Note: "360" represents 5 (months) times 4 (weeks) times 18 (hours per week as agreed in past calculations for both lecture and lab hours).

Section 12. Reduced Load

Such reduction in load for all such Faculty Members collectively shall not exceed one hundred percent (100%) per semester in addition to the reassigned time

provided by Section 11. Such load reduction granted pursuant to Section 11 and this Section shall not affect the Faculty Member's eligibility for sabbatical leave, summer school priority, or eligibility for other leaves as herein provided. The Faculty Member's benefits as provided in Article 17, Insurance Benefits, will be maintained. The Federation shall, for any such reduction in load pursuant to this Section, reimburse the District at the cost to the District of the replacement for the Faculty Member at the Part-Time Faculty Member's stipend rate, the overload rate or the rate of replacement, whichever is applicable.

Section 3. Limitations

The following political activities shall, however, be prohibited, although nothing herein shall be construed to limit the discussion and study of politics and political issues when such discussion and study are appropriate to a specific course of instruction:

(b) Posting of political circulars or petitions on District premises, except on College bulletin boards set aside for that purpose; the use of District mail and/or email service for the

ARTICLE 6 - CLASSIFICATION OF FACULTY MEMBERS

The District shall classify each Faculty Member covered by the terms of this Agreement as Contract, Regular, Part-Time Temporary, or Full-Time Temporary. Such classification shall be determined by the District according to the provisions of this Article.

Section 1. Contract (Probationary)

(a) Except as otherwise provided in Section 4 of this Article, a Faculty Member who is employed by the District as an Instructor for more than sixty-seven percent (67%) of the full-time teaching load per semester, as defined in Appendix B, during the first four (4) years of such service with the District shall be classified as contract (probationary). A Part-Time Faculty Member exceeding sixty-seven percent (67%) of a full-time teaching load as a result of serving in a substitute capacity shall be placed on the full-time salary schedule if the substitute service is more than eight (8) consecutive weeks during the semester.

(b) Except as otherwise provided in Section 5 of this Article, a Faculty Member who is employed by the District as a Registered Nurse, Nurse Practitioner, a Physician's Assistant, a Counselor, an Athletic Coach, a Disabilities Specialist, a Faculty Coordinator or a Librarian, and is required to serve an academic or fiscal year, as the case may be, shall be classified as contract (probationary) during the first four (4) years of such service with the District.

Section 2. Regular (Permanent)

(a) Except as otherwise provided in Section 4 of this Article, a Faculty Member who has served as a contract Faculty Member for four (4) consecutive years and who is employed by the District in the subsequent and following years, shall be classified as regular (permanent). A Faculty Member may be classified as regular at sixty-seven percent (67%) or more of a full load.

(b) No Faculty Member shall gain permanent status on any assignment or employment by the District which is in addition to a full-time regular assignment and such additional assignment or employment may be terminated by the District at any time.

(c) Nothing within this Article shall be construed as permitting a Faculty Member to acquire regular classification with respect to winter or summer school assignment nor shall such assignment be included in computing the service required as a prerequisite to, attainment of, or eligibility for classification as a contract or regular Faculty Member of the District.

(d) No Faculty Member shall hold regular status with the District while holding regular status in another district. Full-time employment with the District is the Faculty Member's primary employment obligation.

Section 3. Suspension, Dismissal, and Layoff

Any action by the District to suspend, dismiss, layoff, or reduce the load of a Faculty Member employed pursuant to Section 1 or 2 of this Article shall be governed by the applicable State law respecting such action. Should there be a conflict between the applicable State law pertaining to certificated reduction in force and this subsection, the applicable State law will prevail. If the applicable State law changes during the term of this Agreement, the District and the Federation will discuss the impact of such changes.

(a) Faculty Service Areas

(1) Faculty Service Areas (FSAs) will become operative only in the event of a layoff. A Faculty Service Area is defined as a service or instructional subject area or group of related service or instructional areas performed by or taught by faculty.

(2) For purposes of this Section, a Faculty Member will be considered competent to render a service (defined as teaching, counseling, nursing, coaching, or service as a disabilities specialist, librarian or coordinator) if he or she is competent in one or more FSAs.

(3) Except as provided in subsection (a)(4), a Faculty Member will be deemed qualified and competent in a Faculty Service Area if the Faculty Member either:

- (i) holds a valid teaching credential in that discipline, OR
- (ii) meets state minimum qualifications in the discipline, except for biological sciences where the local qualifications will be used, OR
- (iii) has been granted an equivalency in the discipline in accordance with procedures established by the equivalency policy and adopted by the Board of Trustees.

(4) In the following FSAs (office technologies, computer information systems, studio art, commercial art, dance, drama/theater arts, instrumental music, vocal music, learning skills) specialized skills are required. Verification of such skills will be done by a committee consisting of the Dean of the Division or designee, Federation designee from

outside the discipline and two (2) tenured Faculty Members selected by Faculty Members in the discipline with three of the four Faculty Members agreeing that the requisite skills have been demonstrated. Demonstration of skills may be by documented work experience or portfolio or performance. If a sufficient number of tenured Faculty Members are not available, the Federation and District will jointly select alternate Faculty Members.

(5) Each Faculty Member will be assigned one or more FSAs at the time of initial hire.

(6) A Faculty Member, including those in their first year of employment, may apply for additional FSAs if they meet the qualifications and competency requirements. All applications for additional FSA(s) will be made to Human Resources by January 15 of each year and a determination will be made prior to April 1 of that year. The record of assigned FSAs will be maintained in the Faculty Member's personnel file.

(7) Faculty Service Areas which will be utilized as described above are set forth in Appendix G of this Agreement. A modification of Appendix G may be made between the President of the Federation and the President of the College.

(8) Any dispute regarding assignment or denial of a FSA shall be processed pursuant to Article 22 of this Agreement.

(b) Reduction In Force Procedure

Should a situation arise which could result in a layoff of Faculty Members, the District shall provide the Federation with a written statement of the basis for the decision with supporting data and projected reductions that may be needed. Upon the request of either party, the District and the Federation shall meet promptly to discuss the impact of such action and any possible alternative courses of action. In the case of a reduction in force, the District shall notify the Federation in writing of the names of all Faculty Members to be laid off. This notice shall be given simultaneously with notification to the affected Faculty Members. This procedure shall also include all notifications of re-employment following a layoff.

(c) Application Of Seniority

The District shall furnish the Federation with an updated seniority list of regular and contract Faculty Members by the fourth week of each fall semester. Consistent with applicable state law, seniority shall commence on the first day on which the Faculty

Member renders paid service in a contract position. The seniority of Faculty Members with the same hire date will be determined by lot.

(d) Pre-Condition To Layoff

Prior to any regular Faculty Member being laid off or having his/her load involuntarily reduced, the following must occur:

- (1) Non-retention of Part-Time Temporary and Full-Time Temporary Faculty Members rendering the particular service(s) in question.
- (2) Non-retention of contract Faculty Members rendering the particular service(s) in question.

(e) Re-Employment Rights

- (1) Re-employment of Faculty Members on layoff status will be administered by the College in accordance with the then-applicable provisions of the Education Code.
- (2) Faculty Members on layoff who wish to be re-employed shall keep Human Resources apprised in writing of their current mailing addresses and telephone numbers, and of any changes in their qualifications.
- (3) When actual vacancies occur in any Faculty Service Area, the District shall notify, in seniority order, the laid-off Faculty Member(s) in such Faculty Service Area. This notice shall be sent by certified mail to the Faculty Member's current mailing address on file with Human Resources forty-five (45) days before the contemplated first day of re-employment of the Faculty Member or immediately upon the District learning of such vacancy if within forty-five (45) days of the course/assignment beginning date. The notified Faculty member shall notify the District in writing of his/her acceptance or rejection within ten (10) days of mailing by the District. Failure to do so shall mean the Faculty Member has waived his/her reappointment right to the vacancy stated in the notice from the District. Such Faculty Member shall retain the Faculty Member's seniority position on that Faculty Service Area list for the period of time provided by the Education Code.
- (4) As to any Faculty Member who is re-employed, the period of absence shall be treated as a leave of absence and shall not be considered as a break in the continuity of service, and such Faculty Member shall retain all rights to contract or regular status, as the case may be, in accordance with the applicable provision of the Education Code, including

the requirement of four (4) years' active service for eligibility to move from a contract position to a regular position.

(5) All partially or completely laid-off Faculty Members, upon any partial reinstatement, shall be paid the pro-rata salary equivalent to their step and column placement on the permanent salary schedule at the time of their layoff.

(f) Retraining Program

(1) Upon the initial notification of the intent to lay off any regular Faculty Member, the District shall specify no less than three (3) Faculty Service Areas in which retraining may take place. Within six (6) months of the initial notification of the intent to lay off any regular Faculty Member, the Faculty Member may submit a written application for participation, specifying the course work and the institution to provide the retraining in one of the three (3) Faculty Service Areas specified by the District.

(2) The District shall reimburse the Faculty Members for all reasonable and documented costs up to a maximum of Seven Thousand Two Hundred Dollars (\$7,200.00) per year for tuition, fees, books, transportation, and other course materials for participation in approved programs for a period not to exceed twenty-four (24) months following the effective date of layoff. Reimbursement shall be processed based on evidence of successful completion of each term's course work.

(3) A Faculty Member who completes any program that qualifies the Faculty Member for any discipline other than the one from which the Faculty Member was laid off has the responsibility to inform the Office of Human Resources in writing at the completion of such program. A Faculty Member who is deemed to have qualified for teaching in such other discipline shall be granted an interview in that discipline whenever a selection for new hire is being made in that discipline. An interview will be granted within the first thirty-nine (39) months following the effective date of layoff. The District is not required by the terms of this Agreement to rehire any Faculty Member in a new discipline for which the Faculty Member was retrained under the provisions of this program.

(g) Continuation Of Insurance Benefits

(1) A laid off Faculty Member shall be eligible for continuation of insurance benefits in effect immediately prior to the date that the Faculty Member is notified of layoff. The insurance benefits which may be continued are the medical, dental, and vision plans.

These plans will continue to be paid by the District for a period of three (3) months after the effective date of layoff for Faculty Members with less than five (5) years' service, six (6) months for Faculty Members with five years' service, but less than ten (10) years of service, and nine (9) months for Faculty Members with ten (10) or more years of service. During the continuation period, the Faculty Member will be required to continue any self-payment the Faculty Member was making prior to layoff. As soon as the Faculty Member becomes eligible for medical insurance benefits through another employer, the District's obligation to maintain the insurance benefits terminates. In the event that a laid-off Faculty Member dies during the continuation period, the District shall continue the dependent insurance benefits for the qualified beneficiaries of the Faculty Member for the balance of the continuation period.

(2) At the conclusions of the continuation period, the Faculty Member will be given the opportunity to continue the benefits pursuant to COBRA. The District will attempt to obtain the consent of each insurance carrier to extend such COBRA self-pay provisions for the entire period of time that the Faculty Member has reemployment rights.

(h) Severance Grant

The District will provide each laid-off Faculty Member with a severance grant which shall be paid within thirty (30) days following the effective date of layoff. The amount of the severance grant will be based on the following schedule:

Less than five (5) years of service	\$5,000
Five (5) years, but less than ten (10) years of service	\$6,000
Ten (10) years or more of service	\$7,000

Section 4. Part-Time Temporary

A Faculty Member may be employed by the District as an Instructor for sixty-seven percent (67%) or less of a full-time teaching load, as defined in Appendix B, and shall be classified as Part-Time Temporary. Such Faculty Member shall not become a contract (probationary) or regular (permanent) employee of the District while so employed, and may be assigned or not assigned such course, or courses, from semester to semester as the District may determine. Program needs and past successful experience in the District will be among the

factors considered in determining class assignments for Part-Time Faculty Members. Such determinations are not grievable.

Part-time faculty should be considered to be an integral part of their departments and are encouraged to participate in department and college activities and, at the discretion of the District, afforded utilization of supplies, equipment and professional development activities.

Section 5. Full-Time Temporary

(a) Regular Full-time Temporary

A Faculty Member who is employed and assigned more than sixty-seven percent (67%) of a full-time load as a Faculty Member during a particular semester shall be classified as a Full-Time Temporary during that semester. If such a Faculty Member is employed by the District beyond two (2) semesters within any period of three (3) consecutive years, such Faculty Member shall be reclassified as contract (probationary) under the provisions of Section 1 of this Article and the previous two (2) semester's employment as a Full-Time Temporary Faculty Member shall be deemed one (1) year's employment as a contract (probationary) Faculty Member for the purposes of acquiring permanent status as provided in Section 2 of this Article, except those full-time temporary faculty hired pursuant to Section 5(b) of this Article.

(b) Categorically Funded Full-Time Temporary Faculty (Non-Tenure)

In accordance with the provisions of California Education Code 87470, which is incorporated herein by reference, full-time temporary faculty employed under contract in categorically funded projects are not subject to the provisions of Section 5(a) of this Article and shall not become contract (probationary) Faculty members nor obtain permanent status at the conclusion of the funding period. However, at the close of the funding period, if a determination is made that the position is to become permanent, the provisions of Article 4, Section 5 (Faculty Selection) and Appendix —M-1 (Tenure Track Faculty Hiring Procedures) shall be invoked.

Section 6. Notice Of Employment

(a) The District shall determine the classification of each Faculty Member at the time of employment and thereafter during each subsequent spring semester. At the time of initial employment, each new Faculty Member shall receive a written statement indicating the classification and the salary to be paid.

(b) Any Faculty Member not classified as regular (permanent) who fails to signify acceptance within forty-five (45) consecutive calendar days after notice of election or employment has been given or mailed to that Faculty Member, in accordance with Education Code provisions, shall be deemed to have declined the employment, and service with the District may be terminated.

(c) If, without good cause, a regular (permanent) Faculty Member fails to notify the District of his/her intent to remain in the service of the District by June 30 of any year, and if a notice of employment has been personally served or mailed to that Faculty Member in accordance with Education Code provisions prior to May 30, such Faculty Member shall be deemed to have declined employment, and service with the District may be terminated on June 30 of that year.

Section 7. Notification

If the District initiates written notice of suspension, dismissal, or layoff proceedings respecting any regular Faculty Member, as provided in Section 3 of this Article, it shall notify the Federation of such action within five (5) working days, unless the Faculty Member has advised the District in writing of objections to such notification.

Section 8. Voluntary Transfer

A Faculty Member may apply for a vacant full-time position in a discipline other than the discipline in which the Faculty Member was originally hired. Any such request will be processed in accordance with the adopted Hiring Procedures. In the event that the Faculty Member is selected for such a position, his or her salary will be set in accordance with the established salary schedule and criteria.

Section 9. Involuntary Transfer

(a) In the event a Faculty Member is transferred involuntarily (in lieu of layoff or due to program cutbacks in the Faculty Member's discipline) and the transfer results in a change from the Vocational Salary Schedule to the Academic Salary Schedule, the Faculty Member will retain his or her salary for one year. At the end of that year, the Faculty Member's salary will be stepped down to the Academic Salary Schedule over a two-year period, fifty percent (50%) each year. The affected Faculty Member would have the option to return to a position for which

he/she qualifies which is on the Vocational Salary Schedule should such a position become available.

(b) If the District transfers a Faculty Member from a primary teaching assignment (fifty percent (50%) or more) in one discipline to another, it shall notify the Federation of such action at least five (5) working days prior to such transfer.

Section 10. Teaching Part-Time In Another Discipline

A Faculty Member may apply for a vacant part-time position in a discipline other than the discipline in which the Faculty Member was originally hired. Any such request will be processed in accordance with the established part-time hiring procedures. If selected, the Faculty Member's assignment will be treated as a part of the Faculty Member's load or overload.

ARTICLE 7 - CALENDAR

Section 1. Calendar

During the fall semester of each school year, the District shall establish a calendar committee which shall be comprised of a representative or representatives of various campus organizations. A majority of the members of this committee shall be appointed by the President. The Federation shall be entitled to appoint two (2) voting members as its representatives on the committee. The Academic Senate shall be entitled to appoint two (2) members as its representatives on the committee. Calendar changes that impact working conditions will be subject to negotiations.

Section 2. Committee Recommendations

The calendar committee shall make recommendations for a school year in compliance with the Education Code. The calendar shall include an academic year consisting of fall and spring semesters, summer and winter sessions, and other academic sessions as may be developed in the future. It is understood that the District has the option to not offer or modify the length of winter or summer sessions commencing with summer session 2012.

It is understood that the District may add an additional unscheduled day or days to the calendar in the event that any day or days are “lost” due to uncontrollable circumstances. The recommended calendar shall include the stipulated holidays as provided by Article 15.

ARTICLE 8 - HOURS AND WORKING CONDITIONS

Section 1. Days of Service In An Academic Year

Faculty Members who are employed on an academic year basis shall be required to perform professional services for the District each academic year for 175 days. The assignment of the days of service for each academic year of the District shall be determined by the school calendar adopted by the District.

Section 2. Weekly Hours Of Service - Instructors

Instructors are employed for a basic work week of forty (40) hours to be comprised of (1) lecture hours or their equivalent as set forth in Section 5 of this Article; (2) office hours as set forth in Section 3 of this Article; (3) unscheduled teaching-related hours; (4) scheduled department/division meetings; (5) college meetings where attendance for all Full-Time Faculty Members is mandatory except when the Faculty Member receives prior approval from the Dean to be absent from the scheduled meeting; and (6) other professional responsibilities to the Faculty Member's discipline and to the institution. Each Instructor shall have office or otherwise scheduled on campus hours of a minimum of two (2) hours per day, four (4) days per week, Monday through Friday. If, however, an Instructor is assigned Saturday classes as part of a normal teaching load, that Instructor shall be entitled to at least one (1) day free of assignment during the Monday through Friday school week. Each Instructor is responsible for holding all scheduled class meetings and office hours through the term.

As to District-wide committees whose members represent a particular Division (e.g. Academic Senate, Curriculum Committee, etc.) each Division shall determine a mechanism for nominating and selecting faculty on an equitable basis to fill all such committee positions, which mechanism must be consistent with the rules for nomination/selection of the particular committee. In the event the selected mechanism fails to produce a nominee or assignee, the dean and the senior representative of the Academic Senate from the Division shall select the nominee(s) and/or assignee(s).

Section 3. Instructor Office Hours

Office hours are to be scheduled to meet the needs of students and the needs of the educational program of the College.

(a) Each Full-Time Instructor shall maintain an office time schedule of at least three (3) hours per week on campus, or at a designated workplace that is mutually agreeable to the Faculty Member and his/her Dean, for the purpose of consulting with students. One (1) office hour each week shall be scheduled for each twenty percent (20%) of lecture load, or major portion thereof, to a maximum requirement of five (5) office hours per week.

(b) Office hours in support of online lecture courses may be held in the Faculty Member's office, online, or a location mutually agreed to by the Faculty Member and their Dean. Full-Time Faculty Members will be encouraged to hold at least one (1) office hour online.

(c) Faculty Members with an office hour obligation greater than three (3) hours per week must hold those office hours on no fewer than three (3) days per week.

(d) Each scheduled period of office time shall be no less than thirty (30) minutes in duration. At the beginning of each semester, the Instructor shall prepare and submit a proposed schedule of office hours to the Dean of the division for approval. Such approval shall not be unreasonably withheld. The Dean will maintain a list of the approved office hours scheduled in the division, and the Instructor shall post the approved office hours on the Instructor's office door.

(e) A Dean and an Instructor may agree to substitute additional laboratory hours, learning center hours, or other approved activity hours in lieu of office hours and such hours shall not be credited to the Instructor's teaching load.

(f) For winter or summer session assignments, all Instructors (full time and part time) who have an assignment of ten (10) or more hours per week (six or eight week session), or twelve (12) or more hours per week (five or seven week session), will maintain two (2) office hours per week. Instructors with a load of less than these hourly limits will maintain one (1) office hour each week. For each Distance Education course taught during the winter or summer session, the Instructor will maintain one (1) scheduled office hour, exclusive of class meetings and examinations.

Section 4. Instructional Objectives

In the interest of continuing to provide quality education, this Agreement contemplates an instructional program which will be designed to achieve an average weekly student contact per Full-Time Instructor equivalent at the first census count each semester of 596 hours for a 16 week term. The program design anticipates the implementation of innovative approaches to instruction, such as open laboratories, individualized instruction, team teaching, differentiated class sizes, and the use of support personnel to assist Faculty Members engaged in special programs. It also entails experimental classes devised by the Division Load Committees established pursuant to Section 7 of this Article. Division Load Committees shall study the effects of class size variations upon educational effectiveness and include such analysis in a Committee report to the Division faculty.

Section 5. Instructor Teaching Load

The normal teaching load for full-time Instructors will be calculated on a full-load equivalency, (based on the El Camino College traditional eighteen week semester) which shall be fifteen (15) lecture hours or twenty (20) laboratory hours, subject to an allowable deviation as set forth in detail in the Teaching Load Policy, Appendix B of this Agreement. The laboratory hour load for physical education activities shall be twenty-two (22) laboratory hours; however, physical education major's courses and intercollegiate athletic courses shall carry a laboratory load of twenty (20) hours. The Division Load Committee established pursuant to Section 7 of this Article may increase the laboratory load for any laboratory load of twenty-two (22) hours, subject to an allowable deviation as set forth in detail in the Teaching Load Policy, Appendix B of this Agreement.

