## El Camino Celebrates 75 Years of Educating the South Bay

Since 1947, El Camino College has served as the destination of choice for hundreds of thousands of students pursuing academic degrees, professional development, and personal growth. The beautiful campus is the proud alma mater to alumni who are business owners, scientists, athletes, legislators, physicians, astronauts, judges, law enforcement, educators, politicians, entertainers, philanthropists and a variety of movers and shakers throughout the world.

Throughout this year, we will be celebrating our 75th birthday as a premier institution of higher learning in the South Bay. To kick off the celebration, El Camino College hosted a 75th Anniversary Gala at the Westdrift Hotel in Manhattan Beach where alumni were treated to fine dining, dancing and an opportunity to reunite with other past Warriors. Stay tuned for future events celebrating our Diamond Anniversary.

## Future Space Explorers Meet Astronaut at Onizuka Space Science Day 2022

More than 600 young students converged on to the El Camino campus for Onizuka Space Science Day. Keynote speaker and NASA astronaut Michael R. Barratt, M.D. shared stories of his space travels to the International Space Center. Dr. Barratt also described what it was like to be in space and what type of education he pursued to become one of only 600 people who have traveled into space. After the keynote address, students explored exhibits and participated in science demonstrations before having lunch provided by In-N-Out Burger trucks. Everyone had an out-of-this-world fun time!
