

Division of Natural Science

LS Department

March 6, 2018 1-1:50pm Nats 123

MINUTES

Present: M. Steinberg, K. Villatoro, N. Freeman, J. Padilla, T. Bui, P. Parks, D. Descalzo, M. Stupy, T. Palos, B. Carey, A. Grant

- A. SLOs (NF): SLOs are on track for the semester
- B. Planning update—Division Council will vote on planning priorities Thursday. Please be sure to discuss your priorities with your Division Council rep.
- C. Safety (PP): P. Parks provided a safety update for the Division. The safety shutter door in C. Hoover's area was replaced. Additional personal protective gear is being discussed in microbio.
- D. Cadaver Update: The alarm system is being installed.
- E. Lab Techs (JP): Faculty would like to meet with technicians to discuss microscope handling, the procedure to alert faculty when a room becomes unusable for teaching, and budgeting of supply funds. A. Grant will set up a meeting.
