ECCE and the District may, upon mutual agreement, apply any remaining release time for this purpose to the following year due to extenuating or unforeseen circumstances.

Section 10. Copies of the Agreement.

The District will reproduce this Agreement and distribute a copy to each employee and will distribute a copy to each newly hired employee at the time of employment. The District shall

provide each newly hired bargaining unit employee an ECCE information packet. ECCE shall provide the District with said packet.

Section 11. Board Minutes and Agenda.

The District will furnish ECCE with a copy of the minutes of Board meetings and with a copy of the agenda of Board meetings and supporting documents submitted to the Board with such agenda, except for supporting documents of a confidential and/or privileged nature.

Section 16. Release Time Procedures.

(a) Release time will be scheduled with the respective supervisor or manager to not interfere with the business operations of the division.

(b) Prior to contractual released time with or without pay as specified in Sections 9 and 14 of this Article, the employee will inform the immediate supervisor of scheduled meetings or leave requests. Subsequent to a planned leave of absence, the employee and/or ECCE will complete and submit a classified employee Release Time Authorization Form to the Human Resources Office and forward a copy to the immediate supervisor of the employee. The Human Resources Office will review the form(s) for appropriate activities and will meet with ECCE representatives on a regular basis to review any concerns, discrepancies or adjustments that may be required. A copy of the Classified Unit Employee Release Time Authorization Form is attached as Appendix H.

(c) The Human Resources Office will periodically provide ECCE with the amount of release time used by the Union on a quarterly basis.

Section 17. Representative (Service) Fees.

It is the purpose of this section to implement the provisions of Senate Bill 1960, which amended the Educational Employment Relations Act regarding fair share representation (service)

fees paid to the exclusive representative. The initiation of payroll deductions is expressly subject to the Local providing the required notice to the District and employees per subparagraph (a), and applicable regulations of the Public Employment Relations Board. Employees who are members of the Local pay their dues per the provisions of Section 1 of this Article.

(a) Upon thirty (30) days written notification from the Local to the District and to the affected employee specifying the amount of the employee's service fee, the District will deduct monthly service fees in the amount specified by the Local from the employee's salary.

(c) Employees, in lieu of payroll deductions, may pay dues or service fees directly to the local or, in the case of a bona fide religious objection, with proof of payment to a designated charitable fund.

(d) The Local may specify a change in the amount of the dues or service fees provided an authorized ECCE officer submits a written notice to the District for such an adjustment.

(e) The District shall, without charge, transmit to the Local the sums deducted under this section, except that the District shall transmit to a designated charitable fund sums deducted in lieu of service fees in the case of an employee's bona fide religious objection.

(f) Any employee who has a bona fide religious objection, as defined in Government Code section 3546.3, to the payment of service fees in support of an "employee organization," as defined in Government Code section 3540.1(d), shall not be required to join, maintain membership in, or pay dues or service fees to Local 6142. However, such employee shall be

required, in lieu of Union service fees, to pay sums equal to such service fee to any one of the following three designated, non-religious, non-labor, charitable funds exempt from taxation under section 501(c)(3) of Title 26 of the United States Internal Revenue Code:

- (1) El Camino College Foundation
- (2) ECCFT Scholarship

(c) The standard work week for an Employee for the summer session, as designated by the District, of eight (8) consecutive weeks shall consist of thirty-two (32) hours of scheduled duty per week on not more than four (4) consecutive work days. The Employee will be compensated for each such week on the basis of forty (40) hours worked during such week. Such sixty-four (64) hours is the equivalent of three and two-tenths percent (3.2%) on the salary schedule.

(1) In order to accommodate District Center for the Arts programs and events, employees and their immediate supervisor may, upon mutual agreement, reschedule the eight (8) Fridays off to another time before the end of the calendar year that does not interfere with scheduled programs or events.

(d) In order to equalize the eight (8) Fridays during the summer months that 12 month employees received in lieu of a 3.2% salary increase in accordance with Article 5, Section 1 (c), any employee working less than a full time 12 month schedule will work a 39 hour work week during their regular 10 month work schedule, compensated for forty (40) hours, to be used at the beginning or end of the work day and mutually agreed upon by the employee and the supervisor.

(e) In order to equalize the eight (8) Fridays during the summer months that 12 month employees received in lieu of a 3.2% salary increase in accordance with Article 5, Section 1 (c), all permanent part-time employees scheduled to work a 20 hour week will work 16 hours during the week, for the 8 weeks in the summer, no matter what their regular schedule is and will be paid compensation for 20 hours.

(f) In order to equalize the eight (8) Fridays during the summer months that on-site Employees receive in lieu of a 3.2% salary increase, Employees assigned to an off-site location(s) and who are required to work some or all of the Fridays that the on-site Employees are off during the summer, and in accordance with Article 5, Section 1, and sub-sections (c), (d), and (e), will receive equivalent days worked to be used at the employees discretion throughout the year. The Employee is required to provide a written request for use of the equivalent eight (8) days. If during the year, the employee is unable to use these days due to the denial by the immediate supervisor, or appropriate Dean, Director, or Manager, the employee shall be compensated at the regular overtime rate of pay for the pay period requested.

(g) The District may close down operations during the Winter Recess. See Article 14, Section 1(a).

Section 2. Work Day.

(a) The standard work day for a full-time Employee shall be eight (8) hours of scheduled duty per day.

(b) The District may establish a work day of less than eight hours pursuant to Section 1(b) of this Article.

(c) The District may establish work days of more than eight (8) hours per day for employees in the Classifications and/or positions listed in Appendix 'E', where support of the

educational program requires fluctuation in daily working hours, provided that the total hours regularly assigned do not exceed forty (40) hours per week. Employees in the Classifications and/or positions listed in Appendix 'E' shall be given a fixed schedule for each calendar month at least one week in advance of the month. As conditions warrant, the District and ECCE may agree to add or delete Classifications and/or positions on the list.

Section 3. Work Schedules.

(a) Upon initial employment and any subsequent change of Classification, each Employee shall be furnished by the District with a notice which shall specify the employee's duty hours and days of work, assignment or work location, Classification Specification, where applicable, and salary data.

(b) The District may extend the regularly assigned work day or work week of an Employee on an overtime basis when such extension is necessary to carry on the business of the District. Eligibility for compensation for such assigned overtime shall be as provided in Article 6, Section 2.

(c) An Employee may request a change in working hours. The immediate supervisor will give reasonable consideration to the request. If denied, the Employee may appeal to the immediate supervisor's Dean, Director, or Manager for further consideration. If denied, a written statement as to the reason for the denial will be provided to the employee.

Section 4. Meal Periods and Rest Periods.

(a) Specified times for meal periods and break periods pursuant to the provisions of this Section shall be established by the District.

(b) Duty free meal periods shall be granted, normally during the middle of the work day, without compensation, and may be either thirty (30), forty-five (45), or sixty (60) minutes in

duration as specified by the division Dean, Director or Manager, for employees assigned to work five (5) consecutive duty hours or more.

(c) Rest periods shall be granted, normally during the middle of each duty period of four (4) consecutive work hours during a work day, not to exceed twenty (20) minutes including any traveling time. Rest periods shall be a part of the regular work day and shall be compensated at the employee's regular rate of pay.

(d) Meal periods and rest periods may not be accumulated without mutual approval of the employee and the supervisor and shall be taken during the period of each work day and duty period as specified; however, if an employee is required to miss a regularly scheduled meal period or rest period, the meal period or rest period may be taken at a different time convenient to the employee and his/her supervisor.

Section 5. Adjustment Time.

Any employee who works an average of 30 minutes or more per day in excess of his/her regular part-time assignment for a period of 20 consecutive working days or more shall have the regular assignment adjusted upward to reflect the longer hours, effective with the next pay period.

Section 6. Voting Time Off.

Pursuant to the requirements of the Election Code for all statewide and local elections, the District shall provide employees with sufficient time off to vote (not to exceed two (2) hours of paid time) if the voting time available outside of working hours is not sufficient to enable the employee to vote. The Employee shall request such time off from the Human Resources Office.

ARTICLE 6
Compensation

Section 1. Salary Schedules: Step Placement and Advancement.

(a) Appendix B is reserved for the Classified Salary Schedule effective January 1, 2014.

A new Step "F" at 5% was added and effective January 1, 2014.

(b) Effective January 1, 2015, the salary schedule will be increased by Community College COLA in adopted State budget or 1%, whichever is greater.

(c) Effective January 1, 2016, the salary schedule will be increased by Community College COLA in the adopted State budget.

(d) An employee shall be employed at Step A of the appropriate salary range in accordance with the Classified Salary Schedule in effect as of the employee's date of employment unless the District specifies a step other than Step A.

(e) Effective July 1, 2014, from date of employment, change in Classification arising from an approved promotion to another Classification in a higher pay range, and/or step increases shall be granted to be effective on the first day of the month following completion of twelve months of active service in such position. All other steps shall continue to require 12 months of active service for step movement.

(f) An employee who receives a change in Classification to a different position title in a higher salary range as the result of a promotion shall be placed on that step of his/her new salary range which would yield closest to a 5.5% monthly salary increase.

(g) Placement of a higher salary range as a result of reclassification or reallocation shall be placed on that step of his/her new salary range which yield closest to a 5.5% monthly salary increase.

(h) The timing of an employee's step increment increase shall not be changed by a reclassification or reallocation.

Section 2. Overtime.

(a) Overtime work must be authorized by the employee's Dean, Director or Manager.

(b) All authorized work in excess of forty (40) hours in a work week or eight (8) hours in a work day, regardless if the hours worked are before or after the employee's regular work day (except as provided in subsection (c) of this Section or as provided in Article 21, Section 2) shall be compensated at one and one-half times the hourly rate in effect at the time the overtime hours were worked unless compensatory time off at the time and one-half rate is mutually agreed upon between the employee and the Dean, Director or Manager. If an employee is required to commence work before his/her regular work day, the employee's regular work day shall not be shortened except by mutual agreement between the employee and the Dean, Director or Manager. Compensatory time off shall be taken at a time mutually acceptable to the employee and the supervisor within twelve months following the month in which the overtime was worked or the employee shall be paid. For the purpose of computing hours worked, time during which an employee is excused from work because of paid holidays, sick leave, vacation or other paid leave of absence shall be considered as time worked by the employee.

(c) Employees for whom the District has established work days in excess of eight hours per day as provided in Article 5, Section 2(c) are excluded from eligibility for overtime hours worked in excess of eight hours in any work day so long as the required hours to be worked in

excess of 40 hours in a work week are compensated at time and one half. When there is a deviation from the work schedule as provided by Article 5, Section 2(c), employees shall be compensated at the overtime rate except the following classifications and/or positions listed in Appendix E, whose hours may deviate on a day to day basis.

