**Candidate for Vice President & Director of Finance**

# **Badredine Zerrouki**

I'm here running for Vice President because I believe I have the qualities needed in leadership that will be able to greatly help ICC and the other clubs here at El Camino. My goal is to take what I already know as a part of ICC and expand that to a greater role while using what I learned to improve on what has already been done. Through past club roles I will be able to handle the work put on as Vice President and be able to thoroughly succeed in my role. I also have a main goal to make sure that communication is clearer and try to create greater organization. I would appreciate your support.

## Candidate for President & Director of Activities

# Helena Groskreutz

Hello! I am passionate about supporting club success and encouraging student leadership! No matter what ruler you use for success – creating community, providing cool opportunities, or empowering students' identities, interests or skills – I will commit to uplifting clubs and students on their journey to success.

**Candidate for Director of Club Support &  
Director of Human Resources**

# **Maria Lewis**

Hello students! My name is Maria Lewis and I'm running for you ICC Representative for Director of Club Support and Director of HR. As Director of Club Support I would be here for all your club needs. Forget what you need to do for fundraising or a budget request? I'll be here answering all of your questions and emails at 2 am if I have to! I'll be here to support the club with anything you need and if I'm not the right person to ask, I'll direct you to the people you should be asking! I'll ensure club support, making sure club management is easier. After all, it's not easy to do it all yourself! Having someone to help in management and support scenarios is always good, and I want to be that person for you. As director of Club Support I would be responsible for monitoring and developing written reports pertaining to the active status of clubs. I am committed to providing leadership and support to new and continuing clubs, as well as students who are newly seeking to create clubs. As your Director of HR I would serve as ICC's chief human resource manager, working to ensure its inclusion and productivity. I would also manage the recruitment and interview of all students seeking appointment into ICC. I will make sure to manage ICC really well. Make sure to vote for me for Director of Club Support and Director of HR!

# Candidate for Director of DEI

## Nina Watanabe

Hi everyone! My name is Nina, and I'm running as your ICC Director of Diversity, Equity, and Inclusion! Curious to know about my background? Well, I'm currently the Robotic's Inter-Club Council Representative, proud MANA member, Blue Robotics engineering intern, and the WIT Co-Social Media director! I also formerly shadowed the First-Time College Student Director as an Executive Fellow for the student government of University of California, Riverside- which proudly represents over 26,000+ students. My main focus was to help provide more resources, particularly for first-generation college students to combat the barriers we face as we traverse our pursuit of higher education. I was tasked to aid the director in responsibilities that include but are not limited to: Assisting with office led projects such as hosting Pre-Law/Pre-Medical panels, reworking bylaws, and improving pre-existing student resources such as the TRIO-scholars and the first year resources program. This work allowed me to help make positive impacts within my community and sparked my passion for student government. Additionally, as a first generation student, second generation Japanese immigrant, and a woman with a strong interest in STEM growing up, I understand the profound feeling of the lack of belonging all too well. As a result, I'm even more driven to go above and beyond the responsibilities of a typical DEI director in order to promote a more inclusive environment for every student at El Camino College. However, I need your help to make this happen. Together, we can create a more welcoming environment that will boost things such as student engagement and academic success on campus. Vote Nina Watanabe for the Director of Diversity, Equity, and Inclusion!

## Candidate for Vice President & Director of Finance

# Sandy Jabbour

My name is SandyJabbour, and I am running for both ICC Director of Finance and ICC Vice President at El Camino College. I currently serve as a Student-at-Large on the ASO Finance Committee, Vice President of the Economics Club, previously served as Secretary of the Honors Transfer Club, and I am a member of the Alpha Gamma Sigma Honor Society. I am also involved in MESA and the Honors Transfer Program. Through these roles, I have built a strong foundation in leadership, responsibility, and understanding how student organizations operate and succeed. My experience on the ASO Finance Committee has been the most defining part of my involvement on campus. It has given me direct insight into how financial decisions are made and how significantly they impact student clubs and programs. I have seen how important it is that funding is handled transparently, fairly, and with clear communication so that students and organizations can plan and grow effectively. This experience is what drives my interest in continuing to serve in a financial leadership role. As ICC Director of Finance, I would focus on making the budgeting process more transparent, organized, and accessible for all clubs. I want every organization—regardless of size or experience—to understand how funding decisions are made and to have a fair opportunity to access resources. My goal is to ensure that ICC finances are managed responsibly, consistently, and in a way that directly supports student involvement. As ICC Vice President, I would work to strengthen communication between ICC and student organizations and support collaboration across clubs. My goal is to help create a campus environment where clubs feel informed, supported, and able to work together effectively. Overall, my experience in ASO Finance, club leadership, and campus involvement has shown me that strong student government depends on transparency, communication, and accountability. I am ready to take on this responsibility and would be honored to serve in either role to help improve the student experience at El Camino College. Thank you for your consideration.
