

# El Camino College EMT Program

## Daily Schedule

| <u>Day</u>         | <u>Subjects &amp; Chapters</u>                                                         | <u>Methods &amp; Evaluations</u>                                |
|--------------------|----------------------------------------------------------------------------------------|-----------------------------------------------------------------|
| Day 1 (Lecture I)  | EMT Program Overview & Orientation                                                     | Syllabus & EMT Squad Formation                                  |
| Day 1 (Skills Lab) | BLS & Vitals Signs Demonstrations / Practice                                           | CPR/AED & Vital Signs Log                                       |
| Day 1 (Lecture II) | Basic Life Support Resuscitation (13)                                                  | PREZI: BLS & AHA BLS Quiz                                       |
| Day 2 (Lecture I)  | EMS Systems, Safety, Legal & Ethical Issues, Comms & Documentation, Terminology (1-5)  | PREZI: Preparatory                                              |
| Day 2 (Skills Lab) | Airway Skills Demonstrations / Practice<br>Vital Signs Practice                        | BVM (OPA/NPA), Suction, O2 Admin<br>Vital Signs Log             |
| Day 2 (Lecture II) | Human Body & Lifespan Development (6-7)                                                | PREZI: Preparatory                                              |
| Day 3 (Lecture I)  | Lifting/Moving & Patient Assessment (8-9)                                              | PREZI: Patient Assessment                                       |
| Day 3 (Skills Lab) | Airway Skills Practice<br><b>SKILLS TESTING</b>                                        | BVM (OPA/NPA), Suction, O2 Admin<br><b>CPR/AED, Vital Signs</b> |
| Day 3 (Lecture II) | Airway & Respiratory Emergencies (10 & 15)<br><i>FISDAP Study Guide Review: AIRWAY</i> | PREZI: Airway                                                   |
| Day 4 (Lecture I)  | <b>AIRWAY TEST</b><br>FISDAP Secure Classroom Testing Procedures                       | <b>FISDAP: Module 1</b>                                         |
| Day 4 (Skills Lab) | <b>SKILLS TESTING</b>                                                                  | BVM (OPA/NPA), Suction, O2 Admin                                |
| Day 4 (Lecture II) | Principles of Pharmacology & Shock (11-12)                                             | PREZI: Pharmacology & Shock                                     |
| Day 5 (Lecture I)  | Cardiovascular Emergencies (16)                                                        | PREZI: Cardiology                                               |
| Day 5 (Skills Lab) | Medical Skills Demonstrations / Practice                                               | Emergency Medications<br>Medical Assessment                     |
| Day 5 (Lecture II) | Neurologic Emergencies (17)<br><i>FISDAP Study Guide Review: CARDIOLOGY</i>            | PREZI: Neurology                                                |
| Day 6 (Lecture I)  | <b>CARDIOLOGY TEST &amp; AIRWAY (2nd Attempt)</b>                                      | <b>FISDAP: Module 2 (1)</b>                                     |
| Day 6 (Skills Lab) | <b>SKILLS TESTING</b>                                                                  | <b>Emergency Medications<br/>Medical Assessment</b>             |
| Day 6 (Lecture II) | Medical Overview, Gastro, Endocrine (14,18,19)                                         | PREZI: Medical                                                  |
| Day 7 (Lecture I)  | Immunologic/Toxicology/Environmental (20,21,32)                                        | PREZI: Medical                                                  |
| Day 7 (Skills Lab) | <b>SKILLS TESTING</b>                                                                  | <b>Emergency Medications<br/>Medical Assessment</b>             |
| Day 7 (Lecture II) | Psychiatric & Gynecologic (22-23)<br><i>FISDAP Study Guide Review: MEDICAL</i>         | PREZI: Medical                                                  |
| Day 8 (Lecture I)  | <b>MEDICAL TEST &amp; CARDIOLOGY (2nd Attempt)</b>                                     | <b>FISDAP: Module 3 (2)</b>                                     |
| Day 8 (Skills Lab) | Trauma Skills Demonstrations / Practice                                                | Bleeding/Shock, Splinting,<br>Trauma Assessment, SMR            |
| Day 8 (Lecture II) | Trauma Overview, Bleeding, Soft-Tissue (24-26)                                         | PREZI: Trauma                                                   |