(d) Employees who are scheduled to work more than eight hours per day in less than a five day work week for a total of 40 hours are exempt from daily overtime. Overtime shall begin after 40 hours of work per week. The employee may request an alternative work schedule to accommodate special needs. The alternative work week options consist of a 4/40 plan (4 - 10 hour days) or a 9/80 plan (80 hours in 9 days with the work week beginning at noon of the selected day off). The District and the employee must agree to the alternate full-time work schedule which may include work days in excess of eight hours per day. Such mutual agreement will provide that the employee will not receive the compensation as provided in Section 8(b)(4) and will provide that the employee will not be paid daily overtime for scheduled daily hours in excess of eight hours per day. However, employees on an alternate work schedule, who work over 40 hours during their scheduled work week, shall be given compensatory time or overtime pay compensated at the overtime rate. The use of the compensatory time shall be agreed upon by the Supervisor and employee and included in the agreed upon flexible work schedule. The District may terminate an employee's alternate full-time work schedule after two calendar days notice to the employee.

(e) An employee having a regular work day of four hours or more of duty during a work week shall be compensated for any work required to be performed on the sixth or seventh consecutive day following the commencement of the employee's work week at a rate equal to one and one-half times the employee's regular rate of pay. An employee having a regular work day of

less than four hours of duty during a work week shall be compensated for any work required to be performed on the seventh day following the commencement of the employee's specified work week at a rate equal to one and one-half times of that employee's regular rate of pay.

(f) The District shall distribute and rotate overtime work as equally as practicable among qualified employees in the various work units. The appropriate Deans, Directors and Managers will maintain alphabetical lists of employees in the various work units and will record overtime worked. If overtime is offered and the employee requests to be excused, the offered overtime will be recorded as refused and the employee will be placed at the end of the rotation list.

Section 3. Call-in Guaranteed Pay.

(a) An employee who is required by the District to perform special duties outside of the employee's regular work day or work week on an scheduled overtime basis shall be guaranteed a minimum of three hours pay at one and one-half times that employee's regular hourly rate providing such duties involve time which is not an extension of the regular work day. An employee required to report to work due to an emergency, shall be guaranteed a minimum of four hours pay at one and one-half times that employee's regular hourly rate providing such duties involve time which is not an extension of the regular work day.

(b) Employees in certain maintenance and operations, Center for the Arts, and network technician classifications may volunteer to carry and respond to a cell phone or pager in order to provide coverage for emergencies. Employees accepting this assignment will receive a monthly stipend of \$50 for each month of participation in this special assignment.

Section 4. Hazardous Duty Pay.

The Director of Risk Management will notify the Dean, Director, or Manager, ECCE and the Safety Committee of the determination of a 'high risk' work assignment which qualifies an

employee for Hazardous Duty pay. An employee assigned to a designated high risk work assignment shall be compensated at one and one-half times that employee's regular hourly rate of pay.

Section 5. Work Out of Classification.

An employee may be required by his or her supervisor or manager to perform duties inconsistent with those assigned to that employee's classification. When such employee is assigned the duties of a classification in a higher range for a period of more than five (5) work days within a 30 day calendar period, the employee's salary shall be adjusted as provided in Section 1(f) of this Article for the entire period the employee is required to work out of classification.

Employees, by law, become contributing members of the California Public Employees' Retirement System (PERS) and of the Old Age Survivors and Disability Insurance Fund (Social Security). Deductions as are required by the State and Federal governments are made monthly. Federal and State income tax deductions are made monthly as are other authorized voluntary deductions.

Section 8. Shift Pay Differential.

(a) An employee who is assigned and works two or more days in any work week to a schedule defined herein, shall receive shift pay differential. Full-time employees shall receive for such week one quarter of the monthly shift pay differential. Employees working at least a 50% but

less than 100% assignment shall receive a percentage of the differential equal to that of the employee's assignment. Hourly employees shall receive shift pay differential on an hourly basis if they are assigned and work the necessary two or more days on a schedule defined herein for each hour worked in such week.

(b) One of the following shift differentials, whichever is the greater, shall be paid for work assignments as follows:

(1) Swing Shift - A work day assignment which ends after 8:30 p.m. shall be compensated on the basis of \$65.00 per month.

(c) Employees who receive a swing shift or night shift differential premium, shall suffer no reduction in premium when temporarily assigned 20 working days or less to another shift with a lesser premium or no premium. Custodians regularly assigned to the swing or night shift shall continue to receive the higher shift differential when temporarily assigned to another shift.

Section 9. Mileage.

An employee who has successfully completed the District's Safe Driver program and is authorized by a Dean, Director or Manager to use the employee's vehicle on District business shall be reimbursed for all miles driven on behalf of the District at the rate established by the Internal Revenue Service (IRS).

Section 10. Anniversary Increments.

For the term of this Agreement, an employee who completes 20 years of service with the District will be paid an anniversary increment of \$75.00 per month in addition to his/her step rate for his/her salary range. Upon reaching 25 years of service, the employee's anniversary increment will be increased to \$150.00. The anniversary increment will be on a prorate basis for an employee scheduled to work less than full time.

An employee who has not completed his/her probationary period and who voluntarily leaves the service of the District and who is subsequently reemployed as a Regular Classified Employee may be required to serve successfully a new probationary period of twelve (12) calendar months of active service beginning on the date of reemployment in such position. The Dean, Director or Manager will schedule a meeting individually with the employee(s). The employee(s) shall be notified in writing of the decision to accept or reject the request for transfer including an explanation prior to posting a vacancy. The denial of a transfer request shall not be grievable. If the position is posted, the employee may also apply.

(f) The District will avail itself of transfer opportunities in lieu of laying off an individual.

Section 2. Posting of Notice.

(a) Notice of all job vacancies to be filled within the unit shall be posted on designated bulletin boards.

(b) The job vacancy notice shall remain posted for a period of ten (10) full working days, during which time employees within the unit may file for the vacancy.

The parties will meet promptly to negotiate the appropriate salary range for the classification or any reallocations of classification specification currently in effect. If the parties fail to reach agreement, the District may implement the new or modified classification, subject to the grievance procedure.

Section 4. Classification Review Process

(a) The Human Resources Office will be responsible for reviewing classifications for currency.

(b) Positions reviewed and found to have duties performed outside of the established classification will be modified to maintain compliance with the designated classification duties and requirements. Employees found by the Human Resources Office to be “working out of classification” at a higher classification level for more than 5 working days within a 30 day calendar period will have those duties removed and the

employees shall be compensated “work out of class” pay for up to 12 months. Employees will receive a status notification in writing with justifications for the District’s decision.

(c) A classified employee whose classification was reviewed by the Human Resources Office may appeal the decision by filing an appeal to the Vice President within 15 working days from the status notification date from the Human Resources Office. The Vice President has 15 working days to grant the appeal or deny it. If the Vice President determines within the 15 working days that critical information was missed or criteria was not applied in the original review, the appeal will be returned to Human Resources for further consideration. The Human Resources Office will review the matter and respond to the employee directly.

(d) If the Vice President denies the appeal, the employee will be notified and no further action will be taken. The decision of the Vice President is final and is not subject to the grievance process.

Upon receipt of the consultant’s recommendations regarding the current classification review, the negotiation teams shall meet to review and negotiate the consultant’s recommendations. It is anticipated that this meeting will commence in October 2007.

The results of the evaluation shall be recorded on the appropriate form which shall be completed by the evaluator who shall state the basis for the ratings and comment, where appropriate, as to areas in which performance needs to be improved and/or areas of strength. The evaluation procedure shall include a meeting called by the evaluator with the employee to discuss the employee's performance. Evaluations shall be placed in the employee's personnel file. Evaluations that are more than 5 years old shall not be used by the District or on behalf of the employee in any disciplinary action.

(g) Return to Work

The employee will provide at least one (1) day's advance notice of intended return any time the employee has been out on sick leave for five (5) or more consecutive work days. The District may require an employee who has been out on sick leave for five (5) or more consecutive work days to provide a doctor's release in order to return to work. (b) If an additional period of absence from duty is required for this purpose, an employee may be granted additional bereavement leave, which additional leave shall be charged as personal necessity leave to the extent such leave is available to the employee as provided in Section 3 of this Article.

(c) “Immediate family” is defined as the mother, mother-in-law, father, father-in-law, grandmother, grandfather, or grandchild of the employee or of the spouse/registered domestic partner of the employee, and the spouse/registered domestic partner, son, son-in-law, daughter, daughter-in-law, brother, brother-in-law or sister, sister-in-law of the employee; or any other person living in the immediate household of the employee.

(d) In addition, the following groups are considered “immediate family”: stepparent, stepchild, foster child, dependent child or adult of the employee or spouse/registered domestic partner of the employee. The employee shall, upon request, furnish written evidence to his/her immediate supervisor that the leave taken is in accordance with the provisions of this section.

Section 3. Personal Necessity Leave.

(a) An employee may be absent from duty without loss of pay for up to seven (7) duty days during any fiscal year and have the absence charged to the employee’s accrued sick leave account.

(b) For the purpose of qualifying for paid personal necessity leave, there shall be a compelling reason which required the employee's absence from duty, which cannot be attended to outside of duty hours, and which shall be limited to one of the following reasons:

(1) An accident involving the employee's person, property, or the person or property of an employee's immediate family (as defined in Section 2(c) of this Article) not otherwise chargeable to any other paid leave of absence for which the employee qualifies.

(2) The required appearance of the employee brought about as the result of a legal notice to appear as a witness before a governmental or judicial agency or court of law.

(3) The illness of a member of the employee's immediate family (as defined in Section 2 (c) of this Article) including the birth of a child to the employee.

(4) Any imminent danger as the result of flooding or fire or similar natural catastrophe to the personal residence of the employee.

(5) The death of a member of the employee's immediate family (as defined in Section 2 (c) of this Article) when additional leave is required beyond that provided in Section 2 of this Article.

(6) Up to 2 personal necessity days may be used for religious observance.

(7) Other reasons submitted in writing and approved in advance by the Dean, Director or Manager.

Section 4. Sick Leave.

(a) Definition

Sick Leave utilization shall be for physical and mental disability absences which are medically necessary and caused by illness, injury or pregnancy.

(b) Accrual of Sick Leave Benefits.

(1) Each employee employed full-time on a fiscal-year basis shall be entitled to twelve (12) days of sick leave benefits with pay for illness or injury for each fiscal year of service. An employee employed full-time for less than a full fiscal year is entitled to that portion of the twelve (12) days sick leave per fiscal year of service as the number of months he/she is employed bears to twelve (12). An employee regularly employed on a part-time assignment shall be entitled to the same ratio of sick leave benefits of a full-time employee as the number of hours worked bears to the number of hours a full-time (40-hour) work schedule.

(2) A newly hired employee shall be entitled to use only that portion of sick leave award which has been accrued for each month of service actually rendered and may not take full sick leave for the fiscal year until the first day of the calendar month after the employee has completed the first six (6) months of active service with the District.

