Financial Aid Programs

Federal School Code 001197

El Camino College offers financial assistance to students through the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Cal Grants B and C, Student Success Completion Grant (SSCG), Federal Work-Study, Federal Direct Student Loans, Chafee Grant, and the California College Promise Grant (formerly known as the BOG Fee Waiver), and other state grants.

Apply for financial aid by completing the Free Application for Federal Student Aid (FAFSA) online at www.fafsa.gov. If you are a California Dream Act student (AB 540), complete the California Dream Act Application (CADA), in lieu of the FAFSA at <https://dream.csac.ca.gov>.

The best times to apply are October 1 to March 2; however, you may apply anytime. Follow the application process listed at www.elcamino.edu/financialaid to apply for financial aid.

Apply for the California College Promise Grant by completing the FAFSA or CADA. Please note that the California College Promise Grant only covers enrollment fees; students may be responsible for paying other fees, including the student health fee, student representation fee, and the Student Activities Fee/ASO Benefits Pass.

Ensure that you are also meeting the Satisfactory Academic Progress (SAP) policy. (SAP is determined at the end of each semester for the subsequent semester.)

To maintain eligibility for the California College Promise Grant, students must meet academic and progress standards by maintaining a cumulative grade-point average (GPA) of 2.0 and completing more than 50% of units attempted.

For assistance and additional information, contact the Financial Aid Office.

Student Health Fee

Students pay \$22 per semester (\$18 per summer term) to cover the operation, supervision, programs and services of the Student Health Center. Students must have paid the health fee and be currently enrolled and attending at least one for-credit course to access the services provided by Student Health

Services. The Student Health Center is closed during the winter term.

There are exceptions under these conditions:

1. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Students who qualify for this exception may obtain a Health Services Fee Waiver form in the Student Support Services Division Office. All fee-waiver requests must be submitted by the second week of the term.

2. Students will not be required to pay the student health fee if they are enrolled only in noncredit classes or apprenticeship classes.

All the above students exempted from paying the health services fee, if currently enrolled and attending at least one for-credit class, may choose to pay the fee through the Cashier's Office at any time during the exempted term in order to access Student Health Services.

Student health services are provided for students 18 years of age or older who pay the mandatory fee. High school students permitted to attend the college on a concurrent enrollment basis are not eligible for student health services.

College students under 18 years of age who are subject to other admissions criteria must pay the student health fee and submit a parental or guardian consent form to receive most services.

Children, including children of students, are not permitted in the Student Health Center.

Educational materials and resources, as well as referrals to off-campus medical and mental health clinics may be found at www.elcamino.edu/StudentHealthServices.

Admission Requirements

Any person over the age of 18 or possessing a high school diploma or its equivalent from the USA or other nation shall be admitted unless prohibited by law. If under the age of 18, students will qualify if they have 1) graduated from high school or 2) passed the California High School Proficiency Examination (CHSPE). El Camino College may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the college president, may benefit from instruction. Concurrently enrolled

11th- and 12th-grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

Attendance

Students who enroll in a class and do not attend the first scheduled meeting of the class **may** be dropped from the roster and their place may be given to a waitlisted student. During the course of the term, students may be dropped by the instructor for excessive absences. It is ultimately the student's responsibility to drop a course.

California Nonresident Tuition Exemption Request

(Formerly AB 540 Affidavit)

California State Assembly Bills 540 and 2000 (AB 540 and AB 2000) and California Senate Bill 68 (SB 68) allow any student who meets all of the following requirements to be exempt from paying nonresident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).

1. Attendance at California schools. This requirement may be met in either of the following two ways:
 - Total attendance (or attainment of credits earned) in a California high school or equivalent to three or more years of full-time attendance at California high schools, California high schools established by the State Board of Education, California adult schools (established by a county office of education, a unified school district or high school, or the Department of Corrections and Rehabilitation), campuses of the California Community Colleges or a combination of these; or
 - Three or more years of full-time California high school coursework, and a total of three or more years of attendance in California elementary schools, California secondary schools, or a combination of California elementary and secondary schools.
2. Completion of a course of study. This requirement may be met in any of the following ways:

If you are eligible for and receiving a Cal Grant award, keep in mind that you need to take at least 15 semester units per fall/spring semester or 30 semester units per academic year (fall, winter, spring, summer) in order to complete an associate degree within two years at El Camino College and/or to complete your bachelor's degree within four years. Cal Grant awards are limited to four academic years, except for students enrolled in an institutionally required five-year undergraduate program or for students with bachelor's degrees admitted to and enrolled in a professional teacher-preparation program.

