**Fall 2018 SLO and PLO completion rates**

- Currently waiting PLOs from Committee 1 and Committee D.
- Missing SLO for Math 170, Math 190, Math 270 and Computer Science 14
- S. Russell mentioned Massoud Ghyam sent the PLO on Friday, but will inform him to resend them.

**Fall 2018 PLOs**

- Due Friday, March 15, 2019

**Follow-Up Reports**

- All follow up reports are up to date.
- C. Schult-Roman sent the report which include due dates and past due dates.

**Spring 2019 SLO Course Coordinators and SLO Question + Rubric**

- Most SLOs have been completed.
- SLO questions and rubric are missing from Committee D.
- Engineering 1 and Engineering 9 are missing the rubric.

**Dean's Remarks**

Regarding part-timers during SLO's, the following conversation took place. It was mentioned that part time instructors are requesting payment for the SLOs. It was explained, if part time instructors are only administering the assessment and then turning the data over to another faculty member to do the analysis, then compensation is not required.