Section 6. College Load Review Committee

The College Load Review Committee shall be composed of the Vice President - Academic Affairs, who is designated as chairperson of the Committee, the Vice President - Administrative Services, or a person designated by the Vice President - Administrative Services, a Dean of Instruction appointed by the President of the College, and three (3) Faculty Members, each from a different division not represented by a Dean of Instruction appointed to the

Committee, appointed by the President of the Federation. The Committee members shall serve for the term of this Agreement. This Committee shall be responsible for:

- (a) Monitoring the Teaching Load Policy set forth in Appendix B of this Agreement;
- (b) Making recommendations to the District and the Federation for amending such policy;
- (c) Approving or disapproving, after review, of requests for innovative instructional practices, including those which would assist in the attainment of the instruction objectives set forth in Section 4 of this Article;
- (d) Setting such average weekly student contact hours (WSCH) per full-time equivalent objectives for each instructional division as are deemed necessary to attain the objectives set forth in Section 4 of this Article. In the event the Committee is unable to set such objectives, by majority vote, the Vice President - Academic Affairs will set such divisional objectives, provided that the Vice President - Academic Affairs does not take such action more than thirty (30) days prior to the establishment of the class schedule.

Section 7. Division Load Committee

(a) Within each instructional division, a Division Load Committee shall be established, composed of the Dean of the Division, who is designated as chairperson, and three (3) Faculty Members, one (1) appointed by the Dean and two (2) elected by the Faculty Members of the Division. The election shall be conducted by the Federation representative of the Division. The Division Faculty may recommend in plenary session (Division Meeting) any variation of numbers or means of attaining membership that will ensure effective representation on the Committee. The Division Dean must approve any recommended variation.

(b) Each Division Load Committee will recommend class sizes for all classes and may adjust laboratory course loads for any laboratory classes within the division and within the parameters set forth in Section 6 of this Article, subject to the review of the College Load Review Committee.

(c) Each Division Load Committee will examine any cases within its jurisdiction involving Instructors who teach a class in which, during each meeting: (i) two or more courses are taught by the same Instructor, and (ii) for each course substantially different subject matter is presented which requires separate preparations. The Division Load Committee may recommend

additional load credit in these instances beyond the load credit previously allowed. Such an action by the Division Load Committee is subject to the approval of the College Load Review Committee. The District will notify the Federation of decisions made by the College Load Review Committee in these cases.

(d) The Division Load Committee will otherwise plan the instructional program of the division in such a manner that it may achieve the average WSCH divisional objective established by the College Load Review Committee. In the event the Committee is unable by a majority vote to agree on the plan to reach the division objective, the Dean will devise such a plan, provided that the Dean will not take such action more than fifteen (15) days prior to the establishment of a semester's class schedule. The Division plan will be forwarded to the Vice President - Academic Affairs. If the Vice President - Academic Affairs determines that a plan is unlikely to achieve the division objective, the College Load Review Committee will be convened to revise the plan.

(e) The College Load Committee shall meet at least once each year and shall set a minimum number of meetings and the deadlines for such meetings for the Division Load Committees.

Section 8. Teaching Schedules

The schedule of classes for each semester shall be planned to accommodate the needs of students and to utilize classroom facilities efficiently. Before teaching schedules are assigned, each Instructor shall be provided an opportunity to present in writing the Instructor's schedule preferences with regard to courses to be taught, day and evening classes (minimization of time period between the Instructor's first and last class each day and maximization of the time period between the end of the Instructor's last class one day and the beginning of the Instructor's first class the following day), off-campus classes, number of different course preparations, maximum consecutive hours of lecture/laboratory hours, the desire for overload, and room preferences. The Dean shall take under consideration the Instructor's preferences in making class assignments and shall not arbitrarily disregard such preferences. An Instructor shall not be assigned an overload without the Instructor's consent, except as required by the balancing provisions of the Teaching Load, Appendix B. An Instructor shall not be assigned Saturday classes or an assignment for substitute teaching without the Instructor's consent unless there is no other

qualified Faculty Member available for such assignment. If an Instructor must be assigned, without the Instructor's consent, to Saturday classes, the Instructor shall not be assigned duties on Mondays, provided the Instructor is not teaching a voluntary overload assignment. Those Faculty Members whose loads are split between two or more Divisions shall not arbitrarily have the ratio of their load changed. The Dean or Deans shall take into consideration the Faculty Member's preference in establishing loads and shall not arbitrarily disregard such preferences. There shall be no transfer of Faculty Members from one Division to another without prior consultation with the Faculty Member.

Section 9. Classroom And Worksite Management

All instructors shall submit copies of their course syllabi, preferably in electronic format, to their respective Division Offices before the end of the second week of instruction.

The District shall not, without reasonable cause, preempt the authority of the Faculty Member:

- (a) to determine methods of assessing student performance;
- (b) to assign grades to students;
- (c) to drop students from the class for excessive absences;
- (d) to recommend expulsion of students for reasonable cause in accordance with Board Policy;
- (e) to utilize appropriate student assignments;
- (f) to utilize appropriate instructional materials, techniques, and aides;
- (g) in the case of an Instructor, to remove a student from his or her class for the day of the removal and the next class meeting, pursuant to Board Policy and Education Code Section 76032.
- (h) in the case of a non-Instructional Faculty Member, to remove a student from his or her worksite for the day of the removal and the next school day, pursuant to principles of good management, safety and security.
- (i) to give verbal or written notice to a student that continuation or repetition of specific conduct which is in violation of Board Policy may be cause for disciplinary action. In addition, any Faculty Member may make the following recommendations for disciplinary action to the Dean in his/her Division:

- (1) Formal written reprimand
- (2) Restitution
- (3) Disciplinary probation
- (4) Suspension.

Nothing in this Section shall preclude evaluation panels from reviewing the above items in evaluating the Faculty Member's performance.

Section 10. Athletic Coaches Reassignment

A Full-Time Faculty Member who has an athletic coaching assignment may request to be released from such assignment. Such request shall be submitted in writing to the Dean of Health Science and Athletics who shall promptly forward the request with a recommendation to the Vice President - Academic Affairs, who shall meet with the Vice President - Student Services, the Dean, and the Athletic Coach requesting such release. Upon review of all the circumstances, the Vice President - Academic Affairs, shall grant or deny the request in writing. A Faculty Member initially employed after July 1, 1990, with a partial or full coaching assignment who requests release from his/her coaching assignment and such request is granted by the District will be guaranteed a minimum load of seventy percent (70%) per semester. After a minimum of twelve (12) consecutive years in the coaching assignment, the Faculty Member who requests and is granted a release from his/her coaching assignment will be guaranteed a full load so long as such full load will not cause the layoff of another Full-Time Faculty Member.

Section 11. Voluntary Assignments

Assignments to student-teaching supervision and teaching students enrolled in independent study programs are voluntary.

Section 12. Offices

Each Full-Time Faculty Member shall be provided with an office area equipped with a desk, two (2) chairs, filing cabinet, book shelves, and a phone with a personal extension. The District will use its best efforts to provide each Full-Time Faculty Member with reasonable access to a computer printer. This office area may be shared with one (1) or more Full or Part-Time Faculty Member(s) as determined by the Dean or designee in consultation with the Faculty

Member. A Full-Time Faculty Member will not be required to share a desk with any other Faculty Member.

Section 13. Student Assistants

The District will allocate a total of five thousand (5,000) hours of student assistance each semester to be calculated at the Student Help I rate of pay. The amount allocated for student assistance shall be distributed to each division by the College Load Review Committee in accordance with instructional objectives as provided in Section 4, and to Instructors by the Division Load Committees in accordance with the division objectives as provided in Section 7.

Section 14. Part-Time Faculty Members

Sections 1, 2, 3 (except for winter or summer session teaching), 10, 12, and 19 of this Article shall not apply to Part-Time Faculty Members.

Section 15 Counselors

(a) Counselors shall be employed on a modified academic year basis of 175 days, basic service hours per week under an 18-week calendar shall be 40 hours per week. Each Counselor will formulate and maintain a schedule, subject to the approval of the appropriate Dean, consisting of a basic forty (40) hour work week of professional counseling services. The weekly schedule shall include twenty-six (26) hours of student contact a week consisting of one-on-one counseling, group counseling/workshops and classroom presentations and two (2) hours of on-campus, non-student contact a week. The Dean may require up to thirty (30) hours of student contact a week, during periods of peak registration, not to exceed four (4) weeks per fiscal year. Each Counselor will spend no less than thirty-two (32) hours per week on campus (or at the location where a counselor's work is scheduled) fulfilling contractual requirements for scheduled and unscheduled time. Twenty-eight (28) hours of the thirty-two (32) hours must be scheduled on a weekly basis.

(b) Counselors are entitled to all professional privileges afforded to teaching faculty, such as professional development activities. Counselors will have up to forty (40) hours per academic year to be used for conferences, workshops (on or off campus), or other professional development, excluding campus committees. Any hours in excess of the forty (40) which are

approved for conferences, workshops, etc., will require the counselor to establish additional student contact hours on an hour-for-hour basis. These hours shall be rescheduled within thirty (30) days from the hours missed.

(c) A Counselor who is also assigned a teaching load during the academic year shall have the option to count the teaching load as overload up to 13.34 percent, or to be governed by the provisions of this Article for such period in the proportion that the Counselor's teaching assignment bears to the normal teaching load as defined in Section 5 of this Article. The balance of that percentage will be assigned as counseling duties as provided by this subsection.

(d) The academic year is comprised of 175 days of service. The District may schedule no more than twenty (20) of the 175 days of service prior to and contiguous with the beginning of the fall and/or spring semesters. The modified academic year schedule will be communicated to the affected Counselor by May 1 of the prior academic year. Each counselor will prepare a schedule of substitute days off during the academic year and shall discuss the proposed schedule with the Dean who will approve the schedule if it meets the needs of the District. If not approved, the Dean and the Counselor will develop an alternative acceptable schedule. The schedule of alternative days off shall be determined in writing prior to June 1, of each year, but may be changed by mutual agreement during the year.

(e) Counselors may work up to twenty-five (25) additional days outside the 175 scheduled days, six (6) hours of student contact, at the daily rate. (Article 10, Section 13(b).) Any time worked beyond the 25 additional days will be compensated at Rate I, Appendix D-3.

(f) During the academic year, a counselor may request up to six (6) additional student contact hours per week to be compensated at Rate I, Appendix D-3.

(g) A Counselor may request to be relieved of counseling duties and assigned as an Instructor. Such request shall be submitted in writing to the Dean of the Division who shall promptly forward the request with a recommendation to the appropriate Vice President who shall meet with the appropriate dean and the counselor requesting such assignment. Upon review of all the circumstances, the appropriate Vice President shall grant or deny the request in writing.

Section 16. Librarians

(a) Librarians will be employed on an academic year basis.

(b) The basic work week for Librarians is forty (40) hours, to be comprised of no more than thirty (30) regularly scheduled hours of professional library service. An additional ten (10) hours of professional library service or other non-student contact academic activities will be provided by the Librarian, as determined by the Director, Library Learning Resources and the Librarian. The basic work week under the 16 week compressed calendar shall be expanded by 12.5% (45 hours per week). Student contact hours within the week shall be increased proportionally, rounded down to the nearest half-hour. This will include thirty-three and a half (33.5) regular scheduled hours of professional library service. An additional eleven and a half (11.5) hours of professional library service or other non-student contact academic activities will be provided by the Librarian, as determined by the Director, Library Learning Resources and the Librarian.

(c) Librarians are entitled to all professional privileges afforded to teaching faculty, such as professional development activities.

(d) A Librarian who is assigned a classroom teaching load in addition to the 40-hour professional week during the academic year will be paid for the additional hours at the hourly rate as set forth in Article 10, Section 7(c).

(e) A Librarian may request to be relieved of librarian duties and assigned as an Instructor. Such request shall be submitted in writing to the Dean of the Division who shall promptly forward the request with a recommendation to the appropriate Vice President who shall meet with the appropriate Dean and the Librarian requesting such assignment. Upon review of all the circumstances, the appropriate Vice President shall grant or deny the request in writing.

Section 17. Coordinators

(a) Faculty Coordinators on the Fiscal Salary Schedule will be employed for a basic work week of forty (40) scheduled hours of professional services. The basic work week under the 16-week compressed calendar shall be expanded by 12.5% (45 hours per week) for those Faculty Coordinators hired on an academic year basis.

(b) Coordinators are entitled to all professional privileges afforded to teaching faculty, such as professional development activities.

Section 18. Registered Nurses, Nurse Practitioners, Physician Assistants and Clinical Psychologists

(a) Registered Nurses, Nurse Practitioners, Physician Assistants and Clinical Psychologists in Student Health Services will be employed on an academic year basis.

(b) Registered Nurses, Nurse Practitioners, Physician Assistants and Clinical Psychologists will be employed for a basic work week of forty (40) scheduled hours of professional services including case preparation, staff and committee meetings, and off-site visits for professional development. The basic work week under the 16 week compressed calendar shall be expanded by 12.5% (45 hours per week). Each Registered Nurse, Nurse Practitioner, Physician Assistant and Clinical Psychologist will formulate and maintain a schedule, subject to the approval of the appropriate Dean, consisting of a basic 45 hours per week to include 36 student contact hours, including case preparation, and 9 hours of staff and committee meetings, and off-site visits for professional development.

(c) Registered Nurses, Nurse Practitioners, Physician Assistants, and Clinical Psychologists are entitled to all professional privileges afforded to teaching faculty, such as professional development activities.

Section 19. Released/Reassigned Time

The Dean must approve, in advance, all released or reassigned time. Released or reassigned time must be served on campus or at the location specified in the grant or other program for which such time is released or reassigned. When calculating released and/or reassigned time, a 40-hour week base is used, and the contractual commitments are reduced by the percentage of the released or reassigned time. See examples for clarification.

Example One

If an Instructional Faculty member is released/reassigned on a 50% basis:

- (a) his/her released/reassigned commitment is 22.5 hours per week;
- (b) his/her teaching schedule is based upon a 50% load; and
- (c) his/her unscheduled time is the remainder of the 45-hour work week.

Example Two

If a Counselor is released on a 50% basis:

- (a) his or her released time commitment is 20 hours per week on campus;
- (b) his or her student obligation (in addition to any student contact time required by the released time arrangement) is 13 hours per week; and
- (c) his or her contractual non-student contact obligation is 1 hour per week on campus.

Section 20. Graduation

(a) The District and the Federation agree that it is desirable to have as many Faculty Members as possible attend and participate in graduation ceremonies each year. In order to provide a minimum attendance, the Academic Senate shall assign an alternate one-third (1/3) of the Faculty Members each year to participate in the graduation ceremonies. The contractual obligation of the non-participating two-thirds (2/3rds) of the Faculty Members shall be considered fulfilled upon completion of their examinations, office hours, and check-out procedures.

(b) To advance the goal stated in (a), the District and the Federation will encourage Part-Time Faculty Members to attend graduation and extend to them the same opportunity to secure robes and school colors as is extended to Full-time Faculty Members.

(c) In any year in which the total number of faculty in attendance at graduation ceremonies falls below 40% of the Full-Time Faculty Members, 40% of the Full-Time Faculty Members will be required to attend the following year's ceremonies.

(d) The additional faculty chosen to attend, beyond the required one-third (1/3), will be picked by a random drawing in the office of Academic Affairs with Federation representation present.

Section 21. Flex Time Credit

Each 10-month Full-Time Faculty Member shall be responsible for 24 hours of Professional Development and each 12-month Full-Time Faculty member shall be responsible for 9 hours of Professional Development.

(a) A total of four (4) days shall be identified for Faculty Development (Flex) on the academic calendar. A Flex day shall consist of six (6) hours.

(b) The first day of the fall semester shall be a Flex day, with six (6) hours of scheduled activities mandatory for all Full-Time Faculty Members. The morning of the first day of the spring semester shall be three (3) hours of scheduled Flex activities mandatory for all Full-Time Faculty Members. The additional fifteen (15) hours of required Flex activities will be required of all 10-month Faculty and may be completed with activities selected at the Faculty Member's discretion. (1) If a Faculty Member misses a mandatory Flex day, he/she shall be charged under the appropriate leave account in proportion to the missed flex time and may not make up the absence. For the purposes of this Article, six hours of flex time shall be equal to one day of absence. Any portion of the six hours missed shall be considered a partial absence and shall be charged accordingly. (2) If a Faculty Member does not complete any portion of the additional 15 hours of required flex activities by May 15, his/her pay shall be deducted for any of the flex hours not completed.

(c) Faculty Members on extended leave (e.g., sabbatical, study abroad, faculty exchange, catastrophic illness, etc.) shall have their twenty-four (24) hour Flex obligation proportionately reduced for that academic year.

(d) The Flex requirements shall apply equally to Full-Time Temporary Faculty Members, with the twenty-four (24) hour requirement pro-rated if the assignment is less than 100%.

Section 22. New Faculty Learning Academy

Faculty Members, newly hired to a full time tenure track position, may be required by their Dean to attend the New Faculty Learning Academy. The New Faculty Learning Academy will consist of up to four (4) two (2) hour sessions in the first fall semester of their employment. The District shall provide Flex Time credit, hour for hour, for all new Full-Time Faculty Members who attend.

Section 23. Safety

(a) The District shall provide work and workplaces that are safe and healthful. The District and employees will follow applicable job safety and health laws while conducting District business. The Federation will cooperate with the District in encouraging employees to maintain a safe and health work environment.

(b) The Federation shall have a designated representative on the District Safety & Health Committee.

ARTICLE 9 - WINTER AND SUMMER SESSION ASSIGNMENTS

Section 1. Procedure

Each academic year, during the first week of scheduled development for the winter session or summer session, the Deans of the instructional divisions will provide Faculty members who desire to teach, a tentative schedule and the opportunity to submit their requests for winter or summer session teaching assignments. The Deans of the instructional divisions will review these requests and will make tentative winter or summer session assignments to Faculty members in their divisions based on the priority position of Faculty members in accordance with Section 2 of this Article.

Section 2. Priorities

(a) Faculty Members shall have a preference in priority order in choosing among winter and summer session classes which are to be offered (which they are qualified to teach) and among the times the classes are offered.

(b) Each Dean shall determine, among those Faculty Members by department in the division who request a teaching assignment during the winter or summer session, those who are qualified by virtue of prior experience and training for such assignments. For ITV courses, preference will be given in priority order to Faculty Members who have taught ITV courses. For purposes of this Article, a Faculty Member will be considered a member of that department in which the Faculty Member teaches the majority of his/her teaching load, including overload, during the then-current academic year. No Faculty Member will earn priority in more than one (1) department; however, priority in one department does not preclude a teaching assignment in another department. For purposes of this Article, a list of departments will be developed and maintained by each division council.

(c) (1) WINTER SESSION: A list of Faculty Members by department in the order of their current year winter session priorities will be prepared and distributed to all the members of the division by each Dean within twenty (20) working days after the beginning of the spring semester.

(2) SUMMER SESSION: A list of Faculty Members by department in the order of their current year summer session priorities will be prepared and distributed to all the

members of the division by each Dean within twenty (20) working days after the beginning of the fall semester.

Any problems respecting the equitable application of departmental designation for winter or summer session priorities will be resolved by the concerned Dean and the President of the Federation, or designee, prior to June 1st for winter session and December 1st for summer session. The decision of the Dean and the Federation President, or designee, is final and binding and is not subject to the grievance procedure.

(d) Assignments to winter or summer session teaching will be made among those qualified according to the priorities designated in Section 4. If there are more qualified Faculty Members in any priority than there are positions available in that priority, the choice among the qualified Faculty Members in that priority will be based on the Faculty Member's length of service with the District. Where the length of service is equal, the selection will be determined by highest placement on the seniority list.

(e) If there are more positions in a given division available than there are qualified Full-Time Faculty Members who desire to teach, and if currently employed Part-Time Faculty Members in that division are qualified for those positions, those Part-Time Faculty Members who have been continuously employed for three (3) semesters or more shall have priority.

(f) The Dean may offer the assignment to any other qualified person if the position remains unfilled after the procedures of this Section have been complied with.

Section 3. Adjustments

(a) It is understood that the list of classes to be taught in the winter or summer session is a tentative list, that classes may be dropped or changed, and that changes in assignments must be made to accommodate those situations. It is also understood that most assignments will be full assignments as defined below in this section, but that some assignments will be partial either due to original planning or later adjustments. For the purposes of assignment distribution in the winter or summer session and establishing winter or summer session priority under Section 4 or Section 5 of this Article, a full teaching assignment equivalency shall be eighteen (18) hours per week. A partial teaching assignment of ten (10) or more hours per week for six or eight-week sessions or twelve (12) or more hours per week for five or seven week sessions shall count as a full assignment for the winter or summer it was incurred. A partial teaching assignment of

twelve (12) or more hours per week for five or seven-week sessions shall count as a full assignment for the winter or summer it was incurred. A partial teaching assignment of less than ten (10) hours per week for six or eight-week sessions, or less than twelve (12) hours per week for five or seven-week sessions, shall not be counted as a winter or summer assignment except when such assignment combined with a partial assignment for a previous winter or summer within a three (3) year period exceeds fourteen (14) or more hours per week. In such a case, the combined partial assignments totaling more than fourteen (14) or more hours per week shall be counted as a full session teaching assignment for the most recent session in which the Faculty Member has taught.

(b) Each division, by majority vote of the Full-Time Faculty Members in the division, will establish the rules that division will apply in the event that a Full-Time Faculty Member's winter or summer session class is canceled. Such rules will determine if a Faculty Member with a higher priority position may displace another Faculty Member with a lower priority position and the procedures that are to be followed if displacement is to be permitted. Any such decision by a division may be changed by vote of the division's faculty. If displacement is permitted, Part-Time Faculty Members will be displaced prior to Full-Time Faculty Members.

