum transfer requirements established for the University of California or the California State University for students transferring from a California Community College.

A student who meets the above requirements must file an affidavit with the Admissions & Records Office at El Camino College stating that he/she has an application to legalize his/her immigration status or will file an application as soon as he/she is eligible to do so. In addition to the affidavit, the student must also provide official high school and/or college transcripts that clearly show attendance in all semesters and the date of high school graduation and/or completion of transfer requirements or graduation from a California Community College. If the student attended more than one California high school and/or California Community College, then official transcripts from all high schools and/or California Community Colleges must be provided. If the student graduated through equivalency as mentioned above, then proof must be provided.

Student information obtained in this process is strictly confidential unless disclosure is required under law. Students who meet the criteria will be exempt from the payment of nonresident tuition but will not be classified as “California residents.” Students will continue to be classified as “nonresidents.” Students who are in the United States under a student or visitor visa are not eligible.

Registration Procedure

Each student is required to have a registration appointment before being permitted to register. Registration appointments are issued by the Admissions & Records Office and indicate the day and hour after which students may register. Students who complete the admission requirements may check their appointment time on MyECC.

Students must enroll on the date and time indicated or any time thereafter in accordance with the published registration schedule.

Limitations

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and corequisites and for other reasons outlined in El Camino College Administrative Procedure 5055.

Schedule of Classes

Before the registration period for each semester or term, the college publishes a Schedule of Classes listing the courses offered and general registration procedures. Schedules are available online at www.elcamino.edu/admissions/schedule.asp and may also be obtained at the Bookstore for a nominal fee. A searchable class schedule showing open and available classes is also available online.

Priority Registration

In compliance with Section 58108 of Title 5, California Code of Regulations, priority registration will be implemented as follows:

Registration Time Allowance

A. All students may register on or after their scheduled registration appointment time, but not before.
B. All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a student fails to meet these deadlines or to follow the District’s policies and/or procedures, the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course, and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc.), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or corequisites, an unapproved course overload, a K-12 form or process not properly executed, an admissions hold (residency, AB 540, missing data, etc.) not resolved by the student in the manner and timeframe prescribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 of the California Code of Regulations or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration, please see Board Policy 5055 and Administrative Procedure 5055.

Registration Priorities

During registration periods, the following registration priority shall be followed:

Priority Level 1:
- Eligible students in veterans, foster youth, homeless youth, Disabled Students Programs & Services (DSPS)/Special Resource Center (SRC), Extended Opportunity Program Services (EOPS), Honors Transfer Program (HTP), First Year Experience (FYE), Puente Project, Umoja-Project Success, Student Athlete Independent Learning (SAIL), and CalWORKs groups

Priority Level 2:
- Eligible students in Title 5-sanctioned groups (none at this time)

Priority Level 3:
- Eligible students in District-designated groups

Priority Level 4:
- Eligible in-District new students

Priority Level 5:
- Eligible continuing students

Priority Level 6:
- Eligible non-District new or returning students

Priority Level 7:
- Other new or returning students

Priority Level 8:
- K-12 concurrently enrolled students

Priority Level 9:
- Continuing students on probation for two consecutive terms and/or continuing students with 100 or more earned units

Priority Level 10:
- Reinstated dismissed students
- Students within a continuing student priority level will be prioritized by units earned, at or through El Camino College. The more units earned, the higher the priority up to an earned unit limit of 100. Continuing students with the same earned unit value will be prioritized randomly.
- Students within a new/returning student priority level will be prioritized by the submission date of their application for admissions. New/returning students who applied on the same day will be prioritized randomly.
- Eligible new students in Priority Levels 1, 2, 3, 4, and 6 must have completed orientation, assessment, and developed an educational plan. Students should contact Veterans Services, Foster Youth, DSPS/SRC, EOPS, CalWORKs or one of the District-designated groups to receive information on qualifications for those programs and eligibility for priority registration.

Continuous Enrollment for Priority Registration

Continuous enrollment at El Camino College constitutes enrollment in the most re-
cent previous semester per academic year, excluding summer and winter terms. A student must remain enrolled in at least one course for sufficient time to receive a grade of "W" or a letter grade.

For the complete El Camino College Administrative Procedure 5055, Enrollment Priorities, please go to www.elcamino.edu/administration/board/boarddocs/AP%205055%20-%20Enrollment%20Priorities.pdf.

