

EL CAMINO COLLEGE ASSOCIATE DEGREE NURSING PROGRAM
Credit for Prior Learning
Reviewed: 11-14-2016;10-19-2020 Adopted: 11-14-2016 Updated 12-5-2016; 2-07-2020 10-19-2020

Petition for Credit by Examination

1. A student may petition for credit by examination for all nursing courses NURS 146, NURS 220, NURS222, NURS 224, NURS 230, NURS 240, NURS 242, NURS 247, NURS 248, N254, N255
2. The student must be enrolled and pay all fees.
3. The current established theory and clinical course outlines, objectives, learning activities and recommended readings in the course/s being challenged will be used.
4. The examination criteria, theory and clinical, will be the same criteria currently established for the specific course/s being challenged.
5. The theory challenge examination must be passed at **75%** or higher before the clinical portion can be challenged.
6. The clinical portion must be passed as "Satisfactory." If the clinical portion results in "failure," the whole course being challenged must be taken.
7. Theory, clinical and skills lab must be passed to receive a grade for the course.
8. Students will only be able to take a nursing course examination for credit one time.
