California residents may wish to apply for a Board of Governor's Fee Waiver (BOGFW) to pay for their enrollment fees (Please see enclosed application on page 13). Students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) to determine eligibility for all federal, state and institutional programs.

- AB130 allows AB540 students to apply for institutional aid.
- AB131 allows AB540 students to apply for state based financial aid.

The California Dream Act Application is now available online at <https://dream.csac.ca.gov> for community college fee waivers. The California Dream Act Application allows students to apply for the BOGFW, Cal Grants, and Chafee Grants.

Health Services Fee

Students pay \$19 each semester to cover the operation, supervision, programs and services of the Student Health Center.

Until further notice El Camino College Compton Center students will not be charged a health fee at enrollment. If an ECC Compton Center student comes to the El Camino College cashier window and asks to use the El Camino College Student Health Center, he or she will be charged the \$19 fee for access to those services.

There are exceptions under these conditions:

1. Students receiving financial aid pursuant to Section 72252.1.

2. Low-income students who meet the Board of Governors grant criteria (pursuant to Section 72252) as demonstrated by appropriate support documentation of eligibility; SSI eligibility; or GA eligibility; Veterans Affairs Dependent Fee Waiver Certification; Agency Certification or Income Tax form as they relate to qualifying income levels; or a combination of these and unmet student need as determined by the Financial Aid Office.

3. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Students who qualify for this exception may obtain a Health Services Fee Waiver form in SSVS 200. All fee waiver requests must be submitted by the second week of the term.

Students will not be required to pay this fee if they are enrolled only in classes held off campus, only in distance education classes, or only in noncredit classes or work site classes. High school students or students enrolled in contract classes only are also exempt.

Health services are provided for students 18 years of age or older who pay the mandatory health fee. High school students permitted to attend the college on a concurrent enrollment basis are not eligible for health services.

College students under 18 years of age subject to other admissions criteria must pay the health fee and submit a parental or guardian consent form to receive health services.

Children, including children of students, are not permitted in the Student Health Center.

California State Assembly Bill 540 (AB 540) allows any student who meets all of the following requirements to be exempt from paying non-resident tuition at California Community Colleges, the California State University (CSU), and the University of California (UC).

1. The student must have attended a high school (public or private) in California for three or more years **and**

A student who meets the above requirements must file an affidavit with the Admissions & Records Office at El Camino College stating that he/she has an application to legalize his/her immigration status or will file an application as soon as he/she is eligible to do so. Student information obtained in this process is strictly confidential unless disclosure is required under law. Students who meet the criteria will be exempted from the payment of non-resident tuition but will not be classified as "California Residents." Students will continue to be classified as "Nonresidents." Students who are in the United States under a student or visitor visa are not eligible.

Registration Procedure

Each student is required to have a registration appointment before being permitted to register. Registration appointments are issued by the Admissions and Records Office and indicate the day and hour after which students may register. Students who complete the admission requirements may check their appointment time on *MyECC*.

Students must enroll on the date and time indicated or any time thereafter in accordance with the published registration schedule.

Limitations

Enrollment in courses and programs may be limited to students meeting properly

established prerequisites and corequisites and for other reasons outlined in El Camino College Administrative Procedure 5055.

Schedule of Classes

Before the registration period for each semester or session, the college publishes a Schedule of Classes listing the courses offered and general registration procedures. Schedules are available online at www.elcamino.edu/admissions/schedule.asp and may also be obtained at the Bookstore for a nominal fee. A searchable class schedule showing open and available classes is also available online.

Priority Registration

In compliance with Section 58108 of Title 5, California Administrative Code, priority registration will be implemented as follows:

Registration Time Allowance

A. All students may register on or after their scheduled registration appointment time, but not before.

B. All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a student fails to meet these deadlines or to follow the District's policies and/or procedures, the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc.), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or corequisites, an unapproved course overload, a K-12 form or process not properly executed, an admissions hold (residency, AB540, missing data, etc.) not resolved by the student in the manner and timeframe prescribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration, does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration, please see Board Policy 5055 and Administrative Procedure 5055.

Registration Priorities

During registration periods, the following registration priority shall be followed:

Tier One Students: Eligible students in Veterans, Foster Youth, DSPS, EOPS, and CalWorks groups

Tier Two Students: Eligible students in Title 5 sanctioned groups (none at this time)

Tier Three Students: Eligible students in District designated groups

Tier Four Students: Eligible in-district new students

Tier Five Students: Eligible continuing students

Tier Six Students: Eligible non-district new or returning students

Tier Seven Students: Other new or returning students

Tier Eight Students: K-12 concurrently enrolled students

Tier Nine Students: Continuing students on probation for two consecutive terms and/or continuing students with 100 or more earned units

Tier Ten Students: Reinstated dismissed students

Students within a continuing student tier will be prioritized by units earned at or through El Camino College and/or El Camino College Compton Center. The more units earned, the higher the priority up to an earned unit limit of less than 100. Continuing students with the same earned unit value will be prioritized randomly.

Students within a new/returning student tier will be prioritized by the submission date of their application for admissions. New/returning students who applied on the same day will be prioritized randomly.

Eligible new students in Tiers One, Two, Three, Four and Six must have completed orientation, assessment, and developed student education plans. Students should contact Veterans' Services, Foster Youth, DSPS, EOPS, CalWorks or one of the district designated groups to receive information on qualifications for those programs and eligibility for priority enrollment.

Continuous Enrollment for Priority Registration

Continuous enrollment at El Camino College and ECC Compton Center constitutes enrollment in the most recent previous semester per academic year, excluding summer sessions. A student must remain enrolled in at least one course for sufficient time to receive a grade of "W" or a letter grade.

