

PLO Assessment Cycle	Unit Name (Division/Program)	PLO Title	PLO Statement
2020-21 (Fall 2020)	El Camino: PLOs (HSA) - Educational Development	PLO #1 Student Success	The Special Resource Center's Educational Development Program will provide courses to facilitate <u>student success in the college-level curriculum.</u>
2020-21 (Fall 2020)	El Camino: PLOs (HSA) - Nursing	PLO #1 Professional Practice	The student will adhere to standards of professional practice, is accountable for his/her actions and behaviors, and practice nursing within legal, ethical, and regulatory frameworks.
2020-21 (Fall 2020)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #4 JRCERT	The Radiologic Technology Program will evaluate and assess the following on an annual basis as required by JRCERT accreditation: a. Graduates will pass certification and/or licensing examination b. Graduates will maintain a high level of program completion/retention rates. c. Graduates will report a overall satisfaction with the program d. Employer will report overall satisfaction with the graduates' competency and job performance. e. Graduates will obtain employment in radiologic technology. f. Students will maintain a high level of success and completion for each course
2020-21 (Fall 2020)	El Camino: PLOs (HSA) - Sign Language Interpreter Training	PLO #3 Employment	Students will develop the appropriate media to enhance employment opportunities in entry level sign language interpreting jobs.
2019-20 (Spring 2020)	El Camino: PLOs (HSA) - Adapted PE	PLO #3 Benefits of Exercise	Students will describe the benefits of exercise relative to each component of fitness.
2019-20 (Spring 2020)	El Camino: PLOs (HSA) - Kinesiology	PLO #3 Skill Development	Students will demonstrate improved specific skills related to their sport or activity.
2019-20 (Spring 2020)	El Camino: PLOs (HSA) - Kinesiology Athletics	PLO #2 Warrior Scholar Athlete	Student-athletes will demonstrate and assess academic and athletic achievement through sound practices, guidance, testing and efficient educational planning. The importance of incorporating improvement in athletic skills and academic performance together is utilized to achieve optimal <u>student-athlete goals.</u>
2019-20 (Spring 2020)	El Camino: PLOs (HSA) - Recreation	PLO#2 Foundations of Recreation	Students will acquire historical, philosophical, and theoretical foundations of recreation.
2019-20 (Fall 2019)	El Camino: PLOs (HSA) - Educational Development	PLO #2 Disability Management	The Special Resource Center's Educational Development Program curriculum will offer disability management strategies to empower the student to function effectively in the college culture.
2019-20 (Fall 2019)	El Camino: PLOs (HSA) - Nursing	PLO #7 Safety	The student will demonstrate the ability to recognize potential threats to patient safety from both <u>system ineffectiveness and individual performance and appropriately intervene.</u>
2019-20 (Fall 2019)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #3 Communication and Problem Solving	Radiologic Technology Program graduates will be able to demonstrate effective communication, <u>critical thinking and problem solving skills.</u>
2019-20 (Fall 2019)	El Camino: PLOs (HSA) - Sign Language Interpreter Training	PLO #2 Ethics	Upon completion of this program students will demonstrate critical thinking and appropriate ethical responses required by the Professional Code of Conduct for this field.
2018-19 (Spring 2019)	El Camino: PLOs (HSA) - Adapted PE	PLO #2 Proper Strategies	Students will identify proper exercises and training strategies to enhance fitness and safety.
2018-19 (Spring 2019)	El Camino: PLOs (HSA) - Kinesiology	PLO #2 Critical Thinking	Students will apply the knowledge and skills in the field of kinesiology to think critically in examining <u>issues and solving problems associated with their chosen sub discipline</u>
2018-19 (Spring 2019)	El Camino: PLOs (HSA) - Kinesiology Athletics	PLO #1 Sportsmanship, Decorum and Rules	Students-athletes will demonstrate awareness and implement a thorough understanding of campus, state and national intercollegiate athletic playing rules, values and decorum standards.
2018-19 (Spring 2019)	El Camino: PLOs (HSA) - Recreation	PLO#3 Camp Settings	Students will apply administrative, leadership, planning, supervisory, and counseling skills in <u>commercial, municipal, and camp settings.</u>
2018-19 (Fall 2018)	El Camino: PLOs (HSA) - Educational Development	PLO #1 Student Success	The Special Resource Center's Educational Development Program will provide courses to facilitate <u>student success in the college-level curriculum.</u>
2018-19 (Fall 2018)	El Camino: PLOs (HSA) - Nursing	PLO #6 Management of Care	The student will manage care of the patient by demonstrating effective use of human, physical, <u>financial, and technological resources.</u>
2018-19 (Fall 2018)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #1 Entry-Level Practitioners	Radiologic Technology Program graduates will be clinically competent to perform as an entry-level <u>practitioners and produce diagnostic quality radiographic images.</u>
2018-19 (Fall 2018)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #2 Applying Safety Principles	Radiologic Technology Program graduates will be able to perform medical imaging procedures in an ethical and caring manner and apply radiation safety principles on patients, self and others.