Unit Limitations

A student’s program of study will vary according to individual needs and objectives. There is no minimum, but the maximum program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study for the winter term is seven units. The maximum program of study for the summer session is 10 units if at least one unit is in physical education. The minimum full-time student program is 12 units per semester. A student wishing to take more than the maximum units may file a petition through the Counseling and Student Success Division. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade-point average and an overall grade-point average of 2.5 or higher to be eligible for an overload.

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend 40 hours or more per week, students should limit their study program to seven units or fewer each semester.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

Student Records

Congress has provided in the Family Educational Rights and Privacy Act (FERPA) that students have certain rights of access to their education records. Please contact the Admissions & Records Office for any information regarding your rights under FERPA.

High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. District policy restricts concurrent enrollment to students who have completed the 10th grade.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - when you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and catalog. Both are available online.

Eleventh- and 12th-grade students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in Admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or term. Failure to meet the admissions deadline will preclude the student from registering in any classes for that term. Late admissions and late registration will not be considered for concurrently enrolled high school students.

Parents - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system.

As per the Family Educational Rights and Privacy Act (FERPA), any business you conduct on behalf of your college student must be with the student’s written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then concurrently enrolled high school students. These students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

Equivalent Courses

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the college catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Unofficial copies of transcripts are acceptable for this process. Do not delay; clear prerequisites prior to registration. Clearance for an equivalent course may be obtained online at www.elcamino.edu/student/student-services/counseling/prerequisite.aspx, in the Counseling and Student Success Office or in the appropriate academic division office.

Transcripts

Students who plan to attend under veterans or Social Security benefits, receive academic advisement to become matriculated, or need to have coursework at other colleges reviewed for prerequisite clearance must request that college transcripts from all schools attended are sent to the El Camino College Admissions & Records Office. Students who plan to graduate from El Camino College with a degree or certificate and wish to have coursework taken at other colleges considered for graduation must request that official transcripts are sent from the other colleges to the El Camino College Admissions & Records Office.

Ordering transcripts is easy. Go online at any time to www.elcamino.edu/admissions/transcripts.asp and follow the instructions. The first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and are payable at the time of the transcript request. Transcripts are processed on a first-in, first-out basis.

Cross Enrollment at CSU Dominguez Hills

El Camino College students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition in a maximum of one baccalaureate-level course per semester on a space-available basis for $10. Such enrollment would be at the discretion of the appropriate campus authorities on each of the campuses.

A student must meet the requirements of cross enrollment to be eligible. Additional information on requirements and procedures may be obtained at the El Camino College Admissions & Records Office.

Career & Transfer Center
Career and transfer services are offered in the Student Services building.

The Career Center offers opportunities for extensive career planning and evaluation of interests, personality, strengths and skills. Value assessments are also available. In addition, career exploration and workshops are offered as they are related to career education and pre-professional planning and job success. For more information, call 310-660-3593, ext. 6137.

Appointments for career exploration, assessments and counseling are available to current students and alumni. Career fairs, tours, workshops, and career orientations are scheduled throughout the year.

The Transfer Center offers a wide range of activities designed to assist students in transferring successfully to the four-year college or university of their choice.

Among the transfer services offered are professional transfer counseling and advisement, regularly scheduled visits by recruiting and admissions officers from four-year colleges and universities, and workshops on major steps in the transfer process. Other services offered include university fairs at El Camino College and frequent field trips to an array of major universities.

Visit www.elcamino.edu/student/studentservices/transfercenter/index.aspx to find the latest information on fairs, tours and workshops. In addition, find the latest information about the benefits of earning an Associate of Arts/Associate of Science for Transfer degree (AA-T/AS-T) and Transfer Admission Guarantee (TAG) Programs.

Counseling/Advisement
Counseling services are available to students through scheduled appointments, virtual appointments and drop-in counseling. Appointments are scheduled online one week in advance. Go to www.elcamino.edu/student/studentservices/counseling/appointments.aspx. Appointments for some special support programs are not available to schedule online.

A student who has selected a major field of study is strongly encouraged to see one of the counselors assigned to that major. Undeclared and undecided students may schedule an appointment with any counselor.

Counseling services assist students in clarifying career and life goals and in developing an appropriate course of study based on goals, aptitudes and interests.

Library & Learning Resources

Summer Schauerman Library, Music Library & Learning Resources

Hours:
Monday - Thursday: 8 a.m. - 9 p.m.
Friday: Closed
Closed between terms.

Schauerman Library is a hub for research and learning that supports student success with a wealth of resources. The Library contains both quiet study spaces and collaborative work areas, with group study rooms available for reservation.