Section 4. Winter Session Priority Schedule

The following schedule is based on a consideration of winters eligible for assignment to winter session teaching and the number and sequence of winters taught (or otherwise employed by the District at a rate of compensation based on the regular salary schedule) during the past three winters. For Full-Time Faculty Members, eligibility for assignment to winter session teaching begins with the first winter following their initial service as contract Faculty Members. Leaves of absence shall have no effect on eligibility for winter session priority. All winter classes taught by a Faculty Member, regardless of the division in which such classes are offered, shall be counted in determining winter session priority.

Section 5. Summer Session Priority Schedule

The following schedule is based on a consideration of summers eligible for assignment to summer session teaching and the number and sequence of summers taught (or otherwise employed by the District at a rate of compensation based on the regular salary schedule) during the past three summers. For Full-Time Faculty Members, eligibility for assignment to summer session teaching begins with the first summer following their initial service as contract Faculty Members. Leaves of absence shall have no effect on eligibility for summer session priority. All summer classes taught by a Faculty Member, regardless of the division in which such classes are offered, shall be counted in determining summer session priority.

Section 6. Study Abroad

(a) Faculty Members chosen for Study Abroad winter or summer assignments cannot be displaced by other Faculty Members who have higher winter or summer priority.

(b) Any winter or summer class taught by a Faculty Member for Study Abroad, regardless of the Division in which such a class is offered, shall be counted in determining winter or summer session priority.

Section 7. Librarians

Each year that the District has a winter or summer session that requires normal library services, at least three (3) Librarians will be assigned each scheduled day of the winter or summer for the winter or summer session period. Selection of the Librarians will be determined by the priority system of Sections 2, 4 and 5 of this Article. The three Librarians of record for any summer or winter session shall be the three librarians who have worked the most total days for that term; any tie shall be resolved by the priority system of Sections, 2, 4 and 5 of this Article.

Section 8. Cooperative Career Education

The college may offer Cooperative Career Education classes during the winter or summer sessions covered by the current Agreement. Compensation will remain as stated in Article 10, Section 16. (See Article 10, Section 16(c) for maximum number of students during the covered winter or summer sessions.)

ARTICLE 10 - COMPENSATION

Section 1. Definitions

(a) A Contract, Regular, or Full-Time Temporary Faculty Member as described in Article 6, Sections 1, 2, and 5 is defined as a Full-Time Faculty Member for the purposes of this Agreement;

(b) All other Faculty Members covered by this Agreement shall be deemed to be Part-Time Faculty Members.

Section 2. Compensation For Full-Time Faculty Members

(a) The full-time faculty member shall be compensated on the basis of an Academic 175 days, or Fiscal Year contract salary as set forth in Appendix C-1 or C-2. Appendix C1 and C2 effective January 1, 2017, are comprised of the faculty member salary schedule academic year (175 days) and fiscal year.

(b) The salary schedules are based upon completion of a full academic or fiscal year, as the case may be, at a one hundred percent (100%) assignment, subject to an allowable deviation in an Instructor's teaching load as set forth in the Teaching Load Policy, Appendix B. Full-Time Faculty Members whose assignment is for less than one hundred percent (100%) or who serve less than a complete year shall be compensated on a pro rata basis.

(c) Advancement to Step 30 will no longer require 30 years of employment in the District. Advancement to Step 30 for eligible employees shall be for the entire 2016-17 academic year.

(d) All salary schedules shall be increased by 5% effective January 1, 2017. The new 2017 salary schedule for full-time faculty with the five (5) percent increase is attached for your information.

(e) The 5% salary increase shall be paid retroactively to January 1, 2017, following ratification by the Federation members and the Board of Trustees of the new three-year Agreement.

(f) Effective July 1, 2018, all salary schedules shall be increased by the funded statewide community college COLA or 1%, whichever is greater.

(g) Effective January 1, 2019, all salary schedules shall be increased by the funded state-wide community college COLA.

NOTE 1: The salary schedule increase does not pertain to stipends provided to athletic coaches per Section 11.

Note 2: Update to Appendix D-3 Special Rates of Pay for Faculty, effective January 1, 2017, see attached D-3.

Note 3: The District will recommend a Supplemental Early Retirement Plan for Full-Time Faculty Members who retire on June 30, 2017.

Section 3. Initial Salary Schedule Placement

A newly employed Full-Time Faculty Member shall be placed by the District on the appropriate salary schedule, subject to the following provisions:

(a) Class placement will be determined based on official transcripts submitted to the District and the credential(s) held, and received by either August 1st prior to the start of the fall semester and December 1st prior to the start of the spring semester. Documentation received after this deadline will result in an applicable salary increase effective beginning with the start of the next semester. Faculty Members employed to teach specialized vocational courses, as defined by the District, shall be placed on the appropriate class of the salary schedule for "Faculty Members Employed on an Academic Year Basis," Appendix C according to the provisions of the "Vocational Instructors Equivalency Table," Appendix F.

(b) (1) Step placement will be determined by the District, not to exceed a maximum of eight (8) years (Step 9 on the Salary Schedule) upon receipt of employment verification by either August 1st prior to the start of the fall semester or December 1st prior to the start of the spring semester. Documentation received after this deadline will result in an applicable salary increase effective beginning with the start of the next semester.

(2) Steps 1, 2, and 3 have been eliminated; thus, a newly employed Faculty Member's initial step placement will be based on years of experience, to wit: those with three (3) years or less experience will be placed on Step 4; those with four (4) years' experience will be placed on Step 5, and so on to the limit of Step 9 for those with eight (8) or more years' experience.

(3) Step credit shall be granted based on previous full-time teaching experience and for a Counselor or Coordinator shall be granted based on previous full-time experience in that profession within an academic institution or in clinical counseling. For Faculty Members

employed as Registered Nurses, Nurse Practitioners, Physician Assistants, and Librarians, or those who teach data processing, nursing or specialized vocational courses, as defined by the District, credit also will be granted for previous full-time, non-teaching work experience in the vocational field the Faculty Member is employed to teach.

(4) For Instructors who have college teaching experience in an accredited college or university prior to appointment as Full-Time Faculty Members, initial salary placement as provided in subsections (a) and (b) of this Section shall be determined by granting one (1) step on the salary schedule for each full-time academic year of teaching experience or its equivalent in accumulated part-time teaching experience. This rule is also applicable to part-time instructors being placed for summer session compensation purposes.

(5) Step placement for any Faculty Member who has previous part-time experience in either a clinical or college environment as a counselor or coordinator, or who has part-time work experience as a Librarian, Nurse, Nurse Practitioner, or Physician's Assistant, and who is employed for a contract position in any specific classification in which he/she had the part-time experience, shall be determined by granting one year's experience for each 1,050 hours (for a ten (10) month position) and 1,560 hours (for a twelve (12) month position). A maximum of eight (8) years of experience shall be allowed, including years credited in Subsection (b) of this Section. The maximum credit for any fiscal year is one year of experience.

(6) The above initial placement rules are to be effective as to all instructors who are initially hired as full-time after the effective date January 1, 1999. Those who were initially placed under a previous agreement shall remain covered by the rules that were effective at the time of their full-time hire by the District. However, placement for Part-Time Instructors will be subject to adjustment each summer.

Section 4. Step Increments

A Full-Time Faculty Member shall be granted in each subsequent contract year one (1) increment step on the appropriate salary schedule upon satisfactory completion of at least seventy-five percent (75%) of the number of days of required service, including days of paid leave and sabbatical leave, in the preceding year, until the maximum step allowed has been reached.

Section 5. Salary Schedule Class Advancement

(a) To qualify to advance from one class to another class, a Faculty Member shall have completed additional units or degrees as required.

(b) A Faculty Member who qualifies to advance from one class to another class as provided in sub-section (a) of this Section shall file with the office of the Vice President - Human Resources an application for salary schedule advancement along with required supporting documents including official transcripts or acceptable certification. Placement will become effective at the start of the semester following approval for salary schedule advancement by the Board of Trustees.

(c) Faculty Members at the top step, moving to Class 4 and 5 will be advanced in Step placement not to exceed two (2) steps for any year, according to the total number of year's credit within the District.

Section 6. Acceptable Units And Degrees

Units and degrees acceptable for placement and advancement on salary schedules shall be governed by the following provisions:

(a) Units and degrees acceptable for placement must be earned and received from an institution of higher learning formally accredited by an organization or association belonging to and/or recognized by the Council on Post-Secondary Accreditation (including the Western Association of Schools and Colleges). Honorary degrees are not acceptable for placement and/or advancement on the salary schedule. Units which are not accepted for credit by the institution where such courses were taken will not be acceptable for placement and/or advancement on the salary schedule except as provided in subsection (d) or (e) of this Section.

(b) Units earned before the Bachelor's degree are to be used for Bachelor's degree credit only.

(c) Units for placement on the Class III, Master's degree and 24 semester units, and units for placement on Class IV, Master's degree and 48 semester units must be units which are acceptable by a university or college for credit toward a Master's or Doctor's degree, or are acceptable at the discretion of the Vice President - Human Resources. These units may be taken before, during, or after completion of a Master's degree program and must be in addition to and separate from units required for a Master's degree. Such units or work shall be related to an

improvement in teaching or administration techniques and/or increased knowledge in the Faculty Member's specific area. Prior approval for units in another area should be obtained from the Vice President - Human Resources. Units submitted for consideration without such prior approval will only be accepted at the discretion of the Vice President - Human Resources.

(d) All units which are not acceptable by a university or college for a Master's or Doctor's degree are acceptable only with prior approval of the Vice President - Human Resources.

(e) Units submitted for placement from foreign institutions of higher learning shall be evaluated by the Vice President - Human Resources or submitted to the University of California or any other institution deemed appropriate for evaluation.

Section 7. Overload And Substitute Pay

(a) A Faculty Member will be compensated at the hourly rate set forth in subsection (c) of this Section for each hour assigned as a substitute Instructor.

(b) In the event a Full-time Faculty Member continues as a substitute for such class or classes for a period in excess of two (2) weeks, the substitute rate or any such continuous substitute teaching in excess of two (2) weeks will be at the rate set forth in the schedule listed in Appendix D-3 plus 15%. During Summer Sessions this applies if the substitution is in excess of one (1) week.

(c) A Full-Time Faculty Member will be compensated at the rate set forth in Appendix D-3 below for each hour of an overload assignment calculated according to the provisions of the Teaching Load Policy, Appendix B.

(d) A Counselor, Coordinator, Registered Nurse, Nurse Practitioner, Physician's Assistant, Librarian who agrees to undertake student contact counseling duties, librarian duties, or nursing duties, respectively, in excess of forty (40) hours of service as specified in Article 8, Sections 15(a) 16(b), 17(a), and 18(b) will be compensated at an hourly rate which shall be seventy-five percent (75%) of the hourly rate set forth in subsection (c) of this Section. (Reference Appendix D-3)

(e) A Full-Time Faculty Member who substitutes during any academic session will be assigned as the "Teacher of Record" and compensated as such in the event that the Substitute, the replaced Faculty Member, and the Dean concur that responsibility for final testing and

grading rests with the Substitute. Compensation as “Teacher of Record” will be retroactive to when substitute instruction began.

(f) Part-Time instructors who substitute may be assigned as “Teacher of Record” during Fall and/or Spring Semester, subject to teaching load limitations. Such limitations are not applicable in the Winter/Summer Session.

Section 8. Summer and Other Sessions Compensation

(a) Compensation of Full-Time Faculty Members assigned to teach in a summer session shall be at the rate of one-nine hundredth (1/900th) for lecture and one-thousandth (1/1000th) for lab instruction of the annual salary for the prior semester of the Faculty Member, as set forth on the Salary Schedule for Faculty Members employed on Academic Year basis (Appendix C-1), for each hour of instruction in the classroom and the laboratory. It does not apply to office hours required by Article 8, Section 3(a).

(b) For assignments other than classroom teaching, Full-Time Faculty Members employed on an Academic Year basis shall be compensated according to Article 10, Sections 13(a) and (b).

(c) Compensation of Part-Time Faculty Members assigned to teach in a summer session shall be at the rate of one-nine hundredth (1/900th) for lecture and one one-thousandth (1/1000th) for lab instruction of the annual salary of the appropriate Class and Step of the previous semester's Salary Schedule (Appendix C-1) for each hour of instruction in the classroom and the laboratory. Placement on the Salary Schedule is commensurate with their earned degrees and units and their years of full-time equivalent service with the District and other California accredited colleges and universities. The Part-Time Faculty Member is responsible for providing the appropriate documentation of the Faculty Member's service with other accredited colleges and universities prior to the start of the summer session. The placement in effect at the start of the summer session is final. It is understood that placement on the salary schedule is for summer session only. Part-Time Faculty Members are also required to maintain office hours as required by Article 8, Section 3(f).

(d) Assignments to teach in any winter intersession or spring break will be compensated on the same basis as summer sessions.

(e) Retirees will be placed at the class and step (minus any longevity or anniversary increments) on which they were placed at the time of their retirement from the College.

Section 9. Part-Time Faculty Members

For purposes of defining parity between Full-Time and Part-Time Faculty, “standard assignments” will be used. These standard assignments are not intended to alter full-time faculty obligations as defined in the remainder of the agreement.

(a)(1) The standard teaching assignment for full-time El Camino College classroom teaching faculty members is based on forty (40) hours per week with thirty (30) hours given to instruction load, preparation, and grading (75%), five (5) office hours (12.5%), and five (5) hours of other professional obligations (12.5%). Therefore, Part-Time Faculty compensation parity will be 75% of the Full-Time Faculty Schedule (Appendix C-1) for instruction hours and 87.5% of Full-Time Faculty Salary Schedule if office hours or equivalent obligations are included, excluding five (5) hours of other professional obligations. Should office space be unavailable other hours may be assigned upon mutual agreement between the Part-Time Faculty Member and Dean. Office hours or equivalent obligations will be assigned at the rate of one-half (½) hour for each ten percent (10%) of load.

(a)(2) The standard assignment for full-time non-classroom faculty members is based on forty (40) hours per week with twenty-eight (28) hours given to student contact, seven (7) hours of preparation, and five (5) hours of other professional obligations. Therefore, Part-Time Non-Classroom Faculty compensation parity will be 87.5% of the Full-Time Faculty Salary Schedule (Appendix C-1).

(b) The Part-time Lecture Stipend Per Semester Schedule will be adjusted to provide a six-step schedule with a Bachelors Column I and a Masters Column II. The same academic preparation will be required for each column as provided in the Agreement for Full-Time Faculty. Each of the six (6) steps shall be equivalent to 64% of a full-time lecture load on Columns I and II, Steps 4 through 9 of the Full-Time Academic Salary Schedule. The only unit members who will be placed on Column I will be those initially hired on or after August 1, 2001 who do not qualify for Column II (see Lecture Schedule in Appendix D-1).

(c) The Part-time Laboratory Stipend per Semester Schedule will be adjusted to provide a six-step schedule with Bachelors Column I and a Masters Column II. The same

academic preparation will be required for each column as provided in the Agreement for Full-time Faculty. Each of the six (6) steps shall be equivalent to 68% of a full-time laboratory load on Columns I and II, Steps 4 through 9 of the Full-Time Academic Salary Schedule. The only unit members who will be placed on Column I will be those initially hired on or after August 1, 2001, who do not qualify for Column II (see Lab Schedule in Appendix D-1).

(d) The Part-time Activity Stipend per Semester Schedule will provide a six-step schedule with a Bachelors Column I and a Masters Column II. The same academic preparation will be required for each column as provided in the Agreement for Full-Time Faculty. Each of the six (6) steps shall be equivalent to 72% of a full-time activity load on Columns I and II, Steps 4 through 9 of the Full-Time Academic Salary Schedule. The only unit members who will be placed on Column I will be those initially hired on or after August 1, 2001 who do not qualify for Column II (see Activity Schedule in Appendix D-1).

(e) The Part-Time Non-Classroom Schedule will provide six-steps with a Bachelors Column I and a Masters Column II. The same academic preparation will be required for each column as provided in the Agreement for Full-Time Faculty. Each of the six (6) steps shall be equivalent to 75% of a Full-Time Non-Classroom Faculty load (based on twenty eight (28) contact hours per week) on Columns I and II, Steps 4 through 9 of the Full-Time Academic Salary Schedule. The only unit members who will be placed on Column I will be those initially hired on or after August 1, 2001 who do not qualify for Column II (see Non-Classroom Schedule in Appendix D-1).

(f) After initial placement, Part-Time Faculty Members will be compensated on a semester basis according to the number of class hours assigned per semester and on cumulative semesters of instruction for the District at Step 1 for the first through completion of the second semester, at Step 2 for the third through completion of the fourth semester, at Step 3 for the fifth through completion of the sixth semester, at Step 4 for the seventh through completion of the eighth semester, at Step 5 for the ninth through completion of the tenth semester, and effective at Step 6 for the eleventh semester and thereafter. Step advancement for Non-Classroom Faculty Members will occur at the beginning of each fall semester upon verified completion of 120 hours. (Refer to Appendix D-1).

(g) Initial placement on the Part-Time Stipend Schedules (Appendix D-1) will be determined by earned degrees and years of FTE (Full Time Equivalent) service with the District and other accredited colleges and universities provided that documentation to verify education and experience is submitted to Human Resources by either August 1st prior to the start of the fall semester and December 1st prior to the start of the spring semester for which they are initially hired. FTE service for Non-Classroom Faculty will be granted for each 1050 hours of related experience. Documentation received after this deadline will result in an applicable salary increase effective beginning with the start of the next semester.

(h) The semester stipend includes participation in professional activities such as departmental and division meetings, staff development programs, and the like. The District shall not require more than one hour of such activities for each two-hour weekly assignment, and shall not require more than four hours per semester.

(i) Any further reductions or discontinuances in the State's part-time categorical equity funding for community colleges that is implemented in the State budget on or after July 1, 2012, shall also reduce the part-time hourly rate in the fiscal year(s) in which the reduction occurs. The District and the Federation will meet and confer to determine in what proportion the schedules should be reduced.

(j) For each hour a Part-Time Faculty Member is absent without pay, the Stipend Per Semester in subsection (1) of this Section shall be reduced by one-sixteenth (1/16th).

(k) A Part-Time Faculty Member will be compensated at the hourly rate set forth in Section 7(a) of this Article for each hour assigned as a substitute Instructor. If the period of substitute instruction is to be more than eight (8) consecutive weeks during the semester, refer to Article 6, Classification of Faculty Member, Section 1(a).

(l) A Part-Time Faculty Member on special assignment will be compensated at no less than one-half (1/2) of the hourly rate set forth in Section 7(c) of this Article. (Reference Appendix D-3.)

(m) At least eight (8) weeks before the beginning of a semester, each Part-Time Faculty Member who has been employed as a Part-Time Faculty Member in the preceding semester shall receive written notification from the Vice President-Academic Affairs or designee of that Part-Time Faculty Member's tentative course assignment(s) for the following semester.

The Part-Time Faculty Member shall return a signed copy of such notice at least six (6) weeks before the beginning of the semester indicating acceptance or rejection of such tentative assignment(s). A Part-Time Faculty Member who will not be offered a teaching assignment for the next semester will be notified in writing at least four (4) weeks before the beginning of the semester that no assignment is anticipated.

(n) Part-time Faculty may be listed in the schedule of classes.

(o) Part-time psychologist shall be paid at Rate 1 as set forth in Appendix D-3.

The Faculty Member on reduced-load status shall be compensated on a pro rata basis for any period of such reduced load and the office-hour and days on campus obligation shall be reduced proportionately. A Faculty Member participating in a voluntary work reduction remains eligible for Winter/Summer session priority as provided in Article 9.

(c) All faculty will include the approved SLOs in their course syllabi and participate in the assessments of course and program SLOs per the District's assessment timeline.

Full-Time faculty has the primary responsibility of developing course and program student learning outcomes and assessment rubrics. Full-Time Faculty is encouraged to solicit and include the expertise of Part-Time faculty in the development and assessment of SLOs.

In disciplines where there is no Full-Time faculty, Part-Time faculty will be responsible for developing appropriate course SLOs and assessment rubrics for classes they teach with the assistance of a faculty facilitator.

If a Part-Time faculty member is directed by the division dean to coordinate the development and/or assessment of program SLOs or course SLOs where there are multiple instructors, the part-time faculty member will be compensated at the special rate of pay set forth in Appendix D-3, Rate II not to exceed five (5) hours.

Section 23 – Educational Reimbursement Program

(a) The Educational Reimbursement Program shall be a three (3) year program through the duration of this contract. The program will only be available to full-time tenured faculty members, their spouse, domestic partner or legal dependents. The District will set aside \$20,000 to fund the program. Funds not expended during any contract year will revert to the District. The program may be evaluated annually during the

duration of the contract, and adjusted, if necessary, taking into consideration constraints on the District budget. Any changes to this program shall be negotiated by the District and the Federation.

It is the responsibility of the faculty member to submit the appropriate “Educational Reimbursement Form” within 60 work days after the availability of semester grades for which reimbursement is requested

- (e) Grievances: None of the provisions of this program are grievable.

- (f) Fraud: Any fraudulent misuse of this program by a faculty member, spouse, domestic partner and /or legal dependents will result in the immediate and total loss of all rights and privileges regarding this program.

