

**Natural Science Division
Division Curriculum Meeting
Tuesday, October 27, 2009**

Attendance: J. Shankweiler, S.V. Lloyd, A. Grant, T. Palos, S. Leonelli, J. Brothen, E. Goldmann, E. Wallano (CEC)

Curriculum for Review today: Biology16

The course outline for Biology 16 was reviewed by Jeanne Bellemin and Bryan Carey and submitted for review. The course description was revised a bit and a couple of the course objectives reworded for clarity. The outline of subject matter had a few formatting changes. J. Shankweiler will check with Professor Carey and Professor Bellemin to make sure the textbooks indicated are the most current. The reviewed document was approved by the NS Division Curriculum Committee.

Next Meetings:

- Tuesday, November 24 at 1pm in room LS101.

Course Review for 2009-2010: Anatomy 30 (✓), Anatomy 32, Biology 16(✓), Astronomy 13abcd, 20, 25, Horticulture 44 (submitted)
