

Board Policy 2100

Board Elections

The term of office of each trustee shall be four years, commencing in December following the statewide general election in November. Elections shall be held every two years, in even numbered years. Terms of trustees are staggered so that, as nearly as practical, one half of the trustees shall be elected at each trustee election.

The Board of Trustees has provided for the election of trustees by trustee areas. A map of the trustee areas is posted on the District's website. A Board member residing in and registered to vote in the trustee area he/she seeks to represent shall be elected only by the registered voters of the same trustee areas.

The Superintendent/President shall submit recommendations to the Board regarding adjustments to be made to the boundaries of each trustee area, if any adjustment is necessary, after each decennial federal census. The Superintendent/President shall submit the recommendation in time for the Board to act as required by law.