- Graduation from a California high school or equivalent;
- Attainment of an associate degree from a California Community College; or
- Fulfillment of the minimum transfer requirements established for the University of California or the California State University for students transferring from a California Community College.

A student who meets the above requirements must file an affidavit with the Admissions & Records Office at El Camino College stating that he/she has an application to legalize his/her immigration status or will file an application as soon as he/she is eligible to do so. In addition to the affidavit, the student must also provide official high school and/or college transcripts that clearly show attendance in all semesters and the date of high school graduation and/or completion of transfer requirements or graduation from a California Community College. If the student attended more than one California high school and/or California Community College, then official transcripts from all high schools and/or California Community Colleges must be provided. If the student graduated through equivalency as mentioned above, then proof must be provided.

Student information obtained in this process is strictly confidential unless disclosure is required under law. Students who meet the criteria will be exempt from the payment of nonresident tuition but will not be classified as "California residents." Students will continue to be classified as "nonresidents." Students who are in the United States under a student or visitor visa are not eligible.

Registration Procedure

Each student is required to have a registration appointment before being permitted to register. Registration appointments are issued by the Admissions & Records Office and indicate the day and hour after which students may register. Students who complete the admission requirements may check their appointment time on **MyECC**.

Students must enroll on the date and time indicated or any time thereafter in accordance with the published registration schedule.

Limitations

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and corequisites and for other reasons outlined in El Camino College Administrative Procedure 5055.

Schedule of Classes

Before the registration period for each semester or term, the college publishes a Schedule of Classes listing the courses offered and

general registration procedures. Schedules are available online at www.elcamino.edu/admissions/schedule.asp and may also be obtained at the Bookstore for a nominal fee. A searchable class schedule showing open and available classes is also available online.

Priority Registration

In compliance with Section 58108 of Title 5, California Code of Regulations, priority registration will be implemented as follows:

Registration Time Allowance

A. All students may register on or after their scheduled registration appointment time, but not before.

B. All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a student fails to meet these deadlines or to follow the District's policies and/or procedures, the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course, and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc.), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or corequisites, an unapproved course overload, a K-12 form or process not properly executed, an admissions hold (residency, AB 540, missing data, etc.) not resolved by the student in the manner and timeframe prescribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 of the California Code of Regulations or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration, please see Board Policy 5055 and Administrative Procedure 5055.

Registration Priorities

During registration periods, the following registration priority shall be followed:

Priority Level 1:

Eligible students in veterans, foster youth, homeless youth, Disabled Students Programs & Services (DSPS)/Special Resource Center (SRC), Extended Opportunity Pro-

grams and Services (EOPS), and CalWORKs groups

Priority Level 2:

Eligible students in Title 5-sanctioned groups (none at this time)

Priority Level 3:

Eligible students in District-designated groups

Priority Level 4:

Eligible in-District new students

Priority Level 5:

Eligible continuing students

Priority Level 6:

Eligible non-District new or returning students

Priority Level 7:

Other new or returning students

Priority Level 8:

K-12 concurrently enrolled students

Priority Level 9:

Continuing students on probation for two consecutive terms and/or continuing students with 100 or more earned units

Priority Level 10:

Reinstated dismissed students

Students within a continuing student priority level will be prioritized by units earned, at or through El Camino College. The more units earned, the higher the priority up to an earned unit limit of 100. Continuing students with the same earned unit value will be prioritized randomly.

Students within a new/returning student priority level will be prioritized by the submission date of their application for admissions. New/returning students who applied on the same day will be prioritized randomly.

Eligible new students in Priority Levels 1, 2, 3, 4, and 6 must have completed orientation, assessment, and developed an educational plan. Students should contact Veterans Services, Foster Youth, DSPS/SRC, EOPS, CalWORKs or one of the District-designated groups to receive information on qualifications for those programs and eligibility for priority registration.

Continuous Enrollment for Priority Registration

Continuous enrollment at El Camino College constitutes enrollment in the most recent previous semester per academic year, excluding summer and winter terms. A student must remain enrolled in at least one course for sufficient time to receive a grade of "W" or a letter grade.

For the complete El Camino College Administrative Procedure 5055, Enrollment Priorities, please go to www.elcamino.edu/administration/board/boarddocs/AP%205055%20-%20Enrollment%20Priorities.pdf.

