Is there data showing the need/benefit for the proposed grant project?

- Check out the [list](#) of current dashboard and reports to see what data is readily available.

- Check out the [Dashboard Catalogue](#) to familiarize yourself prior to utilizing the Dashboards. The Dashboard Catalogue will help you know what you are looking at, how to navigate the dashboards and which dashboards will best meet your needs.

- For a more comprehensive search of data, visit the [Institutional Planning and Research](#) webpage.

Keep in mind future ongoing data needs for this proposed project, should a dashboard or report not presently exist. Consider the following:

- Need/benefit for the proposed project.

- Outcome metrics.

- Reporting needs during the life of the grant.