2018-19 (Fall 2018)	El Camino: PLOs (HSA) - Sign Language Interpreter Training	PLO #1 Entrance Skills	Upon completion of the program students will demonstrate basic entrance skills for interpreting/transliterating in educational, medical, post-secondary and community settings with <u>individuals who are deaf and hard of hearing.</u>
2017-18 (Spring 2018)	El Camino: PLOs (HSA) - Adapted PE	PLO #1 Fitness and Skill Development	Student in Adapted Physical Education courses will improve their fitness and/or skill development.
2017-18 (Spring 2018)	El Camino: PLOs (HSA) - Kinesiology	PLO #1 Fitness and Wellness	Students will demonstrate an understanding and appreciation of physical activities and their <u>relationship to wellness and fitness.</u>

2017-18 (Spring 2018)	El Camino: PLOs (HSA) - Kinesiology Athletics	PLO #3 Skill Development	Students will demonstrate the acquisition of skill and tactical knowledge to perform appropriately in relation to their position and their chosen athletic program.
2017-18 (Spring 2018)	El Camino: PLOs (HSA) - Recreation	PLO #1 Leadership	Students will demonstrate an understanding of recreation and leadership skills.
2017-18 (Fall 2017)	El Camino: PLOs (HSA) - Kinesiology Athletics	PLO #3 Skill Development	Students will demonstrate the acquisition of skill and tactical knowledge to perform appropriately in relation to their position and their chosen athletic program.
2017-18 (Fall 2017)	El Camino: PLOs (HSA) - Nursing	PLO #5 Teamwork and Collaboration	The student will utilize teamwork and collaboration while providing quality care to individuals and families.
2017-18 (Fall 2017)	El Camino: PLOs (HSA) - Respiratory Care	PLO #1 State Licensing Exam	Graduates will be able to pass the state license exam to practice respiratory care with 6 months of graduation from the program a least an 80% success rate.
2017-18 (Fall 2017)	El Camino: PLOs (HSA) - Respiratory Care	PLO #2 Respiratory Care Procedures	Graduates will be able to perform the respiratory care procedures required of a graduate respiratory therapist working in an acute care health care setting.
2017-18 (Fall 2017)	El Camino: PLOs (HSA) - Respiratory Care	PLO #3 Caring and Competent Care	Graduates will demonstrate the attitude needed to practice caring competent respiratory care.
2016-17 (Summer 2017)	El Camino: PLOs (HSA) - Respiratory Care	PLO #4 Demonstrating and Comparing Competencies	During classes, students will demonstrate and explain appropriate respiratory care competencies such as monitoring and managing patients receiving prolonged artificial ventilation, pulmonary rehabilitation, life support procedures, bronchial hygiene and oxygen therapy.
2016-17 (Spring 2017)	El Camino: PLOs (HSA) - Adapted PE	PLO #3 Benefits of Exercise	Students will describe the benefits of exercise relative to each component of fitness.
2016-17 (Spring 2017)	El Camino: PLOs (HSA) - Kinesiology	PLO #3 Skill Development	Students will demonstrate improved specific skills related to their sport or activity.
2016-17 (Spring 2017)	El Camino: PLOs (HSA) - Kinesiology Athletics	PLO #2 Warrior Scholar Athlete	Student-athletes will demonstrate and assess academic and athletic achievement through sound practices, guidance, testing and efficient educational planning. The importance of incorporating improvement in athletic skills and academic performance together is utilized to achieve optimal student-athlete goals.
2016-17 (Spring 2017)	El Camino: PLOs (HSA) - Recreation	PLO#2 Foundations of Recreation	Students will acquire historical, philosophical, and theoretical foundations of recreation.
2016-17 (Spring 2017)	El Camino: PLOs (HSA) - Sign Language Interpreter Training	PLO #2 Ethics	Upon completion of this program students will demonstrate critical thinking and appropriate ethical responses required by the Professional Code of Conduct for this field.
2016-17 (Fall 2016)	El Camino: PLOs (HSA) - Nursing	PLO #4 Health Education	The student will implement health education to promote and facilitate informed decision making, achieve positive outcomes, and support self-care activities.
2016-17 (Fall 2016)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #3 Communication and Problem Solving	Radiologic Technology Program graduates will be able to demonstrate effective communication, critical thinking and problem solving skills.
