El Camino College to Present Career & Majors Fair

The El Camino College Career Center will sponsor a Career & Majors Fair from 10 a.m. to 2 p.m. Oct. 29 on the Library Lawn.

The Career & Majors Fair will feature numerous employers and campus departments and programs. This event brings together job seekers, recruiters, and faculty members in an outdoor setting to allow El Camino College students and alumni to receive career information and discuss choosing a major with faculty, counselors, staff, and potential employers. Admission is free and open to the public.

The Career & Majors Fair is a great way for exhibitors to showcase their company, distribute literature, meet face-to-face with prospective employees, and collect resumes. This is also a time when students and community members can explore majors, career choices, employment and internship opportunities; network with professionals; and learn about the different departments, programs, and services at El Camino College.

Students are asked to bring resumes. For more information, contact Yamonte Cooper at 310-660-3593, Ext. 3402 or ycooper@elcamino.edu.