(3) There shall be no maximum on the number of sick leave days an employee may accrue. The full amount of unused annual sick leave shall be accumulated from year to year.

(4) An employee may use sick leave at any time during the year; however, an employee leaving the District during a fiscal year who has used sick leave for that year will be required to reimburse the District for the value of the difference between the number of sick leave days actually accrued for each month of active service in the year and the actual number of sick leave days used, if any.

(5) Sick leave credit received by transfer from a previous employing California school district of a newly hired employee shall be accepted and credited to the employee's sick leave account with the District if the employee has been employed by such district for a period of one calendar year or more and accepts a position with the District within twelve (12) months of termination from the previously employing district.

(6) All accumulated sick leave shall be cancelled upon termination of service with the District except that accumulated sick leave may be transferred to a subsequent employing California school district or toward retirement under PERS as provided by law.

(7) The District may specify that a doctor's note is needed if the employee is absent for five (5) or more consecutive days unless the employee has a pattern of frequent absence or is in the progressive discipline process (Article 23).

(c) Difference Pay.

Each employee shall once each fiscal year be credited with a total of one hundred (100) days sick leave including the sick leave provided under Section 4 of this Article. Each day of sick leave provided by this Section shall be compensated at the rate of fifty (50) percent of the employee's regular salary. In order to qualify for differential pay, an employee shall first utilize all accumulated sick leave credit, and in no event shall days of differential pay, when combined with days of sick leave utilization, exceed one hundred (100) days in any fiscal year. Only one increment of differential pay shall be allowed for any single and continuous absence that extends into the next fiscal year. Employees receiving difference pay (1/2 pay) may also voluntarily request the use of other accrued time (i.e. vacation or comp-time) to supplement differential pay.

Section 5. Industrial Accident or Illness Leaves.

(a) An employee shall report any injury or illness arising out of and during the course of employment with the District to the employee's supervisor within twenty-four (24) hours of the occurrence or as soon as possible.

(b) An employee who receives a temporary disability payment for such accident or illness under Workers' Compensation shall remit such payment for any period of time while on

any paid disability leave to the District. Such obligation shall be limited to the amount payable by the District for such period.

(c) An employee who becomes disabled due to an illness or injury arising out of and during the course of employment with the District, shall be granted paid industrial accident or illness leave for the period of time the employee is unable to render service to the District, not to exceed sixty (60) working days for each industrial accident or illness. Such leave shall be granted prior to the award of other paid District disability leave benefits for which the employee is eligible.

(d) Upon exhausting benefits provided under this subsection, an employee who continues to be disabled shall be entitled to other paid leave benefits as shown below, provided that all such leave benefits paid shall not, when combined with any temporary disability award under Workers' Compensation, exceed 100% of the employee's regular salary. All paid leave benefits shall be paid in full day increments.

Beginning on Date of Disability.

60 Days Industrial Accident or Illness Leave

100 Days (1) Awarded Sick Leave for Current Year

(2) Accumulated Sick Leave for Prior Year(s)

(3) Difference Pay

(1) After exhausting the paid leave benefits described above, the employee will be given the option to use any accrued vacation and/or compensatory time.

(2) Upon use of the 100 days as referenced herein, the employee will use the balance of any accumulated sick leave from prior year(s).

(e) After exhausting all leave provisions described above, the employee will be provided temporary disability payments directly from the District's insurance carrier. In addition, when all available leaves of absences, paid or unpaid, have been exhausted and if the employee is not medically able to assume the duties of the employee's position, the employee shall be placed on a reemployment list for a period of 39 months.

(f) An employee receiving benefits under this subsection shall remain within the State of California, unless the District authorizes travel outside of the state.

(g) When a Workers' Compensation award is endorsed payable to the District, paid leave, other than industrial accident or illness leave, shall be charged that percentage that is produced by a quotient when dividing the employee's pay for the employee's regular assignment, less the amount signed over, by the amount of pay for the employee's regular assignment.

(h) An employee shall be permitted to return to service after an industrial accident or illness only upon the presentation of a release from the authorized District's or Workers' Compensation physician certifying the employee's ability to return to the position classification without restrictions or detriment to the employee's physical and emotional well-being, and in compliance with the American's with Disabilities Act. The District may provide employees with restricted work activities following industrial accident or illness leave. During restricted work activity assignments, the employee may be subject to medical examinations at District expense when the examination is performed by the District-designated physician, for purposes of determining whether to continue the restricted work activities or whether to return the employee to full duty. Restricted work activity assignments may be modified or terminated by the District at any time.

Section 6. Extended Disability Leave.

If the employee is still disabled at the conclusion of all available paid disability leave(s) and is unable to return to work, Article 12, Section 2, Extended Disability Leave, shall apply.

Section 7. Catastrophic Illness/Injury Leave Plan.

(a) In accordance with the provisions of AB2007, the Catastrophic Illness/Injury Leave Plan is available to eligible employees. The purpose of this plan is to permit employees with a catastrophic illness or injury to solicit individual donations of vacation and sick leave from fellow employees and/or from the Leave Bank.

(b) A catastrophic illness or injury is one that is expected to incapacitate the employee for an extended period of time and taking extended time off work creates a financial hardship for the employee because he/she has exhausted all sick leave and other paid time off.

(c) The terms and conditions of this plan are included in Appendix "F".

(d) The Catastrophic Illness/Injury Plan is not grievable.

(e) This plan was jointly developed as an institutional program by the employee bargaining units, confidential employees, and management. Changes to this institutional plan cannot be made without the agreement of all constituent groups.

Section 8. Disability Release.

The District may require a satisfactory written statement from a Board Certified or Board Eligible psychiatrist, physician or clinical psychologist specializing in the area of concern and mutually agreed upon by the District and the employee, releasing the employee to return to all duties of the employee's position, before the employee returns to duty after expiration of a disability leave. Such statement shall be submitted by the employee to the Dean, Director or

Manager. Pursuant to Section 4(a) of this Article, the District may require additional health information. An employee may return to duty on a limited basis, i.e., less than normal daily work hours, so long as the employee can perform the duties assigned to the position proportionate to the number of hours worked. The District shall comply with the provisions of the Americans with Disabilities Act as it applies to employees returning from disability leave.

Section 9. Quarantine Leave.

An employee shall receive full salary during the period of quarantine by duly constituted governmental authority.

Section 10. Jury Duty/Subpoena Leave.

(a) An employee, upon submission of the Certification of Jury Duty, may be absent from duty without loss of pay as a result of having been called for and appearing for jury duty, excluding a grand jury.

(b) The District may refuse to grant paid leave for jury duty to an employee at any time when two percent (2%) or more of the total number of employees of the District are on paid jury duty leave.

(c) The employee serving on jury duty, who receives pay from the District during such absence, shall be required to collect jury duty fees and remit such fees to the District.

(d) The employee shall be required to perform assigned service to the District during any work day or fraction thereof that the employee is released from jury service, provided that a reasonable period of time shall be allowed for necessary travel.

(e) An employee who is assigned to an evening or night work schedule who serves on jury duty shall be reassigned during each day of such service to a day work schedule.

(f) The District will grant a leave of absence to a Unit Member for a judicial or other official appearance when subpoenaed as a witness in actions involving the District and not as a litigant. A copy of the subpoena will be provided to the supervisor prior to the required absence.

Section 11. Military Duty Leave.

An employee who is called for and serves temporary military duty or who enlists or is otherwise ordered or called to active duty in the armed forces of the United States, the National Guard, or the Naval Militia shall, if he/she has completed one (1) full year of active classified service with the District and/or in recognized military service, be entitled to a military leave without loss of compensation for up to the first thirty (30) calendar days of necessary absence from duty provided that such leave shall be applicable each fiscal year for absences due to temporary military service.

Section 12. Attendance Incentive Program.

(a) Purpose

The purpose of the Attendance Incentive Program is to recognize those employees who have exemplary attendance record.

(b) Annual Recognition

Upon approved application submitted in letter form to the Human Resources Office, if an employee has not been absent for any consecutive twelve (12) month period, he/she, shall be granted a \$150 award to be paid as soon as possible. Absences for this purpose do not include holidays, scheduled vacations, comp-time, bereavement leave, jury duty, or closure by the District for a department/area, or campus as a whole. No employee shall be entitled to more than one (1) award per calendar year for the duration of this Agreement.

(c) This program is not intended to encourage or permit employees who are ill to come to work. The District reserves the right to send an employee home if there is reason to believe the employee is too ill or contagious to remain at work.

(d) To be recognized for an exemplary attendance record and receive the \$150 award, employees must submit their request to participate in the Attendance Incentive Program within 3 months of completing twelve consecutive months of perfect attendance.

Section 13. Family Care Leave.

(a) In accordance with the provisions of Federal and State government codes, California Family Rights Act; and the Family and Medical Leave Act, eligible employees may apply for additional leave.

(b) The provisions of these government codes are not grievable; however, the denial of a request for Family Care Leave may be appealed to the Vice President responsible for human resources functions.

(c) General guidelines regarding the provisions of both the federal and state Family Care Leave acts are included in Appendix G.

Section 14. Sick Leave to Attend to Illness of a Child, Parent or Spouse.

(a) In accordance with Section 233 of the California Labor Code, employees may use accrued sick leave during any calendar year, up to six days per year, to attend to an illness of a child, parent or spouse.

(b) These absences will be charged to the employee's accrued sick leave account.

(c) This section does not extend the maximum period of leave to which an employee is entitled under the Federal Family and Medical Leave Act or the California Family Rights Act,

and does not apply to the use of differential leave pursuant to Section 88196 of the California Education Code.

(d) The use of accrued sick leave for purposes of this section is in addition to any accrued sick leave used for personal necessity pursuant to Section 3 (Personal Necessity Leave) of this Article.

ARTICLE 12
Unpaid Leaves

Section 1. General Conditions.

(a) Application for Leave of Absence.

An employee who requests an unpaid leave of absence shall make written application for such leave on a form provided by the District and shall submit such form to the employee's Dean, Director or Manager as far in advance as possible. The application for leave shall state the leave category requested, the reason(s) necessitating the employee's absence, and the period of time for which the leave is requested. The disposition of such request will be provided to the employee in writing by an appropriate official of the District. If leave is denied, the employee may submit a request to the appropriate Vice President for disposition.

(b) Unpaid Leave of Absence Defined.

An unpaid leave of absence shall mean the employee shall have deducted an amount equal to 1/22 of the employee's total regular monthly salary for each work day of such absence, except that when only two (2) or less days are actually worked in any one month, the employee shall be paid 1/22 of the employee's total regular monthly salary for each actual day worked during that month. An employee who is granted an unpaid leave of absence shall not be entitled to any paid leave benefits during the period of such unpaid leave, with the exception of participation in the Classified Professional Development Leave Program.

(c) Continuation of Benefits.

