## Student Resources and Reporting Options for Sexual and/or Gender-Based Misconduct (including Sexual Assault and Relationship Violence)

If you have been sexually assaulted, do the following:

**Get to a Safe Place**  
If you are in fear of your safety call 9-1-1

**Get Medical Attention**

To assess and treat physical injuries and to collect evidence of the assault or obtain a protective order

**Seek Emotional Care and Support**

Do not try to deal with the situation alone  
(See back of pamphlet)

**Tell Someone**

Consider reporting the incident to the Police (9-1-1) or to the El Camino College Title IX Coordinator (310-660-3813) ([titleixcoordinator@elcamino.edu](mailto:titleixcoordinator@elcamino.edu))

**You are not alone. Reach out for support.**

## Sexual and Gender-Based Misconduct

**Sexual and Gender-Based Misconduct** (including sexual assault and dating violence) is unacceptable and will not be tolerated at the El Camino College District. These acts include a range of sexual offenses that have been initiated without obtaining consent or with the purpose or effect of threatening or coercing someone into sexual activity.

**Sexual and gender-based misconduct** is any unwelcome, gender or sex-based verbal or physical conduct that may or may not be sexual in nature.

**Sexual assault** is any actual, attempted or threatened unwanted sexual acts or contact, whether by an acquaintance or by a stranger, against a person without his or her consent.

**Dating violence** is committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and may include the use of physical violence, coercion, threats, intimidation, isolation, or stalking.

**Domestic violence** is committed by a person that is (a) current or former spouse; (b) a person with whom one shares a child, or (c) anyone who is protected from the Respondent's acts under the domestic or family violence laws of CA.

**Sexual harassment** is unwelcome verbal/non-verbal, or physical conduct of a sexual nature that is sufficiently severe, persistent, or pervasive that it unreasonably interferes with, denies or limits, someone's ability to participate in or benefit from the District's employment and/or educational programs/activities, and may be based on power differentials (*quid pro quo*), or the creation of a hostile environment.

**Stalking** is engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear his/her safety or the safety of others, or to suffer substantial emotional distress.

## What is Affirmative Consent?

Consent is **informed**. Consent is affirmative, unambiguous, and conscious decision by each participant to engage in mutually agreed-upon sexual activity.

Consent is **voluntary**. It must be given without coercion, force, threats, or intimidation. Consent means positive cooperation in the act or expression of intent to engage in the act pursuant to an exercise of free will.

Consent is **revocable**. Consent to some form of sexual activity does not imply consent to other forms of sexual activity. Consent to sexual activity on one occasion is not consent to engage in sexual activity on another occasion. A current or previous dating or sexual relationship, by itself, is not sufficient to constitute consent. Even in the context of the relationship, there must be mutual consent to engage in sexual activity. Consent must be ongoing throughout a sexual encounter and can be revoked at any time. Once consent is withdrawn, the sexual activity must stop immediately.

Consent cannot be given when a person is incapacitated. Consent cannot be given when a person is coming in and out of consciousness. Consent cannot be given under the express or implied threat of violence, bodily injury, fear or fraud, or other forms of coercion. Consent cannot be given when one's understanding of the act is affected by a physical or mental impairment.

## Confidentiality vs. Privacy

Information regarding the incident may be shared on a "need to know" basis, i.e., information will be shared only as necessary. The District will attempt to honor any student's request for confidentiality; however, the District must also weigh its duty to provide a safe and nondiscriminatory environment for all members of the District community.

**Confidentiality cannot be ensured.**

**If you would like to speak to someone on campus confidentially, please go to the Student Health Center (Pool Building) and ask to speak to a staff psychologist.**

## Formal vs. Informal Reporting Options

### Formal Reporting Options

**Reporting to the local police department:** This option allows students to report the assault and, possibly, initiate a criminal investigation.

**Seeking medical attention:** You do not have to press charges to have a sexual assault examination completed. However, medical providers (but not psychologists) are mandated by state law to notify law enforcement if you tell personnel you have experienced sexual assault. You have the right to request that a survivor advocate be present when you speak with law enforcement. Nearby SART (Sexual Assault Response Team) locations include Providence Little Company of Mary Medical Center, 1300 W. 7<sup>th</sup> Street, San Pedro, CA 90732 and UCLA Medical Center, 1250 16<sup>th</sup> Street, Santa Monica, CA 90404.

**Reporting on Campus:** This option allows the District to investigate and take action to protect your safety. You can report the incident to the Title IX Coordinator (310-660-3813), Employee/Instructor, Director of Student Development (310-660-3593 ext. 3500), and/or Campus Police (310-660-3100).

### Informal Resolution Options

If appropriate, the District's Title IX Coordinator may seek to resolve certain Sexual/Gender-based Misconduct cases through an informal process involving both the Complainant and Respondent, subject to the Complainant's agreement.

**Informal resolution agreement** may take the form of a mediation or other negotiated remedies as appropriate (mediation will be assessed on the severity of the situation and does not forego the Complainant's right to file a formal complaint).

**Interim measures:** The Title IX Coordinator may determine immediate or long-term remedies, such as, but not limited to, issuing an administrative no-contact directive, police escort services while on campus, accommodations relating to changing academic schedules, restrictions on the alleged perpetrator pending investigation, and other remedies to promote the well-being, safety, and restoration of the alleged victim.

**Reporting is your choice.**
