Here you will find the way to access a dynamic, interactive testing and remediation program designed to let you practice and refresh skills needed to take the <u>Math Placement Test</u> and get the best possible results for you. Access to this **MyMathTest** program has been provided to you by **El Camino College**.

Before you Begin:

You will need to register for the web based program **MyMathTest**. In order to register you will need:

<u>X</u> This MyMathTest student access code: **WSSMMT-JEDDA-BASIC-KANZU-QUASH-THRAW**

<u>X</u> El Camino College's zip code: **90506**

<u>X</u> A valid email address: **Your El Camino email address will work.**

Student Registration:

- Go to **www.mymathtest.com** and click the **Register** button under "New User"
- Please read all information in the License Agreement and Privacy Policy. Click on **Accept** if you agree to the terms.
- Follow the instructions on the screen to create your <u>personal login</u> and <u>password</u>. **REMEMBER THESE!**
- Type in your student access code, **WSSMMT-JEDDA-BASIC-KANZU-QUASH-THRAW,** using the tab key to move from one box to the next.
- Enter your first and last name and email address. Re-type your email address to make sure it is correct.
- Select United States from the School Country drop-down menu.
- Enter your school zip code (**90506**), and select **El Camino College** from the school drop-down list.
- Select a security question and answer to ensure the privacy of your account.
- When your registration process is complete you will see a confirmation screen. This information will also be emailed to you. **Please be sure to save or print your login name, password, and account information**.
- Click **Log In Now** and then click on **Enter MyMathTest** to begin.

Logging In:

- Go to www.mymathtest.com and enter the login name and password you created. Click on Enter MyMathTest.
- The first time you log in you need to enroll in one of the **El Camino College** MyMathTest **programs** listed below.
- Type in the appropriate program ID from the list below. Which program you choose is determined by the **first three letters of your last name**:
  - Last names with AAA - CAR: XL1V-R155-001Y-9EV2
  - Last names with CAS - FES: XL1V-R159-101Y-3EV2
  - Last names with FET - HER: XL1V-R15A-101Y-4EV2
  - Last names with HES - LOO: XL1V-R15C-101Y-6EV2
  - Last names with LOP - MEI: XL1V-R15D-101Y-7EV2
  - Last names with MEJ - POV: XL1V-R15H-201Y-1EV2
  - Last names with POW - SOM: XL1V-R15I-201Y-2EV2
  - Last names with SON - ZZZ: XL1V-R15M-201Y-6EV2
- *****The program opens to the announcements page, please review all program information.*****
- If you are using your home computer **run the Browser Check**. It will detect and then help you install the plug-ins you need to access the math exercises and multimedia content in your MyMathTest program. Follow the screen instructions to complete this process.
- MyMathTest supports PC and Mac computers, using Internet Explorer, Firefox, and Safari.
- After completing the installation process and closing the wizard you will be back on your program home page.
- *NOTE: The MyMathTest is available in the Learning Resource Center of the library*.
- **Need help?** Contact Technical Support at **www.mymathtest.com/support/contactus_stu.htm** for live CHAT, email or phone support. For online help using MyMathTest, click the **Help**link at the top right of the MyMathTest window.