An employee who is granted an unpaid leave of absence of eleven (11) or fewer work days in a month (22 days), shall have his/her current medical, dental and life insurance continued for that month, and shall not be required to pay the District's portion of the cost of such coverage during such month. An employee granted an unpaid leave of absence which exceeds eleven (11)

work days in a month (22 days), may continue his/her current medical, dental and life insurance during the duration of leave upon monthly advance payment to the District of the full cost for such coverage. Continuation of insurance shall, however, be subject to any limitations contained in the master insurance policies concerning the length of time that such insurance coverage may be continued.

(d) Failure to Return from Leave.

An employee who fails to return to duty upon completion of an unpaid leave of absence may be dismissed by the District, unless the employee was unable, due to causes beyond the employee's control, to return to duty, in which event the employee must report the circumstances in writing to the District as soon as possible.

Section 2. Extended Disability Leave.

(a) Conditions.

A permanent employee who suffers an extended disability and who is thereby unable to perform the duties of his/her position, may, upon exhaustion of the employee's entitlement to disability leave benefits as provided in Article 11, Section 6, be granted an unpaid extended disability leave in increments of three (3) calendar months not to exceed a total of eighteen (18) calendar months. The employee's request for such unpaid leave shall be submitted to the Human Resources Office at least ten (10) work days prior to the expiration of paid leave benefits and shall be accompanied by a physician's statement as to the nature of the disability, the necessity of such leave, and the estimated duration of the disability. The District may require additional evidence of disability.

(b) Reemployment.

If, at the conclusion of all approved disability absences, paid or unpaid, the employee is still disabled and unable to perform the essential duties of his/her position, the employee shall be placed on a reemployment list for a period of thirty-nine (39) months. If, at any time during the prescribed thirty-nine (39) months, the employee is able to assume the essential duties of the position, with or without reasonable accommodation, the employee shall notify the Human Resources Office in writing and provide a satisfactory medical release. Upon receipt of such notification and release, an administrator of the Human Resources Office shall notify the employee in writing of any vacant Regular position(s) in the classification of the employee's previous assignment within the prescribed thirty-nine (39) months and offer the employee reemployment in such position. Such reemployment will take preference over all other applicants except that an employee on the thirty-nine (39) months reemployment list due to an extended disability shall be ranked according to his/her proper service credit, as provided in Article 18, in the event another employee in the same classification is eligible for reemployment because of having been laid off under the provisions of Article 18. An employee who has been placed on the reemployment list due to an extended disability, who has been medically released to return to duty, and who fails to notify the Human Resources Office, or to accept an appropriate assignment within ten (10) work days of receipt of an employment offer, shall be deemed to have declined reemployment, and the employee's name shall be removed from the reemployment list and be deemed terminated from the District. Upon reemployment, the employee shall be reinstated as a continuing employee of the District.

Section 3. Military Leave.

Military leaves shall be granted in accordance with applicable law.

Section 4. Personal Leave.

The District may grant a permanent employee an unpaid personal leave of absence including but not limited to requests for maternity and paternity leaves for such periods of time as it determines appropriate. Such periods shall not exceed six (6) calendar months provided that the District may, upon written application, extend the leave for an additional period of up to six (6) calendar months and provided that no leave of absence so granted shall exceed a total of eighteen (18) calendar months.

Section 5. Family Care Leave.

(a) In accordance with the provisions of Federal and State government codes, California Family Rights Act; and the Family and Medical Leave Act, eligible employees may apply for additional leave.

(b) The provisions of these government codes are not grievable; however, the denial of a request for Family Care Leave may be appealed to the Vice President responsible for human resources functions.

(c) General guidelines regarding the provisions of both the federal and state Family Care Leave acts are included in Appendix G.

(b) After completion of six (6) months of service, the employee may take his/her earned vacation, subject to the provisions of Section 5 of this Article.

(c) The following shall occur in the event that an employee has more than fifteen (15) days of accrued vacation in January and does not have vacation scheduled that reduces his or her accrual to thirty (30) days by June 30th. If the District cannot schedule a sufficient vacation time during this period due to operating requirements, the additional days about (30) accrued as of December 31 will be paid to the employee as of that date.

(1) The Dean, Director, Manager or Supervisor will, upon consultation with the employee, schedule vacation time so that accumulated vacation does not exceed 30 days as of June 30th.

(2) If the accrued rate exceeds 30 days after June 30th, the employee will have until December 31st to use the additional days that had accrued in the prior fiscal year.

(3) If the District cannot schedule a sufficient vacation time during this period due to operating requirements, the additional days above thirty (30) accrued as of June 30th will be paid to the employee in January of the next calendar year.

(4) Vacation days earned from July through December shall not be included in the thirty-day limitation from the prior fiscal year.

(d) During the month of January of each year the Dean, Director, Manager or Supervisor will meet with employees under his/her supervision who are regularly scheduled to work less than twelve (12) months in order to work out a vacation schedule for the employee to take his/her vacation during that year. (a) An employee shall submit in advance a written request for vacation to the employee's Dean, Director, Manager or Supervisor who will respond in a timely manner to the request for vacation. Approval of a specific vacation request shall be subject to the staffing needs of the division. The Dean, Director, Manager or Supervisor will designate in writing prior to the beginning of each fiscal year certain periods of the year during which, due to operational needs of a department or division, vacation requests may not be granted.

(b) A vacation scheduled for a given date may for good cause be rescheduled by agreement between the employee and the employee's Dean, Director, Manager or Supervisor.

Section 6. Vacation Pay Upon Termination.

Upon leaving the employment of the District, an employee shall receive lump sum compensation for all earned and unused vacation at the employee's current rate of pay. Any vacation time taken and not earned by the date of termination of employment will be deducted from the employee's final check.

Section 7. Holidays During Vacation Period.

At the request of either party, such consultation may include meetings with a representative of the District’s insurance carrier. The total benefit package provided as a result of any such change shall be approximately as beneficial to employees as the existing programs.

Section 10. Insurance Benefits Committee.

It is understood that the insurance benefits provided by this Article may be changed in accordance with negotiations between the parties and approved by the Board of Trustees. Recommendations from the IBC will be made to the negotiation teams because health benefits are subject to bargaining between the parties. If no recommendations are made or adopted by the Insurance Benefits Committee, such lack of action or agreement does not prevent either the District or the ECCE from being able to negotiate health benefits, subject only to there being health benefit negotiations as a part of reopener negotiations, negotiating a successor agreement, or at the mutual agreement of the ECCE and the District. The IBC will include the same number of managers and union members on the IBC. There will be no requirement for super majority voting.

ARTICLE 16
Resignation and Reemployment

Section 1. Written Notice of Resignation.

An employee wishing to leave the service of the District in good standing shall submit to his/her Dean, Director or Manager a written letter of resignation giving at least ten (10) work days (i.e., two weeks) advance notice. In the event of a personal emergency or in the best interests of the District, the advance notice requirement may be waived by the District. The written notice of resignation shall specify, at the minimum, the last date to be worked and the reason(s) for the resignation.

Section 2. Acceptance of Written Notice of Resignation.

The Superintendent/President or designee shall be empowered to accept in writing the resignation and shall fix the time when the resignation shall take effect, subject to approval by the Board of Trustees. Prior to Board approval, the employee may withdraw the resignation, subject to the agreement of the Superintendent/President or designee.

Section 3. Reemployment Subsequent to a Voluntary Resignation.

When the District rehires an employee who was permanent at the time of his/her voluntary resignation, the employee shall be placed on the experience step of the salary schedule occupied at the time of resignation if reemployment is in the same classification the employee occupied at the time of resignation.

ARTICLE 17
Retirement

An employee may elect to retire in accordance with the provisions of the Public Employees Retirement System (PERS) upon giving written advance notice. The employee's service with the District shall be considered terminated upon retirement.

Section 1. Retiree Medical Insurance.

(a) For employees retiring prior to January 1, 2012, the District will provide medical insurance for any employee who has ten (10) years of service with the District and who retires after reaching age fifty-five (55) under the provisions of the CalPERS from the time the employee retires and provided the employee remains fully retired under PERS. With respect to employees retiring on or after January 1, 2012, the District will contribute toward the medical insurance premium the single-only rate specified under Article 15, Section 1 for any employee who has ten (10) years of service with the District and who retires after reaching age fifty-five (55) under the provisions of the CalPERS from the time the employee retires, provided (1) the employee remains fully retired under PERS, and (2) any difference in the amount between the District contribution for medical insurance and the selected medical plan premium cost shall be pre-paid by the retiree. The District will also make available to such a retiree medical insurance for eligible dependents with the cost of such coverage to be borne by the retiree, subject to the terms of the insurance policy.

(b) If an employee chooses to retire between the ages of fifty (50) and prior to the employee's fifty-fifth (55) birthday, the District shall offer to the retiree a one-time opportunity at the time of retirement to participate in the CalPERS medical plan as noted in Article 17, Section 1 when the retiree turns age fifty-five (55). The District shall contribute the minimum CalPERS premium payment (currently \$108 per month) for an eligible retiree who elects to

participate. At age sixty-five (65), the retiree shall be responsible for the cost of the medical coverage equal to the difference between the District's minimum CalPERS premium payment (currently \$108 per month) and the total cost of the selected medical plan. Note: If in the future the District receives medical insurance from other than CalPERS, then the District shall continue to pay the amount equivalent to the minimum CalPERS premium payment, but to a different medical insurance carrier other than CalPERS.

ARTICLE 18
Layoff

Section 1. Notice of Layoff.

Upon the decision of the District to reduce a classified position or positions in the classified service of the District, written notice of layoff shall be sent by registered mail or delivered in person to the affected employee or employees by the Human Resources Office.

(a) When, as a result of the expiration of a specially funded program, classified positions are eliminated at the end of a school year, and an employee or employees will be subject to layoff for lack of funds, the employee or employees to be laid off at the end of such school year shall be given written notice on or before April 30. If the termination date of any specially funded program is other than June 30, such notice shall be given not less than forty-five (45) calendar days prior to the effective date of the layoff.

(b) Regular Classified Employees shall be subject to layoff only for lack of work or lack of funds. The District shall send written notice of layoff to the affected classified employee not less than forty-five (45) days prior to the effective date of layoff, informing the employee of displacement rights, if any, and reemployment rights. Any notice of layoff shall specify the reason for layoff and identify by name and classification the employee designated for layoff. The District will provide notification of layoff as far in advance as possible but no less than forty-five (45) calendar days.

(c) Should a situation arise in which lack of work or lack of funds results from causes not foreseeable or preventable by the Board of Trustees, the District shall not be bound by the thirty (30) calendar day notice provision of this Section, but employees will be given as much notice as is reasonably possible.

Section 2. Order of Layoff.

(a) The order of layoff of regular classified employees shall be determined by length of service so that the employee who has been employed the shortest time in the affected classification, plus higher classifications, shall be laid off first.

(b) In the case of two or more regular classified employees with the same length of service, a lottery by drawing employee names within the job classification shall be held to determine the seniority of such employees.