Unit Limitations

A student's program of study will vary according to individual needs and objectives. There is no minimum, but the maximum program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study for the winter term is seven units. The maximum program of study for the summer session is 10 units if at least one unit is in physical education. The minimum full-time student program is 12 units per semester. A student wishing to take more than the maximum units may file a petition through the Counseling and Student Success Division. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade-point average and an overall grade-point average of 2.5 or higher to be eligible for an overload.

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend two hours per week in study and preparation for each class hour per week in lecture courses. Students who work in business or industry should reduce their total study programs in proportion to the demands of their employment and personal activities. If employment requires 40 hours or more per week, students should limit their study program to seven units or fewer each semester.

Cross Enrollment at CSU Dominguez Hills

El Camino College students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition in a maximum of one baccalaureate-level course per semester on a space-available basis for \$10. Such enrollment would be at the discretion of the appropriate campus authorities on each of the campuses.

A student must meet the requirements of cross enrollment to be eligible. Additional information on requirements and procedures may be obtained at the El Camino College Admissions & Records Office.

Equivalent Courses

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the college catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts.

Unofficial copies of transcripts are acceptable for this process. Do not delay; clear prerequisites prior to registration. Clearance for an equivalent course may be obtained online at www.elcamino.edu/student/student-services/counseling/prerequisite.aspx, in the Counseling and Student Success Office or in the appropriate academic division office.

High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. *District policy restricts concurrent enrollment to students who have completed the 10th grade.*

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - when you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and catalog. Both are available online.

Eleventh- and 12th-grade students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in Admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or term. Failure to meet the admissions deadline will preclude the student from registering in any classes for that term. Late admissions and late registration will not be considered for concurrently enrolled high school students.

Parents - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system.

As per the Family Educational Rights and Privacy Act (FERPA), any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then concurrently enrolled high school students. These students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

Student Records

Congress has provided in the Family Educational Rights and Privacy Act (FERPA) that students have certain rights of access to their education records. Please contact the Admissions & Records Office for any information regarding your rights under FERPA.

Transcripts

Students who plan to attend under veterans or Social Security benefits, receive academic advisement to become matriculated, or need to have coursework at other colleges reviewed for prerequisite clearance must request that college transcripts from all schools attended are sent to the El Camino College Admissions & Records Office.

Students who plan to graduate from El Camino College with a degree or certificate and wish to have coursework taken at other colleges considered for graduation must request that official transcripts are sent from the other colleges to the El Camino College Admissions & Records Office.

Ordering transcripts is easy. Go online at any time to www.elcamino.edu/admissions/transcripts.asp and follow the instructions.

The first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and are payable at the time of the transcript request. Transcripts are processed on a first-in, first-out basis.

Academic Dishonesty

Academic dishonesty violates El Camino College's Administrative Procedure 5500, Standards of Student Conduct

El Camino College is dedicated to maintaining an optimal learning environment and insists upon academic honesty. To uphold the academic integrity of the institution, all members of the academic community, faculty, staff and students alike, must assume responsibility for providing an educational environment of the highest standards characterized by a spirit of academic honesty.

- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to, handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner that encourages learning and promotes honesty and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an exami-

nation or engaging in any other kind of academic activity.

Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.
2. The instructor may dismiss the student from the class or activity for the present and/or following class session(s) as stipulated in AP 5520.
3. The instructor completes the online Incident Report and Referral Form (IRRF). The form may be accessed at: https://cm.maxient.com/reportingform.php?ElCaminoCollege&layout_id=5. The instructor will copy the division office when submitting the IRRF.
4. The student may need to meet with the instructor and/or the division administrator.
5. The student may also need to meet with the director of student development or designee to investigate the allegations of academic dishonesty. Sanctions for academic dishonesty and/or other violations of the Standards of Student Conduct, AP 5500, may include suspension and/or expulsion.

Photo ID Card

All students are encouraged to obtain a free El Camino College identification card. These cards are available in the Student Development Office, serve as photo identification, and may be required for various services and activities. Please refer to the Photo ID webpage www.elcamino.edu/student/studentservices/sdo/photo-id/ for photo ID procedures during the COVID-19 pandemic.

Book Buyback

The Bookstore provides daily book buyback. Students who buy and sell back used books realize the best value for their money.

The best time to sell books is during finals. The Bookstore will pay up to 50 percent back on textbooks if:

- A. The book has been requested for an upcoming semester.
- B. The Bookstore needs additional stock.
- C. There is absolutely no moisture damage on the book.
- D. The only markings on the book are from a highlighter.
- E. No pages have been removed.
- F. There are no new editions pending.

