

**Division of Natural Science
Physics/Astronomy Dept Meeting**

April 25, 2019

1-1:50pm

Phys 101

MINUTES

In Attendance: P. Hacking, D. Wright, SV Lloyd, Z. Murdock, E. Goldmann, J. Coroneus, S. Kadakia, S. Stolovy, K. Key, A. Tuan, A. Grant

- A. SLOs: E. Goldmann is preparing a questionnaire.
- B. Astronomy Hiring: Summer hiring is underway—we will need an adjunct pool for P. Hacking's half-time retirement (on fall, off spring).
- C. Counselor Angela Tuan: Will be at MESA MW, and K. Key will be present on TuTh. Guided Pathways needs an astronomy map. J. Coroneus asked the counselors not to recommend two 1-series physics courses.
- D. Telescope repair (PH): 2 telescopes are down.
- E. Technician Issues to Report: The light sensor in Phys 109 isn't working. D. Wright will make a work order.
