

Program PLO Statements

Unit Name	PLO Name	PLO	PLO Status
El Camino: PLOs (IND) - Automation, Robotics, and Manufacturing (ETEC, MTEC, MTT)	PLO #1 Solving Engineering Problems	Students will apply principles from mathematics, physics, and chemistry to solve applied problems in engineering.	Active
	PLO #2 Digital and Analog Sensor Technologies	Upon completion of the courses in this discipline, the student will be able to identify different digital and analog sensor technologies.	Active
	PLO #3 Industry Standards	Upon completion of the courses in this discipline, the student will be able to follow and build robotic devices and components in accordance with industry standard schematics and diagrams.	Active