ARTICLE 11 - PAID LEAVES

The District shall grant paid leaves of absence to Full-Time Faculty Members for (a) bereavement, (b) sickness, (c) industrial accident and illness, (d) judicial and official appearances, (e) quarantine, (f) personal necessity, (g) jury duty, and (h) the exchange of Faculty Members, subject to the conditions set forth in this Article.

The District shall grant paid leaves of absence to Part-Time Faculty Members for (a) bereavement, (b) sickness, (c) industrial accident and illness, (d) personal necessity, and (e) quarantine, subject to the conditions set forth in this Article.

Section 1. General Conditions

A Faculty Member who has cause to request a paid leave of absence shall make written application for such leave to the Dean of the Division as far in advance as possible. For (a) bereavement; (b) sickness; (c) industrial accident or illness; (d) personal necessity subsections (1), (2), (4), (5), and (6) as defined in Section 7 of this Article, the Faculty Member shall inform the Dean of the absence as soon as practicable. The application for leave shall state the leave category requested, the reason(s) necessitating the employee's absence, and the estimated duration of the absence. Approval of the leave shall be in writing signed by the Dean of the Faculty Member's Division. If denied, the Faculty member will be provided with a statement in writing giving the reason(s) for such denial.

Section 2. Bereavement Leave

(a) A Full-Time or Part-Time Faculty member may be absent from duty without loss of pay not to exceed three (3) duty days, or if travel beyond 200 miles one way is required, not to exceed five (5) duty days, to attend funeral or memorial services or to attend to the affairs of the decedent as the result of the death of a member of the Faculty Member's immediate family.

(b) If an additional period of absence from duty is required for this purpose, a Faculty Member may be granted additional bereavement leave, which additional leave shall be charged as personal necessity leave to the extent such leave is available to the Faculty Member as provided in Section 7 of this Article.

(c) "Immediate family" is defined as the mother, father, grandmother, grandfather, or grandchild of the Faculty Member or of the spouse of the Faculty Member; or the spouse,

domestic partner, son, son-in-law, daughter, daughter-in-law, sister, sister-in-law, brother, brother-in-law of the Faculty Member, or any other person living in the immediate household of the Faculty Member. Persons other than those noted above, such as an aunt or an uncle, who have been reared by or with the Faculty Member will be considered members of the Family Member's immediate family for the purposes of bereavement leave as well as any person who is or has been in a guardian-type relationship with the Faculty Member.

Section 3. Sickness

(a) Full-Time Faculty Members.

A Full-Time Faculty Member shall be entitled to one day leave of absence for each month of contract service in a year for illness or injury without loss of pay, except that no Faculty Member shall be entitled to sick leave for any day for which there is no requirement to render service to the District. Accrued sick leave will be converted from days to hours based on an eight hour day.

(1) A contract or regular Faculty Member working less than full-time shall be entitled to earn days of leave of absence for illness or injury in the same proportion (%) as the Faculty Member's load is to a full load (i.e., a Faculty Member with a sixty-seven percent (67%) load as shown on the employment contract would earn sixty-seven percent (67%) of a day for each month worked.)

(2) A Faculty Member who does not have a teaching assignment but has regularly scheduled hours each week shall earn days of leave of absence for illness or injury based on the proportion of the hours assigned to 40 hours (i.e., twenty-four (24) hours equal sixty percent (60%); equals sixty percent (60%) of a day per month).

(3) Such leave of absence may be taken during the Faculty Member's contract year of service. A Faculty Member is eligible for sick leave occurring during the summer session assignment so long as the illness or injury necessitating such leave did not begin before the start of the summer session. A Faculty Member who terminates services with the District prior to completing the full contract year or contracted semester shall be required to reimburse the District for the amount of any sick leave paid which was not fully earned at the time of termination.

(4) If such Full-Time Faculty Member does not utilize the full amount of sick leave provided by subsection (a) of this Section, the amount not taken shall be accumulated from year to year. The accumulated sick leave may be used in subsequent years after full utilization of the current year's accrual.

(5) A Full-Time Faculty Member who is absent from assigned duties because of an accident or illness, beyond the Faculty Member's entitlement to sick leave under subsection (a) of this Section, for a period of one hundred (100) work days (school calendar days) or less shall have deducted from the salary due the Faculty Member for that portion of the one hundred (100) day period not covered by sick leave accumulated from prior years of service, the salary paid to a substitute employed to fill the Faculty Member's position during the Faculty Member's absence, or, if no substitute was employed, the minimum salary which would have been paid to the substitute had a substitute been employed. Any portion of a day is to be considered one (1) day. In no event shall a Faculty Member receive less than 50 percent of their regular salary during the period of such absence up to a maximum of 100 days.

(6) Faculty members shall be allotted 80 hours of sick leave per calendar year. Accrued sick leave will be converted from days to hours based on an eight hour day.

Sick leave deduction shall be calculated on the number of contact hours missed divided by the total number of weekly contact hours scheduled in a given semester and then multiplied by 40, which will equal the number of sick time hours charged to the faculty member.

$$\frac{\text{Number of Contact Hours Missed in a Day}}{\text{Total Number of Weekly Contact Hours}} \times 40 \text{ Hours} = \text{Charged Sick Time Hours}$$

(a) The Faculty Member's weekly schedule will be used to determine the amount of sick leave used.

(b) The number of contact hours missed in a day refers to any day in which the Faculty Member is absent from work. If a Faculty Member works a partial day, then the Faculty Member will be charged only for those contact hours missed on that day.

(c) For instructional faculty, the number of "contact hours" refers to the

student contact hours as provided on both the regular and overload contracts and scheduled office hours.

(d) For non-instructional faculty, the “contact hours” refers to the scheduled “hours” as specified in Article 8 of the Agreement.

(e) “Contact hours” also includes scheduled Department/Division meetings.

(f) The number of “sick time hours” charged per day shall be rounded to the nearest whole number.

EXAMPLE (No overload):

Four (4) hours missed in a day divided by 20.1 weekly contact hours times 40 hours equals eight (8) hours charged to sick time. This is based on 15.1 student contact hours and 5 office hours.

$$\frac{4}{20.1} \times 40 \text{ Hours} = 8 \text{ Charged Sick Time Hours}$$

EXAMPLE (Includes overload):

4.94 hours missed in a day divided by 29.02 weekly contact hours times 40 hours equals seven (7) hours charged to sick time. This is based on 26.02 student contact hours and 3 office hours.

$$\frac{4.94 \text{ Hours Missed}}{29.02 \text{ Weekly Contact Hours}} \times 40 = \text{Seven (7) Hours Charged Sick Time Hours}$$

(b) Part-Time Faculty Members

Each semester, Part-Time Faculty Members shall be entitled to sick leave for illness or injury, credited in hours, as follows:

Semester Teaching Load	Hours
10.0% or less	1
10.1 to 14	2
14.1 to 25	3
25.1 to 30	4
30.1 to 40	6
40.1 to 50	7

50.1 to 55	8
55.1 to 67	9

For non-teaching assignments, the number of regular weekly hours assigned shall be confirmed in writing to the Payroll Department by the Dean of the Part-Time Faculty Member's division at the beginning of each semester. This shall not apply to on-call assignments. Unless otherwise provided by law, all such earned and accumulated leave will be carried forward from semester to semester providing that the Part-Time Faculty Member does not have a break in service of more than three consecutive semesters.

(c) Winter or Summer Session

Each Full-Time and Part-Time Faculty Member shall be entitled to one (1) day of sickness leave for a four (4) week session, one and a half (1.5) days for a five (5) or six (6) week session, and two (2) days for each seven (7) or eight (8) week session, to be accumulated as provided in section (a)(4) of this Section upon completion of a full summer session assignment.

(d) Extended Leave or Reduced Work Load

It is understood that Full or Part-Time faculty on extended leave or reduced work load shall not be assigned to campus committees.

Section 4. Pregnancy, Family and Infant Care

NOTE: Some of the leaves of absence available under this Section 4 are unpaid. See Article 12.

(a) For general regulations on granting of leaves of absence for pregnancy and childbirth refer to Section 87766 of the Education Code.

(b) **Optional Unpaid Portion:** The District may, upon application and approval, grant an unpaid pre-childbirth leave of absence to a pregnant employee prior to the period of actual disability.

(c) **Utilization of Sick Leave:** During which time the faculty member is physically disabled and unable to perform her regular duties due to pregnancy, miscarriage, childbirth and recovery there from, she shall be permitted to utilize her accrued sick leave pursuant to Section 3(a)(4). This provision, which permits a paid leave to be taken while on an unpaid leave, is an exception to the general rule.

(d) Physician Certifications: A pregnant faculty member who elects not to apply for an unpaid pre-childbirth leave pursuant to Section 4(b) shall be permitted to continue during pregnancy disability, provided that she can and does continue to perform the full duties and responsibilities of her position. The employee must also supply to the District her physician's certification as to the beginning and ending dates of actual pregnancy-related disability for which sick leave is claimed, and a release form from the physician to return to work.

(e) Infant Care: After the period of disability, the employee shall, upon written request be placed on an unpaid status for purposes of infant care for the remainder of the academic year in which the childbirth occurred and may, at the discretion of the District be extended as much as two school years. Comparable unpaid leave for the purpose of infant care shall be made available to a faculty member who is the parent of a newly-born child.

(f) The faculty member will retain her/his seniority rank and eligibility for step advancement for the period of the infant care leave.

(g) All such leaves shall run concurrently with family leave pursuant to federal and state law.

Section 5. Industrial Accident And Illness

(b) A Full-Time or Part-Time Faculty Member who becomes disabled as the result of such accident or illness shall be granted an industrial accident/illness leave without loss of pay during the period of time the Faculty Member is unable to render service to the District. Such leave for each such disability shall be limited to a period of sixty (60) school days during a fiscal year. If the request for an exchange is not granted, the President or the President's designee will inform the Faculty Member in writing of the reasons for the denial. If granted by the District, the leave will be dependent upon the execution of an agreement between the District and the exchange institution which will be in compliance with the regulations of Sections 87422, 87423, and 87424 of the California Education Code concerning such leaves. The leave may not exceed one year, except by the mutual consent of the Faculty Member and the District the leave may be extended to two years. The Faculty Member must provide the District with two full years of service after returning from such a leave before the Faculty Member is eligible for another such leave or a one-way foreign assignment as provided in Article 12, Section 4.

(b) A catastrophic illness or injury is one that is expected to incapacitate the Faculty Member or a member of the Faculty Member's family for an extended period of time and taking extended time off work creates a financial hardship for the Faculty Member because the Faculty Member has exhausted all sick leave and other paid time off.

(c) The terms and conditions of this plan are included in Appendix H.

(d) The administration of the Catastrophic Illness/Injury Plan is not grievable.

(e) This plan was jointly developed as an institutional program by the exclusive bargaining representatives for classified, faculty and police employees, confidential employees,

Section 14. Expanded Use of Sick Leave

The application for leave shall state the leave category requested, the reason or reasons necessitating the Faculty Member's absence and the estimated duration of the absence. A Section 5 or 6 leave request will be referred promptly by the Dean with a recommendation to the Vice President - Academic Affairs. If the leave is granted, the Faculty Member shall be notified in a timely manner, and if denied, the Faculty Member shall be provided with a statement in writing giving the reason(s) for such denial.

(b) The District may require a Faculty Member to submit evidence to justify the Faculty Member's request for leave.

The Faculty Member shall not accrue any other benefits during the period of such unpaid leave, except as provided in this Article.

(d) A Faculty Member who fails to return to duty upon completion of the unpaid leave of absence may be dismissed by the District unless such Faculty Member was unable, due to causes beyond his/her control, to return to duty, in which event the Faculty Member must report the circumstances as soon as able to do so.

(b) The Faculty Member's request for such unpaid leave shall be accompanied by a physician's statement as to the necessity of such leave and the estimated duration of the disability. The District may at its expense require that the Faculty Member be examined by a physician selected by the District. In the event of a conflict in the findings of the two physicians, a third physician, mutually acceptable to the Faculty Member and the District shall be chosen and an opinion solicited. The cost of such examination by a third physician shall be paid by the District.

(c) The period of such leave shall be determined by the medical condition of the Faculty Member and the needs of the instructional program. Any such extended disability leave shall not exceed a period of twelve (12) calendar months provided that such leave for a contract Faculty Member shall not exceed the end of the semester in which the disability occurs. The District may grant an extension or extensions beyond the period herein specified. Any such extension or extensions is subject to the requirements of subsection (b) of this Section.

Section 4. One-Way Foreign Assignment

A regular Faculty Member will be granted an unpaid leave of absence for a one-way foreign assignment for a period not to exceed an academic or fiscal year. The District may, however, at its discretion, extend the leave for an additional year in an exceptional case. The Faculty Member shall submit a written request specifying the length of the leave and outlining the advantage to be accrued to the Faculty Member by the granting of such leave. To such request shall be attached a certification from the foreign entity of the Faculty Member's employment on such assignment. The initial request for such leave shall be submitted to the President no later than October 1 of the year preceding that for which the leave will be granted and shall be completed by December 1. The District shall grant no more than three (3) such leaves a year with no more than one such leave in any division. The Faculty Member must provide the District with two (2) full years of service after returning from such a leave before the Faculty Member is eligible for another such leave or an exchange of Faculty Member's leave as provided by Article 11, Section 10. The Faculty Member granted such leave shall have the time served in the one-way foreign assignment counted as time served in the service of the District in salary placement.

Section 5. Professional Research, Study, And/Or Travel

The District may grant a regular Faculty Member an unpaid leave of absence for professional research, study, and/or travel. The criteria for such leaves shall be the same as for sabbatical leaves of absence as provided in Article 13, Section 5. (a) The District shall continue to provide medical, dental, vision and/or life insurance benefits, at District expense, for any Faculty Member who is on an unpaid leave of absence commencing after the beginning of the Academic Year, on the same basis as such benefits were provided while the Faculty Member was in paid status, through the last day of the calendar month following the calendar month in which the Faculty Member was last in paid status. An eligible Faculty Member shall be deemed to be in 'paid status' during any summer and/or winter session so long as the Faculty Member is scheduled to return to paid status at the end of the summer and/or winter sessions.

(b) If the Faculty Member chooses to continue such benefits after the last day of the calendar month following the calendar month in which the Faculty Member was last in paid status, or if the Faculty Member commences his or her unpaid leave at the beginning of the Academic Year, the Faculty Member may continue coverage for such benefits at his or her own expense, at the premium contracted by the District. The Faculty Member must file application for such continuation of enrollment with the Public Employees Retirement Service no later than the last day of the month following the month in which the unpaid leave commenced, or in the case of an unpaid leave of absence, commencing at the beginning of the Academic Year, no later than July 31 preceding the commencement of the unpaid leave. The Faculty Member is responsible for payment of any dependent or other coverage as if in paid status. The district shall provide COBRA notices at the termination of benefits, as provided by law.

(c) Payments for such coverage must be made by check or money order made payable to the District and may be made in monthly installments. Should a Faculty Member fail to make a payment required by this section, coverage shall terminate at the end of the month for which the last payment was received. Should the District terminate a Faculty Member's coverage in error, it shall reinstate the Faculty Member's coverage as soon as the error is confirmed.

(d) Under Article 14, Section 2, vacation shall not be accrued for any unpaid leave which exceeds one-half of the working days in any month.

(e) During the period of any unpaid leave of absence, the Faculty Member shall not accrue sick leave as provided in Article 11, Section 3(a); however, the Faculty Member's sick leave accrued as of the commencement of such leave shall not be reduced.

Section 8. Pay Reduction

A Full-Time Faculty Member's yearly contract will be reduced pro rata for each day of unpaid leave. The proration shall be based on the number of working days in the Faculty Member's assignment.

Section 9. Pregnancy Family & Infant Care

NOTE: Some of the leaves of absence described in Article 11, Section 4 of this Agreement are unpaid leaves of absence.

ARTICLE 13 - SABBATICAL LEAVES

Section 1. Purpose

The District shall provide sabbatical leaves of absence for Full-Time Faculty Members for the purpose of professional development. Note: It is understood that there will be no sabbatical leaves granted for Spring semester 2013 or for academic year 2013-14 in case none of the contemplated State-wide tax initiative measure(s) to be scheduled for the November 6, 2012 general election are passed and implemented.

Section 2. Eligibility

In order to apply for a sabbatical leave, the Faculty Member must have rendered full-time service requiring certification in the District for at least six (6) consecutive years immediately preceding the sabbatical leave. An approved leave of absence does not constitute a break in service but such period of time on such leave will not be counted as service rendered, except for service under a nationally recognized fellowship, or service for a foundation approved by the Board of Governors, as provided in Education Code Section 87768.

Section 3. Limitation On Leaves Granted

No more than seven Full-Time Faculty Members may be granted traditional sabbatical leaves in any one fiscal year. Such sabbatical leaves are described in Section 4 of this Article. Two additional Full-Time Faculty Members may be granted one semester half-pay sabbatical leaves in any one academic year; however, such one-semester, half-pay leaves shall be limited to a fall or spring semester leave at one-half (½) pay.

Section 4. Duration And Compensation

(a) Faculty Members employed on an academic-year basis granted sabbatical leave for one semester shall be paid one-half of the yearly contract salary during such semester leave. Such Faculty Member on summer sabbatical will be paid on the basis of the Faculty Member's yearly contract salary for the period set forth in subsection (d). Faculty Members employed on a fiscal-year basis who are granted a one (1) semester or summer sabbatical will continue to receive full contract salary during the period of such leave.

(b) Faculty Members granted sabbatical leaves for a period of one (1) academic year shall be paid one-half yearly contract salary for the academic year in which the sabbatical leave

is taken. Faculty Members granted sabbatical leaves may, where it is appropriate for their programs of study, elect an academic-year sabbatical involving a fifty percent (50%) reduced load of service in the District. Faculty Members who choose this option shall continue to receive full-contract salary during the period of such leave.

(c) The District and Faculty Member on an academic year, half-pay sabbatical, may, at the Faculty Member's option, agree to make contributions to the State Teachers' Retirement System equal to the amount that would have been contributed if the Faculty Member had remained in full-time employment. The Faculty Member on the program shall authorize the District in writing to deduct from the Faculty Member's pay such amounts as necessary to pay the Faculty Member's 100% retirement.

(d) A summer sabbatical shall commence on the first Monday after the close of the academic year and shall terminate on the last Friday prior to the beginning of the following academic year, unless the District and the Faculty Member agree to a different schedule.

(e) For Faculty Members employed on a fiscal-year basis, a one (1) semester sabbatical leave shall be for twenty (20) weeks, a one (1) academic year sabbatical leave shall be for forty (40) weeks, and a summer sabbatical shall be the same as defined in the subsection (d) above.

(f) A Faculty Member who is granted a sabbatical leave of absence shall receive, when sabbatical leave salary is computed, such automatic changes in salary rating as would have been received had the Faculty Member remained in active service.

(g) Faculty Members on sabbatical leave will be paid at the same intervals as they would for their normal pay period. The Faculty Member is responsible for making arrangements to receive the payments.

(h) Faculty Members on a full paid sabbatical whose leave includes working for another employer during the leave period will have the amount of any such compensation deducted from the Faculty Member's pay from the District, except for educational expense stipends and the continuation of pre-existing, part-time employment income.

(i) The Sabbatical Leave Committee shall develop and make available information regarding specific rights and responsibilities for unit members as provided in this contract and other applicable law.

Section 5. Criteria And Priority

Sabbatical leaves shall be granted only for study. A one (1) semester, one (1) year or summer sabbatical leave granted for the purpose of study shall meet one or more of the following conditions:

(a) Formal class work in pursuance of a degree in the applicant's discipline or to increase the applicant's proficiency in the applicant's teaching field to be six (6) graduate semester units or twelve (12) undergraduate semester units or an equivalent measured in quarter units. A summer sabbatical for the purpose of study will be four (4) graduate units or eight (8) undergraduate units or the equivalent in quarter units per summer.

(b) A foreign language Instructor's extended visit to the country in which the language the Instructor normally teaches, or will soon teach, is universally used; or an ESL Instructor's extended visit to a country in which the dominant language is also the native language of a substantial number of students in the College's ESL program.

(c) The writing of a textbook for which there is a commitment to publish extended by a recognized publisher.

(d) The writing of computer software for instructional use. A description of the proposed software and its intended use shall be submitted in writing.

(e) Formal class work in pursuance of proficiency in a discipline other than the Faculty Member's instructional discipline, provided that the Vice President - Academic Affairs determines in advance that there is need of such supplemental study and approves the study program submitted by a Faculty Member.

(f) A program of independent study in the applicant's teaching field other than formal class work as described in subsection (a). Such program shall be arranged through an educational or research foundation, government agency, an accredited institution of higher education, or a technical or business entity. It shall be submitted in writing and shall be evaluated on the basis that it is designed to increase the applicant's proficiencies in the applicant's field.

(g) A program of independent study for Instructors in fine arts, which program shall be submitted in writing and shall be evaluated by the Sabbatical Leave Committee on the basis that it is designed to increase the applicant's proficiencies in the applicant's field.

(h) Priority: If the number of applications exceeds the limitation of leaves to be granted as provided by Section 3, length of service with the District, or length of service since the Faculty Member's last sabbatical leave, as the case may be, will govern. If there is an equal period of service, preference will first be given to applicants who have received no sabbatical leaves from the District. Any further selection will be made by drawing names.

Section 6. Service

Service with the District shall be defined as starting with the first-day-of-pay-service as a full-time certificated employee of the District. Service with the District for those who have been on sabbatical leave from the District shall start again with the first-day-of-pay-service upon returning from sabbatical leave. If two or more Faculty Members have equal service with the District and if one has reached the last-possible time to take a sabbatical leave as provided in Section 7 of this Article, the Faculty Member shall be given preference.