At the Reference Desk on the main floor, librarians work with students on research skills and citations while also providing guidance in navigating a college library environment. Ask a librarian where to locate any one of thousands of books, periodicals, newspapers, or online databases that the Library provides for the ECC community.

The Circulation and Reserves Desk, located in the main lobby, is where students can check out textbooks on Reserve and books from the general collection. The Library does not have every textbook for all ECC courses. Textbooks may be borrowed for two hours at a time, and copy machines are located nearby so that students may replicate portions of text for homework purposes. Make sure to bring your ECC ID to check out materials and for making copies.

For more information on the Library, visit www.elcamino.edu/library.

The Learning Resources Center, located on the second floor of the Library, provides students with two computer labs, learning materials (including anatomy models, calculators, and microscopes) and free tutoring services.

For additional information regarding the Learning Resources Center's services, call 310-660-3511 or visit www.elcamino.edu/learning/lrc.

The Library Media Technology Center (Computer Lab), located in the east basement of the Library, contains computers, black and white and color printing, and scanning. Students may print in black and white for 10 cents per page and in color for 25 cents per page. These prices apply for all copying and printing in the libraries or Learning Resources Center.

The Study Center, located on the second floor of the Library, has computers and printing. Student athletes should come to this area for the Student Athlete Independent Learning (SAIL) program. The Study Center also offers collaborative study space and computer access for students who are studying with children present.

Tutoring, located on the second floor of the Library, is offered for a multitude of disciplines, including English, English as a second language (ESL), mathematics, chemistry, business, biology, music, and foreign languages. Tutoring is free, and no appointment is necessary. The current tutoring schedule is posted at www.elcamino.edu/library/lrc/tutoring/index.aspx. Free online tutoring is also available for students enrolled in online classes through Canvas.

The Music Library is located in MU-126 in the Music building. This library is focused on providing resources in music performance and technique, music literature, and music history. In addition to serving the hundreds of music students who make up the Music Department's unique learning community, the Music Library's services and resources are available for all ECC students, faculty, and staff. The Music Library houses a small computer lab with copying/printing services and music practice rooms, each equipped with a piano, music stand, and listening station.

Orientation

All students are required to participate in orientation to become familiar with the college and its resources. Orientation is offered in different locations and online at www.elcamino.edu via MyECC. Special orientation sessions are arranged for high school students through their high schools. Specialized orientations are also arranged for students who participate in the various academic support programs. For more details, visit www.elcamino.edu/admissions/orientation.aspx.

Special Resource Center

The mission of the Special Resource Center (SRC) is to facilitate academic success for verified students with disabilities by providing equal access to educational opportunities in an integrated campus setting. The SRC provides support services, adapted physical education, computer technology, and specialized instruction designed to meet the educational needs of students with disabilities.

In order to be eligible for support services or accommodations, a student must provide documentation of his/her disability. Eligibility is determined by specially trained, highly skilled professional staff. Specific educational needs are identified on an individual basis, and a plan is developed with each student. Examples of services or accommodations include, but are not limited to, American Sign Language interpreters, testing accommodations, access technologies, and printed materials made available in alternate formats.

Students with verifiable disabilities who do not wish to avail themselves of the services of the SRC may still be eligible for reasonable accommodation(s) and service(s) through the District by contacting the dean of student support services at 310-660-3484.

El Camino College recognizes its responsibility to provide an equal opportunity for education for all students. Board Policy 1600 of the El Camino Community College District encourages full inclusion in all programs and services. Accommodations and alternate formats are available upon request. The Special Resource Center is located in the Student Services building. Please visit the SRC in person, contact us by phone at 310-660-3295, or visit www.elcamino.edu/student/studentservices/src/.
The Reading Success Center (RSC) supports all ECC students with the reading load in all their classes. The RSC aims to provide an atmosphere that is academic, professional, secure, and confidential. The RSC offers free one-on-one tutoring, a computer center, topic-specific workshops, and a warm and welcoming environment for students to study and work on their assignments.

Our trained specialists work with students individually to instill reading strategies and comprehension techniques that will benefit them throughout their academic career. No appointment is needed to use the services; simply drop in and remember to bring your student ID.

For more information about the RSC, visit the Schauerman Library, east basement room 36, call 310-660-3593, ext. 6729 or go to www.elcamino.edu/student/academicsupport/rsc. 

Veterans Services

The Veterans Services Office at El Camino College provides academic and personal counseling for students who are veterans. Veteran Services links students to supportive services and provides students an opportunity to participate in military programs and events.