For the complete El Camino College Administrative Procedure 5055, Registration Priorities, please go to www.elcamino.edu/administration/board/boarddocs/AP%205055%20%20Enrollment%20Priorities.pdf.

Unit Limitations

The student's program of studies will vary according to individual need and objectives. There is no minimum but the maximum program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study summer session is 10 units if at least one unit is in physical education. The minimum full-time student program is 12 units per semester. A student wishing to take more than the maximum units may file a petition through the Counseling Services Division. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade point average and an overall grade point average of 2.5 or higher to be eligible for an overload.

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend two hours per week in study and preparation for each class hour per week in lecture courses. Students who work in business or industry should reduce their total study programs in proportion to the demands of their employment and personal activities. If employment requires 40 hours or more per week, students would limit their study program to seven units or less each semester.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

Student Records

Congress has provided in the Family Education Rights and Privacy Act (FERPA) that students have certain rights of access to their education records. Please contact the Admissions Office for any information regarding your rights under the Act.

High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. District policy restricts concurrent enrollment to students who have completed the 10th grade.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - When you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and purchasing a college catalog from the ECC Bookstore. It is also available online.

Eleventh and 12th grade students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or the start of a session in summer. Failure to meet the admissions deadline will preclude the student from registering in any classes for that term. Late admissions and late registration will not be considered for concurrently enrolled high school students.

Parents - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system.

As per FERPA (Family Educational Rights and Privacy Act) any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then concurrently enrolled high school students. These students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

Equivalent Courses

www.elcamino.edu/admissions/catalog.asp

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the college catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in Drop-In Counseling or the appropriate academic division office.

Transcripts

Students who plan to attend under veterans or Social Security benefits, receive academic advisement to become matriculated; or need to have coursework at other colleges reviewed for prerequisite clearance, must request college transcripts from all schools attended be sent to the El Camino College Records Office.

Students who plan to graduate from El Camino College with a degree or certificate and wish to have course work taken at other colleges considered for graduation must request official transcripts to be mailed from the other colleges to the El Camino College Records Office. Hand-carried transcripts from the student or any other party will not be accepted.

Ordering transcripts is easy. Go online 24/7 to www.elcamino.edu/admissions/transcripts and follow the instructions.

The first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and are payable at the time of the transcript request. Transcripts are processed on a first in, first out basis.

Cross Enrollment at CSU Dominguez Hills

El Camino College students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition, in a maximum of one baccalaureate-level course per semester on a space-available basis. Such enrollment would be at the discretion of the appropriate campus authorities on each of the campuses.

A student must meet the requirements of cross enrollment to be eligible. Additional information on requirements and procedures may be obtained at the El Camino College Admissions Office or Counseling Center.

Academic Dishonesty violates Section I of El Camino College's Board Policy 5500 Academic Honesty & Standards of Conduct

- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner which encourages learning and promotes honesty; and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any other kind of academic activity.

Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.
2. The instructor may dismiss the student from the class or activity for the present and/or following class session(s) as stipulated in AP 5520, section C.5: Removal by Instructor.
3. The instructor may recommend suspension or expulsion of the student from the college as stipulated in BP 5500, Section III.a and V.d. This recommendation must be in accordance with El Camino College's Due Process and Disciplinary Procedure.
4. An Academic Dishonesty Report Form is filled out by the instructor and copies are submitted to the division dean and Director of Student Development. The Director of Student Development will keep this form in the student file and take any additional disciplinary action if deemed appropriate. Should there be record of multiple incidents of academic dishonesty or other misconduct committed by a student, he or she may be suspended from all classes and campus for up to two years.

ASB Student Discounts & Student Activities Fee

All students who pay the Student Activities Fee will receive the Auxiliary Services Board (ASB) sticker for their photo ID cards at the Cashier's Office.

The ASB sticker offers a variety of discounts including discount movie theater and amusement park tickets. Movie theater and amusement park discount tickets can be purchased at the Marsee Auditorium Ticket Office during its regular operating hours. On-campus benefits include access to Activities Center events, free admission to all campus athletic events and a discount on tickets at district-sponsored Center for the Arts events.

Funds from the Student Activities Fee help support co-curricular activities of the college. Such activities include but are not limited to student government, clubs, the Union newspaper, plays, athletic teams and the debate team.

The \$10 Student Activities Fee will be collected during primary terms (fall and spring). A student may opt-out of the Student Activities Fee when enrolling for classes. If the student does not opt-out during enrollment, the Student Activities Fee will be assessed and collected. Once paid, the Student Activities Fee is non-refundable.

The following courses are Distance Education (DE) courses. A DE course may be online or hybrid. Online courses meet completely online (via the Internet using Etudes) and require you to complete an online course orientation, email the instructor before class starts or attend an on-campus course orientation. Hybrid courses have regular on-campus class meetings and a mandatory on-campus orientation. Specific class meeting and/or orientation requirement for each DE course are listed below and in the DE Class Schedule and Meeting Information on the DE website. Transfer-Level Mathematics

Math 80 serves as a prerequisite for all transfer-level mathematics courses. Students of science, computer science, engineering, mathematics and business should take Math 80.

Math 67 or Math 73 may be used as the prerequisite for Math 110, 111, 115, 120, 140 and 150. Science, computer science, engineering, mathematics and business should not take Math 67 or Math 73.

Math 67 is not appropriate for nursing students planning to take Chem 1A.

Some transfer-level courses also require Math 60, which can be waived with evidence of successful completion of High School Geometry.

Math 80 and Math 73 satisfy the associate degree mathematics requirement. Students passing Math 67 need to take a transfer-level mathematics course in order to satisfy the associate degree mathematics requirement.