Section 7. Return To Service

(a) A Faculty Member, as a condition of being granted a sabbatical leave, shall agree in writing to render a period of service equal to two (2) academic years for an academic year sabbatical, two (2) semesters for one (1) semester or summer sabbatical to the District after returning from the leave, unless released in writing by the District.

(b) The last-possible time for a Faculty Member to take a sabbatical leave will be such that the Faculty Member shall have the period set forth in subsection (a) remaining to serve the District as a regular (permanent) Faculty Member.

(c) Upon returning to service, the Faculty Member shall, unless an alternate agreement is made, be reinstated in a position equivalent in duties to that held by the Faculty Member at the time of granting of the leave.

Section 8. Payment Of Compensation

Compensation for the sabbatical leave shall be paid upon the return of the Faculty Member, as provided in Section 7, and submission of the Sabbatical Leave report, as provided in Section 10, unless the Faculty Member furnishes a suitable bond indemnifying the District against loss in the event that the Faculty Member fails to render the agreed-upon period of

service to the District after returning from the leave. A bond will be required, unless the District approves a leave of absence agreement in lieu of such bond. Failure to render the required service upon return from the sabbatical leave will render a payment to the District by the Faculty Member from the sum received proportionate to the time of failure to meet the service obligation to the District as provided in Section 7. For purposes of this Section, failure to receive credit for course work taken under Section 5(a) or 5(e) shall be considered "failure to render required service."

Section 9. Accident Or Illness

A serious accident or illness which interrupts the program of study, travel, or other approved purposes upon which a sabbatical leave has been granted, shall not jeopardize the fulfillment of such sabbatical nor affect the amount of compensation to be paid such Faculty Member under the terms of such sabbatical leave, provided evidence of such accident or illness satisfactory to the District is furnished by a registered letter mailed within fifteen (15) days after the accident or illness.

Section 10. Report On Sabbatical

Each Faculty Member returning from sabbatical leave shall file a written report with the Sabbatical Leave Committee within six (6) weeks after the beginning of the subsequent semester, exclusive of the summer session and participate in a faculty forum on their sabbatical. The form of the report shall be planned in consultation with the Sabbatical Leave Committee before the leave is taken. When formal college credit has been earned during the sabbatical leave, an official transcript will also be required. Three (3) copies of the report shall be provided in a manner suitable for binding. The report must be typewritten and must consist of a minimum of three (3) pages, discussing in sufficient detail the sabbatical activities which will be shared with the Board of Trustees. Failure to file the report by the due date will result in subsequent pay warrants being withheld until the report is received by the Sabbatical Leave Committee. Extension of the report due date may be granted at the discretion of the Sabbatical Leave Committee.

Section 11. Applications

(a) Appropriate deadlines for application shall be set by the Sabbatical Leave Committee and announced to Faculty Members as soon as possible after the beginning of each fall semester. The Faculty Member shall submit a copy of the Faculty Member's application for sabbatical leave to the Faculty Member's appropriate Dean.

(b) Should an applicant be denied for lack of a suitable plan, the applicant will be given an opportunity to improve the plan and resubmit the application within a period of one week from the date of notification that the plan is not acceptable.

(c) Besides the two percent (2%) of the Full-Time Faculty Members who are allowed to be absent on sabbatical leaves of absence during one (1) year, a list of alternates will be established each year to stand by in the event change of plans of applicants or increase in number of staff permits additional grants.

Section 12. Sabbatical Leave Committee

The District will establish a Sabbatical Leave Committee composed of six (6) members, including three (3) Faculty Members appointed by the Federation, and will establish rules for tenure on the committee in order to provide for continuing of membership. The Committee will set and announce deadlines, receive applications, evaluate the plans submitted, recommend to the Vice President - Academic Affairs, prior to the close of the calendar year, those who may be granted leaves, establish a list of alternates, and receive written sabbatical reports, all as specified herein. The Committee may rely on the advice of consultants.

Section 13. Maintenance Of Instructional Program

In the event that the number of applicants from a Division is large enough to cause a curtailment of the instructional program within that Division, then upon recommendation of the Division Dean, the District shall delay for one (1) year the sabbatical leave(s) of the (those) applicant(s) deemed necessary. The Faculty member(s) to be delayed shall be determined on the basis of the least service with the District and such delayed Faculty Member(s) shall have first priority in the subsequent year. The total number of sabbatical leaves so denied shall be replaced by an equal number of applicants on the list of alternates.

Section 14. Withdrawal From Leave

A Faculty Member who has been granted a sabbatical leave may withdraw from the leave and be assigned regular duties no later than the earlier of the following:

(a) Thirty (30) calendar days prior to the beginning of the semester or year of leave;

or

(b) The day before a temporary replacement employee has signed a contract to render services in excess of sixty-seven percent (67%) of a full-time load for the semester or the year, provided that the Faculty Member is given notice at least five (5) calendar days prior to the signing of the temporary replacement's contract.

ARTICLE 14 - VACATIONS

Section 1. Allowance

Full-Time Faculty Members employed on a fiscal year basis shall be entitled to twenty (20) work days of vacation each year. In addition, each such Faculty Member shall be entitled to bonus vacation days during any fiscal year if the Faculty Member had twenty-five (25) or more days of sick leave accrued as of June 20 of the prior fiscal year. The Faculty Member will be entitled to one (1) work day of vacation in the subsequent year for each full twenty-five (25) days of such leave accrued as of June 30 of the prior year with a maximum of five (5) bonus vacation days in any one year.

Section 2. Accrual

Vacation time will be accrued on a monthly basis with full credit for each completed calendar month of service in which the Faculty Member is in paid status for a minimum of one-half ($\frac{1}{2}$) of the working days in such calendar month. A Faculty Member who is in paid status for less than one-half ($\frac{1}{2}$) of the working days in a calendar month shall accrue vacation credit at the rate of .03846 time ratio for the Faculty Member's total annual vacation allowance to ten (10) times each regular hour the Faculty member was in paid status. For purposes of this Section, a "calendar month" is defined to include twenty-two (22) working days of paid status; and the number of "days in paid status" shall be twenty-two (22) minus the number of assigned work days the employee is absent without pay, except that when only two (2) or less days are actually worked in any one month, the "days in paid status" shall be the actual number of days worked. "Hours in paid status" is defined as the product of days in paid status times the Faculty Member's regular work hours per day.

Section 3. Accumulation

Each July, eligible Faculty Members will be notified by the District of their June 30 accrued vacation credits. No more than thirty (30) days of that June 30 accrued vacation credited may be continued beyond December 31 of that year. Faculty Members having more than 30 days of accrued vacation on June 30 must submit a plan to utilize the vacation days in excess of 30 days by December 31 to the Dean or Director by August 1 each year. Under this procedure, those June 30 vacation days in excess of thirty (30) at the close of business on December 31 each

year will be paid to the employee at his/her current rate of pay and the total vacation credits reduced to thirty (30) days, except for any additional vacation days which may have been accrued but not used for service since that June 30.

Section 4. Scheduling

A Faculty Member shall submit a request in writing for vacation time as far in advance as feasible to the Dean of the Division. In deciding whether to approve or disapprove a specific request, the Dean shall first consider the staffing needs of the department, but shall also be aware of the personal needs of the individual presenting the request. Faculty Members shall be allowed to take vacation while school is in session as well as at times when classes are not meeting. If the Division's work load is such that certain periods of the year are critical, the Dean may block out those periods for vacations provided that the periods so blocked out do not exceed a total of ninety (90) calendar days in any given year. The District may require Faculty Members to schedule not to exceed three (3) days of vacation time during the winter recess.

Section 5. Termination

Upon leaving the employment of the District, a Faculty Member shall be entitled to a lump-sum compensation for all earned and unused vacation at the Faculty Member's current salary. Time off for earned and unused vacation may be taken in lieu of payment following the last full day worked.

ARTICLE 15 - HOLIDAYS

The District will observe the following holidays without loss of pay to faculty employed on the fiscal schedule:

New Year's Day	Labor Day
Martin Luther King, Jr. Day	Veteran's Day
Lincoln's Day	Thanksgiving Day
Washington's Day	Day after Thanksgiving
Memorial Day	Christmas Day
Independence Day	

Two (2) additional holidays in accordance with the adopted calendar.

If a holiday listed above falls on a Sunday, the following Monday shall be observed as the holiday; similarly, if a holiday listed above falls on a Saturday, the preceding Friday shall be observed as the holiday. If Independence Day falls on Friday or Saturday, the preceding Thursday shall be observed.

ARTICLE 16 - PROFESSIONAL MEETINGS AND CONFERENCES

Section 1. General

The District encourages Faculty Members to attend professional meetings and conferences related to the District's educational program and the Faculty Member's professional growth.

Section 2. Budget Allocation

(a) Each fiscal year the District will budget a conference and travel fund for Faculty Members to be administered as provided herein. The fund will amount to a sum equivalent to One Hundred Dollars (\$100.00) times the number of Full-Time Faculty Member positions provided for that year. The fund will be utilized to pay the cost, or a portion of the cost, of the Faculty Member attending a professional meeting or conference and may include such expenses as registration fees, meals, and lodging expenses and travel expenses.

(b) Each fiscal year, the District will budget an additional conference and travel fund for Faculty Members to be administered by the College Conference Committee. The fund will amount to a sum equivalent to One Hundred Dollars (\$100.00) times the number of Full-Time Faculty Member positions provided for that year. These funds will be used to pay the cost, or a portion of the costs, of the Faculty Member attending a professional meeting or conference that focuses on (1) uses of technology in the instructional program, (2) strategies for improving student retention, or (3) issues of sensitivity to diversity. Such costs may include expenses as registration fees, meal, lodging expenses and travel expenses. The Committee shall set a goal of using twenty-five percent (25%) of these funds for Part-Time Faculty. Funds not used in one fiscal year, as described in this paragraph (b), shall be rolled over to the next fiscal year.

Section 3. Administration of the Fund

The District's conference and travel fund for Faculty Members will be divided into two parts to be administered as herein provided. Eighty percent (80%) of the fund will be allocated to the College's academic divisions or approved unit proportionate to the number of Full-Time Faculty Members in each respective division and shall be administered by the Deans of the divisions as provided in Section 4. Twenty percent (20%) of the fund will be allocated to the College Conference Committee, provision for which is set forth in Section 5 of this Article.

Section 4. Faculty Member Requests

(a) A Faculty Member who desires to attend a conference should submit a request for approval and/or funding in writing to the Dean of the Division at least one (1) month prior to the conference and two (2) months in advance of proposed international travel. International conferences require approval by the Board of Trustees. Therefore, conference requests must be submitted to the Division Conference Committee at least two months prior to the conference date in order to comply with the board approval process. The District cannot be responsible for conference attendance commitments prior to Board approval.

(b) Travel outside the United States must be approved by the President prior to submission of the conference request to the Board of Trustees. The President will provide a written explanation to the faculty members whose request for conference attendance is not approved.

(c) Requests will be reviewed by a committee chaired by the Dean of the Division, a Faculty Member appointed by the Federation representative of the division, and a Faculty Member appointed by the Dean. If the request is deemed appropriate by the committee, the Dean will submit the request for necessary approval and action. The committee may refer the request to the Vice President - Academic Affairs, or the College Conference Committee, if appropriate. The Committee will provide a written explanation to the Faculty Member whose request for conference attendance and/or funding is not approved. Faculty Members utilizing conference and/or travel funding will agree to make a reasonable effort to minimize the cost of substitutes by arranging for their classes to be covered by other Faculty Members, arranging class assignments to utilize students' time appropriately, or by arranging departure times to minimize missed classes whenever possible. The Temporary Instructor Reassignment form (Article 11, Section 11) must be submitted to the Dean if classes will be covered by other Faculty Members.

Section 5. College Conference Committee

(a) A College Conference Committee shall be established composed of the Vice President - Academic Affairs (or the Vice President's designee), one Dean appointed by the Vice President, and two Faculty Members appointed by the President of the Federation. The two

Faculty Members appointed by the Federation will be selected from divisions other than that represented by the Dean. The Committee members shall serve for the term of this Agreement. The Vice President (or his or her designee) shall chair the Committee.

(b) The fund administered by the College Conference Committee will be utilized for (1) Conferences of a general import to the College, and (2) Conferences that the District requests a Faculty Member to attend as its representative, and (3) Conference expenses in any division which has utilized its fund and where allocation of additional funds is desirable.

Section 6. District Appointments

The District may appoint a Faculty Member, with the Faculty Member's consent, as its representative to a conference. If a Faculty Member is approved for attendance at a conference, the Faculty Member will be entitled to attend the conference without loss of pay or benefits. The District may approve attendance for a conference without providing any reimbursement for expenses.

Section 7. Reimbursements

If expenses are authorized, the following rules shall apply:

(a) Faculty Members will travel jet economy air coach or by authorized alternative means.

(b) Faculty Members authorized to use a private car with expenses paid shall be reimbursed at the rate established by the District for business travel, but in no case will such mileage expense exceed the cost of jet economy air transportation plus ancillary ground expenses.

(c) If two or more Faculty Members attend a conference and travel together by private automobile, only the individual furnishing the car will be compensated for transportation expenses.

(d) Requests for reimbursement of expenses shall be for actual authorized expenses and shall be made on the appropriate expense form.

Section 8. Reports

Written reports of conferences attended at District expense shall be submitted to the Division Dean.

ARTICLE 17 - INSURANCE BENEFITS

Section 1. Medical Plans

The District shall contribute (not to exceed) the following amounts for the medical insurance: \$590 per month for single, \$1,022 per month for 2-party, and \$1,328 per month for family. Any difference in the amount between the District contribution for medical insurance and the CalPERS medical insurance premium cost shall be paid by the employee through monthly payroll deductions. The medical plan chosen by the Faculty Member shall be one of those offered by CalPERS under the Public Employees Medical and Hospital Care Act unless the District and the Federation negotiate a change in the carrier for health benefit insurance.

(a) The health benefit plan applicable to eligible retirees ages 55 – 65, who have ten (10) years of service with the District, will be in accordance with Section 7 of this Article. The CalPERS system will deduct the monthly insurance premium only from the retiree's STRS or PERS retirement check and the District will reimburse the retiree for the applicable District contribution per Section 7.

(b) The Faculty Member may elect to have his/her eligible dependents covered under the medical plan the Faculty Member selects.

(c) Until December 31, 2011, a Faculty Member whose spouse is a District employee and who selects PERSCare or PERSChoice medical plans may opt to have one (1) medical plan which covers both the employee and the employee's spouse. The District shall pay the difference between two-party and family coverage in order to equalize the paid coverage for this situation. Under this option, an employee spouse would not select his/her own coverage but would opt to be covered under the Faculty Member's Primary Coverage.

(d) Faculty Members may, during open enrollment period in the Fall of each year, change plan coverage effective January 1 of each such year.

(e) Insurance benefits coverage begins on the first of the month following the first day the Faculty Member is in paid status. Thus, a Faculty Member whose first day in paid status occurs on August 10 of any year will have coverage beginning on September 1 of that year. The Faculty Member's coverage continues until the first of the month following a full calendar month after the month in which the Faculty Member's last day in paid service occurs. Thus, a Faculty Member whose last day in paid status was March 10 of any year will have coverage through the month of April. Coverage for the dental plans and the vision plan begins and ends in the same

manner. An eligible faculty member shall be deemed to be in “paid status” during any summer and/or winter session so long as the faculty member is scheduled to return to paid status at the end of the summer and/or winter sessions.

Section 2. Dental Plans

The District will provide dental plans for all Full-Time Faculty Members and will continue to pay the monthly premium cost of the Faculty Member's coverage. If the Faculty Member selects the Delta Dental Plan or equivalent plan and elects to cover his/her eligible dependents by such plan, the Faculty Member will pay thirty percent (30%) of the cost of such dependent coverage and the District will pay seventy percent (70%) of such cost. If the Faculty Member selects the Delta Care Plan or equivalent plan and elects to cover the Faculty Member's eligible dependents by such plan, the District will pay the entire cost of the dependent coverage.

Section 3. Vision Plan

The District will provide vision service plan for Full-Time Faculty Members and will pay the entire monthly premium cost for the Faculty Member's coverage. If the Faculty Member elects to have his/her eligible dependents covered by the plan, the Faculty Member will pay thirty percent (30%) of the cost of such coverage and the District will pay seventy percent (70%) of the cost of such coverage.

Section 4. Life Insurance - AD&D

The District will provide life insurance and accidental death and dismemberment insurance plan. The District will pay for the cost of such coverage.

Section 5. Short-Term Disability Income Insurance

(a) The District will continue to make available to Full-Time Faculty Members a short-term disability income insurance plan. The Faculty Member who elects coverage by this plan shall pay the entire cost of such coverage.

(b) In 2011, Part-Time Faculty Members elected to participate in the state disability insurance plan (SDI). Participation in the plan by all Part-Time Faculty Members is mandatory. Employee payroll deductions will be made to cover the cost of participation.

Section 6. Compensation in Lieu of Dependent Insurance Benefits

The District will pay Four Hundred Twenty Dollars (\$420.00) at the end of each full year of completed service to each Full-Time Faculty Member not electing dependent medical, dental, and vision insurance coverage for such year. The Faculty Member may, pursuant to IRC regulations, use this sum for a tax-sheltered annuity contribution.

Section 7. Retiree Medical Insurance

(a) For employees retiring prior to July 1, 2011, the District will provide medical insurance only for any Full Time Faculty Member who retires pursuant to the regulations of the California State Teachers' Retirement System after reaching age fifty-five (55) under Article 19, Section 1, or Section 2, from the time of retirement until reaching age sixty-five (65) and provided the Faculty Member remains in retired status. With respect to employees retiring after June 30, 2011, the District will contribute toward the medical insurance premium the single-only rate specified under Article 17, Section 1 for any employee who has ten (10) years of service with the District and who retires after reaching age fifty-five (55). Regarding dependent coverage for retirees, the District will also make available to such a retiree medical insurance and dental insurance for eligible dependents with the cost of such coverage to be borne by the retiree, provided such option for dependent coverage is made when the retiree is first eligible.

(b) Effective July 1, 1996, and annually thereafter, per CalPERS regulations, the District shall offer to all eligible retirees sixty-five (65) years and older, the one-time opportunity to participate in the CalPERS medical plan. Retirees who choose not to participate in CalPERS when this one-time offer is made, relinquish all future rights to participate in CalPERS. The District shall contribute the minimum CalPERS premium payment for an eligible retiree who elects to participate. The retiree shall be responsible for the cost of the medical coverage equal to the difference between the District's minimum CalPERS premium payment and the total cost of the selected medical plan.

Section 8. Refund of Premiums

In the event there is a refund of insurance premiums paid, the refund shall be applied to the District's cost for the subsequent year.

Section 9. Voluntary Tax-Sheltered Annuities

A Full-Time Faculty Member may, subject to the provisions of the Internal Revenue Code, the California Revenue and Taxation code, and the Education Code, voluntarily elect to purchase a tax-sheltered annuity or annuities and enter into an amendment of his/her contract of employment for this purpose and effect a corresponding reduction in salary.

Section 10. Voluntary Employee Organization Insurance Plans

The District shall deduct monthly from a Faculty Member's earnings, where such deduction has been requested by the Faculty Member in a revocable written authorization, for payment of premiums for a group life or disability insurance plan available to the Faculty Member as a result of membership in any employee organization. The written authorization or revocation notice shall be on file with the District at least thirty (30) days in advance.

Section 11. Disability Coverage

Any Full-Time Faculty Member who has completed ten (10) or more years of service with the District and who is determined by the California State Teachers' Retirement System to be totally disabled and is awarded disability benefits by the California State Teachers' Retirement System, shall be eligible to continue medical coverage in the District's medical insurance plans available to Faculty Members with the cost of such coverage to be borne by the disabled individual. The disabled individual must elect to continue such coverage at the time District sponsored coverage would otherwise lapse. Such coverage will remain in effect, subject to the payment of the premium cost by such disabled individual, until the individual attains the age of sixty-five (65) or chooses at an earlier age to discontinue making payment.

Section 12. Insurance Benefits Committee

(a) The District has established an Insurance Benefits Committee comprised of representatives of all union-represented employee groups on campus, as well as employees representing other non-represented groups. The Federation agrees to continue its participation in this Committee. This Committee is authorized to review, study and recommend such changes as it deems appropriate in the health benefits (including medical, dental, and vision benefits) and changes, if any, in the sharing of costs for any such coverage between the District and its employees. Recommendations from the Insurance Benefits Committee may be provided to the

respective negotiation teams for the Federation and the District for their review and consideration; however, it is recognized that the ultimate responsibility to evaluate, provide and pay for health benefits is determined through the collective bargaining process.

(b) The District will provide \$20,000 to provide for reimbursement for Part-Time Faculty medical insurance premiums. This amount if not used in full in 2002, will be carried over to 2003. The \$20,000 contribution shall be made annually in future years, unless different terms are negotiated in future negotiations.

Section 13. Domestic Partners Benefits

1. The District shall provide medical and other benefits to domestic partners in accordance with the Domestic Partner Rights and Responsibilities Act of 2003 (DPRRA). California Education Code Section 297 provides that registered domestic partners shall have the same rights, protections, and benefits, and shall be subject to the same responsibilities and obligations, and duties under the law, whether they derive from statutes, administrative regulations, court rules, government policies, common law, or any other provisions or sources of law, as are granted and imposed upon spouses.

