

EARTH SCIENCE DEPARTMENT MEETING

Meeting was held on February 5, 2015

1:00pm – 1:50pm

NS 206

Attendees: J. Shankweiler, C. Cha, J. Noyes, J. Gard, J. Holliday, M. Ebner, P. Neumann, R. Bouse.

Agenda

1. Program Review and Planning
 - J. Gard will send prioritized list of **recommended/objectives**.
2. Curriculum – C-ID
 - Geology 2 and Geography 9
3. SLO
 - Revised assessments for spring.
 - Fall 2014—no worries, almost done with submissions.
4. Environmental St./Science courses
 - Environmental Science major—need courses to be included and also majors—check with other schools to propose.
5. Geo Major workshop schedule
 - None so far
6. Synchronizing geology and geography syllabi.
 - **Snafu** this semester—Bryan Murray didn't know.
7. Scholarship recipients photo display
 - Cha is working on this, maybe moving it to hallway.
8. Other

- STEM week April 6-9 and need clubs to participate on Wednesday from 11:30-2pm.
- Geo-coaching Scavenger Hunt. Julienne will have this on Monday afternoon. Pairs and hunt for prizes.
- Matt—Lynn's stuff is still in his office, we need to find out when we can remove it.