Any student purchasing a used book understands that the life of a used book is limited and that the Bookstore may determine that a book purchased at the beginning of the semester in used condition may not be in condition to be resold by the end of that semester.

Special Resource Center

The mission of the Special Resource Center (SRC) is to facilitate academic success for verified students with disabilities by providing equal access to educational opportunities in an integrated campus setting. The SRC provides support services, adapted physical education, computer technology, and specialized instruction designed to meet the educational needs of students with disabilities.

In order to be eligible for support services or accommodations, a student must provide documentation of his/her disability. Eligibility is determined by specially trained, highly skilled professional staff. Specific educational needs are identified on an individual basis, and a plan is developed with each student. Examples of services or accommodations include, but are not limited to, American Sign Language interpreters, testing accommodations, access technologies, and printed materials made available in alternate formats.

Students with verifiable disabilities who do not wish to avail themselves of the services of the SRC may still be eligible for reasonable accommodation(s) and service(s) through the District by contacting the dean of stu-

dent support services at 310-660-3484.

The SRC offers classes in Adapted Physical Education and Educational Development. The Adapted Physical Education Program at El Camino College provides fitness opportunities in an educational setting for individuals with disabilities. The program features personalized instruction in fitness and physical skills. Activities include those to improve aquatic skills, cardiovascular fitness, muscular strength, flexibility, and balance. Exercise programs are designed to accommodate the needs and interests of each student.

The Educational Development Program provides students with positive learning experiences in the areas of educational strategies, disability management, and decision-making. Our EDEV classes offer academic, technological, and motivational support by encouraging students to understand themselves and advocate for themselves based on the laws which protect the rights of college students with disabilities. Educational Development classes are valuable in and of themselves and because they empower students to succeed in their college level courses, while creating a sense of community with other EDEV students. EDEV courses specifically designed for our Deaf and Hard of hearing population provide DHH students with the opportunity to learn and develop language / literacy skills in their direct and natural language modality (American Sign Language). An additional benefit is that of direct instruction from faculty members who are professional role models for our deaf and hard of hearing learners.

El Camino College recognizes its responsibility to provide an equal opportunity for education for all students. Board Policy 1600 of the El Camino Community College District encourages full inclusion in all programs and services. Accommodations and alternate formats are available upon request. The Special Resource Center is located in the Student Services building. Please visit the SRC in person, contact us by phone at 310-660-3295, or visit www.elcamino.edu/student/student-services/src/.

Student Representation Fee

The Student Representation Fee supports both the El Camino College Associated Students Organization (ASO) and Student Senate for California Community Colleges (SSCCC) to advocate for California Community College students. Both organizations provide students the opportunity to take an active role in higher education advocacy and policy development.

The ASO serves as your elected representative and acts as your liaison to the college. ASO applies leadership knowledge and skills to stay informed and advocate for students. ASO is committed to improving the quality of education and involvement of students at El Camino College.

The SSCCC works to promote and safeguard access for current and future students to California public higher education in accordance with the Master Plan for Higher Education through system participatory governance, legislative and policy advocacy, and regional support and development.

ASO and SSCCC have lobbied to increase support for students' basic needs such as health, food security and increased financial aid. Legislative priorities have also included advocacy for more affordable California Community College education.

The \$2 Student Representation Fee will be collected each term of registration. A student may decline the Student Representation Fee when enrolling for classes. If the student does not decline during enrollment, the Student Representation Fee will be assessed and collected. The Student Representation Fee is non-refundable after the end of the add/drop period for each term.

Veterans Services

The Veterans Services Office at El Camino College provides academic and personal counseling for students who are veterans, service members and eligible dependents. Veteran Services links students to supportive services and provides students the benefits of campus, community and veterans programs and events. The U.S. Department of Veterans Affairs (VA) pays education benefits to veterans, service persons, those in the National Guard or active reserves, and eligible dependents and survivors of totally disabled or deceased veterans under a number of benefit programs. Students eligible for these benefits must submit a certification request each term through the El Camino College Veterans Services Office, located in the Student Services building; the telephone number is 310-660-3486. School Certifying Officials will not process certification without eligible student's request.

With a counselor-approved educational plan, the El Camino College Veterans Services Program certifies courses required for a certificate program, an associate degree and transferable four-year degrees on behalf of the VA. Students collecting VA educational benefits must achieve satisfactory progress. If the student falls below graduation standards (2.0 GPA) or is on progress probation for two consecutive semesters, El Camino College is

required to notify the VA. The VA will terminate benefits unless it can be shown that the student is pursuing an appropriate objective and has a reasonable chance for success in the chosen program.