2. In order to be eligible for benefits, partners must register with the Secretary of State, State of California. In addition, the eligible employee and domestic partner must:

- (a) Be unmarried and not related to each other;
- (b) Have lived together for at least six months, sharing the common necessities of life and responsibility for each other's common welfare, including financial interdependence;
- (c) Be at least eighteen (18) years of age and competent to enter into a contract, or, in the case of persons of opposite sex, one or both persons must be over sixty-two (62) years of age.

3. An employee has sixty (60) days from the date of enrollment with the Secretary of State to complete the HBD12 Health Enrollment Form to enroll their domestic partner and eligible dependent children. Refer to Article 17 for further enrollment information.

4. To obtain coverage both employee and their partner must certify their eligibility by completing the District's Affidavit of Domestic Partnership Form.

ARTICLE 18 - PRE-RETIREMENT PROGRAM

Section 1. Purpose And Implementation

In accordance with State law, the District has established and will continue to implement a pre-retirement program so long as such a program is authorized by law. This program allows Full-Time Faculty Members approaching retirement to select a reduced work load program as set forth in this Article beginning at the start of the academic year for 10-month faculty and fiscal year for 12-month faculty.

Section 2. Eligibility

In order to participate in this program, a Faculty Member must meet the following conditions:

(a) The Faculty Member must have been employed by the District as a Faculty Member for at least ten (10) years, of which the immediate preceding five (5) years were full-time employment without a break in service. For the purposes of this Article, other Board approved leaves shall not constitute a break in service as defined by the State Teachers' Retirement System (STRS) or the Public Employees' Retirement System (PERS). The District will provide a Faculty Member on this program with the same benefits provided Full-Time Faculty Members as set forth in Article 17, Insurance Benefits. The District and the Faculty Member on the program shall agree to make contributions to the State Teachers' Retirement System or the Public Employees' Retirement System equal to the amount that would have been contributed if the Faculty Member had remained in full-time employment. The Faculty Member on the program shall authorize the District in writing to deduct from the Faculty Member's pay such amounts as are necessary to pay the Faculty Member's 100% retirement contribution.

(b) At the time the Faculty Member begins participating in the program, the Faculty Member must be at least fifty-five (55) years of age.

(c) The Faculty Member must agree to retire and terminate all services with the District at the conclusion of the pre-retirement program, which program will not exceed five (5) years.

(d) The Faculty Member must make application for participation in the program to the District by February 1 of the contract year preceding the contract year in which the program begins.

Section 3. Work Load And Compensation

A pre-retirement program for any eligible Faculty Member will require a reduction in the Faculty Member's normal assignment and will require a commensurate reduction in the yearly contract salary. The minimum part-time employment shall be the equivalent of one-half of the number of days of service required by the Faculty Member's yearly contract of employment during the last year of service in a full-time position. Work assignments for Faculty Members on the program will be made pursuant to the following rules:

(a) An Instructor employed on an academic year basis on the program may be assigned to teach, as a minimum:

- (1) 100% one semester and 0% the second semester.
- (2) 50% each semester, or
- (3) Any teaching assignment that will average 50% or more for two semesters of an academic year.

(b) A Nurse, Librarian, Counselor, Disabilities Specialist or Faculty Coordinator employed on an academic year basis or a Counselor or Faculty Coordinator employed on a fiscal year basis may be assigned to work, as a minimum any combination of work hours, days, and months in the yearly assignment excluding that year's pro rata vacation entitlement so as to equal at least a fifty percent (50%) work assignment. The participant will receive that percentage of the annual vacation entitlement for that year as the percentage of reduced assignment bears to a 100% assignment. The specific schedule shall be subject to prior agreement between the Dean of the Division and the Faculty Member who participates in the program to insure that peak periods of need are adequately covered.

Section 4. Maintenance Of Benefits

The District will provide a Faculty Member on this program with the same benefits provided Full-Time Faculty Members as set forth in Article 17, Insurance Benefits. The District and the Faculty Member on the program shall agree to make contributions to the State Teachers'

Retirement System or the Public Employees' Retirement System equal to the amount that would have been contributed if the Faculty Member had remained in full-time employment. The Faculty Member on the program shall authorize the District in writing to deduct from the Faculty Member's pay such amounts as are necessary to pay the Faculty Member's 100% retirement contribution.

Section 5. Sick Leave

The amount of sick leave earned by the Faculty Member on the program will vary directly to the percent of part-time employment -- that is, fifty percent (50%) employment will yield sick leave of fifty percent (50%) of ten (10) days or five (5) days of full-time sick leave, or ten (10) days of fifty percent (50%) of sick leave. A Faculty Member on the program who utilizes sick leave will have his/her earned sick leave reduced on the same basis as a Full-Time Faculty Member.

Section 6. Sabbatical Leave

A Faculty Member participating in the program is not eligible for sabbatical leave. A Faculty Member who has returned from sabbatical leave may participate in the program at any time after returning from such leave so long as the total fractional time employed by the District thereafter is equal to the required period of post-sabbatical leave service required by Article 13, Section 7.

Section 7. Winter/Summer Session

A Faculty Member participating in the program is not eligible for winter/summer session priority as provided in Article 9.

Section 8. Adoption And Revocation

A Faculty Member who elects to participate in the pre-retirement program shall be required to enter into an Agreement with the District respecting the terms and conditions of the Faculty Member's program, which agreement can be revoked only by mutual consent of the District and the Faculty Member.

ARTICLE 19 - RETIREMENT, DISABILITY, AND RESIGNATION

Section 1. Retirement

Faculty Members may elect to retire pursuant to the provisions of the State Teachers' Retirement System or the Public Employees' Retirement System and upon such retirement the Faculty Member's service with the District shall be considered terminated due to the Faculty Member's electing retirement.

Section 2. Disability

A Faculty Member who is determined to be disabled by the State Teachers' Retirement System or the Public Employees' Retirement System and who is approved for a disability allowance shall be considered upon such approval to be terminated due to disability.

Section 3. Retirement Contribution

Faculty Members are required to contribute to the California State Teachers' Retirement System or the Public Employees' Retirement System as provided by State Teachers' Retirement Law. The District will contribute such sums to the retirement system (STRS or PERS) as required by law.

Section 4. Resignation

The District shall accept a Faculty Member's voluntary resignation effective at the end of the academic year, fiscal year, or the end of the summer session, as the case may be, provided that the Faculty Member submits a written notice of such resignation to the Dean of the Division at the earliest opportunity but not later than June 1 of the year. The President or designee shall be empowered to accept in writing the resignation and shall waive the time when the resignation shall take effect, subject to approval by the Board of Trustees. Prior to Board approval, the Faculty Member may withdraw the resignation, subject to the agreement of the President or designee.

Section 5. Part-Time Faculty Members' Plan

Any Part-Time Faculty Member who has not elected to be covered pursuant to the California STRS plan, the Part-Time Faculty Member is required to participate in the STRS Cash Balance Plan. The Part-Time Faculty Member shall contribute four percent (4%) of pay to the

STRS Cash Balance Plan and the District shall contribute five percent (5%) of the Part-Time Faculty Member's pay to the STRS Cash Balance Plan.

For any Part-Time Faculty Member who has elected to be covered pursuant to the California STRS plan, the minimum standard hours for a Part-Time Faculty Member is five hundred twenty-five (525) hours per school year for lecture and seven hundred (700) hours per school year for lab. The minimum standard hours for a non-instructional Faculty Member, which includes but not limited to counselors, librarians, nurse practitioners, nurses, and clinical psychologists is one thousand four hundred (1400) per school year. The minimum hours for any creditable special assignments will be one thousand four hundred (1400) per school year.

ARTICLE 20 - PROCEDURES FOR FACULTY EVALUATION

The purpose of this Article is to improve instruction, counseling, and other educational services assigned by the District through the periodic evaluation of contract, regular, Part-Time, and Full-Time Temporary Faculty Members. All matters described in this section relating to tenure, dismissal of Contract (Probationary) Faculty Members, termination, and the evaluation process are intended to conform to the California Education Code. In this regard the District, the Federation and all bargaining members retain all rights provided in Sections 87608, et seq. of the California Education Code as such Code is amended from time to time.

Section 1. Evaluation Probationary Instructors

(a) Timeline

(1) Frequency

Each probationary Faculty Member will be evaluated during the first, second, third, fifth and seventh semesters. For probationary Faculty Members first hired in a Spring semester, this evaluation schedule will commence in the Fall of that same year. A probationary faculty member will be deemed to have completed the first, second, third, or fourth contract year as applicable if the faculty member provides service for 75% of the academic year. Time spent on paid or unpaid leave of absence may be included in computing service if the probationary faculty member serves sufficient time to allow for completion of the evaluation process as required by Article 20, Section 1.

(2) March 15 Notice of Non-Renewal

If the probationary Faculty Member's contract is not renewed for a second contract year, a notice of non-renewal (hereinafter referred to as a "March 15 notice") shall be provided by March 15 of the first contract year. Any March 15 notice will be approved by the Board of Trustees. The combined third and fourth year contract and the decision by the evaluation panel whether or not to recommend tenure, will be approved before March 15 of the fourth contract year. The March 15 notice shall be served personally or mailed via Certified Mail, Return Receipt Requested by the 15th of March.

(3) Awarding of Tenure

Upon satisfactory evaluation during the fifth semester, the evaluation panel will meet during the seventh semester to evaluate and recommend whether or not to grant tenure. If no March 15 notice is approved and issued, the contract will be deemed automatically renewed for the following academic year.

If recommended and approved, tenure will commence at the beginning of the ninth semester and the first evaluation after being granted permanent status shall be in the third year of tenure. A probationary Faculty Member may be granted tenure upon recommendation of the evaluation panel, the Superintendent/President, and approval by the Board of Trustees at the end of any contract year.

(b) Requirements

The evaluation will consist of (1) a self-evaluation, (2) student evaluations, (3) a peer evaluation, and (4) the evaluation by the Dean. The peer evaluation will include (1) a review of the student evaluations which will be administered by the Dean or Designee, (2) classroom or work site visitation by the evaluator and the Dean, and (3) a conference with the evaluatee. One or more of the peer members of the evaluation panel will be encouraged to provide collegial advice concerning the evaluation. Copies of the conference report will be provided to the evaluatee, Dean, and the appropriate Vice President who will forward a copy to the evaluatee's permanent personnel file.

(c) Panel

The purpose of this panel is to assess the teaching effectiveness of the evaluatee and other duties, including committee work, appropriate to a probationary Faculty Member as defined by this Document and to ascertain if the evaluatee's total performance is satisfactory, needs improvement, or is unsatisfactory. In the fall semester of the fourth contract year, the determination will be whether the evaluatee's overall rating for the seventh semester is "satisfactory" or "unsatisfactory." During the first and second year evaluations, the evaluation will be conducted by two regular Faculty Members, one of whom must be from the hiring committee, and the Dean, Associate Dean, or Director. Thereafter, the evaluation will be conducted by a Full-Time Faculty Member and the Dean, Associate Dean, or Director, as appropriate. The peer evaluator(s) will be chosen by the Dean from the evaluatee's discipline. In the event there is no regular Full-Time Faculty Member in the discipline to provide subject matter

expertise, the Dean may recruit an evaluator from a neighboring college. If the peer evaluator(s) is not acceptable to the evaluatee, the Dean and the senior representative of the Academic Senate from the Division will choose three names of Full-Time Faculty Members in the following priority of selection, first from the evaluatee's discipline, second from the evaluatee's department, and third from the Division. The evaluatee will then choose one to serve as the peer evaluator.

(d) Special Responsibilities

The hiring committee which recommended the hiring of the probationary Faculty Member shall set forth in writing those special responsibilities applicable to the position for which the probationary Faculty Member was employed and upon which the probationary Faculty Member shall be evaluated in addition to the responsibilities generally outlined in Appendix A, Position Description - Instructor. The Dean shall provide the probationary Faculty Member with a copy of such special responsibilities at the time of employment.

(e) Self-Evaluation

Each probationary Faculty Member shall complete a self-evaluation report on a standardized form and present copies to all panel members one (1) week before the evaluation meeting. In addition to this standardized report form, the probationary Faculty Member will provide:

- (1) Copies of course syllabi which include the probationary Faculty Member's classroom policies, grading procedures and course content timeline.
- (2) College committees on which the evaluatee is serving or has served since the last evaluation.

(f) Student Evaluation

A student survey shall be administered by the Dean or designee each semester of evaluation to all students of the Instructor. The Dean's designee shall not be the evaluatee. This survey shall be completed on a standardized form which has been designed and approved by the Evaluation Procedures Committee. Additional forms may be utilized by Divisions or departments, subject to approval of the Evaluation Procedures Committee. The questionnaire will be administered to all classes of the probationary Faculty Member during the seventh (7th) or eighth week of the semester. Exceptions may

be made for those courses that are less than one (1) semester in length, or when the evaluatee is not available for a substantial portion of the semester. The results of all surveys must be returned to the probationary Faculty Member one (1) week before the evaluation conference.

(g) Observation Schedule

All members of the evaluation panel are required to make at least one (1) classroom or other work-site observation, including on-line classrooms, with prior notice to the evaluatee, each semester of evaluation and complete a report prepared on a standardized form prepared by the Evaluation Procedures Committee. The Dean, Associate Dean, Director and members of the evaluation panel have the prerogative to make a classroom observation at any time.

(h) Evaluation Conference

An evaluation conference will be scheduled by the Dean, Associate Dean, or Director during each of the first, second, third, fifth and seventh semesters normally no later than the end of the fourteenth week of the semester.

(1) Prior to the evaluation conference, the Dean and the peer evaluators will meet to review and discuss their respective observations. At this meeting the observation and evaluation reports prepared by the Dean and the peer evaluator(s) will be summarized into one document without indicating the individual evaluator. This document will be referred to as the “Combined Peer/Dean Evaluation Report,” signed and dated by the Dean and the peer evaluators, and will be one of the documents attached to the “Conference Report for Faculty.” The purpose of the “Combined Peer/Dean Evaluation Report” and the “Conference Report for Faculty” is to focus on the evaluatee’s overall effectiveness as a faculty member, as opposed to comments submitted by individual evaluators on the panel.

(2) All members of the evaluation panel must be present when the Combined Peer/Dean Evaluation Report is presented to the evaluatee at the evaluation conference. This meeting will also include a discussion to confirm that the evaluatee was evaluated in accordance with this article. The evaluation

conference report will include, but will not be limited to, the items listed in the evaluatee's self-evaluation report, the student evaluation, and the Combined Peer/Dean Evaluation Report. The basis upon which any "needs improvement" or "unsatisfactory" comments are made will be discussed and assessed at such conference. A short continuance of the conference will be granted if the evaluatee needs additional time to respond to items raised at the conference. At the evaluatee's request, a Federation representative may attend the conference. However, a scheduled conference will not be postponed more than five (5) work days to accommodate attendance of a Federation representative.

(i) Conference Report for Faculty

(1) The Dean will submit the Conference Report for Faculty which is comprised of Combined Peer/Dean Evaluation Report, the self-evaluation report, and the student survey results, if available, to any evaluatee with an overall evaluation of "needs improvement" or "unsatisfactory" within seven (7) work days following the evaluation conference. Overall "satisfactory" Conference Reports will be submitted within fourteen (14) work days. The Conference Report shall not include any items of a derogatory nature respecting the evaluatee unless such items have been discussed at the evaluation conference and the evaluatee is given an opportunity to respond to such items. All reports will reflect the evaluation conference discussions. A majority of the panel must concur in recommending an overall rating of "satisfactory," "needs improvement," or "unsatisfactory." If the Dean and the evaluator(s) in the third or fourth year cannot agree on the overall rating, resulting in a tied vote, then these two individuals will select a third evaluator.

(2) If a probationary Faculty Member is judged to have an overall rating of "satisfactory," the next evaluation will occur during the second, third, fifth and seventh semesters. Should the overall evaluations in subsequent semesters be less than "satisfactory," then the following procedures will apply.

(3) If a probationary Faculty Member is judged to have an overall rating of "needs improvement" or "unsatisfactory," specific reasons must be itemized in the "Combined Peer/Dean Evaluation Report" that will guide the probationary

Faculty Member in improving. The report shall not include any items of a derogatory nature respecting the evaluatee unless such items have been discussed at the evaluation conference and the evaluatee is given an opportunity to respond to such items. If the probationary Faculty Member or any member of the panel does not concur with the report, such individual(s) may submit a written and signed statement of dissent, which statement shall include the reasons for the disagreement.

(4) A copy of the Conference Report will also be submitted to the Vice President - Academic Affairs, and/or the appropriate Vice President. In addition, the evaluatee and any member of the panel may submit a written signed statement expressing a dissenting opinion with reasons for the disagreement within seven (7) work days. All evaluation materials will be forwarded by the Vice President to Human Resources for inclusion in the employee personnel file.

(5) If a probationary Faculty Member is given an overall evaluation rating of "needs improvement" or "unsatisfactory," the probationary Faculty Member will not be eligible for summer school, overload or any assignment beyond a regular load.

(j) Procedure For Overall "Needs Improvement" Rating

(1) If the first-year probationary Faculty Member is identified with an overall evaluation of "needs improvement," the panel and the evaluatee will develop recommendations for the probationary Faculty Member to improve his/her effectiveness. The panel is encouraged to provide collegial advice for improving performance to the probationary Faculty Member. The panel must conduct classroom or other appropriate observations of the probationary Faculty Member, administer student surveys as appropriate, hold conferences with the probationary Faculty Member, and may require the probationary Faculty Member to present other materials such as student records and tests. On the basis of the above, an overall rating of either "satisfactory" "needs improvement," or "unsatisfactory" will be assigned by the end of the fall semester of the second year. If the

probationary Faculty Member is assigned an overall rating of "unsatisfactory" at the end of the fall semester of the second year, a March 15 notice will be issued.

(2) If the second-year or third-year probationary Faculty Member is identified with an overall evaluation "needs improvement" at the end of the fall semester of either the second year or third year, the panel and the evaluatee will develop recommendations for the probationary Faculty Member to improve his/her effectiveness. The panel will evaluate and continue to work with the probationary Faculty Member each semester through the fall semester of the fourth year, unless the panel determines that additional evaluation is not necessary. Before the end of the fall semester of the fourth year, the panel will determine whether the overall evaluation for the fall semester of the fourth year is "satisfactory" or "unsatisfactory." It is agreed that the last evaluation for the probationary Faculty Member will occur in the fall semester of the fourth year. An overall "satisfactory" evaluation for the fall semester of the fourth year will result in a recommendation on the evaluation form for granting tenure. However, an overall rating of "unsatisfactory" for the fall semester of the fourth year will result in a recommendation on the evaluation form for a March 15 notice to the Superintendent/President, who shall then determine if the recommendation for non-renewal will be forwarded to the Board of Trustees for their review and consideration.

(k) Procedure For Overall "Unsatisfactory" Rating

If the first, second, or fourth year probationary Faculty Member's evaluation for the fall semester of that year is identified with an overall evaluation of "unsatisfactory," a March 15 notice will be recommended by the panel to the Superintendent/President, who shall then determine if the recommendation for non-renewal will be forwarded to the Board of Trustees for their review and consideration. If approved by the Board of Trustees, the notice of non-renewal shall be served personally or mailed via Certified Mail, Return Receipt Requested.

(l) If a March 15 Notice is issued to a probationary Faculty Member, then the following procedures will apply:

(1) A first or second year probationary Faculty Member may file a grievance per the formal complaint procedures of Section 4, Article 22, within ten (10) working days of receipt of the so-called “March 15 Notice.” If the grievance is not resolved at Section 4, then the Federation shall give written notice to the President of its desire to arbitrate the grievance under the provisions of Section 12 within 30 calendar days following receipt of the written reply from the dean under Section 4. It is understood that with respect to first or second year probationary Faculty Member, the jurisdiction of the arbitrator will be limited to determine whether or not the procedures under this article for evaluating the first or second year probationary Faculty Member have been followed and, if not, what is the appropriate remedy?

(2) A fourth year probationary Faculty Member may file a grievance per the formal complaint procedures of Section 4, Article 22, within ten (10) working days of receipt of the so-called “March 15 Notice.” If the grievance is not resolved at Section 4, then the Federation shall give written notice to the President of its desire to arbitrate the grievance under the provisions of Section 12 within 30 calendar days following receipt of the written reply from the dean under Section 4. It is understood that with respect a fourth year probationary Faculty Member, the jurisdiction of the arbitrator will be limited to determine (1) whether or not the procedures under this article for evaluating the fourth year probationary Faculty Member have been followed and, if not, what is the appropriate remedy, and (2) whether with respect to the decision not to grant tenure, that the denial of tenure would be deemed to be unreasonable to a reasonable person, and if deemed to be unreasonable, what is the appropriate remedy, recognizing that only the Board of Trustees and not the arbitrator has the power or authority to convey tenure on the fourth year probationary Faculty Member.

(m) Full-Time Temporary Instructors

Full-time Temporary Instructors will be evaluated as provided in Section 1, subsections (a-k), with the understanding that a Faculty Member can serve in this capacity only two (2) semesters out of any consecutive six (6). If, however, a Full-Time Temporary Instructor is selected as a contract Instructor in the year following the full-

time temporary assignment, that Instructor will be evaluated during the third, fifth and seventh semesters as specified above.

