

DEAN OF COMMUNITY ADVANCEMENT

Classification: Educational Administrator
Salary Range: 16

Retirement Type: PERS*
Revised/Board Approval: June 17, 2024

KEY ROLES/RESPONSIBILITIES

Under direction of the Superintendent/President (or designee), exercise overall leadership of the assigned instructional programs department providing administrative supervision over assigned positions. Provide vision and leadership to develop, organize and implement the department's goals and objectives; plan, develop, organize schedule, direct, improve and evaluate the department's programs, services, and activities; and provide oversight, development, and coordination of all elements of the community advancement programs assigned.

Foster a culture of collaboration, mutual respect, innovation, and continuous improvement throughout the department; lead by example; actively participate in and support College-wide shared governance components and activities and other collaborative processes; encourage professional excellence among assigned faculty and staff; and promote, foster, and facilitate an organizational culture of customer service, teamwork, and innovation.

SUPERVISION RECEIVED and EXERCISED

- Receive general direction from the Superintendent/President (or designee).
- Supervise, motivate, and evaluate the performance of assigned faculty and staff, interview and select employees; recommend promotions, transfers, reassignment, termination, and disciplinary actions to the assigned reporting level.
- Review and recommend staffing patterns, approve goals and performance objectives for personnel.
- Provide consistent direction in administering the collective bargaining agreements with faculty and classified employees; understand and interpret agreements for faculty and staff as directed.
- Foster a culture of sensitivity to and an understanding of the diverse academic, socioeconomic, cultural, linguistic, ethnic backgrounds and disabilities of community college students, faculty, and staff.

REPRESENTATIVE DUTIES

The following duties and responsibilities are typical for this position. Incumbents may not perform all the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

I. LEADERSHIP

1. Lead, direct, and manage the planning, development, organization, scheduling, direction, performance, and evaluation of programs and services of assigned departments or units. Articulate a clear vision of assigned areas, including services, applications, and benefits provided. Lead and manage change within assigned departments and across the Area as directed.
2. Demonstrate effective leadership in long-range planning, program review, and resource development activities. Promote transparency within and among assigned units or departments.
3. Participate actively in the life of the College, including operational processes and initiatives, by serving on or leading College committees, workgroups, task forces, and councils as assigned.
4. Strengthen quality educational and support services to promote and empower student learning, success, and self-advocacy. Prepare and implement the Department's budget.
5. Provide vision, leadership, and advocacy to enhance innovation and participation in issues related to areas of assignment to ensure ongoing sustainability of the College.
6. Support student learning using a variety of effective instructional methods, educational technologies, and college resources.
7. Demonstrate full accountability for effective and efficient utilization of resources. Control and authorize expenditures in accordance with established guidelines. Measure and assess outcomes. Identify opportunities for improvement and implement actions to strengthen services to students and the campus community.
8. Support and promote College initiatives including Diversity, Equity, Inclusion, Accessibility, and Anti-racism.
9. Serve as Campus Security Authority (CSA) for Clery Act reporting requirements. Maintain up-to-date certification for CSA status.

II. FUNCTIONAL RESPONSIBILITIES: *College Level*

1. Serve as a key advisor to the Superintendent/President on strategic matters related to economic and workforce development programs assigned and other administrative concerns. Provide administrative guidance to the Superintendent/President in developing and implementing strategic plans, goals, objectives, policies, and priorities.
2. Provide effective leadership and guidance over all aspects of the areas assigned, including resource planning, budgeting, tracking, and reporting. Provide technical expertise as directed.
3. Provide leadership over, monitor, and improve the delivery of services throughout the areas assigned. Promote an effective work environment that supports high performance teamwork, continuous improvement, and ongoing sustainability of College resources.

4. Ensure the fiscal integrity of the College to promote and empower student learning, success, and self-advocacy.
5. Participate in grievances, disciplinary meetings, legal matters, and other employment related activities within areas assigned. Be alert for and effectively manage trouble spots in assigned service areas.
6. Provide timely operational, technical, and financial information to the Superintendent/President and other College administrators, as directed. Interpret routine policies and regulations and recommend appropriate courses of action in unusual and complex circumstances. Demonstrate effective stewardship through continuous monitoring and reporting of resource needs, deployment, and utilization.
7. Ensure that all programs, services, activities, events, and experiences demonstrate sensitivity to and understanding of the diverse academic, socioeconomic, cultural, linguistic, disability, racial, and ethnic backgrounds of community college students, faculty, and staff.

FUNCTIONAL RESPONSIBILITIES: *Job Level*

1. Serve as the primary representative for economic and workforce development. Promote positive and substantive relationships with local business and industry partners.
2. Collaborate with College Vice Presidents, Academic Deans, and others to develop training solutions for local workforce needs.
3. Provide leadership in working with corporate partners, economic development agencies and community leaders and with college personnel in furthering the services to our business and industry partners and enhancing the workforce and economic development component of the College's strategic plan.
4. Communicate with leaders in the private and public sectors and in educational agencies to determine needs for new courses and programs; establish advisory committees as appropriate.
5. Provide strategic directions with an entrepreneurial approach in the development of corporate training and career and occupational programs to serve the region, partnering with local business, labor organizations, government agencies, other educational partners, and professional organizations.
6. Work with a diverse group of managers, faculty, staff, and community representatives to plan for the provision of quality programs and services in the areas of business and community training, education, and partnerships.
7. Maintain current knowledge of new developments and innovative community outreach efforts and economic and workforce learning programs in community colleges and higher education; recommend changes to maintain relevance of programs and services to meet business and community needs.
8. Facilitate internal and external needs assessment surveys and analysis to ensure that the College is addressing the needs of business and industry, and community.