The U.S. Department of Veterans Affairs (VA) pays education benefits to veterans, service persons, those in the National Guard or active reserves, and eligible dependents and survivors of totally disabled or deceased veterans under a number of benefit programs. Students eligible for these benefits must apply for them each semester through the El Camino College Veterans Center, located in the Student Services building; the telephone number is 310-660-3486. With a counselor-approved educational plan, the El Camino College Veterans Center certifies courses required for a certificate program, the associate degree, and for transferable four-year degrees on behalf of the VA.

Students collecting VA educational benefits must achieve satisfactory progress. If the student falls below graduation standards (2.0 GPA) or is on progress probation for two consecutive semesters, El Camino College is required to notify the VA. The VA will terminate benefits unless it can be shown that the student is pursuing an appropriate objective and has a reasonable chance for success in the chosen program.

Veterans with service-related disabilities may be eligible for a special vocational rehabilitation program offered by the VA. For more information, contact the VA at 1-800-827-1000.

The California Department of Veterans Affairs (CalVet) provides a tuition-waiver program to eligible dependents and survivors of disabled and deceased veterans. Applications are available in the El Camino College Veterans Services Office, by calling the Los Angeles County Veterans Service Office at 213-744-4825, and at www.calvet.ca.gov.

The Writing Center

The Writing Center, located in the Humanities building, room 122, serves all El Camino College students who need assistance with writing. The Writing Center offers one-on-one conferences or computer-assisted instruction. In addition, the Writing Center offers tutorials on grammar, documentation, and specialized writing tasks such as cover letters and personal statements.

To receive services, students must bring their El Camino College identification card, a flash drive to save their work, and a writing assignment from class if they intend to request a writing conference.

All services are drop-in; no appointment is necessary. You may learn more by calling The Writing Center at 310-660-3873 or by visiting www.elcamino.edu/academics/humanities/writingcenter.
Campus Police Department

Parking, Traffic and Safety

The mission of the El Camino College Police Department is to provide a safe and secure environment while respecting the rights and dignity of all students, employees and visitors. Please visit our website for more detailed information: www.elcamino.edu/police.

The vehicle code laws of the state of California, the ordinances of Los Angeles County and the traffic and parking regulations of the El Camino Community College District are in effect 24 hours per day, seven days per week and are enforced by the El Camino College Police Department pursuant to section 21113 (a) (c) (f) of the California Vehicle Code.

Anyone parking in District parking lots, including staff parking areas, is required to display a valid El Camino College parking permit in his/her vehicle. Semester parking permits are available for purchase from the Cashier’s Office located in the Bookstore building. Daily parking permits are available for $3 from parking permit machines located in the parking lots. Daily motorcycle permits are available at Campus Police.

Parking regulations are enforced seven days per week, 24 hours per day throughout the year, including weekends and holidays, unless otherwise specified. Students, visitors and the general public may park in staff parking areas after the posted times and on weekends and holidays with a valid El Camino College student semester permit or daily parking permit. Parking availability is subject to change, and parking lots may be closed or restricted for special events.

All motor vehicles shall be parked within and parallel to painted space boundary lines. Motor vehicles shall not be parked/stopped: 1) overnight on campus (except by special permission granted by the El Camino College Police Department); 2) in a space painted with multiple diagonal markings; 3) in driving lanes within parking lots; 4) on campus roads, service roads or driveways; or 5) along curbs that are painted red or are painted to restrict zones, exclusive of loading passenger zones, which must be used for the purposes intended.

Electric vehicle charging stations are available in Parking Lot C to anyone with a valid El Camino College parking permit, but only electric vehicles using the charging stations may park in the designated spots. For more information, visit www.elcamino.edu/about/charging-stations/.

Traffic and parking regulations are posted throughout campus. The basic campus speed limit is 15 mph in all posted areas. Campus Police will issue citations to violators of these regulations. Parking violations are a minimum of $40.

The El Camino Community College District shall not be liable for the loss or damage caused to any vehicle parked in a District parking lot. Parking regulations can be viewed at www.elcamino.edu/about/depts/parking/ParkingSvc/parkingregulations.aspx.

If you have lost property on campus, please stop by the Police Department Parking Services Office at the corner of Crenshaw and Redondo Beach boulevards Monday through Thursday from 8 a.m. to 4:30 p.m. Lost property not claimed within 90 days is disposed of in accordance with District policy.