(c) For employees hired prior to July 1, 2011, length of service shall be determined by date of first paid service in a probationary or permanent classified position. With respect to those few part-time classified employees hired prior to July 1, 2011, the District and the ECCE have stipulated that their seniority will be determined by pro-rating the amount of service by 75% of a full-time assignment, 2080 hours in their first year of classified service as a probationary or permanent employee of the District.

(d) For employees hired on or after July 1, 2011, length of service shall be determined in terms of percent of hours of a full-time 12-month 8-hour employee, i.e. 2,080 hours per year. By way of example, an employee hired for the full year on a 10-month work schedule shall receive credit for 1,733 hours (83.33%).

(e) Any employee whose position is reclassified shall maintain seniority in the former classification. However, if such former classification is abolished as a result of such reclassification, for the purpose of layoff, that employee(s) shall exercise his or her right to bump employees with less seniority in the former range providing that the employee(s) meet the minimum qualifications of the position.

Section 3. Demotion or Retirement in Lieu of Layoff.

(a) A regular classified employee subject to layoff may, in lieu of such layoff, if qualified, subject to the provisions of this Section, elect to be demoted to a lower job classification or to retire under the provisions of the Public Employees' Retirement System (PERS). The right to elect demotion shall not apply to any classified employee subject to layoff as a result of the expiration of a specially funded program or to any restricted classified employee.

(b) To be considered for demotion in lieu of layoff, in which the demotion would result in the displacement of a regular classified employee with less service in the job classification in which the employee subject to layoff has greater combined service in the lower and/or higher job classifications, the employee shall be required to notify the Human Resources Office in writing of such election not later than three (3) work days after receiving the notice of layoff.

(c) A regular classified employee who has held only one Classification within a promotional series as set forth in Appendix "A" may nonetheless elect to exercise displacement rights within such series, provided that the employee has greater service in the present classification in that series than an employee in a lower classification within that series; the employee is qualified to serve in the lower classification; and the employee notifies the Human Resources Office in writing of such election not later than five (5) work days after receiving the notice of layoff.

(d) A regular classified employee displaced under subsection (b) or (c) of this Section shall be subject to layoff according to the provisions of this Article.

(e) A regular classified employee who elects demotion or retirement in lieu of layoff shall, nonetheless, be placed on the thirty-nine (39) month reemployment list and shall be eligible when a position vacancy occurs to return to his/her former job classification in order of length of service as any other employee on such list, provided that eligibility for reemployment for an employee who elects demotion shall be extended for an additional twenty-four (24) months.

Section 4. Voluntary Reductions in Assigned Time.

The District may elect, in lieu of full layoff, to offer voluntary reductions in assigned time to regular classified employees within an affected job classification. An employee who elects and receives a reduction in assigned time in lieu of full layoff shall, nonetheless, be placed on the thirty-nine (39) month reemployment list and shall be eligible to return to this former assigned time in order of length of service. Eligibility for return shall be extended by an additional twenty-four (24) months.

Section 5. Reemployment Procedures.

(a) A regular classified employee who is laid off shall be placed on a thirty-nine (39) month reemployment list. The employee shall be required to maintain a current mailing address on file with the Human Resources Office.

(b) If, during an employee's eligibility period for reemployment, a regular classified position or positions become vacant within the job classification of a laid off employee or employees, the Human Resources Office shall send written notice by registered mail or telegram to the last known address of such employee or employees offering reemployment in order of service.

(c) An employee who receives such notice of reemployment and refuses to accept in writing the offer of reemployment within ten (10) calendar days, shall be deemed to have rejected the offer of reemployment. Failure to reply within ten (10) calendar days will be considered a refusal. After an employee has declined two (2) such offers, the employee, by such action, relinquishes all reemployment rights with the District.

(d) If the employee in a layoff status accepts the position being offered, the employee shall have up to thirty (30) calendar days from the postmark date of the notice to report for work. This does not preclude an employee from returning to work in fewer than thirty (30) calendar days. Should the employee fail to report back to work within thirty (30) calendar days, all reemployment rights are relinquished.

(e) A regular classified employee reemployed after being laid off shall be fully restored to his/her position with all rights to permanent status. Service credit and benefits shall not, however, accrue during the period of layoff.

Section 6. Insurance Provision.

An employee shall be eligible to apply and pay for insurance benefits in accordance with federal and state "COBRA" provisions upon layoff. Information pertaining to eligibility, insurance coverage and premium cost shall be available to the employee through the Human Resources Department. The employee on layoff status shall pay the applicable premium cost on the dates designated by the District in order to continue such coverage.

Section 7. Seniority List.

The District will make every effort to provide ECCE with a seniority roster for classifications affected by layoff as soon as possible, but not less than fifty-five (55) calendar days prior to the effective date of a layoff.

Section 8. Alternative Actions.

As an alternative to layoff, the parties shall meet and confer on alternatives such as furlough and work reductions.

ARTICLE 19
Employee Rights

Section 1. Non-Discrimination.

(a) The District and ECCE agree not to discriminate against any employee on the basis of race, color, ancestry, religious creed, sex, national origin, marital status, sexual orientation, physical disability (including HIV and AIDS), mental disability, mental condition, age (over 40), status as a Vietnam-era Veteran, or family care leave.

(b) The District shall not discriminate nor retaliate against any employee for reporting improper activities of any District employee nor for reporting any safety hazard. Any complaint of such discrimination or retaliation will be investigated promptly and appropriate action will be taken. Investigation process shall be the same as referred to in Section 2(d) of this Article.

Section 2. Harassment.

(a) For purposes of this Section, "harassment" is defined as repeated malicious annoyance, tormenting, teasing, pestering, belittling, beleaguering or verbal threats of violence in order to intentionally disrupt an employee's work environment.

(b) To respect the rights of the parties involved, the complaint will be handled promptly and confidentially.

(c) Should a harassment complaint include the intentional misrepresentation of any information, the District may take formal disciplinary action.

(d) If any employee has a complaint that the employee is being harassed by any District employee, staff, faculty or management, the following procedure will be followed:

(1) The employee will file his or her written complaint within 30 calendar days of the

alleged harassment in the office of Human Resources who shall direct the matter to the Vice President responsible for human resources functions.

(2) Within 10 work days of receipt of the complaint in the Human Resources Office, the ECCE will be notified by the Human Resources Department so that a meeting will be held to discuss and attempt resolution of the complaint. The meeting will include the complainant, a representative from Human Resources, and an ECCE representative, unless the employee opts out of union representation. Any “opt out” request for ECCE representation will be given in writing to the Human Resources Department. The employee against whom the complaint is made will be invited to attend the meeting. The parties will meet in resolution session(s) until one of the parties requests the process to proceed to Step 3.

(3) A two member factfinding committee representing the District and ECCE will be formed to investigate and/or conciliate the matter and take appropriate action. The committee will be comprised of the Vice President responsible for Human Resources or designee and an officer of the ECCE or designee. The proceedings will be maintained in confidence by the District representative and the ECCE representative. The committee’s final decision and recommendations will be presented in writing to the complainant, the respondent, and to the ECCE representative. It is understood that should the District determine disciplinary action may be appropriate, the District’s decision to consider and take disciplinary action is outside the scope of the committee and this process. Committee members will have received training by the District and/or ECCE prior to serving on the committee. The committee will be authorized to request the services of the State Medication and Conciliation Services if necessary.

(e) This procedure of resolution of harassment complaints is not to be utilized as a substitute for the procedure which the District has established to handle claims of sexual or

discriminatory harassment. Access to this procedure does not preclude the employee from filing a grievance pursuant to Article 25, Grievance Procedure, of this Agreement. The procedure set forth in this section is intended to redress situations that do not constitute alleged violations of this Agreement and are not of such a nature as to invoke the District's procedures related to sexual and/or discrimination harassment. An allegation of harassment may not be used as the sole basis for a grievance, but may be cited as an aggravating cause in grieving another provision of this Agreement.

Section 3. Representation Rights.

An employee who meets with a District official in connection with the employee's evaluation or a disciplinary matter, has the right to ECCE representation at such meeting if he/she makes a request for such representation.

Section 4. Personnel Files.

(a) There shall be one (1) official District personnel file for each employee. The material in the official District personnel file shall be considered and used as the only official personnel record of the District in any proceeding affecting the status of the employee's employment with the District.

(b) The material in the file shall be made available for the inspection of the employee to whom the file pertains except ratings, reports or records which were (1) obtained prior to the employment of the employee, (2) prepared by identifiable members of the screening committee involved in selection, or (3) obtained in connection with a promotional evaluation.

(c) Official District personnel files shall be available only to specifically designated persons. No other party shall have access to an employee's file, except as the result of a legal proceeding, without the written authorization of the employee. The Human Resources Office

shall maintain a log of access to the employee's file by any person not assigned to the Human Resources Office or the Vice President responsible for human resources functions.

(d) An employee or designated representative of ECCE shall have the right to inspect the file except as provided in subsection (b) of this Section upon written request by the employee. The review shall be made during normal business hours and at a time when such employee is not otherwise required to render service to the District unless mutually agreeable to the employee and the employee's Dean, Director or Manager.

(e) Any item to be placed in the file shall be clearly identified as to its source or originator and its date of receipt by the District.

(f) Information of a derogatory nature, except that listed under subsection (b) of this Section, shall not be entered or filed unless and until the employee is given a copy of the document and the employee has the opportunity to have a meeting concerning the matter and an opportunity to make his/her own written comments, which will be placed in the file attached to the derogatory document. Such written comments shall be submitted within five (5) working days. Such meeting and opportunity to write comments shall take place during normal business hours, and the affected employee shall be released from duty for this purpose, if necessary, without salary reduction.

(g) When an employee requests, the District will seal, in the employee's personnel file, information related to disciplinary matters which has existed in the personnel file for two (2) years or more. The District may unseal and review such material in the event it otherwise determines that discipline of the employee is appropriate.

(h) The Human Resources Office maintains the only official personnel file for each employee. Departments/Divisions may keep in general files notes, annotate calendars, maintain

copies of correspondence, and/or maintain copies of unacceptable work products. However, none of these may be used in a disciplinary process without prior knowledge of and receipt of copies by the employee.

If a Dean, Director, Manager or Supervisor obtains written materials or information which may lead to, or is intended for use in the disciplinary process, the employee must be given a copy of such material in a timely manner relative to the specific incident or concern. The Dean, Director, Manager or Supervisor shall not use materials or information which have not been previously provided to the employee prior to the commencement of disciplinary action.

Section 5. Medical Considerations.

If an employee has a physical disability that prevents the performance of the essential duties of that employee's classification, the District will provide reasonable accommodation to the employee consistent with the Americans with Disabilities Act or give consideration to transferring the employee to another position. The Americans with Disabilities Act prohibits discrimination against qualified employees with disabilities, and requires employers to make "reasonable accommodations" where a disabled employee could perform the "essential functions" of his or her job unless the assistance would pose an "undue hardship" on the employer.

