

**Natural Science Division**  
**SLO Advisory Committee**  
**Agenda – November 1, 2013**  
**1:00pm – 2:00pm**  
**LS-101**

Present: Jean Shankweiler, Vincent Lloyd, Nancy Freeman and Jim Noyes

1. ALC Report—Jim  
ILO's—are being revised. Content knowledge probably will be eliminated. Three other areas combined and revised.
  - At the end of spring will have completed one cycle of assessments.
  
2. TracDat Training
  - Distributed flex schedule for training
  - Jim says it's pretty easy—just need to familiarize yourself with the program
  - Jim has screen shot directions. Janet Young has some written directions.
  
3. SLO/PLO statement revisions—SLO in TracDat
  - Now it's time to put names into SLO and PLO-easier to follow
  - Want to try to organize PLO and SLO's by content and make corrections.
  - Return revisions to Jim by Tuesday (11/5) next week and he will get them onto the website and to ALC Committee.
  
4. GEOs
  - Pretty weak statements—would like stronger statement.
  - Some suggested words from Nancy and Jim—take back to ALC.
  
5. Other
  - none
