Graduation Requirements for Degrees and Certificates

The District grants the degrees of Associate in Arts and Associate in Science to those students who have completed the subject requirements for graduation and who have maintained a 2.0 grade point average in subjects attempted. Students must also complete the general education residency and competency requirements set forth in Title 5 regulations.

Students may be awarded Certificates of Achievement upon successful completion of a minimum of 16 or more semester units of degree-applicable coursework designed as a pattern of learning experiences to develop specific capabilities related to career or general education.

The Superintendent/President shall establish procedures to determine degree and certificate requirements that include appropriate involvement of the College Curriculum Committee. The procedures shall assure that graduation requirements are published in the College Catalog and included in other resources that are convenient for students.