ARTICLE 20
General Provisions

Section 1. Medical Examination.

(a) If the District has reasonable cause to believe that an employee's ability to perform duties is impaired by a physical, mental or emotional condition, the Vice President responsible for human resources functions or designee shall informally discuss this concern with the employee involved and may, when appropriate, suggest that the employee seek appropriate professional assistance. Human Resources shall inform the employee of his/her right to representation in this discussion.

(b) If the employee does not or cannot show adequate improvement, over a reasonable period of time, in the performance of duties, or in matter of immediate and serious concern, the Human Resources Office may require the employee to undergo appropriate examinations by a Board Certified or Board Eligible psychiatrist, physician or clinical psychologist specializing in the area of concern selected by the District and at the expense of the District. The employee may request that the psychiatrist, physician or clinical psychologist selected by the District and the psychiatrist, physician or clinical psychologist chosen by the employee select a third such professional to conduct the examination which shall be at District expense. The employee shall be required to execute a release so that the clinical psychologist, physician or psychiatrist may make a confidential report of the findings to the Human Resources Office. In the event the report concludes that the employee is able to perform the required duties, the documentation shall be destroyed by the Vice President responsible for human resources functions or designee in the presence of the employee if the employee requests such destruction. The purpose of the evaluation by the health care professional is to determine the

employee's fitness for duty. The written results of the evaluation will be provided to the District as a confidential personnel record. The report received shall be limited to (1) conclusions regarding the determination of fitness for duty, and if appropriate, (2) a description of the functional limitations of the employee with respect to fitness for duty.

Section 2. Home Address/Telephone Number.

An employee shall be required to keep on file his/her current home address and telephone number in the office of the employee's division and in the Human Resources Office.

Section 3. Tuberculosis Examination.

(a) An x-ray of the chest or a tuberculin skin test shall be required of each employee every four (4) years (unless otherwise specified by law) and the results of such examination shall be filed with the Human Resources Office. If the tuberculin skin test shows a "positive" reaction the employee shall be required to have a chest x-ray examination. The cost of such examination(s) shall be paid by the District providing that it is administered by a medical facility retained by the District for this purpose.

(b) If the examination results in a finding that the employee is suspected of having active tuberculosis, the employee shall be immediately released of all duties, granted any paid leave benefits to which the employee may be entitled under Article 11 and shall be reinstated only after conclusive evidence is presented that the employee is free of active tuberculosis.

Section 4. Political Activities.

(a) Employees shall not use District funds, services, supplies or equipment to urge the passage or defeat of any ballot measure or candidate, including but not limited to, any candidate for election to the District's Board of Trustees. This policy prohibits political activity during an employee's working hours, but shall not be construed to prohibit an employee from urging the

support or defeat of a ballot measure or candidate during non-working time. This prohibition does not pertain to the Local's office that is maintained at the College.

(b) The following activities by an employee upon property under the jurisdiction of the District are specifically prohibited:

(1) Posting of political circulars or petitions except on that portion of designated College and Union bulletin boards set aside for that purpose.

(2) Use of the College mail and e-mail systems for the distribution of political material.

(c) Violation of any of the foregoing rules may result in disciplinary action.

Section 5. Notification of Accrued Vacation and Sick Leave.

Each Dean, Director, Manager or Supervisor will make available the earned vacation and sick leave each month for the employees in his/her division. This information will be provided to the individual employee in a manner that protects the privacy rights of other employees.

Section 6. Contracting Out Work.

(a) The District, in compliance with Education Code 88003 shall employ persons for positions that are not academic positions and classify all such employees and positions. All positions as required by Education Code 88004 that are not defined by the regulations of the Board of Governors as an academic position and not specifically exempted from the classified service according to the provisions of Section 88003 or 88076 shall be classified as required by those sections and shall be part of the classified service. Such positions shall include all work required to be performed by the District on a regular and continuing basis except where certification is required.

(b) The District agrees not to contract out any work contained within a job description of an existing classification in the bargaining unit except as provided by the Education and Government Codes or when employees are not available to return on call-back assignment. The essential functions contained in a classified job description within the bargaining unit shall not be transferred to management, supervisors or confidential employees or to students or volunteers except as provided under the Education and Government Codes. While it is understood that Supervisors may perform tasks within a classification, the District agrees at no time will Supervisor or Management employees replace a classified employee or assume the major responsibilities of any classified position.

In the event the District creates a new food service operation as a part of the District's operations, ECCE retains the right to negotiate new classifications and represent those employees for the food services operations.

Section 7. Tools, Equipment and Supplies.

The District agrees to provide employees with all tools, equipment and supplies required for performance of their duties. An employee is prohibited from providing their own tools and equipment.

Section 8. Classified Employee Appreciation Week.

The District shall annually observe that the third full week in May is designated as Classified Employee Appreciation Week and shall observe that week in recognition of Classified Employees. The observances required by Education Code Section 88270 shall be a part of the regular Community College program.

ARTICLE 21
Staff Development

Section 1. Development Programs.

The District shall conduct an active staff development program (courses, seminars, workshops, etc.) which may include, but is not limited to, safety procedures, stress management, time management, enhancement of current technical knowledge and skills, retraining to meet changing institutional needs, development of innovation in administrative techniques and program effectiveness, computer and technological proficiency programs, implementation of affirmative action and upward mobility, and updating of changes in applicable codes and laws. A needs assessment shall be conducted annually by Staff Development. This assessment shall include an opportunity for employees to submit their views and suggestions. An employee will be given released time for attendance at approved programs.

Section 2. Professional Growth.

(a) A Professional Growth Committee is hereby established to be composed of the Director of Human Resources or designee, who shall serve as chair, one additional member appointed by the District and three (3) members appointed by ECCE. The chair shall not vote; however, the chair will authorize or disapprove the final expenditures of funds. The District shall budget a minimum of Twenty Thousand Dollars (\$20,000.00) for each fiscal year to be awarded by the Committee to employees for participation in educational programs, including college courses, conferences, seminars, etc, that relate to the employee's service or possible future service with the District. Authorized expenses shall include cost of tuition, conference or seminar fees, cost of textbooks, or other written materials and expenses and transportation or portions thereof. The decisions of the Committee on any application are final and not subject to review or

grievance. An employee will be given released time for attendance at approved workshops, seminars, and similar activities when such activity conflicts with the employee's work schedule. If the employee is authorized to attend a course that meets over an extended period of time, the employee will receive no release time for such course; however, the employee's supervisor will attempt, where feasible, to work out an alternative work schedule during the work week to enable the employee to work a full week schedule. Any schedule adjustment resulting in the employee working more than eight (8) hours in any day or days, will not result in payment of overtime compensation.

(b) ECCE may annually sponsor employee enrichment training programs or workshops. The District shall grant eight (8) hours of employee release time annually if the training activity is offered during the regular work day. No overtime shall be paid for attendance at such training programs. Attendance at such training is encouraged, but not mandatory. ECCE and the District may mutually agree to extend the number of hours as contained in this subsection.

Section 3. Training Programs for Designated Classifications.

When the District is able to project requirement(s) for designated classifications, which requirement(s) would likely not be met through the District's recruitment procedures, the District may establish a training program for the classification of skilled trades assistant(s) or technical assistant(s), as the case may be. The training program, which would not exceed one (1) year in duration, will be designated so that the selected employee could obtain sufficient skills to qualify for the position to which the training program is directed. Any such training program will include on-the-job training and may include classroom training, in which event the employee will be released from his/her other duties to attend the required classes.

(a) Upon satisfactory completion of the training program, the employee will receive a stipend of Fifty Dollars (\$50.00) per month in addition to the employee's monthly salary, which stipend will remain in effect so long as the employee remains in the Skilled Trades Assistant or Technical Assistant classification and so long as the employee submits an application for any job opening in the designated classification for which training is completed. The stipend will cease upon the employee's selection for such opening, or if the employee is accepted for any other vacancy or does not make application for the position.

(b) Any employee who has satisfactorily completed the training program and is awarded a vacancy in the position for which he/she was trained, will be placed in probationary status in such position for a period of one (1) year. If the employee fails to progress satisfactorily in such position, he/she may be returned to the prior classification at any time during such period.

Section 4. Educational Reimbursement Program.

(1) The Educational Reimbursement Program is a three (3) year pilot program through the duration of this contract. The offering of the Educational Reimbursement Program is based on the determination of “cap” and that this program is intended as a neutral cost to the District when the Educational Reimbursement Program is offered to assist the District in achieving cap. It will be evaluated annually during the duration of the contract, and adjusted, if necessary, taking into consideration the achievement of cap, or constraints on the District budget. Any changes to this program shall be negotiated by the District and ECCE.

(2) The District will reimburse 100% of the enrollment fees, student body I.D. fee, and applicable health fees of employees, their spouses, and/or legal dependents to attend El Camino College under the following circumstances:

(3) Eligibility:

ARTICLE 22
Safety

Section 1. Compliance.

The District shall provide work and workplaces that are safe and healthful. The District and employees will follow applicable job safety and health laws while conducting District business. ECCE will cooperate with the District in encouraging employees to maintain a safe and healthy work environment.

Section 2. Safety and Health Committee.

The supervisor, in turn, will generate an El Camino College Facilities Work Order to correct the identified hazard and the employee will be informed of such action taken.

(b) Employees who become concerned as to the safety of any work condition will promptly notify their immediate supervisor or division administrator. The immediate supervisor or division administrator will evaluate the concern and inform the employee of the result. If the immediate supervisor or division administrator is unable or unwilling to resolve the concern, the employee may ask for a clarification from the Director of Risk Management.

(c) The ECCE President or his/her designee shall have the right to report safety hazards or unsafe work conditions to the Director of Risk Management, or designee, and request a joint investigation of such problem.

(d) No employee will be disciplined or discharged for reporting any safety hazards or unsafe work conditions.

(b) When required, the District will provide identification badges with photograph to employees for the purpose of maintaining safety and security.

(c) In addition, the District will provide appropriate work apparel to designated division employees for the purpose of maintaining safety and security. Section 7. Video Display Terminals (VDT) and Laptop Computer Users.

Every employee actively working at a VDT or on a laptop computer shall utilize task rotation every hour in order to prevent eye strain and repetitive motion injuries. It must be understood that this is not to be interpreted as a break from job duties, but rather a change in performing job assignments.

Section 8. Emergency Closure.

(a) In the case of a District-determined emergency requiring employees to serve as Disaster Service Workers, the District may close down operations as necessary campus-wide, or in identified areas, and send employees home. Employees needed by the District to respond to emergencies will be required to report to the El Camino College Incident Commander, or other appropriate emergency response official as directed. Employees scheduled to work later in the day, excluding those on personal leave, vacation, sick leave, or any other paid leave, shall be

compensated at their regular rate of pay during the emergency shut-down. Section 3100 applies to El Camino College employees in the following cases: 1) when a local emergency has been proclaimed, 2) when a state emergency has been proclaimed, or 3) when a federal disaster declaration has been made. Employees required to work in these emergency circumstances shall be compensated at one and one-half times their hourly rate in effect at the time they are required to work.

