The gym floor are not getting mopped often enough and/or well enough. Our student-athletes are slipping and sliding on a daily basis. As a competition venue, we need a more adequate playing surface. There is a lot of "foot traffic" due to the numerous basketball, volleyball, badminton and yoga classes that use the North and South gyms. I think this equipment is easy to use and could be utilized by our equipment attendants and/or janitorial staff on a daily (or more consistent) basis.</p> <p>Action Category: Program/College Support</p>