The El Camino College Police Department operates a courtesy shuttle that runs between the campus buildings and parking lots, Monday through Thursday from 7 a.m. to 10:30 p.m. upon availability. Officers and cadets are also available 24 hours per day, seven days per week to walk with students, faculty, staff or visitors. Both services are free of charge and are available by calling the Police Department at 310-660-3100 or by using one of the “POLICE” poles located throughout campus. You may reach the Police Department in an emergency situation by dialing 911 from any telephone, sending a text to 911 from a cellular phone or by pushing the RED button on any campus “POLICE” pole.

First aid, as well as help in all emergency situations, is provided through the Police Department.

The use of skateboards, scooters, roller skates and bicycles is not permitted on campus. It is a violation of California Vehicle Code section 21113(F) to operate those items (motorized or non-motorized) on campus. Also see El Camino College Board Policy 5500.

Disabled Persons Parking

Students and visitors with disabilities who have been issued a DMV Disabled Person (DP) placard may park in any designated disabled person stall. Disabled persons may park in faculty/staff/student spaces and MUST DISPLAY the DMV DP placard/plates AND a valid El Camino College semester or daily parking permit when parked. Failure to display the DP placard and a valid El Camino College permit (when parked in faculty/staff/student space) will result in the issuance of a citation. See California Code of Regulations – Title 5, Section 54100; Ed Code 67301(a); https://govt.westlaw.com/calregs/Document/I94155090D48411DEBC02831C6D6C108E?viewType=FullText&originationContext=documenttoc&transitionType=CategoryPageItem&contextData=(sc.Default).

Drug & Alcohol Abuse Prevention Program (DAAPP)

The El Camino Community College District has standards of conduct that clearly prohibit, at a minimum, the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on its property or as part of any of its activities (Board Policy 3550 and Board Policy/Administrative Procedure 3560). Any student or employee who violates these policies will be subject to disciplinary action. The District will distribute to each student and employee the information required by the Drug-Free Schools and Communities Act Amendments of 1989. A copy of this publication can be obtained at www.elcamino.edu/about/depts/policy/drugalcoholabuse.aspx or in select locations on campus in print form.

# Distance Education

Distance Education offers a wide variety of fully online and hybrid distance education courses. The course content, course credit, cost per unit and enrollment process is the same as equivalent courses offered on campus. For information on requirements, procedures, and other program materials, we strongly recommend that you review www.elcamino.edu/distanceEd/. If this is your first time taking an online course, we urge you to take the Online Student Readiness Tutorials on the Distance Education website to help determine if you are ready to successfully take college-level courses.

English Placement Chart

After filling out the placement survey at MyECC, you will be directed toward a particular English course. This chart is designed to help you understand your English placement.

**HS GPA of 2.6 and above:**
ENGL 1A

This is a college-level English course that is designed to teach academic reading and writing skills. In this four-hour per week class, you will read challenging books and articles, and you will write multiple academic essays. The biggest assignment is an essay that is at least 2,000-words long where you do your own research and find a minimum of five sources. **This is a challenging course, but you can succeed if you commit your time and effort, and if you seek out the support of others.**

**HS GPA of 2.59 and below:**
ENGL 1A + ENGL 1AS

If your high school GPA is 2.59 and below, you will be required to take ENGL 1AS with ENGL 1A. This is a great deal because you will spend an extra two hours per week with your instructor, and you will have a tutor and a counselor dedicated to your class. **The work you do in ENGL 1AS is tailored to help you succeed in ENGL 1A.** Even if you have a 2.6 or higher GPA, you can still choose to enroll in ENGL 1A + ENGL 1AS.

**Optional but recommended for HS GPA of 1.89 and below:**
ENGL 1

This is an optional course for students who would like an extra semester of preparation before starting ENGL 1A or ENGL 1A + ENGL 1AS. It is especially recommended for students with GPAs of 1.89 or lower. However, it is open to any student. Consider this course a “bridge” into college-level English, where you will be able to brush up on your reading and writing skills before starting ENGL 1A or ENGL 1A + 1AS. ENGL 1 is a more low-stakes class where students can adjust to the expectations of college and boost their confidence and skills.

---

**SUMMER 2020**
**ENGL 1A + ENGL 1AS SECTIONS OPEN TO ALL STUDENTS**

Students placed into ENGL 1A + ENGL 1AS must take both courses together. Each section of 1AS is paired with a specific section of ENGL 1A taught by the same instructor, as listed below. Please see the English Placement Chart for more information. Students who passed ENGL 1AS but did not pass ENGL 1A with a minimum grade of C may re-enroll in ENGL 1A but may not re-enroll in ENGL 1AS.
