Curriculum Report – Bryan

- Biology 101, 102, 103, 17 to be reviewed for spring 2013
101 will be reviewed by Bryan, 102-Steve, 103-Teresa and 17-Jeanne
- Biology 102 is in Curricunet for review but 101 is not. B. Carey will check on that and Biol 103
- A&P 34A and 34B and Physiology 31 have been submitted to the division curriculum committee

Planning/Planbuilder

- Teresa and Jessica are plan leaders and have been working on the plans. People need to give input on the equipment desired and it needs to be prioritized. Suggested items are listed on the attached handout. Some discussion followed on items to include.
- Plans are due to Jean by Dec 3.

Accreditation

- J. Shankweiler explained the need for faculty members on the accreditation teams and requested volunteers.

Other

- Les Scharlin has submitted his retirement request. His retirement will be effective over winter.