9. Provide leadership in developing long-term business and industry and community partnerships and positive relations whereby the College District is regarded as an integral part of business and industry and community.
10. Communicate with staff by holding regular meetings to facilitate planning and decision-making and to have staff informed about overall college issues and projects.
11. Provide leadership in the development of Division long-range plans, annual goals and objectives, and evaluative measures to ensure the on-going commitment to quality and excellence.
12. Evaluate the fiscal stability of non-traditional and community programs and services.
13. Provide leadership in the development of the division budget and manage financial resources consistent with College policy and sound financial management principles; allocate and re-allocate scarce resources among competing requests for funds.
14. Assure proper use and security of assigned facilities, equipment maintenance and compliance with health and safety regulations.
15. Facilitate internal partnerships with, between, and among the major areas of the College to advance and support economic and workforce development.
16. Evaluate staff and program effectiveness, organize committees for the evaluation and selection process and assure compliance with College personnel policies, procedures and practices for the employment of faculty, classified staff, management, students and short-term, temporary and substitute workers.
17. Analyze requests for staff to meet short- and long-term needs and make recommendations to the Superintendent/President; assist in the development of job descriptions for new positions.
18. Work cooperatively with other administrators and supervisors to coordinate programs and services across the curriculum and at all locations to meet student needs; resolve conflicts and issues within the Division and between divisions.
19. Represent the College and Superintendent/President, as needed.
20. Submit written and make oral reports and presentations as necessary to College, community, state and national groups.

III. RELATIONSHIPS

1. Develop and enhance partnerships with schools, colleges, universities, businesses, and community-based organizations to respond to the educational, workforce training, and economic development needs of the community.
2. Advance an effective process of collaboration and collegial consultation conducted with integrity and respect to inform and strengthen decision-making.
3. Work closely with other departments and divisions within the Academic Affairs area Instructional Divisions and across the College to foster and facilitate a seamless student experience and increase student success.
4. Work cooperatively and communicate effectively with College administrators and staff, representatives of State and federal agencies, educational institutions, social service organizations, community representatives, and others to coordinate and implement assigned programs and activities and provide information to others.

5. Organize and attend a variety of administrative and staff meetings related to strategic planning, budget, advisory committees, and other assigned activities; participate in consultation, shared governance, and appropriate advisory committee meetings. Chair committees as assigned.
6. Maintain and encourage effective communication with assigned staff by holding regular staff meetings. Provide timely information to faculty and staff about issues, programs, and practices affecting the department and the College.
7. Network with professional colleagues inside and outside of the College. Attend workshops and professional conferences to stay informed of new developments and technologies; serve on a variety of campus, community, and state committees; meet with representatives of business, industry, and local government, as appropriate.
8. Participate as an active member of the Superintendent/President's management team, as requested.

IV. ORGANIZATION MANAGEMENT

1. Maintain up-to-date knowledge of the regulations, policies, requirements, and eligibility criteria for assigned programs and ensure compliance with the College's policies, procedures, and practices.
2. Strengthen processes, programs, and services through the effective and efficient use of assessment, program review, planning, and resource allocation. Establish priorities in conjunction with the College's comprehensive planning and budgeting guidelines. Develop and implement an organizational structure that maximizes utilization of resources and ensures effective and efficient delivery of services.
3. Train, supervise, motivate, and evaluate the performance of managerial, faculty, professional, operational, technical, and support personnel as assigned; recommend transfers, reassignment, termination, and disciplinary actions as needed; delegate and review assignments and projects; evaluate work products and results, develop appropriate procedures to accommodate need for information and assistance; establish and monitor timelines and prioritize work. Monitor employee performance on a regular basis and provide coaching for performance improvement and/or development as needed. Anticipate, prevent, and resolve conflicts under areas of supervision.
4. Plan for efficient and appropriate use and security of assigned facilities; assure compliance with health and safety regulations.
5. Work with Information Technology personnel on a continual basis to enhance and improve relevant computer systems. Learn and apply emerging technologies to perform duties and provide services in an efficient, organized, and timely manner. Work to modernize infrastructure and technological resources to facilitate a positive learning and working environment and promote student success.
6. Perform other duties as assigned.

MINIMUM QUALIFICATIONS

Education: A Master's degree or the equivalent from an accredited college or university.

Experience: Minimum three (3) full-time equivalent years of experience in educational program administration and budget management; and minimum one (1) year of post-secondary teaching experience. Depending on the administrator's assignment, may require specialized subject-

related work and/or teaching experience; for example: minimum of two (2) years of work experience in a field related to a field of study within the Division, or five (5) years teaching, administrative or project management experience in a CTE or Economic and Workforce Development related field of study.

LICENSES AND OTHER REQUIREMENTS

Valid California driver's license

(Note that for travel reimbursements, a valid California driver's license and successful completion of the District's Defensive Driver Training program is required.)

DESIRED QUALIFICATIONS

Desirable Education: A Master's degree from an accredited college or university in a degree related to Economic and Workforce Development.

Desirable Experience: Minimum five (5) combined years of post-secondary experience in educational program administration and budget management, and post-secondary teaching experience preferably in a community college environment.