Veterans with service-related disabilities may be eligible for a special Veteran Readiness & Employment Service offered by the VA. For more information, contact the VA at 1-800-827-1000. The California Department of Veterans Affairs (CalVet) provides a tuition-waiver program to eligible dependents and survivors of disabled and deceased veterans. Additional information may be obtained by visiting the El Camino College Veterans Services Office, by calling the California Department of Veterans Affairs at 213-744-4825, and by visiting www.calvet.ca.gov/.

Veterans Benefits and Transition Act of 2018 (Public Law 115-407), Section 103

Beginning August 1, 2019, El Camino College policy regarding GI Bill® and VR&E beneficiaries (Chapter 33 and Chapter 31 beneficiaries) does not hold VA-certified students accountable for payment in attending a course of education or training for up to 90 days from the date the beneficiary provides certificate of eligibility, or valid authorization. The new legislative change allows a student to attend courses until the VA provides payment to the institution. El Camino College has implemented this policy to NOT impose a penalty or require the beneficiary to borrow additional funds to cover tuition and fees due to late payments from the VA. Section 103 requires a State Approving Agency (SAA) or the Department of Veterans Affairs (VA) when acting in the role of the SAA to disapprove certain courses of education. The VA can grant a waiver to these requirements. Education and VR&E Services are developing a timeline to implement additional provisions regarding student participation in courses pending receipt of educational or training assistance from the VA, which are contained in sections 103 and 104 of Public Law 115-407.

COVID-19 (subject to change 2022)

Due to the COVID-19 health emergency and the continued social distancing restrictions, the means for delivery of courses as in-person have all been changed to remote on-line instruction. Courses with a section number in the 4XXX series are traditionally scheduled online. All other courses would have been in-person, but may now be transitioned to remote instruction.

Please note: Because of COVID-19, all classes are online until the County Health Department authorizes a return to for classroom instruction.

"GI Bill® is a registered trademark of the U.S. Department of Veterans Affairs (VA). More information about education benefits offered by VA is available at the official U.S. government Website at <https://www.benefits.va.gov/gibill/>. El Camino College has been authorized by the Department of Defense to offer the Tuition Assistance Program to eligible active duty services members.

English Placement Chart

After filling out the placement survey at *MyECC*, you will be directed toward a particular English course. This chart is designed to help you understand your English placement.

HS GPA of 2.6 and above:
ENGL 1A

This is a college-level English course that is designed to teach academic reading and writing skills. In this four-hour per week class, you will read challenging books and articles, and you will write multiple academic essays. The biggest assignment is an essay that is at least 2,000-words long where you do your own research and find a minimum of five sources. **This is a challenging course, but you can succeed if you commit your time and effort, and if you seek out the support of others.**

+

HS GPA of 2.59 and below:
ENGL 1A + ENGL 1AS

If your high school GPA is 2.59 and below, you will be required to take ENGL 1AS with ENGL 1A. This is a great deal because you will spend an extra two hours per week with your instructor, and you will have a tutor and a counselor dedicated to your class. **The work you do in ENGL 1AS is tailored to help you succeed in ENGL 1A. Even if you have a 2.6 or higher GPA, you can still choose to enroll in ENGL 1A + ENGL 1AS.**

Optional but recommended for
HS GPA of 1.89 and below:
ENGL 1

This is an optional course for students who would like an extra semester of preparation before starting ENGL 1A or ENGL 1A + ENGL 1AS. It is especially recommended for students with GPAs of 1.89 or lower. However, it is open to any student. Consider this course a “**bridge**” into college-level English, where you will be able to brush up on your reading and writing skills before starting ENGL 1A or ENGL 1A + 1AS. ENGL 1 is a more low-stakes class where students can adjust to the expectations of college and boost their confidence and skills.

SPRING 2022

ENGL 1A + ENGL 1AS SECTIONS OPEN TO ALL STUDENTS

Students placed into ENGL 1A + ENGL 1AS must take both courses together. Each section of 1AS is paired with a specific section of ENGL 1A taught by the same instructor, as listed below. Please see the English Placement Chart for more information. Students who passed ENGL 1AS but did not pass ENGL 1A with a minimum grade of C may re-enroll in ENGL 1A but may not re-enroll in ENGL 1AS.