2016-17 (Fall 2016)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #4 JRCERT	The Radiologic Technology Program will evaluate and assess the following on an annual basis as required by JRCERT accreditation: a. Graduates will pass certification and/or licensing examination b. Graduates will maintain a high level of program completion/retention rates. c. Graduates will report a overall satisfaction with the program d. Employer will report overall satisfaction with the graduates' competency and job performance. e. Graduates will obtain employment in radiologic technology. f. Students will maintain a high level of success and completion for each course
2015-16 (Spring 2016)	El Camino: PLOs (HSA) - Adapted PE	PLO #2 Proper Strategies	Students will identify proper exercises and training strategies to enhance fitness and safety.
2015-16 (Spring 2016)	El Camino: PLOs (HSA) - Kinesiology	PLO #2 Critical Thinking	Students will apply the knowledge and skills in the field of kinesiology to think critically in examining issues and solving problems associated with their chosen sub discipline
2015-16 (Spring 2016)	El Camino: PLOs (HSA) - Kinesiology Athletics	PLO #1 Sportsmanship, Decorum and Rules	Students-athletes will demonstrate awareness and implement a thorough understanding of campus, state and national intercollegiate athletic playing rules, values and decorum standards.
2015-16 (Spring 2016)	El Camino: PLOs (HSA) - Nursing	PLO #3 Evidence-Based Nursing Process	The student will utilize the nursing process to provide patient centered nursing care, integrating evidence-based practice to address the unmet basic needs for a diverse population of patients in a variety of health care settings.
2015-16 (Spring 2016)	El Camino: PLOs (HSA) - Recreation	PLO#3 Camp Settings	Students will apply administrative, leadership, planning, supervisory, and counseling skills in commercial, municipal, and camp settings.
2015-16 (Fall 2015)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #2 Applying Safety Principles	Radiologic Technology Program graduates will be able to perform medical imaging procedures in an ethical and caring manner and apply radiation safety principles on patients, self and others.

2015-16 (Fall 2015)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #4 JRCERT	The Radiologic Technology Program will evaluate and assess the following on an annual basis as required by JRCERT accreditation: a. Graduates will pass certification and/or licensing examination b. Graduates will maintain a high level of program completion/retention rates. c. Graduates will report a overall satisfaction with the program d. Employer will report overall satisfaction with the graduates' competency and job performance. e. Graduates will obtain employment in radiologic technology. f. Students will maintain a high level of success and completion for each course
2014-15 (Spring 2015)	El Camino: PLOs (HSA) - Adapted PE	PLO #1 Fitness and Skill Development	Student in Adapted Physical Education courses will improve their fitness and/or skill development.
2014-15 (Spring 2015)	El Camino: PLOs (HSA) - Kinesiology	PLO #1 Fitness and Wellness	Students will demonstrate an understanding and appreciation of physical activities and their relationship to wellness and fitness.
2014-15 (Spring 2015)	El Camino: PLOs (HSA) - Nursing	PLO #2 Communication	The student will communicate effectively, accurately, and in a timely manner with patients, significant others and members of the health care team.
2014-15 (Spring 2015)	El Camino: PLOs (HSA) - Recreation	PLO #1 Leadership	Students will demonstrate an understanding of recreation and leadership skills.
2014-15 (Fall 2014)	El Camino: PLOs (HSA) - Nursing	PLO #1 Professional Practice	The student will adhere to standards of professional practice, is accountable for his/her actions and behaviors, and practice nursing within legal, ethical, and regulatory frameworks.
2014-15 (Fall 2014)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #1 Entry-Level Practitioners	Radiologic Technology Program graduates will be clinically competent to perform as an entry-level practitioners and produce diagnostic quality radiographic images.
2014-15 (Fall 2014)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #4 JRCERT	The Radiologic Technology Program will evaluate and assess the following on an annual basis as required by JRCERT accreditation: a. Graduates will pass certification and/or licensing examination b. Graduates will maintain a high level of program completion/retention rates. c. Graduates will report a overall satisfaction with the program d. Employer will report overall satisfaction with the graduates' competency and job performance. e. Graduates will obtain employment in radiologic technology. f. Students will maintain a high level of success and completion for each course
2014-15 (Fall 2014)	El Camino: PLOs (HSA) - Sign Language Interpreter Training	PLO #3 Employment	Students will develop the appropriate media to enhance employment opportunities in entry level sign language interpreting jobs.
2013-14 (Fall 2013)	El Camino: PLOs (HSA) - Radiologic Technology	PLO #4 JRCERT	The Radiologic Technology Program will evaluate and assess the following on an annual basis as required by JRCERT accreditation: a. Graduates will pass certification and/or licensing examination b. Graduates will maintain a high level of program completion/retention rates. c. Graduates will report a overall satisfaction with the program d. Employer will report overall satisfaction with the graduates' competency and job performance. e. Graduates will obtain employment in radiologic technology. f. Students will maintain a high level of success and completion for each course