Section 2. Evaluation Of Regular (Permanent) Tenured Instructors

(a) Timeline

Tenured Faculty Members will be evaluated every three (3) years. They may also be subject to the evaluation process for cause at a time other than the normal evaluation rotation schedule, subject to the approval of the appropriate Vice President and provided that at least one (1) semester has passed since the last evaluation for which the Regular Faculty Member received an overall rating of satisfactory. Faculty whose retirement/resignation will occur in the year of a scheduled evaluation will be exempt from the formal evaluation process.

(b) Postponement

After the announcement of evaluatees for the semester but before the process of evaluation has begun, a regular (permanent) tenured Faculty Member may request a postponement due to hardship or personal catastrophic circumstances which would adversely affect that semester's evaluation. With the approval of the Dean/Supervisor, the evaluation of that Faculty Member will be postponed until the next semester. If, due to hardship or personal catastrophic circumstances, the Faculty Member requests a postponement after the evaluation process has begun, the evaluation procedure may be suspended with the permission of the Dean and be recommenced the next semester. An overall rating will not be given during the semester when the evaluation process was suspended; however, materials gathered during that evaluation may be used by the evaluator and the Dean when the process is resumed. The postponement or suspension of the evaluation process will not exceed one (1) semester from the original announcement of the evaluation.

(c) Requirements

The evaluation will consist of (1) a self-evaluation, (2) a student evaluation, and (3) a peer evaluation. The peer evaluation will include (1) a review of the student evaluations which will be administered by the Dean or a designee, (2) two or more classroom or worksite visitation by the evaluator and, where appropriate, the Dean, and (3) a conference with the evaluatee. Copies of the conference report will be provided to the evaluatee, the Dean, and to the Vice President who will forward a copy to the evaluatee's permanent personnel file.

(d) Panel

The evaluation will be conducted by a Full-Time Faculty Member chosen by the Dean from the evaluatee's discipline who will be responsible for writing the conference report and for submitting all evaluation materials to the Dean's office, if the Dean is not a member of the evaluation panel. If the peer evaluator is not acceptable to the evaluatee, the Dean and the senior representative from the Academic Senate from the Division will choose three (3) names of Full-Time Faculty Members as described in Section 1(c). The evaluatee will then choose one (1) or more to serve as the peer evaluator. The evaluatee or the evaluator may also request that the Dean participate in the evaluation, or the Dean, at his/her option, may do so. This would be in the capacity of an additional evaluator. The purpose of this panel is to assess the teaching effectiveness of the evaluatee and other duties, including committee work, appropriate to a tenured Faculty Member as defined by this Agreement and to ascertain if the evaluatee's overall performance is "satisfactory," "needs improvement," or is "unsatisfactory."

(e) Evaluation Procedures

The evaluation procedures shall include the same as those set forth in Section 1(a)-(k) of this article. However, if a Faculty Member is assigned an overall "needs improvement" or "unsatisfactory" and there are no tenured faculty in the discipline, the evaluation committee will first attempt to identify qualified Full-Time Instructors from other local community colleges to augment the committee. If none are available, the committee will propose three (3) names from the community, and the District and the evaluatee will agree on one (1). If no agreement can be reached, names will be stricken from the list alternately with the first strike being determined by a coin toss. The function of this person will be to provide technical expertise to the rating panel

(f) “Procedure For Overall "In Need of Improvement” Rating

If the Faculty Member is assigned an overall rating of “Needs Improvement” under the provisions of Section 2(d), the panel and the evaluatee will develop recommendations for the Faculty Member to improve his/her effectiveness. The Dean and the evaluating faculty member will be encouraged to work with the Faculty Member during the subsequent semester. The evaluator must conduct classroom or other appropriate observations of the Faculty Member, administer student surveys as appropriate, hold conferences with the Faculty Member, and may require the Faculty Member to present other materials, such as student records and tests. The Faculty Member will be re-evaluated the semester following the “Needs Improvement” rating.

Failure of the Faculty Member to show improvement will result in an “Unsatisfactory” rating and the procedures described in Section 2(h) shall be implemented.

(g) Procedure For Overall “Unsatisfactory” Rating

. If the Faculty Member is assigned an overall rating of "unsatisfactory" under the provisions of Section 1(i), an evaluation team will be selected. The team shall include the appropriate Vice President, who shall chair the team, the Dean of the Division, four (4) regular Faculty Members, and if requested by either the Dean or the evaluatee, a non-voting affirmative action representative. Two (2) of the regular Faculty Members shall be appointed by the President of the Academic Senate from the Faculty Member's Division and two (2) by the President of the Federation from the faculty at large. The team members may observe the Faculty Member as many times as is necessary, conduct any type of student and/or peer survey that may be helpful in analyzing the Faculty Member's performance, and may hold conferences with the Faculty Member for the purpose of discussing their findings and recommendations.

(h) Written Report

The evaluation team shall prepare a written report with recommendations, which report will be signed by the Faculty Member and by each member of the evaluation team. The appropriate Vice President may assign the drafting of the report to a member of the team. If the evaluation team concludes that the Faculty Member has made the necessary improvement, the evaluation will be determined to be "satisfactory." If at least four (4) members of the evaluation team conclude that the Faculty Member has not made sufficient improvement, the committee shall recommend to the President that the regular Faculty Member be suspended or dismissed. A tie vote will mean that the Faculty Member will be retained. A full report shall be prepared and submitted to the President in support of the recommendation. This report must be submitted at least fifteen (15) working days prior to March 15. If the Faculty Member or any member of the team does not concur with the report, such individual may submit a written, signed statement on the dissenting opinion, which statement shall include the reason for the disagreement.

(i) Restrictions Relating To An Overall "In Need of Improvement" or "Unsatisfactory Rating"

If a regular Faculty Member receives an overall evaluation of "in need of improvement" or "unsatisfactory," that Faculty Member will not be eligible for sabbatical leave unless and until the Faculty Member has determined to be "satisfactory," except that the District may approve a

sabbatical leave for such Faculty Member if it determines that a sabbatical leave would assist the Faculty Member in obtaining a "satisfactory" evaluation. In addition, the Faculty Member will not be eligible for summer school, overload, or assignment beyond a regular load.

Section 3. Part-Time Faculty Members Evaluation Process

(a) Timeline

Part-Time Faculty Members shall be evaluated during the first semester of employment and at least once during the next three (3) semesters of employment. Thereafter, the Part-Time Faculty Member will be evaluated at least once every three (3) years providing that a break of service of over one (1) year does not occur.

(b) Requirements

The evaluation will consist of (1) a self-evaluation, (2) student evaluations, and (3) a peer evaluation. The peer evaluation will include (1) review of the student evaluation which will be administered by the Dean or Designee; (2) classroom visitation by the evaluator, and where appropriate, the Dean, Associate Dean, or Director; (3) a conference with the evaluatee; and (4) copies of the conference report to the evaluatee, Dean, and the evaluatee's permanent personnel file. The Dean, Associate Dean, or Director may participate in classroom observation and/or the evaluation process. No Full-Time Faculty Member other than administrative interns or faculty coordinators shall be required to evaluate more than two (2) Part-Time Faculty Members during any academic semester. This is designed to be a maximum and not a required minimum. Faculty Members may choose to do more than two (2) evaluations. Deans shall make every effort to rotate equitably evaluation assignments.

(c) Evaluation Process

The evaluation will be conducted by one-Full-Time Faculty Members chosen by the Dean from the evaluatee's discipline to the extent they are available. Deans may serve as the Full-Time Faculty Member. The purpose is to assess the teaching effectiveness and other duties appropriate to the Part-Time Faculty Member, and to ascertain if the Part-Time Faculty Member's overall performance is "satisfactory," "needs improvement," or "unsatisfactory."

(d) Self-Evaluation

Each part-time faculty member shall complete a self-evaluation report on a standardized form and present copies to all panel members one week before the evaluation meeting. In addition to this standardized report from, the part-time faculty member will provide:

- (1) Copies of course syllabi, which include the part-time faculty member's classroom policies, grading procedures, and course content timeline.

(e) Student Evaluation

A student survey shall be administered by the Dean or designee each semester of evaluation to all students of the Instructor. Additional forms may be utilized by Divisions or departments, subject to approval of the Evaluation Procedures Committee. The questionnaire will be administered to at least one class, during mid-semester, typically the seventh or eighth week of the semester. The results of all surveys must be returned to the part-time faculty member one week before the evaluation conference.

(f) Observation Schedule

The evaluators are required to make at least one classroom or other work-site observation, including online courses, with prior notice to the evaluatee, and complete the standardized evaluation form. The Dean, Associate Dean, Director, and evaluators have the prerogative to make a classroom observation at any time.

(g) Evaluation Conference

If the overall evaluation is less than "satisfactory," an evaluation conference will be scheduled by the evaluator before the end of the semester to meet and discuss the Evaluation Report. An evaluation conference may also be scheduled at the request of either the evaluator or the evaluatee.

- (1) The basis upon which any "needs improvement" or "unsatisfactory" comments are made will be discussed and assessed at the evaluation conference.

(h) Evaluation Report

- (1) The evaluator will submit the Evaluation Report to the division by the end of the semester.

- (2) If the evaluatee receives an overall evaluation rating of "unsatisfactory," the part-time faculty member will not be eligible for future employment with the College. An

overall evaluation of “needs improvement” may result in a decision not to reemploy the part-time faculty member.

(3) All records and reports of the evaluation procedure will be retained by the District in the part-time faculty member’s personnel file.

(i) Part-Time Faculty Members Other Than Instructors

Evaluation of part-time faculty members who are not instructors shall generally follow the procedures set forth in Section (a)-(i) of Section 3 as appropriate. If the student and peer evaluation procedures set forth in Section 3 are deemed inappropriate, alternative procedures will be established by the Faculty Member(s) in a particular position and the responsible administrator.

Section 4. Faculty Members Other Than Instructors

Evaluation of Faculty Members (whether Full-Time or Part-Time) who are not instructors shall generally follow the procedures set forth in Sections 1, 2, or 3 as appropriate. If the student and peer evaluation procedures set forth in Sections 1, 2, or 3 are deemed inappropriate, alternative procedures will be established by the Faculty Member(s) in a particular position and the responsible administrator. Such procedures shall be submitted to the Evaluation Procedures Committee for approval. In the event that agreement on procedures is not reached between the Faculty Member(s) and the responsible administrator by the end of the fourth week of the semester, the Evaluation Procedures Committee shall determine the procedure to be utilized in time for the evaluation to proceed. In the event of a tie vote by the committee, the Vice President - Academic Affairs, or appropriate Vice President, shall cast the deciding vote. Once procedures have been established in any given Division or department, the procedures will carry over from one semester to the next semester and from year to year unless either the concerned Faculty Member(s) or the concerned administrator desires a change, in which event the method described in this section will be utilized.

Section 5. Evaluation Procedures Committee

An Evaluation Procedures Committee of three (3) persons, one (1) appointed by the District, one (1) appointed by the President of the Academic Senate, and one (1) appointed by the Federation, will evaluate the effectiveness of these procedures and make recommendations to the District and the Federation for any change. This committee has the responsibility of preparing

and revising, as necessary, all standardized surveys and report forms to be used in the evaluation process and for the design and approval of the student surveys, which vary by department/Division/work site. Student survey forms should be submitted to the committee to be kept on file and the committee should be notified of any changes or updates in the student survey forms. All report forms prepared by the Evaluation Procedures Committee must be approved by the Academic Senate Council. From time to time this Committee may, with the approval of the Academic Senate Council, change the report forms or make other appropriate changes in the evaluation procedures consistent with the Article.

Section 6 Online Instruction

When faculty are evaluated in online instruction, the following procedures should be observed:

(1) Whenever practicable, the peer evaluators should be faculty with experience in teaching online courses and with expertise in the subject matter.

(2) For online classes, the panel in consultation with the evaluatee will determine a timeframe to observe live chat rooms, class emails, discussion boards and/or instructional materials to meet the requirement of “classroom or other work site observation.”

(3) When making arrangements for the evaluation, the evaluatee will provide the panel with visitor's log-in identification, appropriate password, and any hard-copy course materials, such as the syllabus or orientation information.

(4) In reviewing online courses, the panel will focus on determining whether the course uses appropriate technology and methods of online instruction to meet the needs of students consistent with the maintenance of quality education; whether the instructor engages in and regularly initiates effective communication with students; and whether the Online course is well-organized and easy to navigate.

(5) In regards to the student evaluation of faculty performance, the District will upload a link to the survey into the evaluatee's online course in the ECC course management system and notify students about the survey and the timeframe in which it needs to be completed.

(6) An unsatisfactory performance in teaching an online course does not constitute an independent basis for an overall rating of "unsatisfactory," but may preclude the faculty

member from further assignment to an online course. When the faculty member's deficiency is solely related to the unique nature of online teaching, the District will not rely on such documentation in connection with future evaluations if that faculty member is no longer teaching online.

Section 7. General

(a) Where appropriate, a Director, or Faculty Coordinator, when assigned by the Vice President - Academic Affairs; or Vice President - Student Services; or the Division Dean, will perform the duties of the Dean as provided in this Article. (b) All records and reports of the evaluation procedure will be retained by the District in the Faculty Member's personnel file and such reports and records may be utilized in any proceeding subject to the provisions of the Education Code.

(c) A Faculty Member who received an overall rating of "needs improvement" or "unsatisfactory" has the right to file a grievance on either one of two bases: (1) the evaluation is alleged to be unreasonable; or (2) improper procedures are alleged to have been followed. Any grievance filed must be accompanied by specific reasons as to how the evaluation is alleged to be unreasonable or how the procedures are alleged not to have been followed.

(d) Regular El Camino College faculty will participate in Compton Center faculty evaluations and regular Compton Center faculty may participate in regular El Camino College faculty evaluations.

The Dean will promptly schedule a meeting with the grievant to review and discuss the Level 2 Grievance. Such meeting will be scheduled to take place no later than five (5) working days from the date the written Level 2 Grievance is received by the Dean.

(c) The Dean will provide the grievant with a written reply to the Level 2 Grievance, either hand delivered or by U. S. mail within ten (10) working days following the date of the meeting. Such reply will terminate this Level 2 Grievance procedure.

Section 5. Mediation

Any grievance that is not resolved through the Level 2 Grievance process may be pursued by the Faculty Member within ten (10) working days of the Dean's response in accordance with the following procedure:

(a) The Faculty Member shall notify the President of the Federation and the Vice President of Human Resources in writing of the referral of the grievance to Mediation. Such notification shall be accompanied by copies of the grievance and reply.

(b) (1) The Office of Human Resources will promptly, within five (5) working days, notify the office of the State Mediation and Conciliation Service of the need for the appointment of a State Mediator. This notification will copy both the grievant and the office of the Federation.

(2) The mediation conference will be held at the College and scheduled at a mutually convenient time per Section 8 of this Article.

(c) The parties shall make a good-faith effort to resolve the issues identified in the grievance through the use of the State Mediator who will assist the parties in their efforts to achieve a mutually satisfactory resolution of the grievance. The State Mediator shall not issue any public statement of fact or opinion concerning the issues or positions under discussion. Similarly, in no instance shall the form or matter of these discussions, including settlement statements, positions, offers, or proposals made during the mediation process be revealed

publicly by the parties nor referred to or introduced in any subsequent proceedings except with the written permission of the parties directly involved.

(d) The mediation conference shall be informal in nature. There shall be no formal rules of evidence. No transcript of the conference, written or verbal, shall be made. Any additional ground rules pertaining to the conduct of the conference shall be agreed upon by the parties. The State Mediator shall attempt to assure that all pertinent and relevant facts, considerations, and concerns are revealed by the parties. The State Mediator shall have the authority to meet with the parties separately and in confidence (caucus), but will have no authority to compel a resolution of the grievance. Any of the parties may request the attendance of one or two other persons of his/her choice in order to provide assistance or support for that party. Witnesses may also be called by the parties, with the permission of the State Mediator in order to clarify the facts involved in the grievance.

(e) If a satisfactory resolution of the grievance is achieved during the mediation conference, the parties shall sign a written statement to that effect and thus waive the right of the parties to any further appeal of the grievance, unless the terms and conditions of the agreement are not adhered to. It is understood that a Federation representative has the right to attend the mediation conference.

(f) If a satisfactory resolution is not achieved during the mediation conference:

(1) For grievances involving alleged violation or misapplication of the Policy of the District, the process shall conclude at this point.

(2) For all other grievances, the arbitration process is available subject to the provisions in Section 12 (Arbitration) of this Article.

Section 6. Timely Statement

If a grievance is not processed by the Faculty Member in accordance with the time limits set forth in the Article, the grievance shall be considered settled on the basis of the decision made per the Level 2 Grievance. If the District fails to respond to the grievance within the time limits set forth in this Article, the grievance shall be considered settled on the assumption that the remedy being sought by the Faculty Member is acceptable to the District. The time limits specified in the Article are intended to be maximum limits and every effort should be made to expedite the settlement process. However, the time limits set forth in the Article may be

extended by written mutual agreement between the District and the Faculty Member or the District and the Federation, as the case may be, provided that the time limits shall be extended if any party to the grievance is incapacitated by virtue of causes beyond that party's control. Time limits will be tolled during non-instructional periods. The participants in a meeting or conference may agree in writing to adjourning and convening at a more convenient time and date.

Section 7. Federation Representation

The Faculty Member shall be entitled to Federation representation throughout Level 1, Level 2, and Mediation. If the Faculty Member desires such representation, the Federation shall inform the Dean, or Vice President, as the case may be, of the person selected by the Federation in order that the meeting or conference can be scheduled so as not to conflict with assigned duties. Similarly, the District may invite an additional management employee to be present at all meetings and conferences. The District and the Federation may also designate a substitute for the person identified as the responsible District and Federation representative in this Article; however, that substitute must possess the authority to resolve the dispute.

Section 8. Scheduling

All meetings and conferences will be held during the normal business day and shall be scheduled, where possible, by the Dean, State Mediator, or Vice President at hours that do not conflict with the assigned duties of the Faculty Member(s) involved. In the event that the Dean, State Mediator, or Vice President schedules a meeting or conference which conflicts with the assigned duties of the affected Faculty Member(s), the Faculty Member(s) will not suffer any loss of pay as a result of attending such meeting or conference.

Section 9. Federation Grievance

If the Federation has a grievance concerning the application of the provisions of the Agreement or Policy of the District, it shall provide the grievance to the Vice President of Human Resources within ten (10) working days from the date the Federation discovered or could have discovered the facts giving rise to the grievance. The Federation shall comply with the requirements set forth in this Article commencing with Section 3.

Section 10. Multi Party Grievance

If a group of Faculty Members has the same or similar grievance, one Faculty Member may file the grievance on that Faculty Member's own behalf as well as on the behalf of the other Faculty Members similarly situated. The Faculty Member who files such a class or group grievance shall first obtain the signatures of all the Faculty Members in the class or group who thereby authorize and give their specific approval for the Faculty Member to process the grievance on their behalf. Since all signatories shall be considered parties to the grievance and any settlement that is reached, all of the Faculty Members shall be consulted by the Faculty Member pursuing the grievance prior to the final approval of any agreement.

Section 11. Initial Salary Placement

A Faculty Member who has a grievance concerning initial placement on the salary schedule shall first discuss the issue with the Vice President of Human Resources, commencing with Section 3 of this Article, within sixty (60) days from the beginning of employment, fiscal year or academic year, as the case may be.

Section 12. Arbitration

Grievances that are not resolved pursuant to this Article and which the Federation, in its sole discretion and exclusive right, desires to pursue further, shall be submitted for arbitration as provided by this Section. The Federation shall give written notice to the President, with a copy to the Vice President of Human Resources, of its desire to arbitrate the grievance within thirty (30) working days following conclusion of the mediation conference (Section 5). Failure to file such a request within these time limits shall terminate this process. The only matters that are subject to arbitration are those which constitute grievances and have been processed in accordance with the previous sections of this Article. Any matter that is excluded under Section 2 of this Article is also not subject to arbitration.

(a) The parties shall agree on an arbitrator no later than ten (10) working days following the District's receipt of the Federation's written notice desiring arbitration of the grievance. If no agreement is reached between the parties within that period, they shall jointly request that the State Mediation and Conciliation Service supply a panel of seven (7) names of

potential arbitrators who are members of the National Academy of Arbitrators. The parties shall then alternately strike names of the modified panel list until one name remains. The party who strikes the first name shall be determined by the flip of a coin.

(b) The function and purpose of the arbitrator is to resolve the disputed interpretation of the terms actually found in this Agreement. Such resolution shall be based on the disputed facts upon which the application of the provisions of this Agreement depend and considering the intent of the parties when such provisions were agreed upon. The arbitrator shall have no authority to alter, amend, add to, or subtract from the terms, conditions, or provisions of this Agreement, and shall determine only whether or not there has been a violation of such terms, conditions, or provisions as alleged in the grievance and what the appropriate remedy will be.

(c) The decision of the arbitrator as limited herein shall be final and binding upon the parties to the dispute. No decision rendered by the arbitrator shall be retroactive beyond the occurrence of the event giving rise to the grievance.

(d) The fees and expenses of the arbitration, including a reporter's transcript if the arbitrator determines that a transcript is desirable, shall be paid equally by the parties. If the arbitrator determines that a reporter's transcript is not desirable, the party ordering the transcript shall pay the cost. Each party shall bear the expense of preparing for and presenting its own case, except that the District shall grant released time without loss of compensation to the grievant(s) and a representative of the Federation at the arbitration hearing. Hearings will be scheduled, if possible, on District premises.

