

## **Board Policy 5200**

## **Student Health Services**

Student health services shall be provided in order to contribute to the educational aims of students by promoting physical and emotional well-being through health oriented programs and services. The scope of health programs and services, including proper confidentiality practices, shall be sufficiently broad to meet the health care needs of the student body. Title 5, Section 54708 specifies allowable expenses of student health fees.
