

Board Policy 2220

Committees of the Board

The Board may by action establish committees that it determines are necessary to assist the Board in its responsibilities. Any committee established by Board action shall comply with the requirements of the Brown Act and with these policies regarding open meetings.

Board committees that are composed solely of less than a quorum of members of the Board and do not have authority that may lawfully be exercised by the Board itself, are not required to comply with the Brown Act, or with these policies regarding open meetings.

Board committees have no authority or power to act on behalf of the Board. Findings or recommendations shall be reported to the Board for consideration.

The Board has established the Citizens' Bond Oversight Committee in accordance with the mandates outlined in Proposition 39.

The Board has also established a standing committee of the Board consisting of three members who will provide guidance to ensure the District values diversity, equity and inclusion across the institution.