(b) In the case of other local District emergencies, such as plumbing and electrical, employees who are required by the District to remain at work will be compensated at one and one-half times their hourly rate in effect at the time they are required to work. The cost of the tests shall be paid by the District.

(b) Reasonable Suspicion: “Reasonable suspicion” is a belief based on objective facts sufficient to lead a reasonably prudent supervisor or manager to suspect that an employee is under the influence of illegal drugs or alcohol so that the employee’s ability to perform the functions of the job is impaired or so that the employee’s ability to perform his/her job safely is reduced.

(c) Diversion Program: Any employee who tests positive for alcohol or illegal drugs shall be required to participate in a diversion program for six months, which may include additional random drug testing. Employees who test positive a second time or fail to participate in or complete a diversion program shall be subject to discipline, up to and including dismissal.

Permanent employees shall be subject to progressive discipline or disciplinary action for just cause. Just cause for disciplinary action includes the following:

(b) Appearing for work under the effects of alcohol or the use or possession of alcoholic beverages on District property, except at events where alcoholic beverages are provided by the District/ECC Foundation. "On District property" shall also include District vehicles or facilities used to conduct District business.

This prohibition shall not apply to a prescription issued by a state licensed physician and which the employee is using according to the prescription directions.

(t) Failing to comply with reasonable District rules and regulations or provisions of the Agreement.

(u) Repeated violation or refusal to obey safety rules or regulations of the District or of any appropriate state or governmental agency.

Section 2. Progressive Discipline.

Progressive discipline is intended to correct deficient performance of the employee short of dismissal, suspension with or without pay, demotion or written reprimand. It is also intended to help employees recognize and fully accept their work responsibilities and for their supervisor to have a realistic expectation of the employees' future work performance.

Section 3. Progressive Discipline Procedures.

The following procedures will be utilized to provide progressive discipline for permanent employees prior to taking disciplinary action for the causes specified in Section 1(n) through (u) of this Article.

Step One – First Meeting and Verbal Counseling

Within two months of the immediate supervisor's knowledge of an act or omission that may give rise to discipline (excluding the acts or omissions specified in Section 4 of this Article) the supervisor, and/or a representative from Human Resources and a Union Representative if requested by the employee shall conduct a meeting with the employee to discuss matters related to the act or omission. As a result of this meeting, if the District's representative determines that progressive discipline is necessary, it is understood that the employee will be provided at this meeting with verbal counseling and suggestions for improvement. When verbal counseling is provided, then the supervisor will also provide the employee with written confirmation that Step One verbal counseling was provided to the employee. The written confirmation will be provided to the employee within 5 work days and will state the date of the meeting, who was present, the action or omission giving rise to the reason for the verbal counseling, and

suggestions for improvement. No further disciplinary action shall be taken at this time. The employee will acknowledge receipt by initialing or signing a copy of the confirmation within 5 work days. Nothing in Step One prohibits supervisors from giving directions to employees with respect to their work performance and nothing in Step One prohibits the supervisor from referring to these previous directions at Step One.

Step Two – Second Meeting and Letter of Reprimand

Any time within six (6) months of holding the Step One Verbal Counseling Meeting the same or similar act(s) or omission(s) is/are committed, that may give rise to further discipline (excluding the acts or omissions specified in Section 4 of this Article) the supervisor, and/or a representative from Human Resources and a Union Representative if requested by the employee, shall conduct another meeting with the employee. If the District's representative determines that further progressive discipline is necessary, then the employee shall receive verbal counseling and a written letter of reprimand that will be placed in the employee's personnel file, advising the employee of the reasons for the reprimand and providing suggestions for improvement. The employee may respond to the letter of reprimand by having the employee's response placed in his/her personnel file within ten work days of receipt of the letter of reprimand. Should the same or similar act(s) or omission(s) re-occur, the District may take further disciplinary action following the opportunity for a meeting with the employee and his/her representative.

Satisfactory completion of these suggestions for improvement within two years will result in the written letter of reprimand being removed from the employee's personnel file and discarded.

Step Three – Third Meeting and Further Discipline

Any time within twenty-four (24) months of holding the FIRST MEETING AND VERBAL COUNSELING the same or similar act(s) or omission(s) is/are committed, that may give rise to further discipline (excluding the acts or omissions specified in Section 4 of this Article) the supervisor, and/or a representative from Human Resources and a Union Representative if requested by the employee shall conduct an additional meeting with the employee.

The District may take further disciplinary action under Section 5 of this Article, or may instead issue a follow-up letter of reprimand to the employee that will be placed in the employee's personnel file. The employee may respond to the letter of reprimand by having the employee's response placed in his/her personnel file within ten work days of receipt of the letter of reprimand. Should the same or similar act(s) or omission(s) re-occur, the District may take further disciplinary action following the opportunity for a meeting with the employee and his/her representative.

Section 4. Non-Progressive Disciplinary Action.

It is recognized that certain acts or omissions are not compatible with the progressive discipline concept. The parties agree that the following specified acts/omissions do not require progressive discipline prior to proposing disciplinary action:

(a) Willfully deceiving or defrauding the District or knowingly falsifying or withholding any material or information supplied to the District, including, but not limited to, information required on application forms and employment records.

(b) Appearing for work under the effects of alcohol or the use or possession of alcoholic beverages on District property, except at events where alcoholic beverages are

provided by the District/ECC Foundation. "On District property" shall also include District vehicles or facilities used to conduct District business.

(c) Appearing for work under the effects of controlled substances or restricted dangerous drugs or the use or possession of controlled substances or restricted dangerous drugs on District property. This prohibition shall not apply to a prescription issued by a state licensed physician and which the employee is using according to the prescription directions.

(d) Conviction of a sex offense as defined in Education Code Section 87010.

(e) Conviction of a controlled substance offense as defined in Education Code Section 87011.

(f) Willful misuse, destruction or theft of District property, student body property or the property of an employee or student.

(g) Any intentional act that causes intentional harm or serious bodily injury to District employees, students or the general public.

(h) Collecting sick leave or industrial accident/illness leave pay while working elsewhere for pay during his/her normal scheduled work assignment with the District.

(i) Conviction by a court of competent jurisdiction of a felony or a crime of violence or involving moral turpitude while employed the District. A plea, verdict or finding of guilty or a conviction following a plea of nolo contendere is deemed to be a conviction.

(j) Absence from work of 5 consecutive working days without authorization, permission or good cause.

(k) Ethnic, racial, religious or sexual harassment of another person.

(l) When a criminal complaint or indictment charges an employee with a sex or narcotics offense as defined in the Education Code, in such event the District will suspend the employee without pay pending the outcome of the criminal court proceedings.

(m) Engaging in a work stoppage as provided in Article 27.

Section 5. Disciplinary Action.

(a) Disciplinary action may include dismissal, suspension with or without pay, involuntary transfer or demotion. No disciplinary action shall be taken against any permanent employee for any cause which arose prior to the date in which the employee became permanent, nor for any cause which arose more than 2 years preceding a written notice of disciplinary action, unless such cause was concealed or not known to the District.

(b) Notice of Intended Disciplinary Action

In instances pertaining to involuntary transfer, suspension with or without pay, demotion or dismissal, a permanent employee shall be given written notice of the intended disciplinary action in person or by certified mail to his/her last known recorded address on file in the Human Resources Office. The notice shall specify the charges against the employee in sufficient specificity as to the cause for such intended action:

(1) including actual or approximate date, time and location, if pertinent;

(2) the disciplinary action to be proposed; and

(3) a statement of the employee's right to file a grievance and the required time and place of filing.

Section 6. Disciplinary Grievance.

(a) A permanent employee who desires to appeal a proposed involuntary transfer, suspension with or without pay, demotion or dismissal must file a written request for a hearing

with the Human Resources Office by the close of business on the tenth work day following the date of mailing or hand delivery of the notice. Such written request for hearing constitutes the filing of a grievance as provided in Article 25, Section 6, Step Two. If the employee does not have sufficient time to file the request by making it in writing, he/she may notify the Human Resources Offices of his/her request for hearing by telephone, provided he/she promptly follows up the telephone call with the written request for hearing. If the employee does not file a grievance within the designated time period, the intended disciplinary action will be final and binding upon the employee. No disciplinary action shall be implemented prior to the ruling of the Vice President responsible for Human Resources functions, or designee, at Step Two of the Grievance Procedure as provided by Article 26, Section 5, except as provided in Section 4(1) and Section 7 of this Article.

(b) Only the procedures set forth in this Article shall be subject to the grievance article of this Agreement. The subjective judgment to impose discipline and the Board of Trustee's decision responsive to an employee's appeal shall not be subject to the grievance procedure of this Agreement.

Section 7. Emergency Disciplinary Action.

Nothing herein shall preclude the District from effectuating an immediate suspension without pay pending final disciplinary action when reasonable cause exists to believe the suspension is to protect the best interests of the District, in which event the notice of intended disciplinary action required by Section 5(a) of this Article will be mailed or hand delivered no later than three work days after the suspension. Such suspension shall be with pay if the disciplinary action is subsequently overruled.

Section 8. Probationary Employees.

An employee who has not completed the probationary period may be disciplined, including termination, and such employee is not entitled to file a grievance and is not otherwise entitled to a hearing. The probationary employee shall be given a written notice of disciplinary action. The notice shall state the reason or reasons giving rise to the action and the effective date thereof. Such action shall be final subject to such approval or ratification as may be required by the Board of Trustees.

Section 9. Disciplinary Settlements.

A disciplinary grievance may be settled at any time following the service of notice of discipline. The terms of the settlement shall be expressed in writing. An employee offered such a settlement shall be granted a reasonable opportunity to have the employee's Union representative review the proposed settlement in writing.

ARTICLE 24
Mediation

Section 1. Description.

(a) Mediation is a process which attempts to resolve disputes based upon the mutual interest of the parties. The first step in resolving any disagreements or disputes is for the parties to discuss the issues.

(b) It is the purpose of this Article to provide a means whereby misunderstandings or disagreements (involving or effecting the workplace) between ECCE and the District, the District and employees, or between an employee and another employee can be resolved without the use of the formal grievance and arbitration procedures.

(c) Employees and the District representatives may be encouraged, but are not required, to use the mediation process as described in this Article. Mediation shall be available for all issues involving the work place except for formal discrimination complaints.

Section 2. Terms and Conditions for Mediation.

(a) Both parties of the dispute or disagreement must agree to the use of Mediation.

(b) No party shall be required to use Mediation.

