- Maintain satisfactory academic progress

El Camino College

www.elcamino.edu

The El Camino Community College District is committed to providing an educational and employment environment in which no person is subjected to discrimination on the basis of actual or perceived race, color, ancestry, national origin, religion, creed, age (over 40), disability (mental or physical), sex, gender (including pregnancy and childbirth), sexual orientation, gender identity, gender expression, medical condition, genetic information, marital status, military and veteran status, or retaliation; or on any other basis as required by state and federal law.

Eligible Support Programs

Athletics

Warrior Athletics provides student-athletes competition in the California Community College Athletic Association (CCCCAA) in 22 intercollegiate athletic programs. Student-athletes acquire skill, sportsmanship and scholarship during their two years of competition with a goal of transfer.

Behavioral Social Sciences/Student Equity and Achievement (BSS/SEA) Pathway

The BSS/SEA Pathway is designed to facilitate the academic and college success of students by integrating Behavioral and Social Science curriculum, student equity and student services in courses that are designated as myPATH.

Computer Science Learning Community

The Computer Science Learning Community provides a pathway for students to complete a Bachelor's Degree in Computer Science. Students will take major classes together, study together, and receive significant additional support including cohort enrichment workshops, professional development, tutoring, priority registration, \$2,000 need-based scholarships, and guidance to apply for competitive internship experiences.

Extended Opportunity Programs & Services (EOPS)

EOPS at El Camino College is dedicated to the delivery of a comprehensive program that encourages the enrollment, retention, and transfer of students who are challenged by language, social, economic, and educational disadvantages.

First Year Experience (FYE)

Starting a new educational journey can be exciting and overwhelming! El Camino College's First Year Experience program is designed to help recent high school graduates succeed in their first year of college by providing a supportive environment and specialized education and career services.

Honors Transfer Program (HTP)

HTP is for highly-motivated students who want to transfer to the best four-year universities, which give them special consideration for acceptance following completion of the program. Program benefits include priority registration, designated honors classes, smaller class sizes, transfer-related workshops, and scholarship opportunities.

Mathematics, Engineering, Science Achievement (MESA) Program

MESA provides academic support, enrichment opportunities and financial resources to students who plan to transfer to four-year universities in a calculus-based major in Mathematics, Engineering or Science. MESA resources help students create a sense of community, belonging and

identity, and are designed to increase student retention, success, graduation, and transfer in STEM fields

MANA

MANA's purpose is to help El Camino students of Native Hawaiian and Pacific Islander descent succeed in their academic journey while integrating their cultural identity into the process. At the core of MANA are the Native Hawaiian and Pacific Islander values of respect, integrity, commitment, and compassion.

Puente Program

The Puente Program provides English courses, counseling, and mentoring. The goal is to assist students that wish to transfer to a four-year university through transferable courses and educational events, activities, and workshops. Puente focuses on a Latino/multicultural emphasis in both the college transferable English and Human Development courses which the students are placed in a cohort for one academic year.

Special Resource Center (SRC)

The Special Resource Center's (SRC) primary goal is to provide the accommodations necessary to assist students with achieving their educational and vocational goals, while promoting self-advocacy and independent learning. The SRC provides support services, accommodations for academic college activities, adaptive equipment and computer technology, assistive technology training, and specialized instruction to serve students with verified disabilities.

TEACH El Camino

The TEACH El Camino Teacher Education Program was created in response to California's projected need for teachers over the next decade. Through partnerships with local universities, TEACH offers courses and fieldwork for those planning to teach at all grade levels as well as for students interested in other careers within the field of education, including school administration, school counseling, school psychology, school social work, school librarian, school nurse, and speech/language pathology.

Umoja-Project Success

The Umoja-Project Success program is an affiliate of the state-wide student support program called the Umoja Community. It is a guided pathway program that consists of mandatory courses during the first two years of the students' participation. The Umoja Community actively services and promotes student success for all students through a curriculum and pedagogy responsive to the legacy of the African Diasporas.

PROJECT PROGRAM

Creating Leaders for the Future

BENEFITS OF JOINING

PRIORITY REGISTRATION
ACADEMIC PROGRAM COUNSELORS
UNIVERSITY TRANSFER PROGRAM
CONNECT WITH MENTORS
FUN EVENTS THROUGHOUT THE YEAR
ASSISTANCE WITH ACADEMIC ENGLISH WRITING

JOIN OUR COHORT

A cohort is the same group of students enrolled in the same classes together sharing a bond and creating a community. The work in one class relates to the work in other classes and supports the assignments and understanding of each student in the learning community.

ELIGIBILITY REQUIREMENTS

- Committed to the goals of the Puente Program, including an intent to transfer to a four-year college/university
- Able to take Human Development 101 and Human Development 105 courses with the Puente Program
- Must be willing to participate in Puente Events

WHY PUENTE?

If you're from an educationally underserved community and have dreams of going to a four-year college, the Puente Project is for you. When you join the program, you'll be part of a learning community that understand you and helps you achieve your education goals. In fact, community colleges with Puente Programs transfer 44% more Latino students to the University of California than colleges without the Puente Program.

**FALL SEMESTER**

El Camino College VRC

We Serve the Veteran Community!

Dedicated to the academic success of veteran students.

Veteran student benefits and education plans

Financial aid, scholarships, community support

Computer lab, tutoring, peer support, grad support

Book vouchers, food pantry, health services, activities

Transfers to universities, employment, certificate programs

El Camino College is honored to have veterans to be a part of the El Camino College family and legacy of service.

It might seem like everyone around you knows exactly what to do. But it's a fact that every college student struggles with classes or campus life in some way. At El Camino College, we put guidance, student support, and helpful resources at your fingertips so you can take what you need and use it to reach your goals.

El Camino College's dedicated veteran academic counselors, certifying officials, and staff are committed to your success.

Your Joint Service Transcripts will be evaluated for academic

credits to give you every available advantage. Come and pay us a visit by joining us in person, visit our website, and view our on-line orientation session for more information.
