Advance Notice of Construction

Dear Resident/Business Owner:

This Notice is to inform you that starting Tuesday, September 5, 2017, the City’s Contractor, J.A. Salazar Construction and Supply Corp., will begin work on the Water Main Replacement project. Work will consist of replacing the existing water main, meters, service laterals and fire hydrants along Hawthorne Blvd, 242nd St and Crenshaw Blvd. The project limits for each roadway segment are:

- Hawthorne Blvd: 244th St to Newton St
- 242nd St: Newton St to Pacific Coast Hwy
- Crenshaw Blvd: Artesia Blvd to Redondo Beach Blvd

Construction will occur on weekdays from 9:00 a.m. to 3:00 p.m. for Hawthorne Blvd and Crenshaw Blvd. Construction will occur on weekdays from 8:00 a.m. to 4:00 p.m. for 242nd St. Certain Saturday work is required and will occur between 8:00 a.m. and 4:00 p.m. The project is anticipated to last through the end of 2017.

During the work vehicles will be restricted from parking in the construction area and vehicle access will be limited during working hours. Temporary No-Parking signs will be posted at least 72 hours in advance of the work. Please obey parking restrictions or your vehicle may be towed at your expense. If you need to use your vehicle during working hours, please park outside the construction area. At the end of each day, construction areas and driveways will be accessible.

In order to connect the new main to the existing system, temporary water shut-offs will be required during certain periods of construction. Affected residents will be notified at least 48 hours in advance of any shut-off.

Refuse and recycling collection schedules will not be disrupted.

Our goal is to minimize impacts and to complete the work as soon as possible. If you have any questions or need assistance during the project, please contact City project management staff listed below. We sincerely appreciate your cooperation and patience during this time as we work to make improvements in your neighborhood.