(c) The parties shall make a good faith effort to resolve the issues in the grievance through the use of Mediation which will assist the parties in their efforts to achieve a mutually satisfactory resolution of the dispute. Mediators shall not issue any public statement of fact or opinion concerning the issues or positions under discussion; nor shall they reveal to any other individual or to the District or ECCE any information without the written consent of all parties involved.

(d) In no instance shall the form or matter of these discussions, including settlement statements, positions, offers, or proposals made during Mediation be revealed publicly by the parties nor referred to or introduced in any subsequent proceedings provided under this Agreement, except with the written permission of all parties involved. Should any information be revealed that there may have been a violation of State or Federal law, the Mediation process is immediately terminated and procedures as set forth elsewhere in this Agreement would proceed accordingly.

(e) The use of Mediation shall automatically extend any timelines specified in this Agreement to the end of Mediation.

Section 3. Procedures.

(a) The party requesting Mediation shall submit a written description of the dispute on a mutually agreed upon Mediation Form provided by the District to the Human Resources Office. Within ten (10) working days, pending the agreement of both parties, the Human Resources Office shall contact the State Mediation and Conciliation Service to schedule Mediation and inform the parties and ECCE of the scheduled date.

(b) The selection of the mediator shall be obtained by requesting the Office of the State Mediation and Conciliation Service to assign one of its state mediators to mediate the dispute.

(c) The parties are allowed representation at Mediation.

(d) If the dispute is resolved, the resolution shall be forwarded to ECCE and the District in writing. No resolution from any Mediation shall be considered precedent setting.

(e) If the dispute was not resolved by Mediation, and the dispute is non-disciplinary, the employee may file a formal grievance at Step 1 of the Grievance Process as set forth in Article 25.

(f) If the dispute was not resolved by Mediation, and the dispute is disciplinary in nature, the party(ies) shall proceed in accordance with Article 23, Disciplinary Action.

Section 4. Documentation.

The District shall keep records of all Mediations in a Mediation file in the Human Resources Office, not in an employee's official personnel file. The Mediation file shall include the intake form, confidentiality statement, and the resolution of the Mediation. No other data shall be maintained and any notes taken during Mediation shall be destroyed. The Mediation file shall be made available to ECCE or the District upon request and with the employee's permission. A generic log will be maintained by the Human Resources Office for the purpose of general review for statistical studies only. The generic log will include the date of the Mediation, names of the participants, and status of the resolution.

ARTICLE 25
Grievance Procedure

Section 1. Purpose.

The purpose of this procedure is to resolve issues affecting the welfare and working conditions of employees which arise from the alleged violation, misapplication, or misinterpretation of the language in this Agreement. Accordingly, it is the purpose of this procedure to provide an orderly means by which grievances can be resolved in an expeditious, amicable, and decisive manner. The District and ECCE agree that every effort will be made to settle grievances at the lowest level possible.

Section 2. Definition.

A “grievance” is defined as a claim by an employee and/or ECCE that the District has violated a provision of this Agreement and that by reason of such violation the employee or ECCE has been adversely affected. It is expressly understood that the following items are specifically excluded from the Grievance Procedure.

- (a) any dispute concerning the provisions of Article 1, Recognition by an employee;
and,
- (b) any dispute arising out of either the existence of, or the exercise of, any of the rights of the District as set forth in Article 3, Rights of the District; and,

and,
- (d) any dispute arising out of Article 27, Work Stoppage.

Section 3. Informal Meeting.

Before any employee or ECCE on behalf of an employee, files a written grievance pursuant to Section 5 of this Article (other than a grievance involving disciplinary action), the employee or ECCE shall first request a meeting for the purpose of discussing the complaint with the immediate Supervisor or appropriate Dean, Director or Manager. Upon receiving a request from an employee or ECCE under this Section, the immediate Supervisor or appropriate Dean, Director or Manager will arrange a mutually convenient meeting time (within three (3) work days) with the Grievant(s) to discuss the matter and attempt to resolve the complaint. If the immediate Supervisor or appropriate Dean, Director or Manager does not contact the employee or ECCE within three (3) working days or the informal meeting is not scheduled within ten (10) working days after the request is received, the grievance will automatically proceed to the next step.

Section 4. Grievance Mediation and Non-Grievance Mediation.

Mediation is available to employees or ECCE acting on behalf of the employee attempting to resolve issues without the use of the formal grievance process and arbitration procedures. Employees and the District representatives may be encouraged, but are not required, to use the mediation process as described in Article 24. If the employee and the District agree to utilize the mediation process, the timelines as stipulated in Section 5, of this Article, will automatically begin at the conclusion of the mediation process. The Mediation Process shall be available for all issues involving the work place except for discrimination allegations.

Section 5. Procedures Involving Non-Disciplinary Matters.

Any complaint that is not resolved by the informal procedure set forth in Section 3, and which complaint constitutes a grievance as defined in Section 2, other than a grievance involving

disciplinary action, must be processed by the employee or ECCE on behalf of the employee, in accordance with the following procedure.

Step One

A formal grievance shall be filed by the employee and/or ECCE on behalf of an employee(s), in writing on a form provided by the District and submitted to the Human Resources Office. The Office of Human Resources shall within five (5) work days:

The grievance shall be submitted within fifteen (15) work days from the date the Employee discovered the facts, or by reasonable diligence should have discovered the facts, giving rise to the grievance. The grievance shall fully state the facts surrounding the grievance and shall specify the provision or provisions of this Agreement alleged to have been violated and the remedy sought. The grievance shall be signed and dated by the employee or ECCE on behalf of the employee, and shall incorporate a statement that the Grievant(s) had first attempted to discuss the matter as provided by Section 3, except for any grievance of a disciplinary action. The Dean, Director or Manager shall promptly schedule a meeting with the Grievant(s) to review and discuss the grievance. Such meeting will be scheduled to take place no later than the fifth (5th) work day from the date the written grievance is received by the Dean, Director or Manager.

The Dean, Director or Manager will provide the Grievant(s) with a written decision of the grievance by the end of the fifth (5th) work day following the date of the meeting and the giving of such decision will terminate Step One.

The appeal shall be filed with the Human Resources Office no later than the end of the fifth (5th) work day following the date of the response at Step One. A written decision on the appeal of such grievance shall be rendered by the Vice President responsible for human resources functions no later than the end of the fifth (5th) work day following the date of such meeting and the rendering of such decision will terminate Step Two. ECCE may appeal any grievance which is not settled at Step Two to arbitration as provided in Article 26, Arbitration.

Section 6. Procedures for Grievance Involving Disciplinary Actions.

Grievances involving disciplinary action must be filed at Step Two of the Grievance Procedure as provided in Article 23, Disciplinary Action, Section 3, and the following special procedures for such cases shall apply:

Upon receipt of the filing of the grievance as provided by Article 23, Section 3, the Vice President responsible for Human Resources functions shall schedule a hearing of such grievance no later than ten (10) work days, excluding days the Vice President is not scheduled to be on

campus. The grievant(s) and/or his/her representative will be afforded an opportunity at such hearing to defend the charges against the grievant(s). A written decision on the grievance shall be rendered by the Vice President responsible for human resources functions no later than ten (10) work days after the day of the hearing, excluding any days the Vice President is not scheduled to be on campus.

Appeal

If the employee is not satisfied with the decision of the Vice President responsible for human resources functions from Step Two, the grievance may be appealed in accordance with either of the following mutually exclusive procedures. A copy of the grievance will also be provided to the Vice President of Human Resources in addition to the President.

(a) ECCE may appeal any disciplinary action involving suspension, demotion or dismissal to arbitration as provided in Article 26, Arbitration; or,

(b) If the disciplinary action involves suspension, demotion or dismissal, and the employee desires, he/she may appeal any such grievance to a hearing panel of three management or supervisory employees of the District who are not directly involved in administering the disciplinary action or in hearing the grievance. One hearing member shall be selected by the District, one shall be selected by ECCE, and the third member shall be mutually agreed upon. Such appeal must be made in writing within ten (10) work days from the written decision in Step Two to the Superintendent - President who will appoint the Hearing Panel and will set a date for the hearing which will be no later than fifteen (15) work days after the appeal to the Superintendent - President. The Hearing Panel will conduct a hearing and will make its decision and findings which will be submitted to the Superintendent - President for transmittal to the Board of Trustees for its final and binding decision.

Section 7. Time Limits.

If the grievance is not processed by the employee or ECCE in accordance with the time limits set forth in this Article or Article 26, Arbitration, it shall be considered settled on the basis of the last decision made. If the Vice-President responsible for human resources functions or designated Vice President fails to respond to the grievance within ten working days at any step, excluding days the Vice President is not scheduled to be on campus, the grievant(s) may proceed to the next step. The time limits set forth in this Article may be extended by mutual agreement in writing between the District and the employee or the District and ECCE.

Section 8. Representation.

(a) The employee shall be entitled to ECCE representation at all grievance meetings with the District. If the employee chooses to have other than an ECCE representative, the employee waives his/her right to ECCE representation on the issue. If the employee desires an ECCE representative, including grievances involving the above stated disciplinary actions, an ECCE officer shall inform the Dean, Director or Manager and/or the Director of Human Resources of the person selected. Release time without loss of pay for attending grievance meetings with the District will be provided for the employee.

(b) Released time with pay for ECCE designated grievance officers shall be granted for grievance processing at Section 3-6 and 11 of Article 25, Grievance Procedures. ECCE will keep on file in the Human Resources Office a current list of its designated grievance officers in accordance with the ECCE Local Constitution. ECCE will also identify on the list no more than ten (10) appointed alternate grievance officers trained to process grievances. The combined total of grievance officers and alternates on the list shall not exceed ten (10) authorized ECCE representatives at any one time.

(1) When requested by the grievant, a designated grievance officer will attend the grievant's grievance meetings at any step of the grievance procedure. Released time shall be granted to one ECCE representative per grievance meeting. The amount of released time for the grievant and the ECCE representative shall be limited to the actual time spent in grievance meetings with management representatives, or in grievance hearings conducted by a Hearing Panel or Arbitrator in accordance with the contractual Grievance Procedure (Articles 25 and 26). In addition, ECCE may designate a representative for training purposes to attend actual grievance meetings. The ECCE representatives will be granted 30 minutes of released time for preparation and wrap up of the actual grievance meeting or hearing.

(2) In addition, paid release time in the amount of eighty (80) hours per calendar year shall be granted to the union representatives for matters such as gathering information, interviewing witnesses, preparing presentations or meeting with management representatives regarding potential or actual grievances at the request of ECCE.

Section 9. District Representatives.

If, at any step of the grievance process, an emergency or unusual circumstance occurs which prohibits the management representative from proceeding with the grievance, the District may designate a substitute for the person designated herein. If ECCE objects to the substitute designee, the District shall develop a list of three (3) management representative options of which ECCE will choose one. An additional management participant may be present at either the Step One or Step two meetings.

Section 10. Adjournment.

The District representative and the employee or his/her representative may agree in writing to adjourn any grievance meeting to be reconvened at a later fixed date.