|                     |                                                                                                                                 |                                                                 |
|---------------------|---------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------|
| Day 9 (Lecture I)   | Face, Head, Spine & Chest Injuries (27-29)                                                                                      | PREZI: Trauma                                                   |
| Day 9 (Skills Lab)  | <b>SKILLS TESTING</b>                                                                                                           | <b>Bleeding/Shock, Splinting, Trauma Assessment, SMR</b>        |
| Day 9 (Lecture II)  | Abdominal & Orthopedic Injuries (30-31)<br><i>FISDAP Study Guide Review: TRAUMA</i>                                             | PREZI: Trauma                                                   |
| Day 10 (Lecture I)  | <b>TRAUMA TEST &amp; MEDICAL (2nd Attempt)</b>                                                                                  | <b>FISDAP: Module 4 (3)</b>                                     |
| Day 10 (Skills Lab) | <b>SKILLS TESTING</b>                                                                                                           | <b>Bleeding/Shock, Splinting, Trauma Assessment, SMR</b>        |
| Day 10 (Lecture II) | Geriatrics & Special Challenges (35-36)                                                                                         | PREZI: Geriatrics                                               |
| Day 11 (Lecture I)  | Obstetrics and Neonatal Care (33)                                                                                               | PREZI: OB/PEDS                                                  |
| Day 11 (Skills Lab) | Emergency Childbirth Demonstrations / Practice<br><b>SKILLS TESTING</b>                                                         | <b>Emergency Childbirth Trauma Assessment, SMR</b>              |
| Day 11 (Lecture II) | Pediatric Emergencies (34)<br><i>FISDAP Study Guide Review: OB/PEDS</i>                                                         | PREZI: OB/PEDS                                                  |
| Day 12 (Lecture I)  | <b>OB/PEDS TEST &amp; TRAUMA (2nd Attempt)</b>                                                                                  | <b>FISDAP: Module 5 (4)</b>                                     |
| Day 12 (Skills Lab) | <b>SKILLS TESTING</b>                                                                                                           | <b>Emergency Childbirth</b>                                     |
| Day 12 (Lecture II) | Transport OPS, Vehicle Extrication, ICS/NIMS, Terrorism, Disaster Response (37-40)<br><i>FISDAP Study Guide Review: EMS OPS</i> | PREZI: EMS OPS                                                  |
| Day 13 (Lecture I)  | <b>EMS OPS TEST &amp; OB/PEDS (2nd Attempt)</b>                                                                                 | <b>FISDAP: Module 6 (5)</b>                                     |
| Day 13 (Skills Lab) | <b>NREMT SKILLS TESTING</b>                                                                                                     | <b>Bleed, BVM, O2, Splint, CPR</b>                              |
| Day 13 (Lecture II) | Tactical First Aid/ TEMS FRO                                                                                                    | PREZI: TEMS                                                     |
| Day 14 (Lecture I)  | Final Exam Study Guide Review<br><b>EMS OPS (2nd Attempt)</b>                                                                   | Student Course Evaluations<br><b>FISDAP: Module (6)</b>         |
| Day 14 (Skills Lab) | <b>NREMT SKILLS TESTING</b>                                                                                                     | <b>Bleed, BVM, O2, Splint, CPR Medical P/A, Trauma P/A, SMR</b> |
| Day 14 (Lecture II) | <b>FINAL EXAM</b>                                                                                                               | <b>FISDAP: Readiness Exam 4</b>                                 |
| Day 15 (Lecture I)  | <b>FINAL EXAM (Retest)</b>                                                                                                      | <b>FISDAP: Readiness Exam 4</b>                                 |
| Day 15 (Skills Lab) | <b>NREMT SKILLS TESTING</b>                                                                                                     | <b>Bleed, BVM, O2, Splint, CPR Medical P/A, Trauma P/A, SMR</b> |
| Day 15 (Lecture II) | NREMT Account Registration Process                                                                                              | NREMT EMT Application Submission                                |
| Day 16 (Lecture I)  | Los Angeles County EMSA Licensing Process                                                                                       | Clinical Packets Due                                            |
| Day 16 (Skills Lab) | <b>NREMT SKILLS TESTING</b>                                                                                                     | <b>Medical P/A, Trauma P/A, SMR</b>                             |
| Day 16 (Lecture II) | EMT Program Graduation                                                                                                          | Course Completion Certificates                                  |
| Notes:              |                                                                                                                                 |                                                                 |
|                     |                                                                                                                                 |                                                                 |
|                     |                                                                                                                                 |                                                                 |