Section 13. Confidentiality

All supporting documents, communications, and records dealing with the processing of a grievance, mediation, and arbitration shall be considered confidential and filed separately from the personnel file of the parties involved, and shall not be utilized in any evaluation or in providing any employment reference or recommendation without the written consent of the parties.

Section 14. Prohibited Behavior

(a) All employees of the District are expected and required to conduct themselves in a manner which is appropriate to an academic environment and are not to engage in any

prohibited behavior – that is, behavior which is demeaning, offensive, intimidating, or physically threatening to any other employee in the college community.

(b) A personal complaint against Prohibited Behavior does not constitute a grievance as defined in this Article and such an allegation may not be used as the sole basis for a grievance; however, it may be cited as an aggravating factor to a grievance.

(c) The District has policies respecting sexual harassment and discriminatory harassment, which policies are the exclusive procedures for allegations of such conduct. Personal complaints pursuant to this Section involve allegations of prohibited behavior which are not of such a nature as to invoke the established procedures of the sexual and/or discriminatory harassment policies.

(d) If a Faculty Member has a complaint against another Faculty Member or a classified employee of the District that such person has engaged in such prohibited behavior, the Faculty Member shall discuss the matter with the appropriate Dean within ten (10) working days. The Dean is responsible for promptly investigating the matter and taking appropriate action concerning the matter. If either Faculty Member is still not satisfied, the Faculty Member may, within thirty (30) working days of the proposed resolution, meet with the Federation President and the Vice President of Human Resources, or their designees in an attempt to resolve the complaint.

(e) If the Faculty Member's complaint pertains to a Dean or other member of management, the Faculty Member may discuss the matter with the appropriate Vice President, and/or may file a complaint in writing with the Vice President of Human Resources and the President of the Federation within thirty (30) working days of when the complaint arose. A meeting will be scheduled within thirty (30) working days with the Federation President and the Vice President of Human Resources, or their designees in an attempt to resolve the complaint.

(f) It is not prohibited behavior for a Dean to admonish, either verbally or in writing, a Faculty Member due to the Faculty Member's performance (or non-performance) of the Faculty Member's duties and to warn the Faculty Member that continuation of the Faculty Member's conduct may result in disciplinary or other adverse action against the Faculty Member, so long as such statements by the Dean are made in a professional manner.

ARTICLE 23 - WORK STOPPAGE

Apart from, and in addition to, existing legal restrictions upon work stoppages, the Federation hereby agrees that neither it nor its officers or authorized agents or representatives shall incite, encourage, or participate in any strike or refusal to perform services as provided in this Agreement, or other work stoppage of any nature whatsoever, or any picketing of District premises, except for picketing that is solely informational in nature, during the life of this Agreement for any cause or dispute whatsoever or wheresoever located, including but not limited to disputes which are subject to the Dispute Resolution Procedures, Article 22, disputes which are specifically not subject to the grievance and arbitration provisions of Article 22, disputes concerning matters not mentioned in this Agreement, disputes contending that the District has committed unfair practices, and disputes with other labor organizations, persons or employers, or jurisdictional disputes. In the event of any strike or refusal to perform services as provided in this Agreement, or other work stoppage of any nature whatsoever or threat thereof, or any picketing of District premises except for picketing that is solely informational in nature, the Federation and its officers will do everything within their power to end or avert the same.

Any Faculty Member authorizing, or engaging in, or participating in, or encouraging, or sanctioning, or recognizing or assisting in any strike, or refusal to perform services as provided by this Agreement, or any work stoppage, or other concerted interference with District operations in violation of this Article, or refusing to perform duly assigned services in violation of this Article, shall not receive compensation for any period of time during which the Faculty Member was assigned but failed to perform the required services to the District, and any such Faculty Member may be subject to dismissal or suspension (subject to the provisions of the Education Code), or may be subject to other disciplinary action. Such disciplinary action may include denial of eligibility for a period not to exceed one (1) year of benefits or privileges provided by this Agreement and not otherwise required by the Education Code. APPENDIX B

Teaching Load

I. General

The normal teaching load (based on the El Camino College traditional eighteen week semester) shall be fifteen (15) lecture hours or equivalent, twenty (20), twenty-one (21), or twenty-two (22) laboratory hours or equivalent, plus or minus one lecture hour or equivalent laboratory hours. A teaching load exceeding sixteen (16) lecture hours, or equivalent, shall be compensated at the overload hourly rate for load in excess of fifteen (15) lecture hours, or equivalent, or may be balanced without additional compensation within the following semester thereafter subject to approval of the District. A teaching assignment of less than fourteen (14) lecture hours, or equivalent, shall be balanced the following semester or as soon as possible thereafter subject to approval of the District, or may be equated by special assignment as provided in Part IV of this policy.

II. Definition and Calculation of Teaching Load

A. The Dean shall determine combinations of courses falling within the range of 15 plus or minus one lecture or equivalent (93.33% to 106.67% inclusive). Such load will be considered normal, and no balancing or overload pay will be required.

B. Loads falling at the same extreme end of the load-range should not be assigned in successive semesters, except:

1. In departments where the 15 lecture hour load is not easily attainable and where loads over consecutive semesters near the extremes of the range are desirable for good instruction.

2. Where the Instructor requests to teach, over consecutive semesters, a combination of courses which falls at the upper end of the range.

C. Load shall be calculated by the percentage method as follows:

$$\frac{\text{hrs. lecture}}{15} + \frac{\text{hrs. lab}}{20 \text{ or } 21 \text{ or } 22} \times (100\%) = \% \text{ load}$$

Example: If an Instructor teaches 12 hours lecture, 6 hour laboratory, his load would be:

$$\frac{\underline{12 \text{ hrs. lecture}}}{15} + \frac{\underline{6 \text{ hrs. lab}}}{22} \times (100\%) = 107.27\%$$

$$\frac{\underline{12 \text{ hrs. lecture}}}{15} + \frac{\underline{6 \text{ hrs. lab}}}{21} \times (100\%) = 108.57\%$$

$$\frac{\underline{12 \text{ hrs. lecture}}}{15} + \frac{\underline{6 \text{ hrs. lab}}}{20} \times (100\%) = 110.00\%$$

III. Overloads and Underloads

A. Overloads are loads greater than 16 lecture hours or equivalent (greater than 106.67%) Underloads are loads less than 14 lecture hours or equivalent (less than 93.33%)

1. A one semester overload or underload may be assigned by the District in an emergency, or if no other arrangement is desirable for good instruction. This kind of overload or underload must be compensated for by balancing, or special assignment, as described in C below.

2. An overload may be assigned if, before receiving an assignment, an Instructor requests in writing to teach, without overload pay, a load that exceeds the load range. Such overload must be approved by the Dean and the Vice President of Academic Affairs. In no event shall such overload exceed 143.4%. This overload shall be compensated for by load balancing. If denied, the Faculty Member will be provided with a statement in writing giving the reason(s) for such denial.

3. An underload (less than 93.33%) may be assigned if an Instructor requests such underload for personal reasons. The underload, if granted, must be compensated for by reduced pay in the proportion which his teaching assignment bears to a full assignment - a 100% load.

B. Except under extraordinary circumstances, an overload over the period of an academic year (fall and spring semesters) shall be limited to the greater of a total load of 260% over the two semesters, or one class each semester.

C. The methods of compensating for overloads and underloads will be the following:

1. Balancing

a. Balancing is a planned, recurrent scheduling of loads above 16 lecture-hour equivalents (above 106.67%) and below 14 lecture-hour equivalents (below 93.33%).

For example, 18 lecture hours in a fall semester and 12 lecture hours in a spring semester constitute a balanced load. Balancing is to be accomplished in successive semesters if possible. Loads of two semesters will be considered balanced if the sum of the percent loads for the two semesters falls within the range of 186.67% - 213.33%.

b. If an unforeseen underload occurs (e.g., from the failure of a class to fill), it should be compensated for by balancing with a subsequent overload, or by special assignment.

c. If the balancing over a two-semester period cannot be planned to fall within the range, but exceeds an average of 16 lecture hours or equivalent (exceeds a total of 32 lecture hours or equivalent, 213.33%, for two semesters), the percent above 200% will be paid as overload.

d. If the balancing over a two-semester period cannot be planned to fall within the range, but is less than an average of 14 lecture hours or equivalent (the sum of percentages for the two semesters is less than 186.67%), the percent below 200.00% may be compensated for by special assignment in the semester with the lower load, or in each semester with the lower load, or in each semester if both are underloads.

e. If unforeseen conditions make it impossible to adhere to the formulated pattern in the second semester of a planned two-semester balanced load, the compensation may be made by special assignment in the second semester or by balancing carried over to the third semester.

2. Overload Pay

a. Loads totaling more than 16 lecture hours or equivalent (more than 106.67%) which do not fit under C.1 above (balancing) will be compensated for by overload pay, which will be calculated as described below.

b. Formula for overload pay calculation: The following formula (or an equivalent method) shall be used to calculate the overload pay for each pay period. The formula regards the overtime hours as those in excess of the 100% load, when the overload and the 100% load are taken to consist of the same relative proportion of lecture and laboratory percentages. It then considers the overload hours so determined as equivalent clock hours. The overload pay is based on the overload hourly rate, but it will be treated as contract pay to the extent that it will be paid in four-week periods during the semester in which the overload occurs and will not be subject to deductions as specified in Article 19, Section 3.

Overload pay (in dollars for a 4-week period) =

$$\frac{4 R P N}{100 + P}$$

Where P = the overload percentage in excess of 100%
 Where R = the pay rate in dollars per hour for overtime hours
 Where N = the total number of clock hours (with 50% credit for special assignment hours) in the total load

Example: For illustration purposes, the overload hourly rate for 2017 is \$66.41 per hour; and if an Instructor were assigned a load of 120% made up of 9 lecture hours and 12 laboratory hours (in courses where 20 laboratory hours equals a full load $[9/15 + 12/20] \times 100 = 120\%$) then this would be an overload because it exceeds 106.67%; the overload percent, P would be 20%; his total number of hours, N, would be 21; and overload pay would be as listed below.

Overload pay + 4 (\$66.41) (20) (21) = \$929.74 per 4 wks.

120

IV. Special Assignment

A. To calculate the percent load for special assignment, the number of weekly hours of special assignment will be divided by forty (40) hours and the quotient multiplied by 100.

Example: If an Instructor has a special assignment that requires 8 hours per week of the Instructor's time, the load factor will be equivalent to

$$\frac{8 \times 100}{40} = 20\%.$$

B. If an underload is not balanced by an overload, or if a balanced load is less than 28 lecture hours or equivalent over the two semesters (186.67%), the underload may be compensated for by approved special assignment, such as Learning Resource Center assignments, institutional research or departmental projects, arranged by the Dean and the Instructor, with the approval of the Vice President - Academic Affairs.

C. To determine the number of hours of special assignment that is required to make up the underload, the percentage of underload below a 100% load will be applied to forty (40) hours per week. Example: If an Instructor has a load of 87.5%, then the underload is equivalent to 12.5% so the special assignment time would equate to five (5) hours per week. (.125 X 40 = 5).

Catastrophic Illness/Injury Leave Donation Plan

About the Plan

The purpose of this plan is to permit employees of the District to donate eligible credits to an employee when that employee or a member of his or her family suffers from a catastrophic illness or injury. The intent is:

to ensure that the employee continues to receive medical benefits during the recovery period.

to enable the employee to continue receiving the regular salary.

TO BEGIN THE PROCESS, a letter of request and medical verification must be sent to the Director of Human Resources. Assuming all other conditions are met, the Director will initiate the "Call for Donated Leave" or the Catastrophic Illness/Injury (CII) Committee will approve Leave Bank donations.

Guidelines for Donating Days

Any employee may donate accumulated leave, but MUST retain no fewer than thirty (30) days of sick leave on record.

EXCEPTION: An employee who is retiring or terminating and wishes to donate unused sick leave to a specific person or to the Leave Bank may do so without limitation.

Employees may donate accumulated vacation days with no restrictions.

All days donated are irrevocable.

Any unused donated days will revert to the Leave Bank for use by other catastrophically ill or injured employees who request and are approved to use days from this bank.

Donated sick leave or vacation days are charged on the basis of day-for-day regardless of the classification and/or salary of either the donee or the donor.

The Employee suffering from a catastrophic illness or injury:

Must have used all available forms of leave (sick leave or vacation.)

Must be incapacitated or absent for an extended period of time no fewer than thirty (30) consecutive calendar days.

Must submit a letter to the Director of Human Resources requesting "Call for Donations." An authorized person other than the donee may request donated days.

Must submit medical verification to the Director of Human Resources. The District may require additional medical verification from a physician selected by the District and at the expense of the District.

As required in Ed Code 87045, the District determines that the employee is unable to work due to the catastrophic illness or injury.

May use donated days as half or whole days which may be used retroactively. There are two choices regarding the method of using donated days:

Half day worked plus half day donated leave equals a portion of or full pay.

Half day leave only, resulting in full health benefits coverage and a portion of or half pay.

Must use all donated leave within a 12-month period after the donation. Leave days will be placed in a special donated leave account for up to one year. If the employee returns to work and has a reoccurrence of the same or related catastrophic illness or injury, after using any accumulated vacation and/or sick leave accrued days, previously donated leave days may be used. After one year, and in unusual circumstances, the CII Committee may consider a request to extend the period of up to one additional year.

If no reoccurrence of the catastrophic illness or injury occurs within one year of the date returned to work, the unused donated days will revert to the District's Leave Bank.

Pledged donated days may be used only for the specified catastrophic illness or injury. A different catastrophic illness or injury must be handled as a separate or second incident.

NOT COVERED: Stress related illness; elective surgery; normal pregnancy; worker's compensation claims; disabilities resulting from alcoholism or drug addiction unless the drugs are administered by a physician; intentionally self-inflicted injuries; pre-existing physical maladies or normal illness such as colds, flu, allergies, headaches, etc.

Leave Bank

The District annually, or as needed, will promote a "Call for Donated Leave" for the Leave Bank. In addition, the District will give each employee who terminates, resigns or retires, an opportunity to donate unused vacation or sick leave to the Leave Bank.

Unused donated days reverting to the Leave Bank or days specifically donated to the Leave Bank make up the Leave Bank.

Requests for Leave Bank days are subject to availability. The District is not responsible for filling requests from the Leave Bank if no days are available.

It is the responsibility of the employee or employee's authorized person making the request to submit sufficient information or explanations to the "CII" Committee for approval. Insufficient information will be grounds for denial.

Submit requests for Leave Bank days directly to the Director of Human Resources who then will determine eligibility and provide the "CII" Committee with appropriate information. The Committee will review the request, but will not be given the name of the person making the request. Confidentiality will be upheld and all efforts will be made to ensure the privacy of the employee making the Leave Bank request.

Definitions

Catastrophic Illness or Injury: "CII" as defined in Ed Code 87045, a catastrophic illness or injury is one that is expected to incapacitate the employee for an extended period of time or that incapacitates a member of the employee's family which incapacity requires the employee to take time off from work for an extended period of time to care for that family member, and taking extended time off from work creates a financial hardship for the employee because he or she has exhausted all sick leave and other paid time off. Examples include life threatening injury or illness; cancer; AIDS, heart surgery, stroke, etc.

CII Committee: The Catastrophic Illness/Injury Committee is comprised of representatives from the Federation, ECCE, (POA and Management, and is chaired by the Director of Human Resources or Designee as a non-voting member.

Call for Donations: The District will solicit requests for donations for either individual or Leave Bank requests.

Duration: Per Ed Code 87045, all donated leave is available for a maximum of 12 months.

Eligible Leave Credits: Vacation leave or sick leave accredited to the donating employee.

Extension: In unusual circumstances and upon request, an additional one year of leave donations may be considered.

Grievances: Nothing in this plan is grievable.

Individual Requests: Employees meeting conditions of this plan may request donations from the general employee population.

Irrevocability: Once leave is donated, the donor cannot retrieve any portion of the donated leave.

Leave: Vacation or sick leave accrued to the donating employee. A donating employee must retain no fewer than 30 days of sick leave on record to be eligible to donate sick leave days.

Leave Bank: Unused donated days or days specifically donated to a general account. The Leave Bank permits those employees who do not wish to request individual donations to do so privately and anonymously.

Medical Determination: Ed Code 87045 requires medical verification of catastrophic illness or injury from a physician.

Medical Verification: Ed Code 87045 requires that the District determine that the employee is unable to work due to a catastrophic illness or injury.

Requests: Ed Code 87045 specifies that an employee who is suffering from a catastrophic illness or injury must request that eligible vacation or sick leave be donated. Donations cannot be accepted or approved without this request.

APPENDIX K FACULTY COMPUTER USE AGREEMENT

The El Camino Community College District provides computers to its full-time teaching faculty for institutional purposes. The goal in providing this resource is to promote educational excellence through the use of technology to foster innovation, creativity and efficiency. Participating faculty may be asked to complete an evaluation survey indicating ways in which the use of this computer has allowed them to better support instruction. The faculty member agrees to take reasonable measures to protect the College District's property and agrees by affirmation to the following conditions:

1. At the issuance of the computer, I will attend an orientation for the safe use of my computer.
2. While on campus I accept personal responsibility for the laptop computer should the computer be lost, stolen or severely damaged due to my negligence.

I also accept complete liability any time I take the computer off campus. In the event that I am determined to be liable for a laptop computer that is lost, stolen or severely damaged, the laptop computer will be replaced, at the discretion of the District, for a fee not to exceed \$350.

A procedure to arbitrate disputes arising over application of this agreement will be established jointly with the District and El Camino College Federation of Teachers.

3. I agree to exercise care and caution when downloading file information. Certain files may carry computer viruses which may damage the computer's software and operation.

I agree to surrender the computer upon retirement, resignation, termination or change to a non-teaching assignment. MEMORANDUM OF UNDERSTANDING BETWEEN EL CAMINO COMMUNITY COLLEGE DISTRICT AND EL CAMINO COLLEGE FEDERATION OF TEACHERS, LOCAL 1388, AFT, AFL-CIO

This Memorandum of Understanding (“MOU”) is entered into between the El Camino Community College District (“District”) and the El Camino College Federation of Teachers, Local 1388, AFT, AFL-CIO (“Federation”) regarding the terms of reemployment preference for part-time faculty members. This MOU is intended to implement the provisions of Education Code section 87482.3, and is mutually agreed upon as follows:

1. Commencing with the Fall 2017 semester, a part-time temporary faculty member who has been employed by the El Camino College District for at least 10 semesters during the previous 10 years to teach at least one course (or the equivalent for non-teaching faculty) and has received 2 overall satisfactory evaluations during that time shall be placed on a list of faculty having reemployment preference.
2. Part-time faculty members are hired on a semester or hourly basis for up to a maximum of 67% of a full-time assignment.
3. Part-time faculty members will be evaluated in accordance with the attached evaluation procedures, Article 20, Section 3, Part-Time Faculty Member Evaluation Process, Attachment A. (Note: these evaluation procedures were TA’d on November 18, 2016.)
4. The reemployment preference for part-time faculty members shall be recorded on the “Reemployment Preference List” maintained by each academic division. The “Reemployment Preference List” will specify the discipline, course(s), or assignment(s) determined by the Dean at the initial time of hire and maintained on file in the division office. Additional disciplines, course(s), or assignment(s) for part-time employees may be added by the Dean based upon the expertise of the part-time faculty member.
 - 4.1. Part-time faculty members who are on the list for reemployment preference will be offered assignments before those part-time temporary faculty members who have not yet qualified to be on the list. In the event that a full-time faculty member must displace a part-time faculty member, the full-time member shall be offered an assignment that was given to a part-time faculty member not on the reemployment preference list, if possible.
 - 4.2. If an assignment is canceled, the Dean or Director is encouraged to use good faith in seeking another suitable assignment based on the faculty member’s availability, willingness, and expertise, but if no such assignment is available, the faculty member will remain on the reemployment list.

- 4.3. If, there are more part-time faculty members with reemployment preference than there are available assignments, the available assignments shall be offered to those part-time faculty members who have the expertise for that assignment as determined by the Dean or Director.
5. In cases where a reduction in assignment needs to occur due to program needs, budget constraints, or more contract faculty hires, the reduction shall occur first from among those part-time faculty members who have not yet qualified to be placed on the “Reemployment Preference List.”
6. Part-time faculty members will be removed from the “Reemployment Preference List” for any of the following reasons:
 - 6.1. Declining 3 offers of employment.
 - 6.2. Advising the division in writing of their no longer being available for part-time employment.
 - 6.3. Receiving an overall “unsatisfactory” evaluation or more than one overall “needs to improve” evaluation.
 - 6.4. Committing an act or omission that is grounds for terminating a full-time employee.
7. A part-time faculty member who is being removed from the Reemployment Preference List will be notified in writing by the Dean or Director and may request a conference with the Dean and/or appropriate Vice-President, and may be accompanied by a representative of the Federation.
8. In all cases, part-time faculty member assignments shall be temporary in nature, contingent on enrollment and funding, and subject to program changes, and no part-time faculty member shall have reasonable assurance of continued employment at any point, irrespective of the status, length of service, or reemployment preference of that part-time, temporary faculty member.
9. All decisions by the Dean and/or Vice-President regarding assignment or removal of a part-time faculty member shall be final and not be subject to appeal or to any available grievance procedure provided in the Collective Bargaining Agreement between the El Camino College Federation of Teachers and the El Camino Community College District.
10. The term of this MOU shall be from July 1, 2017, until June 30, 2020. This MOU will be subject to amendment in Spring 2020, or at such time as mutually agreed to between the District and the Federation.
