

Board Policy 4050

Articulation

The Superintendent/President or designee will assure appropriate articulation of the District's educational programs with four-year institutions and where appropriate, establish articulation with local area high schools and occupational centers to enable students to achieve a seamless transfer.

The procedure may support articulation with other institutions, including those that are not geographically proximate but whose partnerships are appropriate and advantageous for the District.

The procedures for implementing the policy will be developed in collegial consultation with the Academic Senate.
