

Does this proposed grant project require specific space or facilities consideration?

- Will you be hosting events? If yes, where?
- Will you be hosting workshops or trainings? If yes, where?
- Consider any set-up or clean-up by facilities not presently scheduled.
- Is there any construction involved?
- Will a space need to be allocated for this project?
- Consider locations on campus, will your project require a change in designation of a space?

Example: was a classroom, now a space for events
